Laying of the Cornerstone

Wednesday, October 9, 1929, marked a great step forward in education and in the progress of our school when the cornerstone of the new State Teachers College at Buffalo was laid. These beautiful buildings go to form one of the greatest educational centers of Western New York.

Impressive events took place that day that will preserve it in the memories of all who participated. We who waited so anxiously for the day to arrive felt that as the walls rose so should we rise to our proper place among the colleges of the State. The new buildings were the last necessary stimulus to force realization upon the lay mind that we are no longer a normal school but truly a college. School spirit among the students never before reached such a height of enthusiasm. How proud we were to say we attended State Teachers College, how elated to be present at the ceremonies of the day, and how uplifted as we took part in the dignified rites that preceded the spreading of the mortar. None of us will ever forget, even when the actual words are lost to our memory, the glow within us as Chancellor Capen of the University of Buffalo and Father Cusick of Canisius College stressed the friendliness that exists between us and the other two great schools of Buffalo.

Perhaps, though, the exercise which will linger longest in our memories is the actual laying of the cornerstone. Just sixteen years before, October 9, 1913, Edward H. Butler, Senior, officiated at the ceremonies for the present building. With a thrill, as its full significance broke upon us, we watched Edward H. Butler use the same trowel on the cornerstone of our new building. The little box in the stone contained interesting information for future generations; a college catalog for 1929-30, a photograph of the breaking of the ground for the new building, a copy of the 1929 ELMS, a program of the Lake Placid conference, a student handbook, a copy of the programs of the cornerstone layings of 1869 and 1913, an invitation and a program for the exercises of 1929, a list of the students of the college, a document recovered from the cornerstone of 1869 with names of the officeholders in Buffalo at the time, a newspaper clipping published in 1869 and a new one-dollar bill donated by Section Two of the Third Year Intermediate group.

Lines for a Cornerstone

Sealed against Time, today we set away
The Past within the corner's rugged stone,
Whereon our dream, which through slow months has grown,
Shall take its splendid shape in steel and clay.

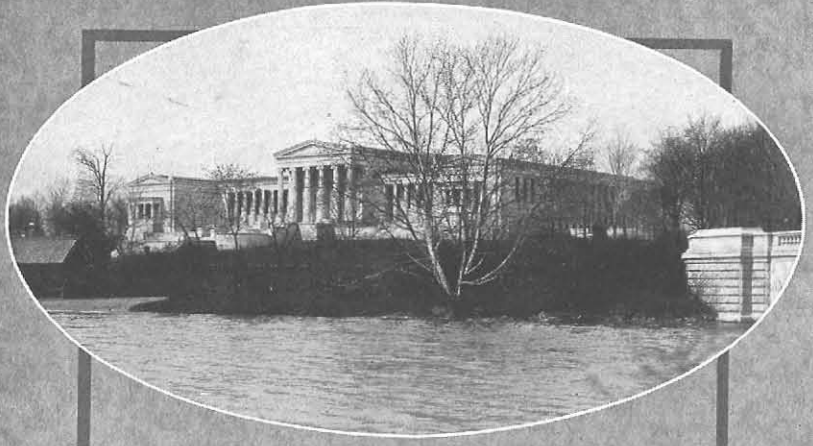

Set firm that stone in place. Oh on it may
The building strongly rest. Set firm that stone—
Symbolic corner-rock of Wisdom's throne—
Preserving, for Tomorrow, Yesterday.

On this, the only true foundation laid,
In noble pride the building shall arise,
Eternal sign of highborn enterprise,
With doors wide-flung. And Wisdom, sober aid,
Shall lodging find, where with a single eye
Both Past and Present watch the eastern sky.

"He who findeth knowledge findeth life"

Class Song

Will there be elms along Scajaquada,
 Casting their lace upon the campus there,
 Catching the sun upon their ice-clad branches,
 Until the trees a golden halo wear?

Chorus

Without the elms, 'tis not our Alma Mater,
 She is a part of trees and clock and tower,
 It is her voice that murmurs in the treetops
 When the clock strikes out the hour.

Of those who'll sing along Scajaquada,
 We who are leaving now for other realms,
 Make one request on this, our day of parting,
 And that a plea, a plea that there be elms.

