STATE TEACHERS COLLEGE, BUFFALO, N.Y.

FOREWORD

IN this, the twenty-first volume of **THE ELMS**, the staff of 1932 has endeavored to preserve the happenings of the first complete year in our new college.

During that time, we have seen the transfer of old elms to a new setting; of old customs to an expanded environment. For that student body, which will consider our new customs as traditional, the Staff records the pictures of their establishment.

Fourth Year Activities

It was a good omen, when in September, over one hundred people registered in the Senior class, making it the largest in the history of the school. With Arthur York's being elected president, everyone had hopes, for the class had recognized ability, in spite of the fact that it was well disguised.

The Interclass Sing helped make the rest of the school realize that Seniors weren't just people who had come back to school because they had not received a position the year before. They won the Sing by a wide margin. Original music seems to have some appeal. They increased the volume by incorporating the voices of the One Year Vocational group. All through the year, this group has been a great help to the Seniors.

At the Senior Party, Mr. and Mrs. Pugsley were guests. The former eulogized on a few of the students. The plans for the dinner, games and decorations were cleverly made by Fran Bellanca, the only flaw being that a few people felt rather at a loss when the flower game was played.

"Success is not always the greatest victory." The Class consoles itself with this thought, when reflecting on the Johnsons' coming to Buffalo. That they had been eager to see lions and tigers led them to think that everyone else would be. Anyway, it was a breath-taking experience when they found that they had just about broken even.

The Senior Ball, sponsored by both graduating classes, will always dwell in the minds of the Seniors as the grandest school affair of their experience.

LILLIAN J. BOURGEOIS, ΦΤΟ, ΚΑΠ Rochester, N. Y.

"Lil" came to us from Rochester City Normal School. She belongs to the Kappa Delta Pi honorary scholastic society. Since she has been with us we have found her an active member of the Home Economics Club and the Archery Club. Her position in life is with the Cap and Gown Committee of the Senior Class.

MARGARET MARY BRADY Lockport, N. Y.

Her intelligence is great. Her ideas well expressed, sound like something you've been thinking but weren't able to express, yourself. She favors Literature with medical authorities, and even med. students are especially appealing to this blue-eyed, wavy-haired redhead.

RUTH A. BREMS, ΑΣΑ, ΚΑΠ Buffalo

Chairman Spring Concert, '31
Senior Ball Committee, '32

IRENE BRICK, ΦΤΟ Buffalo

"Bricky" is a dandy kind, and we just like her fine,
She's full of pep and snappiness and lively all the time,
She is a Home Ec member and a member of Phi U,
What she can do with cooking would quite astonish you.
She handles kettles, spoons and pans with certain acrobatics,
Her outside interests—most forget—of course, they are
dramatics.

ADA MAY BROWN North Clymer, N. Y.

Ada May came from Fredonia, but she has not been slow in making her place at S. T. C. Her membership in the Y. W. and Non-Residents Association, her participation in swimming, archery and tennis prove her activity and interest.

JEWETT BROWN Williamsville, N. Y.

Like all great men, Jewett is versatile—being a mathematician, an educator, and a very capable diplomat, especially in classes where the majority of students is girls.

MARIAN R. BURNIS, ΑΣΑ Buffalo

Her activities when listed look somewhat like this:
Secretary of Alpha Sigma Alpha, '30
Senior Day Committee, '32
Class Day Committee
Christmas Play
ELMS, '31

MARGARET MARY BURNS, ΑΣΑ Buffalo
 M.M.—with a complexion that others envy, with much dramatic ability which she has exercised in Dramatic Club, and with a reserve that belies the fun-loving person beneath.

ENA MARIE BUSKIRK La Fargeville, N. Y.
 Ena Marie, or Giggles for short,
 Is not entirely flighty.
 For four years she has belonged to the Y,
 to the University Scholarship Group,
 Besides being a rollicking good athlete.

ELLEN M. CHERRY Hamburg, N. Y.
 "Cherry" is her nickname, quiet is her style,
 Demure is her manner, pleasant is her smile.
 Pastime spent in Kenmore, where she does her teaching,
 Play time in the Home Ec Club, whose hands to her are reaching.
 For her help and kind advice—we hold them both quite high,
 And now we'd also like to add—she's a member of the Y.

