COPYRIGHT 1939 BY ROBERT BAKER, EDITOR, AND AMELIA DEMBOWSKI, BUSINESS MANAGER
PRINTED BY BAKER, JONES, HAUSAUER, INC., BUFFALO, N. Y.

1939 Yearbook

Published by the Senior Class
of State Teachers College
at Buffalo

TO Ralph Horn, our first Dean, we dedicate this ELMS of 1939. Although his coming is recent, he has already established himself as a friend of faculty and students. Kindly, sympathetic understanding of student problems, and intelligent, willing assistance, characterize this able coordinator, Dean of the College.

In this year of fairs, with the accent on progress, we too have placed a stress on contributions and accomplishments. ● We believe with Lincoln, "If we could first know where we are, and whither we are tending, we could better judge what to do, and how to do it." ● We offer a summation of what has been done this year at State. May it be enjoyed today and remembered tomorrow as a foundation to be built on every day of our lives.

In Memoriam

SHIRLEY PLETZKER

1918 - 1939

Though she will not venture forth with us on the career she prepared for so earnestly, she will be there beside us in spirit, willing to lend the same helping hand she gave so readily in life.

CLASS OF 1940

We, the class of '40, take pride in our three-year record of service to the College. We have had our share of parties, Stunt Nite honors, and participation and leadership in all branches of extracurricular activities. However, these evidences of a strong class spirit fade quickly into the shadow of the past as momentary victories compared with our more lasting contributions.

We have left behind us an indelible record of new customs to be transmitted as traditions to our successors. As Freshmen, we firmly established our place in the annals of the history of the College by our participation in Collegiate activities. In our Sophomore year, the class of '40 originated two movements which have been successfully carried on since their inauguration. The Soph-Frosh Hop fills the unique position of being the only informal hop of the College year, and the Sophomore toy drive has become an annual affair.

One of our first responsibilities as Juniors was the organization of a Junior counselor program. We have extended this plan to operate as a dynamic guiding agent throughout the entire year. In the field of athletics we feel that we have materially aided the teams in their victories. In the social realm, the Junior Prom has made College history.

As we enter the last lap of our College career, our fondest hope is to continue our record of achievement and leave behind us a heritage of real worth to the class of '41.

CLASS OF 1941

At the end of a successful year, we, the class of '41, feel that in two short years State has felt our presence.

As Freshmen we played an active part in the affairs that fill the average Freshman life: Freshman Camp, Sophomore Hazing, and the undeniable thrills of conquest in the social, literary, and athletic fields. When we took second and third prizes at Stunt Nite of '38, we broke all records. Moving-Up Day witnessed our transformation and we advanced to the ranks of the "wise Sophs."

With pleasure, as Sophomores, we assumed our first duty and duly initiated our successors. Interclass Sing found us well represented. Repeating our performance of last year, we captured two of the Stunt Nite prizes. In athletics, the class of '41 has well established its fame on the soccer, cross country, and boxing teams. In the realm of social service we are proud of our successful Christmas toy drive.

Socially we have filled the calendar with section parties and class affairs. The Soph-Frosh Hop, sponsored by our class, has proved to be one of the most outstanding dances of the year.

On Moving-Up Day of 1939, when we assumed robes of third year men, we felt that our past successes were only an indication of our future achievements. We are deeply grateful to our Alma Mater for the experience of having been Sophomores at State, and look forward to the pleasure of our Junior year.

CLASS OF 1942

The participation of one hundred and fifty Freshmen in the annual Freshman Camp was an indication of the future activity of the class of '42 in College affairs.

Well initiated at the Camp, we returned to find our friendly enemies, the Sophs, prepared to further our initiation by various methods. "Freshman Daze" passed, leaving us anticipating our successors.

The Faculty-Freshman Reception, although it took due toll of our names, better acquainted us with the administration. In October, Interclass Sing found us able choristers. Although we did not win recognition in the Sing, we lay claims to vocal accomplishments through the participation of our members in the Women's Junior Glee Club.

We have proved our versatility in the social field by numerous section and class parties. The Christmas Play found this class represented. Sports have attracted the athletic-minded to soccer, track, basketball, and swimming. In fact, in all extra-curricular activities the Freshmen have become prominent workers.

Moving-Up Day came all too soon, and we, in our elevation from the status of "Lowly Frosh" to that of "Sophisticated Sophs" look back in retrospect and are deeply grateful to our Alma Mater, to our Faculty advisers, and to our Junior counselors for having established us so well in the ranks of prospective teachers.

KAPPA DELTA PI

GAMMA MU CHAPTER of Kappa Delta Pi, established in 1931, gave Buffalo State the distinction of having the first New York State chapter of this national honorary educational society. Members are upperclassmen elected on the basis of scholarship and interest in the advancement of education. To encourage high intellectual and scholastic standards and to recognize outstanding contributions to education are the foremost purposes of the society. Gamma Mu sponsors an annual educational assembly program, a biannual tea honoring students on the Dean's list, and the Bureau of Instructional Materials.