Activities of Junior Degree Class

The activities of the Junior Degree Class for the year 1929-1930 began with a get-together party in October. This was the first time the Juniors of the General College and the Home Economics Juniors were together as one large group. At this time, Miss Sipp was introduced as Faculty adviser. Just before Thanksgiving, the class gave an afternoon dance in the gymnasium for all the student body and Faculty of the school. The biggest and most successful undertaking of the class was the Junior Prom held at the Twentieth Century Club, December thirtieth.

Freshman Rules—Freshman Week

OCTOBER 14, 1929

I MONDAY

Freshmen are to obtain at least twenty-five autographs of Faculty and Upperclassmen.

II TUESDAY

Freshmen are to sing their Frosh Song in Assembly.

Freshmen girls are to wear hats all day.

Freshmen men are to wear Frosh caps.

III WEDNESDAY

Each section must submit an original piece of work representing the entire section at 9 o'clock. Vocational and Home Economics are included. The table will be provided in the front hall to accept the offerings.

IV THURSDAY

All Frosh are to wear license tags which will be sold in the front corridor from 8:30 to 9:00 for 1 cent each.

Freshmen are to attend the dance given by the Sophomores in the Gym at 4 o'clock.

GENERAL RULES

I All Frosh to say "Hello" to all Faculty, Upperclassmen and co-sufferers during the week.

II All Freshmen to comply with all demands of Upperclassmen and Faculty, such as carrying books, trays, etc.

Stars

Alone in the night
On a dark hill
With pines around me
Spicy and still,

And a heaven full of stars
Over my head,
White and topaz
And misty red;

Myriads with beating
Hearts of fire
That aeons
Cannot vex or tire;

Up the dome of heaven
Like a great hill,
I watch them marching
Stately and still,

And I know that
I am honored
To be witness
Of so much majesty.

—SARA TEASDALE

Friends

I have a friend whose stillness rests me so
His heart must know
How closely we together, silent, grow.

I have a friend whose brilliancy inspires
And rarely tires
When we two warm our spirits at his fires.

I have a friend whose charity delights
In others' rights.
We two sit talking often late of nights.

I have a friend whose discipline I need;
We have agreed
That neither from this schooling shall be freed.

I have a friend whose calmness some mistake.
But we two make
Of suffering more than just its grief and ache.

I have so many friends—each one fulfills
Just what God wills.
For He through them His best in me instils.

And so twice fortunate am I to find
Friends great and kind—
Each one himself, yet part of God's own mind.

