Dear Brother, Hayes: - The December remittance of \$35 from North ledge Meth. Church was received promptly and applied on the scholarship.

Our greetings to any who had a part in that gift and to all who are intercessors in the spread of the gospel of good will and salvation. A. Singh is doing well in his school work.

Yours cordially
Earle Rugg

Dear Friends:-

Your support of our work sent out a designated gift thru the Division of Foreign Missions reached the school promptly and has been applied as directed. If you have not had an acknowledgment from the field, I hope this will not be too late to satisfy all needs for immediate information. Our corresponding secretary of the conference has been attempting to carry work sufficient for three hard workers. He has little time for correspondence.

The boys' high school at Railwind is over-crowded in the class-rooms and in the hostel rooms. We hope next year to be able to build some more rooms and, perhaps, a new high school building. There will be use for the old rooms as we take in more boys and make better adjustment for their care and education.

The government grant has been more than double this year over any previous year. It has been necessary to make considerable increases in dearness allowances because of the high costs of food and clothing, even of the simplest types. Every scholarship that comes helps some boy to be admitted and to thus begin his high school education. Each family pays what they can afford on the costs. Boys are supposed to work two hours daily for the community welfare, preparing food, cultivating gardens, cutting and threshing wheat at this season, and doing any other work required for the benefit of all.

The subjects taught are Urdu, Arabic, Persian, English, Geography, History, Mathematics, and Science. Bible and Handicrafts are taught outside the timetable but are given preeminence in our efforts.

You are probably enjoying grand May weather and we hope the best of health. Our health is good but we cannot say as much for the weather, even it gets fever this time of year. The Maximum temperatures for the last three weeks daily have been 108 to 112. Malaria has been prevalent. We are fighting malaria with DDT to wipe out the mosquitoes and nets to protect any new invaders. Fortunately we stocked up with war surplus nets at cheap prices but they are now all allotted and we face a shortage of mosquito nets. Fortunately DDT is available at fair prices.

Political speeches and newspaper editorials in Pakistan lay emphasis on the need for a God ruled world and the idea that Islamic Culture demands that principle in an Islamic country. Realism is faced in the struggle against poverty, illiteracy, health hazards, corruption, and selfishness but a large number of men are working hard for their ideals.

Christian Education is pioneering in all these fields with

Sincerely
Earle M. Rugg

To: Rev. Heather Allport-Cohoon

Dear Heather,

I am writing this letter to request the transfer of Charlie and Kerstin Jufer's membership. Kerstin has been and is our Choir Director and has requested to become a member of Exley.

I am sorry I do not have the proper material to do this transfer, but I thought a letter would suffice. They will be taken into membership of our Church on October 2, 1988.

Yours In Christ,

Rev. Donald L. Foley

Rev. Ronald Sellers

Dear Rev. Sellers,

I am writing in response to a letter I recently received from Gloria Snyder in which she was requesting a letter from me indicating that I am currently attending the Catholic Church. I was confirmed Catholic in April 1989.

Although my years as a Methodist at North Ridge were very fulfilling and meaningful, it was my decision as part of preparation for an up and coming marriage to become a Catholic. My husband and I are actively involved in the Church here at Pope Air Force Base.

I am currently receiving North Ridge's newsletter and would sincerely appreciate it if I could continue to receive it. As I mentioned previously, my years at North Ridge were memorable and I hope to keep in touch with what is going on "at home".

Sincerely,

Caryn M. Grenville-Shanahan