EPSILON PI TAU

TAU CHAPTER of Epsilon Pi Tau, the National Honorary Professional Fraternity for men in Industrial Arts and Industrial Vocational Education, was installed at State on November 5, 1938. Membership is based on scholarship, leadership, and professional promise. Epsilon Pi Tau seeks to enrich the lives and augment the education and training of Industrial Arts teachers through its monthly meetings at which problems of the profession are discussed. The Fraternity aims toward the development of competent, highly efficient educators on the Campus and in the field.

NU LAMBDA SIGMA

NU LAMBDA SIGMA, the women's Honorary Literary Organization of the College, was founded in 1925. Selecting as its members those women students who have displayed a deep interest in literature, it was organized for the purposes of studying literary types and of stimulating general interest in literature among College students. The year's most outstanding activities of this group are its lecture series and its study and discussions of drama.

SIGMA UPSILON

SIGMA UPSILON is a National Honorary Literary Fraternity for upperclassmen chosen from recommended students having an honor average in literature. Alpha Delta Chapter was established at Buffalo on March 25, 1931, the first Chapter to be chartered in a teacher training institution. Sigma Upsilon seeks to form a bond among men of literary interests and abilities. It annually sponsors the College debating team. *The Scarab* is composed of material contributed by members throughout the United States. This past year marked the first appearance of the local publication of Alpha Delta Chapter.

PAN-HELLENIC ASSOCIATION

THE PAN-HELLENIC ASSOCIATION is a federation of all Greek Letter Sororities on the Campus. This organization governs all Sororities and coordinates their activities. Through discussions it attempts to regulate Sorority life and to inspire its members. Each March a reception for Freshman women is sponsored to develop their acquaintance with Sorority girls. Pan-Hellenic Day, in which all Sororities participate, is held each Spring.

ALPHA SIGMA ALPHA

PI PI CHAPTER of Alpha Sigma Alpha affiliated with the national organization when State became a College. Prior to this time it was Theta Chapter of Clio, a normal school sorority. Through a varied program of activities the Sorority provides opportunities for the intellectual, social, and spiritual development of its members. The gift to the College and the sponsoring of a Friday evening dance were among the contributions of Alpha Sigma Alpha this year.

ALPHA SIGMA TAU

SIGMA CHAPTER of Alpha Sigma Tau originated as Tau Phi in 1920 and nationalized by affiliating with Alpha Sigma Tau in 1925. The purpose of Sigma chapter is threefold: to develop the character of each member; to help each sorority girl know and appreciate the cultural advantages of life; and to develop in each member the social graces. Each year the Sorority awards a one hundred dollar scholarship to a non-sorority girl deserving of financial aid. This year Alpha Sigma Tau presented to the library a yearly subscription of *Banta's Greek Exchange*.

DELTA KAPPA

ALPHA CHAPTER of Delta Kappa Fraternity was founded at State in 1920. Established for the general purpose of fostering fellowship, scholarship, and leadership among its members, it is dedicated to the advancement of the teacher training institutions in which its chapters are located. Delta Kappa publishes the Student Directory and presents annually the Delta Kappa award to the Senior who is outstanding in scholarship, leadership, and character.

DELTA SIGMA EPSILON

ARETHUSA UPSILON CHAPTER of Delta Sigma Epsilon, originally Amanon Sorority and later a part of Colonor, joined Arethusa in 1902. In 1926 it affiliated with the national sorority. The development of character, scholarship, and leadership is its threefold purpose. The Bishop Honor Medal is presented annually by the sorority to that Senior woman who has displayed outstanding and effective participation in College Activities.

PI DELTA THETA

THIS SOCIAL SORORITY, established on the Campus in September, 1926, became Zeta Chapter of Pi Delta Theta when it was accepted into the national sorority in June, 1928. To foster close friendship between members, to stimulate the social, intellectual, and spiritual life of the members, and to render service to others are the chief aims. "Arabian Nights Fantasy", a Friday evening dance, was one of its outstanding social achievements of the year.

PI KAPPA SIGMA

THETA KAPPA, local Sorority, was chartered as Rho Chapter of Pi Kappa Sigma in June, 1928. Social service is one of the primary aims of Pi Kappa. Through Sorority activities, opportunities are provided for the spiritual and social development of its members. Pi Kappa Sigma contributed to the social life of the College by sponsoring a Friday evening dance, a "Paris Cruise."

PSI PHI

IN 1923 Beta Chapter of Psi Phi was established on the Campus. Its primary aim is to serve State to the best of its ability. In sponsoring an athletic rally and dance before the Cortland game, Psi Phi contributed to the extracurricular life at the College. In bringing outstanding speakers to its weekly meetings, it sponsored the individual development of its members. In the Spring the Chapter was host to the national convocation held at Buffalo.

SIGMA SIGMA SIGMA

ZETA CHAPTER of Sigma Sigma Sigma, established in 1901 as Epsilon Mu, was affiliated in 1911 with the national organization of Tri Sigma, thus becoming the first national Sorority on the Campus. It has endeavored to contribute to the advancement of the numerous enterprises at State. Sorority activities during the year include participation in the social service work of the College, the presentation of two books to the library, and social service independent of College work.