There was a Moon, There was a Star

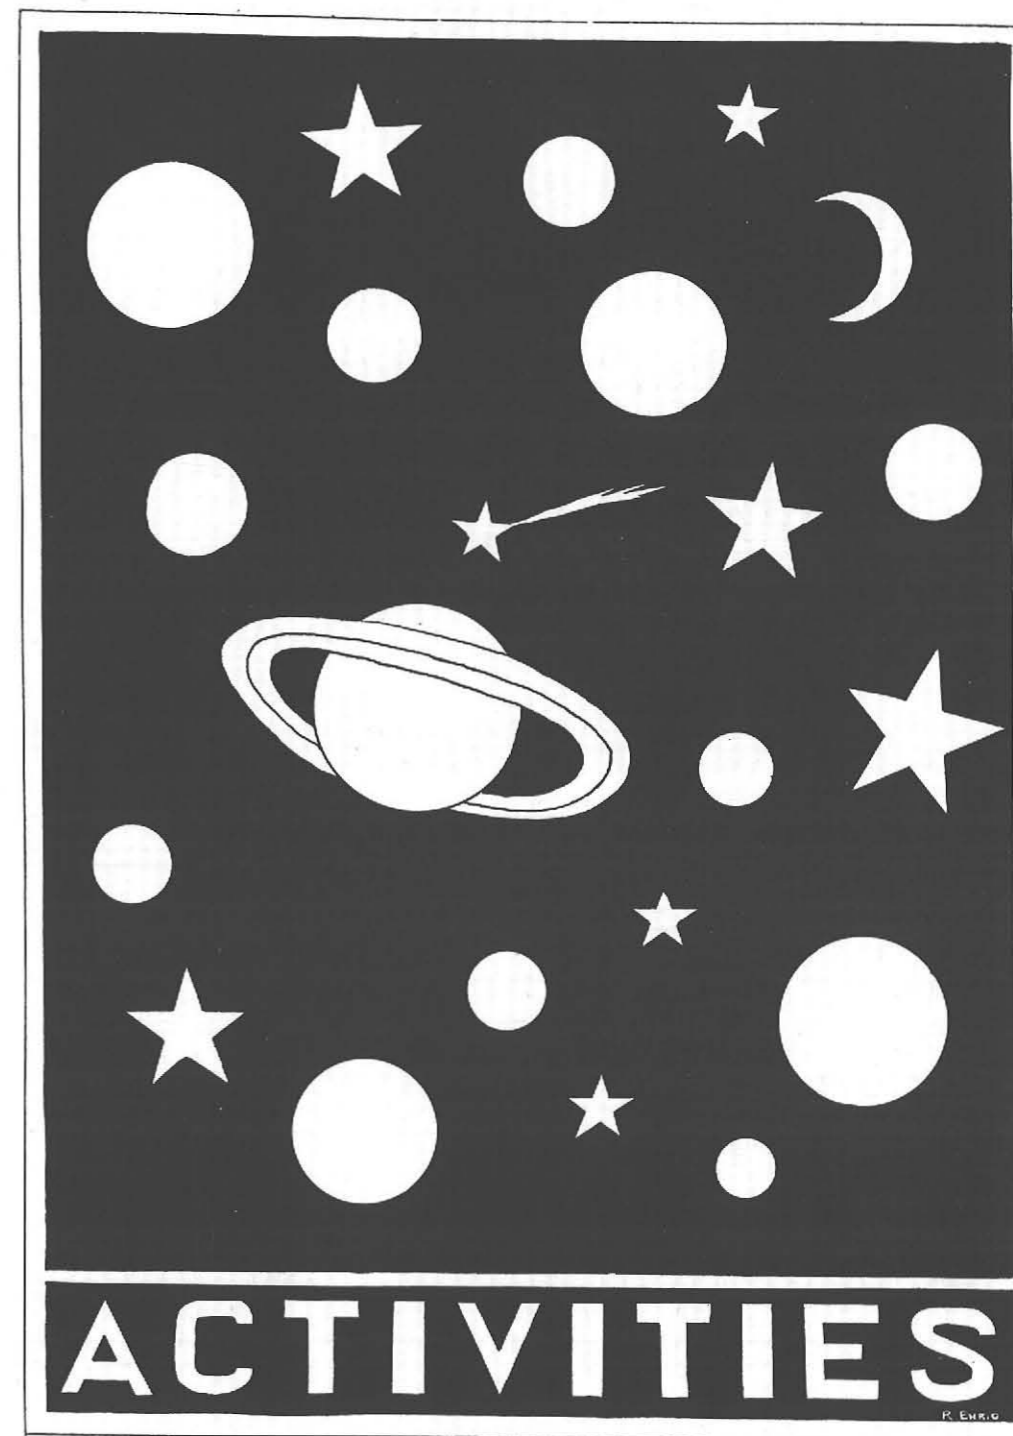

There was a moon, there was a star,

