20. HISTORICAL AND ARCHITECTURAL IMPORTANCE: West Oakwood Place extends from Main Street to Parkside Avenue. At the northern border of the first section of the subdivision to be developed, the eastern portion of West Oakwood was deeded to the city by Jacob Davis in 1887 and the remainder by Caroline Jewett in 1888. West Oakwood closely resembles a street found in Olmsted's early 1870's maps of "The Parkside." While it does not connect with Jewett Avenue at the park entrance as Olmsted originally planned, it remains curvilinear and as a cross street provides easy access to the main thoroughfares and the park.