ALICE E. COLMAN Medina, N. Y.
 Alice came from Brockport town,
 Where there's a Normal School,
 She likes assemblies—if they're good,
 If not, she is a jewel.

 Home Economics Club (four years of it)
 Junior Representative to Home Ec Cabinet
 Record Staff (four years)
 Business Manager, '32
 Art Kraft Klub, '31, Summer Social Program Committee, '31

GERALDINE CORCORAN, ΣΣΣ Buffalo
 "Gerry" is the model Senior, 'cause she's straight and tall,
 And she shows her dignity, does not linger in the hall.
 Sigma Sigma Sigma is her sorority,
 We also find her member of the famous Club H. E.
 Outside interests there's no end—
 We would say—it's a girl (?) friend.

JEANETTE M. COUHIG Lackawanna, N. Y.
 Reading and dancing
 Jean likes to do,
 But that's not all,
 She plays basketball too.

 Object—How to become the model homemaker
 Interest—Husband
 Talent—Singing and making friends

PEARL E. CRUICKSHANK, ΑΣΤ Buffalo
 (Overheard in the corner drugstore)
 "You should get acquainted with our little jewel—Pearl. Not only is she easy on the eyes, but she has genuine brain. Alpha Sigma Tau would be lost without her, and so would the Home Economics Club. She was custodian during the year '30-'31. Don't forget to meet her. So long, see you in class."

MARGARET E. DALY, ΑΣΑ, ΦΥΟ Buffalo
 Has been a valuable addition to

Glad is another Y. W. member,
Whose interest also is sports,
History, too, she likes, she says;
She's O. K., from all reports.

CANDACE JANET DOELMAN

Buffalo

No one does more or shows more college spirit than does Candace, who belonged to the Y. W. C. A., '28-'32, being President, '31; Panhellenic, '29-'31; Home Economics Club, '28-'32; Glee Club, '28-'32; was New York State H. E. Student Chairman, went to Merrill Palmer School, '30; was Section Captain, '28, and Delegate to Cortland, '29; Y. W. Delegate to Silver Bay, '31, and Detroit, '30. She also was Co-Chairman for Student Conference, '31.

MARGARET DONAHUE

Marg took advantage of having the best educational institution in her home town, and came to State. Judging from her many friends and contacts, there can be no cause for regret.

ROSE GOODMAN Buffalo

EVERYBODY likes Rose.

She sings—

Senior Girls Glee Club, '30-'32

And was also active in

Current Events Club, '30.

JOAN GOODWIN Dansville, N. Y.

Joan, of Geneseo, gave us the impression at first that she was interested only in athletics, for she stated a strong preference for archery, swimming and tennis. But one's talents will out, and on Senior Day her dramatic ability was discovered and won't easily be forgotten.

HELEN GORMAN, ΣΣΣ Coalport, Pa.

Helen, good old scout that she is, went to the University of Buffalo for her Freshman year, and then decided to give State Teachers a break, so came here for her remaining three years. She has been an active member of the Home Economics Club. We suppose she'll take all her professional knowledge and technique back to Coalport.

DOROTHY HIGGINS Buffalo

If you see a blonde riding horseback in the Park, most likely it's Dot. She doesn't spend all her time riding, however, for we hear she likes bridge, and since she's a good teacher, she must spend some time studying.

ELEANOR MARY HIRD, ΔΣΤ, ΚΔΠ Buffalo

Eleanor is always doing things. She belonged to Alpha Sigma Tau, President, '30, to the Dramatic Club, Nu Lambda Sigma, '29, Junior Prom Committee, '29, Class Day Committee, '32, Junior Glee Club, '28, Senior Glee Club, '29, Point System Committee, '30, Panhellenic, '29; was in the Christmas Play, '27, '28, the Spring Play, '29, and ably directed the Class Day Play, '32.

EDNA JEWERT, ΔΣΤ Chaffee, N. Y.

"Eddie" has done a lot of important things since she has been at State, the chief among them being:

Alpha Sigma Tau, Secretary, '31

Home Economics Club member for four years

Member of the N. R. A.

General worker for anything that has to be done well.

BARBARA M. JONES North Collins, N. Y.