SIGMA TAU GAMMA

RHO CHAPTER of Sigma Tau Gamma originated at State as Alpha Chi, in 1931 and in 1933, affiliated with Sigma Tau Gamma, the oldest National Social Professional Education Fraternity, with twenty chapters throughout the United States. Its main purposes are the fostering of fellowship among men entering the teaching profession, and the advancement of scholarship and leadership. Each year, awards are given to the two men in the Chapter, one outstanding in scholarship and the other in extracurricular activities. An annual project is the distribution of the Social Calendar.

THETA SIGMA UPSILON

In 1927 THETA CHAPTER of Theta Sigma Upsilon was organized at the College. Its aim is fivefold: the physical, intellectual, social, ethical, and spiritual development of its members. The social highlights of the year were a Courtesy Day Tea for faculty and organizations and a Friday evening dance. The *Torch*, the sorority publication, is distributed twice a year.

The first edition of THE ELMS appeared in June, 1912, as a publication of the Senior class of the Buffalo State Normal School. An outgrowth of the keen interest of students of the College, THE ELMS is a recapitulation of collegiate life for the year.

Its evolution to this, its twenty-eighth year, from a paper to an embossed leather volume, its advance in makeup, and its photographic improvement, proclaim its development.

The ideas of art work, the layout of the issue, and the total arrangement of the book are the production of the Art Staff. The compilation of materials which include the history and contributions of each organization is the work of the Literary Staff.

The portrayal of extracurricular and social life of students is a vivid addition by the Feature Staff. The Sports Staff acquaints students with the sports program by stressing the highlights of athletic events for the year.

The Business Staff aids in the publication of the Yearbook by collecting organization fees for pictures and pages. To act as a checking agent is the foremost purpose of the College News Staff.

The Photography Staff supervises the taking of both informal and formal pictures of Campus groups. The Typing Staff types all printed material appearing in THE ELMS.

Under the leadership of the Editor, the work of all of the staffs is coordinated. The Associate Editor assists the Editor and supervises features. The Business Manager controls photography and dictates business policies. The Managing Literary Editor coordinates the Literary, Typing, and College News Staffs. The Managing Art Editor has charge of the formal art work.

This work is carried on under the supervision of The Publications Committee, as advisers, technical and literary, who direct the policies in the publication of the Yearbook.

The year 1913 marked the inauguration of The Record at State as a weekly magazine to review College activities, and to act as a forum for collegiate opinion. It has developed through the years not only in form, but also in content and style.

A new system in the publishing process was developed this year whereby half of the staff worked one night and the other half the next night, instead of all members of the news, features, copy, and proof staffs working two nights. This gave greater opportunity for student participation on the publication, and allowed more time for staff members to share in other activities.

Two new columns appeared this year, Student Flashes and the Week-end Bookshelf. The former was composed of short news notices collected for the convenience of the readers. The latter reviewed recent additions to the College Library.

The annual Literary-Art Issue was greeted by students as one of the best compilations of State's literary and art efforts.

The Record believes its purpose is to act as a tie between students and College activities and to reflect the important aspects of College life. How well that purpose has been accomplished its thousand readers each week may be willing to say.

THE HANDBOOK is a publication issued each September. Its purpose is to provide a compact, concise journal containing the information necessary to give the student an idea of the interests, opportunities, and customs of State Teachers College. Serving as a convenient source of College materials, this book has been a valuable aid not only in orienting the Freshmen, but also in assisting upperclassmen.

The Student Council was established by the Senior Class of State Teachers College at Buffalo in the year 1937. "Realizing the need of a better organization to discern, discuss, and act upon the matters of general student concern," the purpose of the Student Council is "to enable the students to discover and to assume direction of those activities for which they, as members of the College, are responsible." The standing committees have assumed direction of student activities, election activities, ethics work, and social functions. The work of the Student Council has proved its worth as an efficient body, capable of directing student government.

THE ORCHESTRA, composed of students with instrumental ability, was organized in 1900. Taking a prominent part in all musical activities, it was established not only for the enjoyment and appreciation of music, but also to add to the musical and social life of the College. The Orchestra contributes to assemblies and special programs. The final musical activity of the year, the Spring Concert, numbers the Orchestra among its participants.

THE BAND was founded in 1932 by a group of student musicians who desired to add pep to collegiate activities. Its chief aim is to contribute to extra-curricular life at State. Membership is open to all who play band instruments. The Band takes a prominent part in the Spring Concert, enlivens sports events, and is an indispensable factor in the Moving-Up Day Parade.

THE WOMEN'S SENIOR GLEE CLUB is composed of seventy-eight upperclass women and forms one of the oldest organizations on the Campus. It meets each week not only to develop its own appreciation of good music, but also to share its musical enjoyment with others. Through participation in the Christmas play, assemblies, outside performances, and the Spring Concert, the Glee Club has accomplished its major purpose. The activities of the year are climaxed by work in the Spring Festival to be held this year at Syracuse University.

