Campus House History

One of the college's five original buildings, Campus House was home to three Buffalo State presidents and their families until 1969: Harry W. Rockwell, Harvey M. Rice, and Paul G. Bulger. For the next 30 years, the building served as administrative office space.

Construction began in 2000 to renovate the structure into a state-of-the-art teaching lab for the Hospitality and Tourism Department and social club for the Buffalo State community. Buffalo State College Campus House Club, Inc. a New York Not-for-Profit Corporation, was established in 2002. The club now serves as the center for hospitality education, service and research at the college.
