EXECUTIVE MANSION.

ALBANY.

July 30. 1884

E. H. Butler Esq
My dear Sir

I received your
letter and the one enclosed
which I return.

I can give no opinion
as to the expediency of
sending it but can only
think it is sent in plain
language.

I am certainly very
much obliged to you for
all you have done &

Am constantly doing for
my cause and I think I
have no criticism thus
far to make. As regards
Science is the policy dis-
termined on. You wish the
mail on the land when
you speak of the cliffs
guilty of expending against
such matters & explaining
them. I think however
that preparations may be
made to pursue a dis-
gentle course when it is
thought expedient. Will
can I think keep you

fully posted as to the
course of affairs. As to
him fairly when you dis-
pose information to.

Of course you know
we can make a close
ful relation if we
choose but I don't like
to think of that.

I am always glad
to hear from you.

Yours truly
Greenleaf
