## *From the Desk of the Pastor*

*The Lord has blessed us again to celebrate another Annual Women's Day. The circle has been broken many times since last year, but, with God's grace, we are striving to do His works.*

*The theme selected by the Women's Day Committee - "Christian Women Working Together in Faith and Love With No Division must be applied to all. The success of this day and all that we do in the name of our Lord and Savior depends on Unity.*

*If we work together in Faith and Love how can there be Division? With an understanding faith, we have a true realization of the wisdom, love and power of God within us. Faith activates the power of God within each of us to overcome any obstacles. Because we have faith in the love of God within us, we can give unlimited love - love that brings peace and harmony. To have faith in the wisdom of God within us, we know the right action to take and when action is not needed. We must allow God's love to influence our actions. We are inspired to act wisely and to use good judgment in every situation. Our communication with others should be devoted to the establishment of harmony, understanding and cooperation. Words should be used to encourage others and give the assurance of prayful support.*

*As "Christians Working Together in Faith and Love" we can achieve our goals. We must let God work in and through our thoughts and actions. Whatever the goals may be, concentrate on taking one step at a time. With each step we take, act on the Faith that God's Spirit within us is guiding us.*

*Yours for the Cause of Christ,*

Reverend A. Charles Ware  
Pastor