FIRST ROW: Williams, Burckley, Viverette, Clinton, Cage, Abate, Koralcik, Quinlan, Miss Speir, Schmanke, Oelkers, Sullivan. SECOND ROW: Anderson, Mayer, Bohm, Ehman, Martin, Lippke, Mattern, Anderson, Hill, Miller, Gottlieb, Smith, Creed, Sweeney. THIRD ROW: Fischer, Stone, Cluff, Clements, Travis, Mall, Laird, Himmele, Zabkowski, Lederer, Childress, Van Dyke, Valance, Craig. FOURTH ROW: Jenner, Epavets, Hess, Neill, Lendenbaum, O'Donnell, Lynds, Adams, Draa, Chad, Reynolds, Sandeck, Fleckenstein, Blake. FIFTH ROW: Burke, Haffa, Holmes, Passage, Coho, McCullan, Alt, Dolan, Boland, Barnes, Kreiman, Cashmore, Miller.

THE TRIADS, a musical organization for women, was established in September, 1937. Although its primary aim is the enjoyment of music, this organization also provides social opportunities for its members. Participation in the Christmas Party, the Spring Concert, and musical Assemblies are among Triads' contributions to College activities.

THE DRAMATIC CLUB originated at the Buffalo State Normal School, purposing to present to the students of the College the best possible in the field of dramatics and to give

its members opportunity for creative expression. In addition to offering opportunities for individual development, the club presents many occasions for aesthetic enjoyment through its participation in outstanding College activities.

Selections by the Verse Speaking Choir of the club and a one-act play, "Pawns," by Percival Wilde, comprised the activities of the Armistice Day presentation. During the

At Left
Christmas Play

Below, Spring Play

Christmas season the club offered its traditional holiday play. The production this year was "One Night in Bethlehem," the cast of which included over one hundred participants. Various committees worked tirelessly on costumes, scenery, and lighting to make this performance one of the prominent activities of the year.

Two one-act plays were also prepared. One, "Fine Feathers" by Ryerson and Clements, was presented at the Westminster Church of Buffalo. The other, Synge's "Riders to the Sea," was produced for an Assembly program.

The annual Spring play, given in March, was the climax of the year's work. The offering was a Russian satire, "Squaring the Circle" by Kataev, which was given under the able direction of Miss Mina S. Goossen, faculty adviser of the club.

THE MEN'S GLEE CLUB was formed in 1925 to fill a recognized need for such an organization. It purposes to offer the men of the College an opportunity for singing in a choral group and to add to the entertaining musical programs presented in the College. Participation in Assembly programs and in the Spring Concert were the organization's contributions to the College during the past year. The male quartet, comprised of selected Glee Club members, was an added feature.

FIRST ROW: Ellsworth Baldwin, Duane Harris, John Welch, Ruth Albright, Charles Ross, Fred Rubens, Robert Schmidt. SECOND ROW: Earl Obermeyer, David Cappelletto, Donald Baecher, Nelson Voght, Richard Meloon, John Mattison. THIRD ROW: Robert Filer, Robert Isenberg, Robert Marks, A. Sandford Kenyon, Michael Wovkulich, Leon Graber.

ART KRAFT KLUB was founded in 1920. Membership includes students from each College department, but is limited so that each individual can participate actively in every project. To afford opportunities to those people who are interested in creative abilities and to learn various means and techniques through specific projects beneficial to the individual and to the College are primary aims. As a club project a marionette production was developed. The club also supervised posters and bulletin boards. The proceeds from "Buggy Daze," this year's name for the club's annual Stunt Nite, go to a scholarship fund for art students.

FIRST ROW: Mrs. Heyman, Mrs. Fontana, Weigand, Halton, Truesdale, Tohill, Wolsley, Miss Goossen.

THE MEN'S CAMPUS CLUB was established in 1935 through the consolidation of the Men's Club and the Campus Club. The organization provides an outlet for the physical, mental, and social energies of its members. Through its orientation activities by which it annually sponsors Freshman Camp for the men of the College, the Campus Club contributes to extracurricular life at State.

THE Y. W. C. A. is a Christian organization affiliated with the national "Y." Although its main purpose is social service, the "Y" offers many spiritual and recreational activities for its members. Among the outstanding achievements for the year were Freshman Camp for girls and the second annual "Y" Carnival. Proceeds from the Carnival were added to the student loan fund. A series of religious forums, Lenten services during Holy Week, and several lectures by representatives of various service organizations in Buffalo were sponsored by the "Y" this year.

Homer A. Bruce

Kate V. Wofford

THE RURAL CLUB was founded in the fall of 1933 to stimulate an understanding and appreciation of the values of rural life, to increase the number and significance of the College contacts with the problems of rural and village schools, and to provide recreational and social development for its members.

The Bureau of Instructional Materials was founded and is carried on in cooperation with other organizations. Participation in the State Convention and the annual banquet were the major activities of the year.

