20. HISTORICAL AND ARCHITECTURAL IMPORTANCE:

A fine example of an American Four Square with Prairie School influence. Colvin Street takes its name from Peter Colvin, a Holland Land Co. Agent. In the 1890's the street was known as Niagara Blvd. and Niagara Falls Blvd. Colvin is a Zoo entrance from the north. It directly relates to Olmsted's 1876 Sketch Map of the Park System. The land was part of a subdivision named "Meadow View Park" conveyed to George L. Thorne and Byron Angell in July 1889 by James Tillinghast. The restrictive covenants in the deeds of sale to subdividers provided for residential use only and said dwellings "shall all be of...tasteful design."