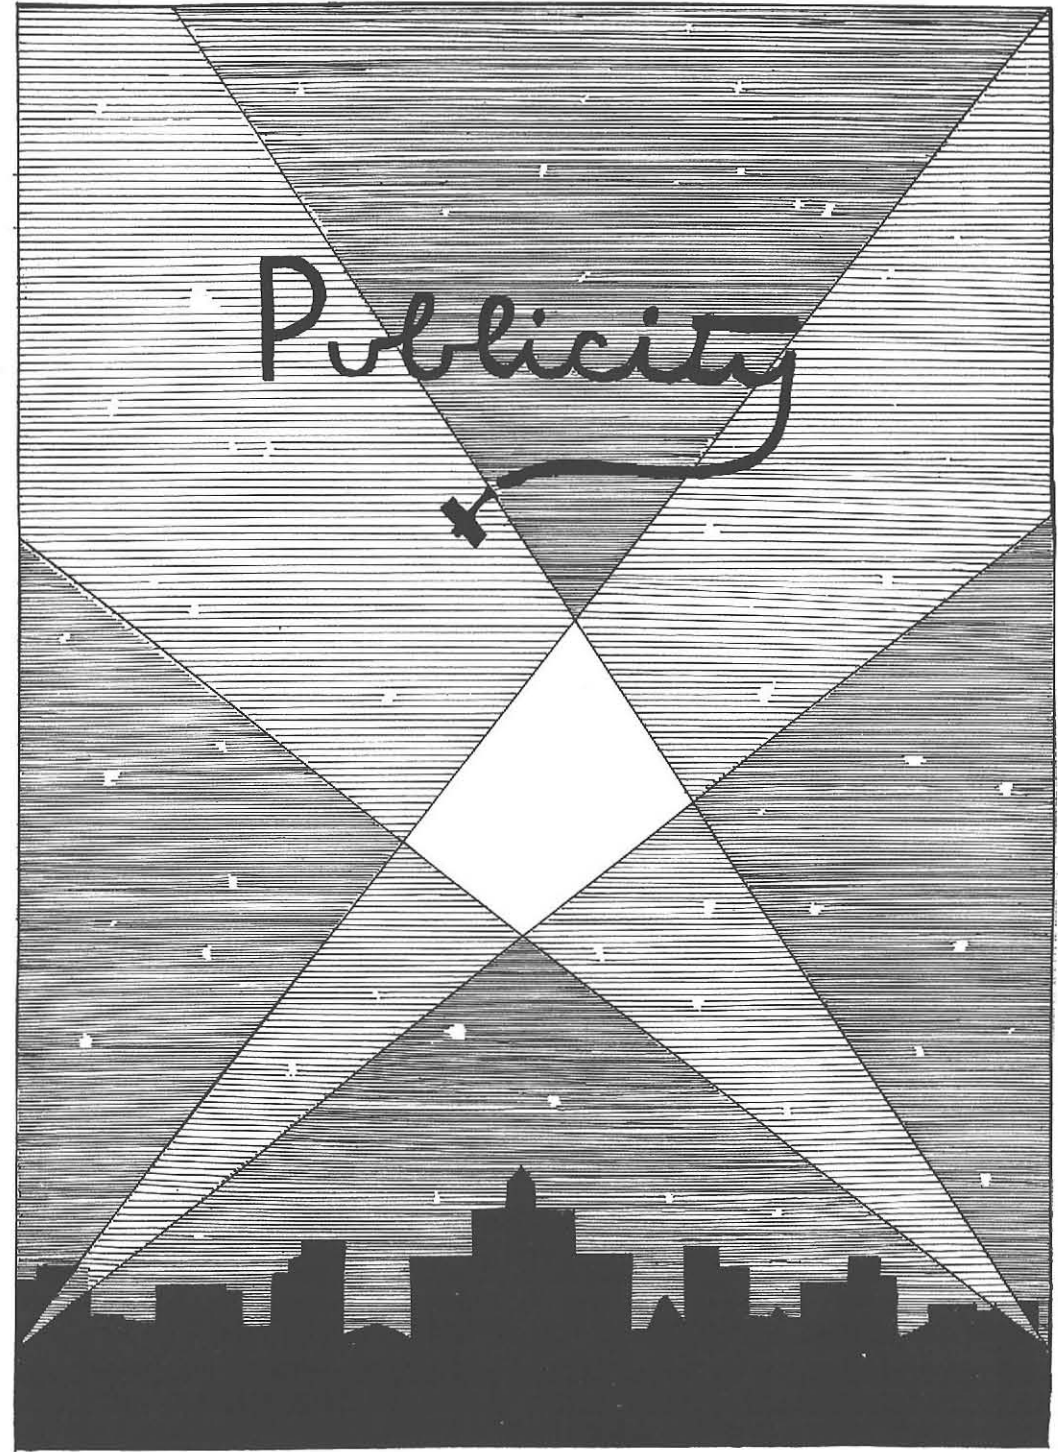

There was a path, a wood,

A silent voice, a speechless word,

Well heard and understood.