THE HOME ECONOMICS CLUB, formerly the Household Arts Club, was organized on the Campus in 1911. It aims to foster professional interest, to provide social contacts, and to broaden the interest of its members in various fields. The Home Economics Club's greatest contribution to the College was an open-house program on the Home Economics-Industrial Arts Day. The proceeds of its Animal Sale were given to the International Scholarship Fund of the American Home Economics Association. An International Tea and a Fashion Show were sponsored by this organization.

THE NEWMAN CLUB at State was organized in September, 1937, as a member of the Newman Club Federation. It is a club of Catholic culture and Catholic fellowship, named in honor of the great literary and religious leader, John Henry Cardinal Newman.

To foster the spiritual, intellectual, and social interests of the Catholic students of the College and to assist the College and its students whenever possible are the aims of this society.

The annual Retreat held during the Lenten season and discussions at the weekly meetings contributed to the spiritual interests of the members. The series of lectures on education and philosophy by Abbe Dimnet, Dr. Mortimer J. Adler, and Arnold Lunn formed the major part of the intellectual side of the club's program. "Winter Wonderland," the organization's first Friday night dance, was its outstanding contribution to College social life. The Newman Club gave the College library a subscription to the *Catholic Digest*.

THE ASSOCIATION FOR CHILDHOOD EDUCATION was established at State this year as a student branch of the national organization for childhood education. It desires to provide a means by which members may achieve professional improvement and enjoy professional fellowship through exchanging ideas and experiences, organizing study groups, and making social contacts. A. C. E. has sponsored speakers and panel discussions open to the entire College.

In 1929 the Non-Resident Association, a social organization for out-of-town women, was instituted at the College. To create new interests and foster new friendships among non-resident women are the major goals of this organization. Early in the year the N.-R. A. sponsored a party for all Freshman women. It also conducted a Friday night "Reverse Rhythm" dance and, as an innovation, a Date Bureau was set up in connection with this affair.

THE PSYCHOLOGY CLUB received its charter in 1937, although the nucleus was formed in 1936. Its purpose is to study and discuss problems of psychology, to learn of the psychologists' contributions in the field of social service, and to lend its efforts to promote participation in the betterment of this community. Complete reports of the telepathy testing program conducted last year were sent to Duke University to be added to their research files. An annual drive for collecting books and magazines for the new State Hospital Library was sponsored in the Spring. Dr. Oscar E. Hubbard of the Buffalo Guidance Center was among the club's guest lecturers.

LES AMATEURS DE LA FRANCE was established on the Campus in the Fall of 1935 in response to a long-felt need for a cultural organization in the language field. Its expressed purpose is to cultivate an understanding and appreciation of the culture, customs, language, and arts of the French people. Among activities sponsored by this organization are the publishing of an annual French newspaper, the yearly production of a famous French drama, and presentation of guest speakers who lecture in French. To the French student, it is indispensable as a social, cultural, and literary supplement to classroom work.

The history of the Athletic Association dates back to the first athletic program at State. A formal constitution was drawn up in 1936 to give the representatives of the student body the jurisdiction to control all phases of athletics. During the 1938-39 season the Athletic Council reorganized and actively functioned as the governing body of the Athletic Association. It has been the Council's aim throughout the year to put the athletic program on a higher intercollegiate level, to bring about a correlation of social and athletic fellowship, and to encourage greater student participation in athletics. The Council sponsored sports rallies to create greater enthusiasm and attendance at the soccer games. Another accomplishment during the year was the securing of publicity in the newspapers and over the air-waves for State's varsity teams. Coaches of minor sports, varsity captains, varsity managers, and the intramural managers of both men's and women's sports were elected by the Council. Contests for selection of players to represent "All-Star" teams in soccer and basketball, and provision of orchestras for after-game dancing were also contributions.

VARSITY BASKETBALL

The cry, "The Time Has Come," resounded when the basketball season closed with the team defeating Niagara University 38-35. This was the second time in the history of basketball competition between the two colleges that State handed Niagara a reverse to win the District Championship. This game came as a fitting climax to a most successful campaign.

The game was a thriller from start to finish, and although perhaps the team was not the best in the history of the Orange and Black, it was considered to be the most pugnacious aggregation to don the colors since the "5 Iron Men," composed of Michlin, Coleman, Zwick, Reist, and Hickey, defeated Niagara in 1936 by a single point margin.

Led by Stan Whitmeyer, the team composed of Sam Munich, Lou Rosa, Paul Miller, Ray Brown, and the two substitutes, Harold Rupp and Lindsay Farnan, played a fine game to emerge victorious.

In addition to the Niagara victory, the varsity also triumphed over Cortland Normal, Grove City, Oswego Normal, Ontario Aggies, Thiel College, and Geneseo Normal. Three defeats were received at the hands of Slippery Rock, Toronto University, and Allegheny College by five, one, and two points respectively.

Most of the games were closely contested this year and the good sportsmanship and social atmosphere they created has been responsible for the large student request for a more extensive basketball schedule for next year.

JUNIOR VARSITY BASKETBALL

6 games won—3 games lost.

