Household Science

This course deals with (a) Laundry problems as related to the home and the community. It includes a study of laundry methods, of cleansing reagents and their effect upon textiles and laundry equipment. (b) Modern methods of caring for the home and renovation of household furnishings. Efficiency in placement and use of cleaning materials and household equipment.

Lectures, reports, laboratory practice and field work in the Practice House.
Credits — 3

Foods 20

Presentation and discussion of elementary nutrition, menu making and home table service for various occasions. No laboratory.

Credits — 2

Foods 30

Three point course toward major in Foods. Lectures, Laboratory work in school cafeteria, and field trips. The course will cover institutional work of various types, emphasizing the school lunch problem.

Credits — 2

General Subjects

Students may register for English or History in General Normal classes if they desire to fulfill those requirements for a college degree.

CALENDAR

July 6th at 9:30 A. M. General Meeting for registration and instructions, Assembly Hall, Buffalo State Normal School. Sessions will be held daily, except Saturdays, from 8:30 A. M. to 3:00 P. M.
August 14th. Summer School closes.

ADMISSION

Any person who has taught or who intends to teach the coming year in the schools of the State will be admitted to the Summer Session. Tuition is free to all residents of New York State; others will pay a fee of \$10.00 per course or \$25.00 for three or more courses. Registration for credit will not be allowed after July 10th. The session is not open to high school graduates without teaching experience.

BOARD AND ROOMS

Comfortable rooms in good homes near the school may be secured at about the following rates:

- One person occupying a room, \$4.00 per week and upwards.
 - Two persons occupying a room, from \$3.00 to \$5.00 per week and upwards.
 - Room and board in same house (two in a room), from \$7.00 and upwards per week.
- All inquiries concerning room and board should be addressed to the Student Committee, State Normal School, Buffalo, N. Y.

CREDIT

In obtaining credit for work completed at the Summer Session, the following regulations will obtain:

- (1) Work done in courses at the Summer Session will be as nearly as possible equivalent to the work of the same courses during the regular school session. Therefore, courses will be credited hour for hour on the basis of semester-hour credits. A maximum of eight semester hours of credit toward the Normal School Curriculum may be earned in one Summer Session. Courses carrying two semester hours of credit in the regular curriculum are conducted one hour daily in the Summer Session; those carrying three semester hours or four semester hours of credit in the regular curriculum are conducted two hours daily in the Summer Session. No partial credits are given. Students who are delinquent in the regular session and desire to make up such delinquency in the Summer Session must receive permission from the Student Program Committee before applying for registration in the Summer Session.
- (2) Students are now required to complete a three-year curriculum in a State Normal School in order to secure a life diploma. The completion of two years of the three-year curriculum will, however, entitle a student to a limited certificate valid for at least three years. The third year of the requirement may be completed by further attendance at the regular session and during Summer Sessions. All candidates for such certificate and diploma must be graduates of a high school curriculum approved by the Commissioner of Education.
- (3) A graduate of a high school curriculum approved by the Commissioner of Education, who after graduation completed a year's course in a Training Class and has had experience in teaching since

graduating from a Training Class may receive advanced credit equivalent to one year on the three-year curriculum.

Note—Candidates conditioned in high school subjects should not expect to complete any regular curriculum within the stated time. No high school work is offered in the Summer Session.

PROGRAM

The daily program during the Summer Session will be arranged as follows:

First Period.....	8:30- 9:30 A. M.
Second Period.....	9:30-10:30 A. M.
Third Period.....	10:30-11:30 A. M.
Lunch Period.....	11:30-12:00 M.
Fourth Period.....	12:00- 1:00 P. M.
Fifth Period.....	1:00- 2:00 P. M.
Sixth Period.....	2:00- 3:00 P. M.

One Assembly period will be held weekly on Wednesdays at 10:30 A. M. Attendance will be required.

CURRICULA

I. General Normal Curriculum

Candidates may receive credit for the General Normal Curriculum in any department by electing subjects named in this catalog. Care should be taken to see that subjects elected apply on the desired curriculum.

II. Extension Curriculum

Since 1919, the major appeal of the Summer Session has been made to teachers in the service. Special courses calculated to improve the efficiency of teachers in service have been offered and met with an increasingly larger registration each year. A considerable number of these courses carry college credit at the University of Buffalo and Canisius College.

III. Equivalent Training Class Certificate

High school graduates who have had two years' successful experience in teaching and who have completed 14 or more semester hours of work in two Summer Sessions and can reasonably be expected to complete the full requirement of 24 semester hours of work by the close of the coming Summer Session in August, 1925, may be considered candidates for the Equivalent Training Class Certificate. Such certificates will be valid for three years in Rural Schools in Supervisory Districts, but will not be renewable. Holders of this certificate will receive full credit in State Normal Schools and will be admitted to the regular sessions with permission to continue their work in the same manner as is already approved for Training Class graduates of successful teaching experience.

IV. Vocational Homemaking Curriculum

The Buffalo State Normal School has been designated as the center for summer extension work and special training of teachers of Home Economics for the State. For further particulars, see Announcement on last page of this catalog.

LIST OF COURSES

EDUCATION

- Administration**
Dr. Hartwell One hour daily
For Principals and Teachers of experience
Two college credits.
- Psychology (Elementary)**
Mr. Williams Two hours daily
Three college or first-year Normal credits.
- Technique of Teaching**

Two college credits.

SUMMER SESSION
Vocational Homemaking Department

The Homemaking Department will offer the following courses for the benefit of Home Economics teachers in service who desire to study modern methods of presentation or who are earning credits toward a college degree:

1. Modern Methods in Home Economics.
2. Science
Household Chemistry.
Bacteriology.
3. Foods 20—Meal Preparation.
Foods 40—Institutional Cookery.
4. Clothing 40—Adv. Dressmaking.
Design 30—Adv. Clothing Design.

These courses may be supplemented by work offered in General Normal Department as follows:

English, History, Economics, Sociology,
Psychology, and History of Education.

For further information address the Homemaking Department Buffalo State Normal School.

Important

Classes scheduled for one hour daily assume a minimum of one hour devoted daily to reading and study in preparation and those scheduled for two hours daily assume a minimum of two hours spent in preparation.

Text Books and Fees

It will be necessary to charge a fee of \$1.50 per student in the courses in Educational Measurements and Mental Measurements to cover cost of materials.

Students in all third-year Normal courses and certain others will be required to purchase text books.

Helen G. Englebreck.
