My dear Mr Butler

In sending you a
letter written last night, I
neglected to enclose the
one which accompanies this.

I am very much annoyed
at the state of things, which
it is better not to
let the subject slip my
mind. Mr Palmer will cer-
tainly set a good work
very soon. The rest I shall
also receive attention.

Yours
Tom Carter called on

me to-day and he told
the whole situation over. He
is an intelligent man I
think turn to his friends
and has the ability to
be of much service. He
tells me that ^{you} will
probably be in Buffalo
within a day or two.

People tell me that
the Campaign is unifying
very much and I am in-
clined to think that it
is a gaining one.

There will of course be
blue days but I think
from this time back the
average of unencouraging days.

will be good.
Buffalo and the
Western part of the State
needs much attention.

If you and the rest
of my friends think that
I should be there some time
and help set up a big
demonstration the time must
be fixed when things are
exactly ripe.

Tom will tell you
that in his opinion the
first thing to be done is
to send the truth to the
printer where the scandal
has been sent. I am in-
clined to think he is right
but it is going to be very
hard to control all the

lie with the truth. Your
judgement is good on that
subject.

I shall be glad to hear
from you at any time. The
thing mentioned was a very
unfortunate and badly con-
sidered thing.

Yours sincerely
Hiram Chandler