While primarily the purpose of the Art Kraft Klub is to encourage any artistic interests of its members, we have striven particularly to co-operate with other organizations in the college and so contribute to its general welfare. This year we have accomplished our purpose to the extent of establishing an Art Scholarship to be awarded annually to a worthy student of the Art Department, presenting an assembly program in connection with the Musical Clubs, caring for the bulletin boards throughout the corridors of the college, having a sale of block print Christmas Greetings and the sponsoring of the Annual Stunt Nite.

Early in the first term the Y. W. C. A. entertained the Freshmen at a circus held in the gym. The membership campaign brought 146 members—students and faculty—and these were formally received into the organization in October. The campaign was brought to a climax with a “Y” week-end at Forty Acres. The program for the year was centered around the theme, “Foreign Communities in Buffalo.” At the first meeting, Miss Castellini from the International Institute told us about the Italian Community and sang some Italian folksongs. Two social service projects were carried out in November—one a party for thirty children from the Children’s Aid, and the other the collection and disposal of the Thanksgiving baskets. In December, Mrs. Marsales came to us with many interesting stories of German customs. The meeting was followed by supper and a Christmas Party for the members. Carrying out our theme in January we discussed in three groups some vital questions connected with the Polish Community.

The Varsity Basketball Season

Twenty-five candidates reported to Coach Grabau for positions on the Varsity Team. The majority of the players were Upperclassmen, contrasting with the contributions that the Freshman Class has made to the team in past years. The return of five "letter men," Jackson, Bates, Whittington, Sharrow and Schill, gave promise of a strong team. Misfortune caused the absence of Sharrow and Jackson from the first few contests, and toward the end of the season Whittington and Clugston were lost.

After six weeks' practice, the team opened the season with the University of Buffalo, losing to the score of 46-19. Long practices followed the first defeat, but the second game at the Elmwood Music Hall was lost to Canisius College.

The team showed its true ability in the next contest, defeating an Alumni team of old captains and stars by a score of 33-32. It was fine to see players like Abate, Smith, Cleary, Stark and Wilker on the court again.

The highlight of the season came when the Fredonia Normal played on the college court. The score at the close of the first half was 4-1, the lowest halftime score ever made on the State court. At the end of the game, the score was 12-12, tied a few seconds before by Jackson's mid-court shot. It followed for Schill to be the hero of the game. He made two foul shots to tie the score again in the first overtime period, and in the second overtime period he won the game for State with a basket and a foul shot. The final score was 16-15.

Brockport was defeated next by a score of 25-21. With a team hindered by the loss of valuable players, The Orange and Black traveled to Niagara Falls and lost a close game to Niagara University, 44-32. Shepard and York did well in replacing State's absent players.

Then there followed two discouraging losses; one to a visiting Canisius team by a 25-14 score, the other at Fredonia, a thrilling game that was lost in the last half.

Another win followed from the Edinboro College of Pennsylvania on the local court. Although opposed by heavy men, State won by the close score of 20-18. The next two games were lost by a large margin. The Orange and Black journeyed to Brockport and later to St. Bonaventure. The latter game was played with a team that was of a class far superior to ours.

At Geneseo, the team won a game that had the appearances of a sure loss. Whittington, York and Schill were important in scoring our 28 points against Geneseo's 19. Opposing Cortland, State outplayed their opponents the first half, but lost by a laxly-played second period. It was at this time that Whittington and Clugston were lost. On the Pennsylvania court, State lost to Edinboro by a score of 41-22. A disastrous week-end followed in which the team lost to both Rochester and Geneseo.

The following week, State was outplayed on its own court by the powerful St. Bonaventure team. Our team did remarkably well, considering the calibre of the team that opposed them.

The season was closed in a fitting and dramatic manner by defeating Mechanics Institute of Rochester on the State court by the score of 34-32. Schill was again the hero of the game, scoring 17 of the points. The game also saw the rise of Pike from substitute to the regular position of center.

It was an unimpressive season, undoubtedly caused by the unfortunate loss of several valuable players. Discouragement was an important factor in many of the defeats, but the victories were brilliant and filled with exceptional playing.

The Reserve Basketball Season

The Reserve team, participating in every practice with the first squad, furnished the Varsity squad a fine workout. This kept the Varsity in excellent condition during its season and helped make them a worthy match for their opponents. Sincere appreciation is therefore extended to the Reserve team by the Varsity.