Coach ARTHUR A. MICHLIN, G.C.'39
 Captain STEPHEN SAFRON, I.A.'39
 Manager HAROLD BEAL, G.C.'41

THE JUNIOR VARSITY of 1938-1939 was one of the best reserve basketball teams State has had. The squad, coached by Art Michlin, a court star of a few years back, who was chosen for the "All-Western New York Basketball Team" two years in succession, turned in some fine scores, winning six games out of nine. The victories included wins over Millard Fillmore College and the strong Nichols Prep Squad.

Several members of the Junior Varsity were graduated to the Varsity before the season had ended. Ray Brown, Tony DeScipio, and Roland Murphy saw action in Varsity games.

The best performances made by individual players were twelve points for Holton Vivier, and ten for Charles Ross playing against the strong Humboldt Y. M. C. A. Crede Hagerty, Ray Brown, Holton Vivier, Roland Murphy, and Irving Cohen averaged about five points per game for the season.

VARSITY SWIMMING

This year witnessed the greatest season in the history of varsity swimming at State. The team, handicapped by the loss of several point getters of last year's campaign, came through the year with the addition of Ken Phillips, Joe Zahm, Bill Kneer, Charles Ambellan, and Wallace Redman to win six meets out of nine. Coach Saari's men swam against outstanding teams from New York State, Canada, Pennsylvania, and Ohio.

The team opened its season with an easy victory over Grove City College and eked out a 41-34 win at the expense of Slippery Rock. Although the relay team of Saari, Tierney, Barrowman, and Woodcock met defeat against Rochester, Toronto, and Western Reserve, they gained experience that will enable them to meet these teams at home again next year. Two wins were scored over Niagara's mermen.

Recognition must be given to Coach Saari, one of the greatest breast strokers of the East, for his tireless effort during the past four years as coach and winner in the 200-yard breast stroke event and relays, and to the other graduates, Captain Barrowman, Woodcock, Phillips, Lare, Sengbusch, and Redman, who deserve praise for their achievements.

6 games won—1 game lost—1 game tied.

VARSITY SOCCER

During the 1938 season, soccer became even more firmly established as a major sport at State. After the close of the fullest and most successful season in the history of the College, with a record of six victories, one tie, and one loss, Coach Coyer termed our aggregation "the greatest team since the inception of soccer at State."

Its ranks depleted by the graduation of many of its stellar performers, gaps in the line-up were ably filled by newcomers. Captain Ray Porter, who was shifted from his former wing position to right inside, bore the brunt of the season's offensive playing. The greatest single performance, however, was given by Bud Miller, star goalie and captain-elect of next year's squad.

Miller, Porter, and Brown were chosen to represent State in their respective positions on the first team of the All-State and Opponents Soccer Team. Bob Potter and Joe Romano were selected for the second team. Honorable mention was given to Hagerty, Finn, and Clark. The fine playing of the entire team, however, enabled these men to gain their honors.

State opened its season before a large crowd on Alumni Field, defeating the team from Oswego Normal 3-0. Four days later, a snorting Red Dragon outfit from Cortland Normal handed the Orange and Black its first and only setback of the season, blanking the home team 2-0. Playing their third game on the home field, the Mudders took the measure of a strong Colgate team, 2-1 and although pressed to the limit by the Canadian sharpshooters from McMaster University, eked out a 4-3 victory. Before the season was three weeks old the team had played five contests. By drawing 1-1 with Toronto, scoring three victories and one loss, State had already equalled last season's record.

On a two-day trip to Pennsylvania, State scored victories over Slippery Rock State Teachers 1-0, and over Allegheny College 2-0. Coming home, the Statesmen swamped Oberlin, 4-1.

Tallying over twice as many points as their opponents during the season, the Mudders proved themselves a good defensive team, being held scoreless in only one encounter.

CHEER LEADERS

FIGHT, STATE, FIGHT! Just one of the resounding cheers so ably led by the enthusiastic group of cheer leaders who contributed much to the success of State's teams during the past year. The squad performed consistently, exhibiting its gymnastics and leadership at pep assemblies, pep rallies, soccer and basketball games.

CROSS COUNTRY

Engaging in its second year of varsity competition, a veteran cross country team won two out of three meets to continue a .667 average set last season.

In the first home meet, State's harriers scored a 24-35 victory over McMaster University of Hamilton, Ontario. Voght, Wielepolski, and Bacon led the squad over Delaware Park terrain to defeat the Canadians.

The following week the team journeyed to Slippery Rock, Pennsylvania, to defeat Slippery Rock State Teachers College, 17-42. In the final meet of the season, which took place on the University of Toronto's racking five and one-half mile course, a strong "varsity" squad defeated the Orange and Black, 20-35.

Veteran Ray Ast coached the "hill-and-dalers" and did a commendable job. Nelson Voght, outstanding star, will succeed Captain Joe Kinzie in the coming season. Other veterans who will return include Bacon, Wielepolski, Hammel, Wujek, Branicki, McNerney, and Stachowicz.