"Bobby" is a little girl fresh from the country. She is very quiet and tends strictly to her own affairs. The only thing we have against her is that she insisted on feeding us full-sized "farm-hand" meals when she was cook at the Practice House. Barbara has been a welcome addition to both the Y. W. C. A. and the Home Economics Club.

CHARLES F. KANE Gasport, N. Y.

A member of the Men's Club,
For at least two years, no doubt.
Charlie is a teacher,
And knows what he's about.

KATHLEEN M. KETCHAM, KΔII Seneca Castle, N. Y.
Best wishes Kathleen

She's a literary redhead
From Geneseo Normal,
Nature Study is her weakness,
She's in Education's corral.

FRANCES KLINE, KΔII Lockport, N. Y.

Fran does not stop to fuss but quietly does things.
She was Vice-President of Kappa Delta Pi, '32
A member of the Y. W. C. A., '28-'32
Non-Residents Association, '29
Current Events Club, '29
Gift Committee, '32

THELMA KLINE, ΠΔΘ Williamsville, N. Y.

Here is a young lady who is quite interested in sorority, and we are told that she makes a good sister and a fine helper in Pi Delta Theta. In 1930 she held the position of Registrar, and in 1931 was made Treasurer. Thelma has also been a member of the well known Home Economics Club.

CAROLYN LANGDON Buffalo

Carol belongs to the Dramatic Club. Other than dramatics, her chief amusements are reading and walking.

DOROTHY LANGE Cattaraugus, N. Y.

Just a quiet little girlie,
With her hair a wee mite curlie,
With manners shy and pleasing,
With eyes both bright and teasing,
You'll find her in our Home Ec Club,
The girls will tell you—Dot's no dub.

RUTH LEVINE, ΠΚΣ, ΦΤΘ Buffalo

Ruth has done a great deal of work since she's been here. If you don't believe it read these for yourself:

H. E. Club, President, '31
Section Captain, '30, Y. W. C. A.
Pi Kappa Sigma, Sergeant at Arms

LAURA LONGAKER East Aurora, N. Y.

Everyone likes Shorty. She has been
President of the Orchestra, '31
Section Captain, '31
Secretary-Treasurer of the Dramatic Club, '30
Member of the Riding Club, '31
An active swimmer, '30-'32

From an "Orchard" "Pantale" to be - much luck etc!

JOSEPHINE MAGGIO Buffalo

Jo, being musically inclined, has been a faithful member of the Glee Club for four years. She is a member of the Y. W. C. A., '32, and of the Cap and Gown Committee, '32.

ZOA McCARTHY Lockport, N. Y.

Zoa could answer almost any question you could ask her. She spends her time reading so she'll be prepared. Perhaps Geneseo had some influence.

ALWILDA McCUMBER, ΑΣΑ, ΦΤΘ Darien, N. Y.
Look, my children, and you shall see what Willie has done for S. T. C.
 Y. W. C. A., Cabinet Member, '32

 Transfers from other Normal schools add a lot to our moral. Kay is another shining example—bringing brains and friendliness.

CLARA LUCILL MOSCATO Buffalo
"If you knew Clara as we know Clara—oh! oh! what a girl!"—and that's the truth. We hate to think of the poor kids who have to come back to school next year and not have Clara to set them chuckling. As a first class swimmer, she cannot be beaten.

Junior Graduating Class Activities

The Junior Sister Movement took place the first week of school. Each Junior girl had a Freshman "Little Sister" whom she helped initiate into the ways of college life. The object of the movement was to help each Freshman girl feel at home in her new environment and to learn to take a worthwhile interest in college activities. In this way Junior girls became acquainted with Freshman girls, and Freshman girls met other girls entering college. The feeling of friendship emanating from this movement was very definitely felt by Junior and Freshman girls.

On the first day of school in September, the Junior girls gave a basket picnic in Delaware Park for their Freshman sisters. The Junior girls brought lunch for two and went in groups to the Park, where they had a very enjoyable time playing games and making new acquaintances.

On October 20, at the Inter-Class Sing, the Junior class had an original song, written by a member of the class, which helped decidedly to win them second place.

On March 21, the Junior class had a joint supper party with the members of the Freshman class. During the evening the Freshmen had ample opportunity to display their dramatic ability in their interpretation of the life at Teachers College.

