HISTORY OF THE NURSE'S GUILD...

The Nurse's Guild has been an active and dedicated auxiliary of the Pilgrim Baptist Church since 1952.

During its forty-eight year history, many faithful members have been a part of its service to the church. We take a few moments to remember some of those who took the leadership role in the latter years. They are the late Sis. Lucille Holloway, who served for twelve years, followed by the late Sis. Glennie Gaskin who served for thirteen years, resigned as president in 1988, but remained a faithful member until her death. The late Sis. Betty Oliver assumed the leadership in 1988 and served faithfully until her death in 1993.

The present Guild is under the leadership of Sis. Venora Green, and consists of several members who has served twenty-five or more years in the Guild.

The Nurse's Guild continues to serve faithfully and dutifully, looking forward to their 50th Anniversary Celebration with pride and joy for the service they have given throughout the years. They ask your prayers as they continue their journey of duty to God and the Pilgrim Baptist Church.
