FRIDAY

8PM

UNITARIAN UNIVERSALIST CHURCH
Elmwood Avenue & Ferry Street, Buffalo

INTERWEAVE

INTERWEAVE, THE GAY AND LESBIAN FELLOWSHIP of the Unitarian Universalist Association, established its chapter in Buffalo three years ago. **Interweave** is an active group of gay men and lesbians, their families and their friends. **Interweave** members meet regularly to offer each other community and support. The local chapter works within the Buffalo church and with the UUA to provide outreach, programming and services to the general congregation and to visitors through meetings, seminars, conferences and worship services.

One Sunday afternoon each month, **Interweave** holds a meeting to inform members and interested people about a particular topic related to gay and lesbian life (i.e. gays in the military, the march on Washington). In addition, a smaller group of **Interweave** members meets as GLUU (Gay And Lesbian Unitarian Universalists) in a intimate, confidential atmosphere where gay men and lesbians can discuss their feelings, joys and concerns about being gay in the world.

Interweave is represented on Buffalo's March On Washington Committee, with members working on the Transportation & Accomodations Task Force and the Fund-raising Task Force.

Interweave's generous sponsorship at this Church has enabled The Buffalo March On Washington Committee and The City Of Good Neighbors Chorale to present tonight's celebration. The organizers extend all thanks to **Interweave** for so much help and support.

Likewise, **Interweave's** hospitality and hard work has provided for a reception after the show.

You are welcomed to enjoy yourself at this reception in the parish hall.

WE'RE GOING!

In just eight weeks a contingent of Buffalonians will join forces with lesbians, gay men, bisexuals, transgendered men and women and the many supporters of this effort for a civil rights march on the nation's capital.

Buffalo's Committee for the National March (organized through the efforts of The Gay & Lesbian Community Network of Buffalo) intends to send 500 from Buffalo at the march. There will be at least one million from across the country attending the march.

The march will take place on Sunday, April 25. It is the key event in a week full of gatherings, parties, performances, demonstrations, workshops and festivities.

We can provide you with all sorts of information about the march and related events, on ways to travel to Washington, inexpensively, on where to find a place to stay and how to get about town.

Call us if you are interested in going to Washington.

Call us if you want to help others get to Washington.

Call us if you want to see a gayer Buffalo after the march.
