18. located on the south facade. A large tripartite window is above the entranceway. A two story bay projects from the south facade to the west of the entrance. The east facade has an open porch on the second story.
20. Unique example of the American Four Square house that was built in the Parkside neighborhood. This house is located on Parkside Avenue, a street conceived by FLO around 1873 as part of a residential "suburb" adjacent to Delaware Park. This suburb was called "The Parkside" by Olmsted and appears on an 1876 map drawn by him as a proposed area of curved winding streets on the north and east sides of the park. Parkside Avenue was actually created