Though we won only three of the thirteen games scheduled, the season is not to be regarded as a failure. One need only to take into consideration the size and strength of our opponents to understand why more games were not won.

Our two victories from our old-time rivals, the Fredonia Reserves, balanced last year's defeats. The games with the several preparatory schools and our local college rivals furnished many additional thrills.

The fine playing of Pike at Center accounted for many of the close scores. The ability of Paolucci, Baumler and Schreier gives them a good start for a position on the 1931 Varsity. Paxson, Hupp and Armstrong gave fine performances as guards. We were weakened somewhat by the loss of Shepard, Bates and York, who took their places on the Varsity team in the middle of the season, but Banks, Thompson, Butler, Frank and Kirk often appearing in the line-up added much to the strength of the team.

Baseball, 1930

Indoor workouts at the State Armory and at the Elmwood Music Hall will give an advantage over last year's practice by sooner putting the men into fine condition. This should show up conspicuously in the season's success.

A nucleus of veterans, including Bates, Sharrow, Schill, MacDaniels, York and Auchmoody, with promising new candidates, especially among the Freshmen, should develop a strong team.

The following schedule, heavier than that of last year, has been arranged by Clifford Berg, Manager for 1930:

- May 13 Buffalo at Niagara
- May 17 Cortland at Buffalo
- May 24 Niagara at Buffalo
- May 28 Buffalo at Fredonia
- May 31 Geneseo at Buffalo
- June 2 Fredonia at Buffalo

These remarks have been heard about the players:

BATES—"Let them get on first. I'll catch them stealing second base."

AUCHMOODY—"Two outs and the bases loaded; oh! oh!"

SCHILL—"Remember the day I got a hit?"

MACDANIELS—"Where is that Lou Gehrig bat? It's bigger."

SHARROW—"He's the boy that steals home."

YORK—"That pitcher is all right, but he can't hit my bat."

Tennis

At the time of writing, it is too early to say anything definite about the 1930 tennis season. However, many of our students are eagerly looking forward to the time when practice begins.

Last year for the first time tennis was made a recognized sport in our college. The squad, chosen from the twenty-five candidates who turned out, was coached by Mr. Grabau. Of the several important matches that were played, our team suffered defeat at the hands of its strongest opponent, Canisius College. This year we hope to avenge that loss.

As soon as the weather permits there will be an elimination contest on our own court. With several of last year's letter men back, and with a number of excellent players among the new students, the prospects for a good team and a successful season are very bright.

There will be practice in the college gym or at one of the local armories until our own court and the courts at the parks are in condition.

Girls' Athletics

Basketball is the major sport in girls' athletics at S. T. C. Practice is twice a week, beginning in November, Tuesdays being reserved for the Upperclassmen and Thursdays for the Freshmen.

Early in the second semester, section teams are organized from those candidates who have attended the required number of practices. A Freshman and Upperclass Tournament are held, and the winners in each tournament play for the school championship.

Two major or honorary teams, the Orange and the Black, are organized from players who have shown superior playing ability and all-around good sportsmanship in the tournament games. The Orange and Black game is primarily an exhibition of skill. Girls selected for the Orange and Black for three successive years are awarded a gold basketball. Stella Shurgot and Grace Hann received this award in 1929.

The climax of the season is reached at a basketball dinner, which is attended by all the girls who came out for basketball. This year, under the careful direction of Miss Houston, Miss Salom and Miss Roach, the girls have completed a very successful season.

In the Freshman Tournament there was keen competition between Section II and Home-making. With one defeat for each, the final playoff proved Home-making triumphant by a score of 32-8. The score, however, does not tell all the exciting story. In the final game, and throughout the season, the fine playing of Ada Dean and Josephine Colby of Section II, was noted, and Audrey Henderson, Margaret Gentner and Ruth DeMond were conspicuous in their fine teamwork and passwork.

