Slow Me Down,

Lord . . .

*Slow me down Lord, ease the pounding
of my heart by the quieting of my mind.*

*Steady my buried pace with a vision of the
eternal reach of time.*

*Give me, amid the confusion of the day,
the calmness of the everlasting hills.*

*Break the tension of my nerves and muscles
with the soothing music of the singing streams
that live in my memory. Help me to know the
magical restoring power of sleep.*

*Slow me down, Lord, and inspire me to
send roots deep into the soil of life's enduring
values that I may grow toward the stars of my
greater destiny.*