Senior Day gave the Junior Graduates another chance to show their abilities for they were well represented both in the assembly program, "College Days," and at the Senior Ball.

You can see where lay her "hart."

HERBERT J. HATCH, ΨΦ Buffalo

"Herb"—not a medicine but a tonic. He's a good cure for blues and similar maladies. He's a good member of the Men's Club and enjoys regular men's activities, such as hunting (and "loining" the English language.) He was captain of the '32 Hockey team and a member of the Baseball team

Doris says her strongest interest is
Glee Club, but she does not neglect
Dramatics. When she isn't singing
Doris reads—good books, too.

THEODORE R. HOLDEN Buffalo

"Ted" has learned a lot of extra facts about man and his surroundings by attending U. of Buffalo evening courses. He is his most natural self, however, when he is presiding so grandly over the One-Year Vocational class or when making himself useful in the Men's Club. Aviation is his strong outside interest.

BERNADETTE HUBER Buffalo
 Bern deserves a lot of credit for maintaining a high standing, while
 doing much outside work.

LEONARD E. HUCK Williamsville, N. Y.
 Plumbing is a trade that runs in "Len's" family. Not that he is actually
 studying to be a plumber himself, but the way he plunges into things
 and the way he often forgets his tools, shows that the desirable traits
 have been inherited.

 goes for swimming in a big way.

GERALDINE JEMISON, ΑΣΑ Niagara Falls, N. Y.
 Hobart may take up a lot of Jerry's mind and time—but hasn't kept
 her from being an active member of Alpha Sigma Alpha and the Y.
 And as for Literature, perhaps inspiration does come from afar.

EUNICE JONES Buffalo
 Eunice came from England, and now, strange to say, wants to go back
 there and use our methods in their schools. She'll do it well, too.

FREDERICK R. KRASSELT Cattaraugus, N. Y.

Freddy is the friendly sort, who hides behind his smiles,
All the bits of mischief and his charming guiles.
Spends his time in practicing—on new orchestral strains
Sends forth in assembly, most beautiful refrains;
Also to the Men's Club, he is a worthy member,
And his school work, it is great, as far as we remember.

HELEN FRANCES MALONEY, ΠΔΘ Buffalo

Helen's chief interest sounds rather simple—that of syllabifying words, or playing golf, but what she does isn't so simple. She has played basketball for three years, was Play Day Delegate in '31, enjoys archery, swimming and tennis, playing on school teams in each, and was sorority secretary in '31-'32.

SALVATORE P. MANISCALCO, KKK Brooklyn, N. Y.
 He lets all his best friends call him "Sal." He has so many who qualify as friends that we hear "Sal" in Kappa Kappa Kappa, Men's Glee Club, Men's Club, Campus Club and the Basketball team. Sal has had previous work in New York University.

MARGARET LORRAINE MANK, ΔΣΤ Lockport, N. Y.

HELEN MARTIN Buffalo
 Helen is an active Y. W. member, but we cannot understand why anyone with her brains could have so much trouble opening a locker.

CHARLES L. McINTOSH Delhi, N. Y.
 "Mac"—another Gandhi from Delhi—and look what he has for himself:
 Circulation Manager of *Record*
 Member of Men's Glee Club and Men's Club

 Decision—to become a perfect teacher
 Determination—his chief characteristic

RENÉ PHILIP MICHEL, KKK Troy, N. Y.
 "Mitch" is Chairman and Financial Secretary of the graduating Class of '32. How truly speaks the Senior when he says, "My wealth is in your hands." Rene is also a member of the Men's Club, and his spare time is spent in athletics and sports.

JAMES H. MITCHENER Buffalo
 "Lord Kitchener"—*what a nickname.*
 Yet even with this assimilated obstacle, we may as well say that James has made a name for himself. He is a member of the Men's Club and his class basketball team. His chief outside interests are camping and the fresh air in general.

THOMAS I. MONTELEONE, KKK Irving, N. Y.
 Here is a pitcher with two handles, "Tommy" or "Monte." No matter the name, fame will be there anyway. He is Secretary of Kappa Kappa Kappa, a member of the Camera Club, Men's Club, the Record Staff, and the Handbook Committee.

FRANCES MORAN Buffalo
 Although she was delighted when the grass first began to grow on the campus, she doesn't let it grow under her feet. In spare time, she sings in the Junior Glee Club.