1938 SCHEDULE

October 14 State 24	McMaster 35 at Buffalo
October 22 State 17	Slippery Rock 42 at Slippery Rock
October 29 State 35	University of Toronto 20 at Toronto

GOLF

State's par-breakers, under the superb coaching of Mr. Vail, swung back into action this Spring, after winning one and losing two matches in the early Fall competition. The team was nosed out 13-12 in a close contest with Niagara University.

Carl Rost and Joe Zahm, who were outstanding for the Statesmen, were back in action this year when the team sought revenge for the earlier defeat.

Members of the squad included Captain Robert Flanigan, Bernard Deazley, Carl Rost, Robert Cunningham, Frederick Neuschel, Jerome Klawitter, John Coughlin, William Glasgow, Joseph Zahm, and Robert Marks.

Victor Santo managed the team whose Spring competition included matches with the University of Buffalo, Niagara University, and Fredonia State Normal School.

TENNIS

Last year the tennis team made the best showing in recent years by defeating the University of Buffalo team 5-4, and losing two close matches to Niagara University.

This year the same team will be back under the tutelage of Arthur Michlin, coach of last year's team and a former racquet wielder on the 1935 team. Due to lack of financial backing from the blanket tax appropriation the team will be chosen on the basis of an intramural tennis tournament. The following players are expected to compose this year's team: George Kirch, Paul Miller, Ray Wagner, Ed Sikorski, Joe DiGesaro, Harold Steffen, John Cox, David Cooke, and some of the promising freshmen. Howard Sengbusch, '39, has been chosen as manager.

State will meet the following colleges in intercollegiate competition: University of Buffalo, Niagara University, and Fredonia State Normal School.

INTRAMURAL SPORTS LEAGUES

Designed primarily to give non-varsity students opportunity for athletic competition, the Intramural Sports Leagues were planned and carried out to a successful finish this year. A large variety of sports was offered including cross-country and soccer in the Fall, basketball and ping-pong in the Winter, and softball, swimming, and badminton in the Spring.

Besides offering everyone a chance for participation, the Intramurals produced several men who later engaged in Varsity play. The program was efficiently executed by Donald Clark, intramural manager.

In a grueling two-mile run around Delaware Park Lake, the Class of '41 repeated its cross country victory of last year, placing four runners in the first five finishers. Holton Vivier crossed the tape first, while Sophomores Santo, DeScipio, Potter, and Daucher finished before Chiavaro, another Freshman, to score a Soph triumph.

Although forced to put up a stiff battle, the Sophomores again came through with the laurels, this time in soccer. About 200 men, representing several classes, sections, and departments, answered the call for Interclass Soccer and displayed an abundance of class spirit and sportsmanship which led to a highly exciting schedule.

The contest for the basketball championship was a battle from the start and up to the time this article went to press, the winners were unpredictable. The team to win is sure to have done so only after the most strenuous competition.

Ping-pong potentate of the College, Dave Cownie, was victorious over a large field of contestants. Much interest was evidenced in this sport and the game room was consistently crowded.

Spring—

Gaining rapidly in popularity among State students, many keenly contested badminton tournaments were conducted, both in singles and in doubles.

An intramural swimming meet determined individual and class champions among State's mermaids and mermen who were not entered in varsity competition.

With the first signs of good weather, interclass softball became the major sport interest of many. Keen competition, tempered with good sportsmanship, kept participants and spectators on edge pending the outcome of these well played contests.

WOMEN'S ATHLETICS

BASKETBALL

The basketball tournament, one of the women's major sports events, is very well planned. First practice games are played; then intersection games; interclass games; and finally the Orange and Black game. Only the best players are chosen for the final game.

Eleven section teams played a total of nineteen games. When a team lost two games it was dropped from the tournament. As THE ELMS goes to press two undefeated teams, the Home Ec Sophomores, last year's champions, and the Seniors, champions in their Freshman and Sophomore years, are battling for top honors with the Home Ec Freshmen already established in third place.

Girls are elected to the All-Class teams from the section teams. Three years' participation on the All-Class team is rewarded with a gold basketball. Members of the Junior and Senior teams automatically became All-Class players as each of these classes entered only one team in the competition.

Chosen from the Freshmen were Nina Brown, Miriam Borden, Doris Coffey, Lucile Dake, Janet Gray, Doris Hick, Euphra Lupkiewicz, Marjorie Pierce, Marion Pierce, and Marjorie Slacer. From the Sophomores were Helen Bala, Elsie Barr, Alberta Brown, Mary Beuchner, Grace Calkins, Jean Chad, Anne Gould, Lorraine Cleary, Rita Murphy, and Betty Smith.

Juniors included Esther Becker, Jean Fleckenstein, Vera Kinsley, Katherine Kniffin, Patrina Militello, and Margaret Miller. Seniors were Kay Albrechtson, Mary Joan Callahan, Helen Cepura, Mary Dobony, June Doyle, Margaret Felsing, Edna Herman, and Rita Kick.

The All-Sophs took an easy victory from the All-Frosh by a score of 48-15. The Seniors took the measure of the Juniors by a score of 34-20. The championship was decided between these two winners in a bitterly contested game, resulting in a victory for the Seniors with a score of 25-24.

