BUFFALO BELLES

Feb. 1994

Dear Sisters:

Just a few quick notes this month. First of all they tell me that the following ladies were present at the last meeting: Janice G, Kathy Lorraine Miller(Her new Name), Jackie Z and Yvette, Tammy Z, Colleen, Jennifer, Frances Lee, Cico J, Jean H, Dana D, Holly I, Patty J.. Sorry I missed it, but business is business and you got to take care of business before pleasure.

I'm also told they could not arrange the Styles on Video due to previous commitments, so we will try other arrangements at a later date, I hope to keep you informed.

The trip to Toronto was an exciting adventure- To give you a brief review, the Hotel parking was squeeze time, you needed a shoe horn to get in and out, glad we brought the small car. Denise Miller, Janice-G, and Tammy made the trip to Wildside and other places. We meet some very nice ladies and had in-depth conversations with our sister over some enjoyable Canadian spirits. After closing up the pub we took in the after hour night life at City's to review the talent and local flavor so to speak. We had a lovely time and wish more of the girls from the club could have made it.

February is Sweetheart Month, Don't forget your exchange gift for a sister(5.00 approx.). We are suppose to have a Makeup session scheduled. My wig seems to be on crooked and I'm getting confused with all the happenings occurring, so I hope we are still on plan with this session.

March is our Spaghetti Dinner event. A few girls have volunteered to bring items and/or do some of the other requirements, but I still need to hear from you. The Dinner notice is included in the newsletter someplace. Fill it out and send it in. We'll be making final arrangements soon, and we'll need counts and commitments for the dinner.

I just thought of a new policy for the club, which may fray some wigs, I'll be bring it up at the next meeting, So stay tuned.

Love to all,

Denise Miller

Notes from the Editor-Kathy Lorraine, PO 361, Amherst, NY 14226-0361

I used to be known as "the Wench down in the print shop". Trying to do something about the abhorrent working conditions I toiled under, I went to our President Denise demanding better conditions and compensation. Instead of that, I got a promotion and a title! I'm now the editor. And a pay cut. See what happens in this outfit! Speaking of this outfit, I'm printing a copy of "Joan's Story". This article in the Buffalo News was originally printed just about five years ago today. Joan's courageous act in allowing this article to be printed was the introduction to our group for many of us. We have room for ten pages to go out each month. I'll certainly need YOUR help in filling this amount of space. So how about writing an article, story poem etc. and send it to me. A blank page is awaiting you! I'd like to also encourage those sisters who have never attended a meeting to contact me and let me know how we can help you overcome your fears of attending. You are missing out on a lot of fun!

A BAKERS DOZEN OF MERETINGS

I thought it meight be appropriate to tabulate the attendance of our meetings. I used the names as reported in our previous newsletters. Of the thjrteen meetings held through January, ten actually report the attendance. We are missing the first meeting in Sept. 92 and the May and June meetings of last summer. I know Denise and Janice were at the first meeting and are so credited. However beforew laying down my bet, I'd consider Jean H.-those quiet types may just have attended every meeting! Then again, she may have bean out on the golf course those days. So the official results with two additions are:

1 sr.	Janice	11 meetings	5 th	Patrty J	7	17 guests with
2 nd	Jean H.	10 "	5	Francess Lee	"	one or more
3 rd	Denise M.	9 "	6 th	Colleen	6	appearances.