HAROLD MOREY, ΨΦ Lockport, N. Y.
 Psi Phi is his fraternity,
 Lessons his concernity,
 The Club for Men his recreation,
 His part in football his elation,
 His outside interest never ends—
 For it is that of making friends.

CLAIR A. MULDOON, ΨΦ, ΣΥ King Ferry, N. Y.
 "Mul" was busy as Historian of Sigma Upsilon, '32, as a member of the Campus Club, Men's Club and the Record Staff. His chief interest in school is fraternity, but outside of that it is just a row of question marks.

MARY A. NEELON Lockport, N. Y.
 Both music and drama appeal strongly to Mary who fills a vital part in the orchestra.

 The Freshmen of '29 made a good choice when they elected Mary their President. She has been a member of both the Junior and Senior Girls' Glee Clubs.

AMALIA L. ONODY Buffalo
 It's easy to tell that "Molly" is an enthusiastic athlete both in school and outside. She played basketball in '30, belonged to the archery team, and bowls when her lessons are finished.

MARIAN FRANCES ORDWAY, ΠΚΣ, ΚΔΠ Olean, N. Y.
 Her interests are scholarship, sorority and sports. She is a member of Non-Residents Association, and of the Senior Ring and Pin Committee.

HELEN OVERTURF Buffalo
 We all know we owe Helen some credit for the success of the weekly paper. This work, and basketball, have kept her time well filled.

DANIEL J. PAOLUCCI, ΨΦ Buffalo
You may find out now why Dan is always so busy:
 He's a member of Psi Phi,
 He plays basketball,
 He plays baseball,
 And does—well, plenty—in the Men's Club.

HAZEL V. PARKER, ΚΔΠ Olean, N. Y.
 "Parkie" has achieved success—by acquiring a good diaphragmic tone. She seems to get inspiration (or maybe she practices rhetoric) strolling down the "cowpath." She also belongs to the Y. W. C. A.

EDWARD A. PAXSON, ΣΤ Buffalo
 Ed has been busy ever since he arrived at S. T. C. He has been a very capable President of the Student Association, '32, President of the Men's Club, '31, Section Representative to Central Council, '30, and Chairman of Moving-Up Day, '31.  Ruth has been a member of the N. R. A., the Y. W. C. A., and of both the Junior and Senior Glee Clubs.

MARY AGNES POWERS, ΑΣΑ Buffalo
 Girls' names weren't quite good enough for Mary so they call her "Willie." She is a member of the Orchestra, the French Club and the Y. W. C. A., and is especially interested in sorority. Outside of school it is reading and sports and———.

MONICA THERESA PUTNAM Niagara Falls, N. Y.
Here is proof that one person hasn't been idle:
 Besides a strong interest in Student Government she was President of the Junior Graduating Class of '32, Section Captain, '30-'31, Play Day Representative, '31, a member of the French Club and the Y. W. C. A.

HAROLD REAR Syracuse, N. Y.
 Why do they call him "Hungary?" It might be because of his insatiable appetite for much activity—as he has served on both the *Record* and the ELMS staffs, and as Chairman of the Men's Club. He was a member of the Moving-Up Day Committee, '31, and enjoys golf, football and bowling.

GLADYS REID Buffalo
 With exceptional talent, Gladys joined both the Orchestra and the Glee Clubs, and showed what she could do.

It would take a page to write the record of "Joe Freiberg" and "Knute." He played basketball three years and has been Captain during the past year, was Assistant Manager in '29. He is a member of Psi Phi, the Men's Club, member of Executive Council, Section Captain as well as Chairman of Section Captains. In spite of all this, he is musical and rather adept at handling members of the opposite sex.

LAURENCE H. SNYDER Amsterdam, N. Y.
 "Lefty" finds a lot of pleasure in swimming and studying. Personally, the only connection to the rest of mankind seems to be that he studies first, then washes his troubles away.

WILLIAM H. STEVENS Schenectady, N. Y.
 What an ideal student we have in this human form! Bill's interests in school are classroom activities; at home they are assignments. He studied previously at Pratt Institute.

BERNICE STORMS Sandusky, N. Y.
 "Stormy" sings in the Glee Club, and her nickname belies her disposition. The Y. W. claims some of her spare time.