From the All-Class teams the Orange and Black members were selected: Nina Brown, Lucile Dake, Marjorie Pierce, Marion Pierce, Janet Gray, Doris Hick, Euphra Lupkiewicz, Helen Bala, Elsie Barr, Dana Berry, Alberta Brown, Grace Calkins, Anne Gould, Betty Smith, Patrina Militello, Margaret Miller, Esther Becker, Vera Kinsley, Kay Kniffin, Kay Albrechtson, Helen Cepura, Mary Dobony, June Doyle, Margaret Felsing, and Isabelle Mummert.

As the smoke of battle cleared, a score of 25-24 indicated that the Black had subdued the Orange.

The following Seniors and Juniors will receive gold basketballs in recognition of three years' membership on All-Class teams: Kay Albrechtson, Esther Becker, June Doyle, Jean Fleckenstein, Vera Kinsley, Kay Kniffin, Patrina Militello, Margaret Miller, and Isabelle Mummert.

For the first time in three years a fourth year distinction will be given to three Seniors who received gold basketballs last year. Helen Cepura, Mary Dobony, and Margaret Felsing will each be awarded a gold block "S" at the Moving-Up Day Dinner.

A position created this year to arrange details of tournament play was filled very ably by Margaret Felsing as Women's Intramural Sports Manager.

Highlights of this year's tournament were the rivalry between the Home Ec Freshmen and the Home Ec Sophomores; the Seniors' galloping games; Rita Kick's refereeing; the high scoring averages attained by Marjorie Pierce with 17 points per game; Elsie Barr with 16 points; June Doyle and Doris Hick with 15 points each; and Anne Gould and Dana Berry with 14 points each; the loss of several excellent players who were practice teaching among them Rita Smith, Rene Smith, and Laura Fisher; and the battle for championship, between the Home Ec Sophomores and the Seniors.

SWIMMING

Swimming instruction, required of Freshmen and Sophomores, is divided into three classes: beginners, intermediate, and advanced. A variety of strokes are introduced to the students. Perfection of form is sought during at least twenty swims throughout the Freshman year and sixteen during the Sophomore year. Various tests are given and records are kept of individual achievement.

Advanced swimmers may join the Life Saving Class for men and women of all classes. The participants receive Senior Red Cross Life Saving emblems after being tested and passed by licensed examiners. About eighteen students comprised this year's group, which learned ice and swimming rescues, safety in small craft, artificial respiration, and general first aid information. Grant Wettlaufer, Betty Merrill, and Beatrice Ebling, Senior Life Savers, aided Miss Betty Talcott in instructing the class.

The Swimming Club for those interested in swimming learned stunts, diving, and formations. They executed in great style the star formation, fountain formation, letter formations, and others.

The members of the club exhibited their feats and presented a program of informal races for the Alumni Sports Night. Members of the club included the following: Marion Barton, Joy Brown, Catherine Chalmers, Beryl Craig, Wilma Dolk, Jean Draa, Marjorie Duthie, Beatrice Ebling, Geraldine Harmon, Jane Hatsell, Ethel Hellems, Emma Hiller, Eleanor Larrabee, Evelyn Lockwood, Agnes Mahoney, Jean Mayer, Betty Merrill, Amelia Salvaggio, Betty Schreiner, Edith Smith, Thelma Stacey, Dorothy Thomas, Amelia Woepfel, Mariann Woepfel, and Helen Woodhouse.

The Seventh Annual Women's Swim Meet, open to all girls, occurred late in the Spring. Breast stroke, relay, exhibition swimming, and diving were features in which girls participated at will. Letters were given to girls who did exceptional work.

MINOR SPORTS

BADMINTON, a spring sport, always attracts a large group. About thirty women participated in last year's annual women's doubles and mixed doubles. Margery Mason, and Margaret Noonan earned letters as champions of the doubles, while Margaret Noonan and James Perona took the mixed doubles glories. Professional instruction brought out large numbers for this year's tournament.

TENNIS, a spring and fall sport, was severely handicapped this year by inclement weather and the lack of available courts. Though the tournament was not completed, the finals brought to the front such stars as Lorraine Cleary, Ruth Church, Jeanne Klocke, and Euphra Lupkiewicz. At the end of the season Lorraine Cleary and Jeanne Klocke seemed to be the logical claimants to the championship.

SOCCER, introduced as a women's sport this fall, aroused the keen interest of about 300 girls. Six class teams were formed to play games during class periods and as a result of the popularity of the game, many of the more ambitious players are hoping for a regular soccer tournament next year.

TABLE TENNIS is a year-round sport at State. Extra impetus was given to the game this year when State students were given the opportunity to enter the Western New York Ping Pong Tournament.

SHUFFLEBOARD increased in popularity with the inauguration of the Senior Recreation Hour. Tournaments were inaugurated for interested Seniors.

HORSEBACK RIDING, especially enjoyed during spring and fall, held the interest of a sizable group, who took canters into the country from the Rosedale Academy.

TOBOGGANING AND SKATING at nearby Delaware Park thrilled College groups whenever weather conditions were suitable.
