**Continue the Unity of the March on Washington**

Revisit one of the largest civil rights rallies ever held!  
Over 500,000 lesbians & gay men of all ages and nationalities and their supporters took to the streets for the historic October 11, 1987 March on Washington for Lesbian & Gay Rights.

This March was the culmination of a week of events that included a mass wedding of thousands of lesbian & gay couples; a football field-sized quilt containing the names of men and women who have died of AIDS; memorial services for lesbian and gay vets; civil disobedience that closed down the Supreme Court for the first time in history; rally speakers such as Jesse Jackson, Whoopi Goldberg, Robert Blake, Ginny Apuzzo, and many others.

Whether you were there or not, help continue the unity of the March by coming to see the videos and participating in informal discussion. A wine & cheese reception will follow.