College Days

Graduation days are almost here

And with them four long years of college are ended.

Though it's almost time for us to part

We will leave with the fondest memories.

Chorus

College days, the happiness of youth;

College days, of joys we'll long remember;

College days, of ecstasies fading

In our hearts they will always live and never die.

Days filled with love and with friendships tender;

Days that are gone, leaving memory's splendor.

Golden days in the sunshine of youth;

College days, too soon gone.

JUNIORS

Junior Degree Activities

The Junior Degree Class started on its eventful year by helping the Junior Class with the Junior-Freshman Big-Sister Movement and Basket Picnic.

On November 12 a tea was held in Social Centers A and B in honor of the Faculty. Having proved themselves capable of entertaining, the Faculty invited the Juniors to assist them in the Annual Faculty Reception to the Freshmen.

Co-operating with the Junior Class the third year group won second place in the Interclass Sing, the class song being written by a Junior Degree girl.

The next eventful item of the year was the Junior Prom, held December 28 at the Consistory.

One of the most worthwhile projects sponsored by this class was the care of the display case in the north wing of the first floor. Exhibits from various departments of the college were arranged weekly.

The climax of the year came with the Junior Degree assembly, depicting the history of the school, using slides from the Fiftieth Anniversary Celebration. At this time the class presented the school with a check to aid in "equipping to the finest compartment," in this case, a tennis court.

The Freshman camp for men takes the place of an Orientation course, in which freshmen are introduced to the standards, activities and athletics of State. They have an opportunity to meet some of the faculty members, and, that which is most important, to learn to know the men with whom they will be associated in college. The camp is on Lake Erie, near Angola on the Lake, and is held three days before the opening of school in September.

N. S. F. A.

The Seventh Annual Congress of the National Students Federation of America was held at Toledo, Ohio, the week of December 26, 1931. The students of the University of Toledo were the hosts of the representatives of colleges from all over the United States. Most of the sessions were held at the Commodore Perry Hotel, or at the University.

Discussions of specific problems which arise in many instances were successfully dealt with. Sessions were held for the different types of schools, colleges, normal schools and women's colleges, as well as co-educational institutions. Among the interesting personages attending were Dr. Henry McCracken of Vassar, and Dr. Ernest Wilkins of Oberlin. New ideas on student government, assembly attendance and athletic and honorary societies were gained, and have already been incorporated to some extent in our own midst.

The Toledo students were not lax in providing pleasant diversions. Both delegates feel greatly indebted to the Student Body for the opportunity given them to attend this convention.

Non-Residents' Association

The N. R. A. was formed for the purpose of acquainting non-resident girls, boarding in Buffalo, with each other. Its chief purpose, which it accomplishes, is that of eliminating a feeling of loneliness.

In September, 1931, the membership drive, in the form of a tea, was held in the social centers. A great many attended. Hallowe'en and Christmas parties were held, games and delicious refreshments being most important occurrences during the evening. A banquet was held in April, and was the climax of the year's activities.

There are now sixty-nine members enrolled in the Association.

Merrill-Palmer

Merrill-Palmer, the outstanding Nursery School of the United States, is located in Detroit. It was established in 1920, through the generosity of Elizabeth Merrill-Palmer, who left an endowment large enough to provide six buildings for the various projects fostered by the school.

Its purpose is quite similar to the nursery schools of old England, with courses of study in the physical and mental growth and development of the young child, nursery school teaching and kindred subjects.

The faculty consists of eminent educators, professors and doctors from both sides of the Atlantic, augmented by special lecturers from various hospitals and universities throughout the United States.

The students number about fifty, and come from every state and from abroad. They are both graduates and undergraduates, the latter being chosen by the faculties of their respective institutions. They are housed in small groups at the School, assuming the various responsibilities of a home.

The Nursery School contains about fifty children, ranging from eighteen months to five years of age. They are in school from nine in the morning until four in the afternoon. The day's routine consists of physical examinations, mental tests, supervised exercise and play, luncheon, story hours and music.

It is a rare privilege for any child to attend the Merrill-Palmer Nursery School. It is also a rare privilege to be a student there, where one may study the theory of child care and training from actual contact with children of pre-school age. The Nursery School is an important factor in modern education, and is receiving the widespread attention of the foremost educators of the world.

