20. HISTORICAL AND ARCHITECTURAL IMPORTANCE: A simple American Four Square with Colonial Revival style influence. Robie Street extends from Parkside Avenue to Main Street. Located in the center of the first section of the Parkside subdivision to be developed, on lands owned by Jacob Davis, Robie Street was deeded to the city in December 1887. Olmsted's early 1870's maps of "The Parkside" show a street angling from Humboldt to Parkside Avenue; however when Robie Street was laid out, it paralleled Humboldt Avenue. The street nevertheless still followed Olmsted's plan to have short cross streets in the subdivision, giving residents easy access to main thoroughfares and the park.
