THE STUDIO THEATRE PLAYERS are necessarily controlled in their choice of plays for presentation by the amount of royalty exacted for the permission to produce many desirable plays. The seating capacity of the Theatre is limited and the expense for royalties, costumes, and scenery prohibit the presentation of certain plays which might otherwise be chosen for your enjoyment.

The staff of the Theatre would be glad to receive from its patrons and members lists of plays which would interest them, and whenever possible such plays will be considered in future presentations