The New Athletic Association

In order to facilitate the work begun more than ten years ago in athletics in this institution, the Athletic Association this year determined to institute a new constitution.

Accordingly, when this plan was adopted, it was decided that the organization would consist primarily of the following: president, vice-president, secretary and treasurer of the Athletic Association, and an Athletic Council whose membership is recruited from the five classes, the faculty and managers of the various sports.

The aim of the Athletic Association, under the new constitution, is to promote sportsmanship and a close spirit of friendliness among the students of the college, and to promote, foster, manage and direct athletic activities for both men and women.

It is hoped that with the co-operation of the student body, the Athletic Association will prove to be of great benefit to our college.

Varsity Basketball Season

Twenty-five candidates reported to Coach Mumenthaler, who is taking Mr. Grabau's place during his absence, for positions on the varsity team. This list included many Freshmen. It also included the names of returning lettermen of '30-'31, Schill, Ketcham, Pike and York, giving promise of a strong team.

State opened the season against the University of Buffalo, losing by a large score. In the remaining games, State showed on-and-off form in meeting the best teams in Western New York.

The highlight of the season was the week-end trip to Rochester and Geneseo, where State succeeded in defeating both schools on consecutive nights. The season was closed at Oswego, where State met defeat at the hands of a strong Oswego Normal team.

The season was a very impressive one. Every indication is toward a very successful campaign in 1932-33.

Team Team Team

The success of a team often depends upon the moral support it receives from audience and efforts of cheer leaders. For two years, Simonton and Mann have led the cheering through victory or defeat, but always with plenty of pep and enthusiasm.

RESERVE SEASON, 1931-1932

The most outstanding thing about this year's Reserve team is that they promise to provide an almost ideal line-up for the Varsity team of next year. The games that were lost were few, and of no particular significance. The traditional good sportsmanship and fair play were evidenced all during the year.

Baseball, 1931

State played but four games during the 1931 season. Pitting his wits against the weather, Coach Eddie Mumenthaler managed to try various combinations against local teams in practice games. The first, that with Geneseo, at Geneseo, was cancelled because of rain. In the other three attempts, we suffered defeat, but that after hard playing.

Schill, Ketcham, Paolucci, Clugston, Fontana, Hatch, Brown, Richardson, Legee, Sonner, Peckham, Frank, Roberts, (captain), Flood (captain-elect), Craine (schedule manager) and Brewster (business manager) received the "S".

With many of the team back, we expect a successful season. The schedule has been lengthened, including games with Fredonia, Brockport and Geneseo.

Tennis

Last year saw a stronger tennis team than any previous year at State. Coach Grabau drilled his men to the last word in tennis. With victories over Canisius and Niagara University, State ended its season with a triple tie for Western New York College tennis championship.

This year's team shows even more promise. In the absence of Coach Grabau, John R. Evans is acting as student-coach and manager. Two of last year's varsity are back: Harold Banks and Neil Smith. The new men are Stuart O'Hagan, Harry Hatton and Frank Banyas.

Girls' Athletics

This year, our college offered tennis, archery and riding for girls, in the fall and spring. There was an increasing interest in archery. One of the champion archers of Western New York has been assisting Miss Roach in instruction and supplying the novices with bows and arrows.

Swimming is participated in during the entire year; it is required of Freshmen.

Basketball is the outstanding girls' sport. The upperclassmen have their own series, as do the Frosh. Twelve sections from all classes had enough candidates to form teams. The second year Home Economics girls won the upperclass tournament, and Freshman Section V won the Freshman contest. When these two played off in the final, the Home Ec Sophs proved themselves worthy of the cup.

CONGRATULATIONS

. . . . A Yearbook is more than just a series of printed pages bound into a cover. It is the result of hours of anxious thought and weeks of patient, persistent effort. Your staff has accepted and discharged a real responsibility, and we feel sure that you who turn these pages and re-live the events of the year just concluded will join us in congratulating them. We are justly proud of the confidence placed in our ability to produce a book in keeping with the ideals of the school which sponsors it. We earnestly hope that this feeling of confidence will persist, and that it will be our privilege to place the facilities of our organization at the service of the yearbook staff of State Teachers College at Buffalo through successive years.
