"PARIS BOUND" is something more than a brilliant comedy of manners. It is an extraordinarily keen study of marriage. Through all its delightful scenes and underlying its cleverness runs an absorbingly interesting problem: To what an extent and under what circumstances should a young married couple continue to live together if one of the two is unfaithful? Mr. Barry rings the changes on this theme, and concludes (so far as this particular couple are concerned) that the family is more important than the egotism and pride of the "injured party."

## GIVE FLOWERS

at Christmas - - -

Flowers and Potted Plants always make cheerful gifts, but at Christmas Time they are even more acceptable . . . and remember, no two gifts of flowers or plants are ever alike. Then too . . . we have a large assortment of fine Pottery which will make very appropriate remembrances.