The Upperclass Tournament has been unusually exciting because of the strong competition of the veteran teams. However, Third Year Grammar II, 1929 Champions and undefeated in this year's tournament, are on the way to a second championship. Alice Brown and Ida Fothergill of Third Year Grammar I, Helen Pautler and Eileen Sullivan of Third Year Intermediate II, Grace Martiny, Gladys Slater and Bernice Newman of Third Year Grammar II, Mercedes Rentz, Margaret Krutenat and Stella Shurgot of the Fourth Year were outstanding in the tournament.

Baseball is not an organized sport for girls in our college, but girls participate in practice, and play games whenever teams can be assembled.

Riding is a recognized activity. In the spring and fall of the year, classes are formed which ride two or three times a week.

Fifth Annual Congress of the National Student Federation of America

The Fifth Annual Congress of the National Student Federation of America was held January 1-4, 1930, at Leland Stanford University, Palo Alto, Cal. The State Teachers College has always had a student present at the congress. This year, despite the distance, we decided to be again represented. This shows the value of the Federation to us, and the high esteem which our students have for it.

The National Student Federation of America has been passing through a growing phase and, at this year's congress, it launched its first plans for permanence. To become more stable and permit the expansion of the program that seemed most desirable, the association inaugurated four policies definitely designed for progress: first, the creation of a local N. S. F. A. Committee on the campus of each member college; second, the selection of a National Board of Advisers to act as liaison between the students and the outside world; third, that an executive secretary and central office be incorporated and, fourth, that dues be collected from the students of member colleges at the rate of two cents per student.

As a result of the adoption of this program, post-convention correspondence indicates that the organization is becoming more and more powerful. We may truly look to N. S. F. A. for great things in the future.

The one hundred fifty delegates, quartered in sorority and fraternity houses and dormitories, were shown every hospitality by the Associated Stanford Students Union.

Next year's conference is to be held during the Christmas Vacation at Georgia Tech, at Atlanta, Ga. Let us plan to send more than one delegate.

First Freshman Song

(Tune: "Vagabond Lover")

For some years are quickly forgotten,
When others come to take their place,
But the one we'll remember
Began in September
When we entered B. S. T. C.

So we're Freshies and we're proud of it,
Well, maybe we're greener than most,
But we're sure that some day we'll be Seniors, gay,
Ever true to the Orange and Black.

The Men of the S. T. C.

We are the men of the S.T.C.,
 Marching along with hearts so free,
 We will stand together for what is just;
 We will strive to be worthy of trust.
 Here is an opportunity to embrace
 All of our brothers, regardless of race.
 Firm and united we're proud to be
 The men of the S.T.C.

Strong are the men of the S.T.C.,
 Working to better humanity,
 You will find us on the side of the right;
 We defend the weak in their plight.
 We take this opportunity to declare
 We're for our Alma Mater, so fair,
 We'll sing her praises wherever we'll be;
 We're the men of the S.T.C.!

Hail to the men of the S.T.C.,
 Paving the way to posterity,
 We will teach and guide the youth of the State,
 Promote good will and help to create
 All of the opportunities in our field
 For richer and nobler products to yield.
 We'll mold and pattern and help to decree;
 We're the men of the S.T.C.!

Our Work Is Done

THE ELMS 1930. Thousands will read it and pronounce it interesting and clever. Hundreds will read it with vivid attention because it is an historical record of a living year in their college activities. Many will read it in future years and live again in memory the days that are now so real. Some—those who have worked so arduously to make this book a success—will turn its pages with justifiable pride in this noteworthy product of their efforts.

It has been, indeed, an appreciated privilege for us to be associated with the production of this book, even in the humble capacity of publishers. The volume which we shall place upon our shelves will be a permanent reminder of the interesting relations we have enjoyed with the officers and staff of the 1930 ELMS.

We wish them and all the members of the outgoing class the best that the world has to offer. May the enthusiasm which they have shown in their application to this important work be the means of their gaining many other laurels in the years that are ahead.

A Great Mercantile Store

SINCE the founding of this store in 1892 at Main and Mohawk Streets it has been pledged to a policy of Fair, Upright Dealing. Recognition on the part of the public to the fundamental correctness of its policies caused Hens & Kelly Co. to grow so fast that in 1922 we had to erect a new store building. In the new building we are better able to serve our ever growing clientele whose confidence in our store policies was responsible for our rapid growth — and growing greater every day.
