AT THE
NEW YORK STATE COLLEGE FOR
TEACHERS AT BUFFALO

DEDICATION

PAST

PRESENT

FUTURE

As THE past, present, and future of any nation are dependent upon the records, work, and goals of its citizens, so is the success of any college dependent upon the records, work and goals of its students. Therefore, we dedicate the 1950 ELMS to the students of our college: Past, Present, and Future.

President

MR. GEORGE M. QUACKENBUSH
Professor of Industrial Arts

THOSE students of the past who have come in contact with George Quackenbush will remember him well. His present students are sorry to see him leave. To those students entering State in the future, we can say only that they have missed a great opportunity in not being able to come in contact with this renowned instructor.

During his many years at State, Mr. Quackenbush has accomplished many things. Among these accomplishments are the laying out and supervision of the construction of the tennis court at State. Some of his other services to the college include auditorium rental supervision and maintenance.

Although we shall miss him, we hope that his future endeavors will be as successful as his accomplishments here at State. The faculty and student body are equally aware of this loss to the school and wish the best in the future to George Quackenbush.

STUDENT COUNCIL

COMPOSED of representatives from each of the four classes and the respective departments, the Student Council serves as the governing body for the entire student body at State. With the help of the faculty advisor, Dean Horn, and the faculty representative, Mr. Shuck, Student Council carries on its legislation in well-organized meetings. Standing committees, appointed by the council, regulate college activities with the welfare of all in mind. This organization is a vital part of college life. Without its help, the student body and its activities could not function as smoothly as they do.

NON-RESIDENT'S COUNCIL

LIFE can become difficult when one is away from home! Because this fact is realized, Non-Resident Council, composed of representatives from homes that house girls away from home, was organized. Under Dean Reed's guidance this group aids out of town women, who attend State, in becoming adjusted to their new environment.

ALPHA HONOR SOCIETY

THE Greek letter A, Alpha, is well remembered by all students who pass through the corridors of Buffalo State Teachers College. Membership in this society is an honor aspired to by many students. Membership in Alpha honors those students in the junior and senior classes who have proven themselves through outstanding leadership and service in extra-curricular activities.

Alpha sponsors many traditions on campus that highlight the college year. Among these traditions sponsored by Alpha are Organization Day, Inter Class-Sing, and Holly Hanging. Through the sponsorship of these activities, Alpha encourages leadership and high standards in extra-curricular activities. The impressive ceremony with which students are inducted into this organization, Alpha Tapping, is an experience never forgotten by the students and alumni of State.

Usually published in these four-page editions are feature stories, editorial comment, and news of educational progress.

Its growth from a four-column to a five-column paper is in step with the increased enrollment of the college. Press delegates attend the NYSTCPA conference which is held annually at member state teachers colleges.

What the future holds for State will be recorded in subsequent volumes.

HANDBOOK

THE Handbook is known to many as the student guide. It answers any questions one might have concerning the activities, occasions and traditions that comprise and symbolize the regulations and formalities of our college. Formerly designed for freshmen, it is now accepted by upperclassmen as a necessary and complete guide in keeping them informed of changes that occur. The Handbook staff works all year long to collect interesting facts which they feel the students of State should know. Accepted as a reliable source of information, the Handbook takes its place among the student publications.

FOREIGN LANGUAGE CLUB

FOR the evaluation of one's own culture, a framework of reference is necessary. This is most easily attained by studying and understanding foreign cultures, and the result is a study of the people themselves. The interest of the polyglots on our campus has resulted in an endeavor to develop a better understanding and appreciation of the languages and cultural backgrounds of different peoples.

The club's program of activities provides for the aforementioned study by the presentation of foreign dramas, guest speakers, Greek, Spanish, and Latin programs, and a final picnic.

SIGMA TAU GAMMA

SINCE the affiliation of Alpha Chi as Rho Chapter of Sigma Tau Gamma Fraternity in 1933, the organization has progressed rapidly. Such traditional affairs as the White Rose Dance have become the highlights of the campus social life. To add to the prestige of the fraternity, Rho Chapter acted as host to the Eastern Province of the national fraternity which held its annual conclave this year on our campus. The boys from Sigma Tau were grateful for the privilege, and the entire student body was pleased to welcome their guests.

PAN HELLENIC ASSOCIATION is composed of delegates from the seven sororities on campus. It establishes rush-rules and serves as a board of instruction for all non-sorority women.

Pan Hellenic provides invaluable opportunities for those who express the wish to become better acquainted with sorority regulations and activities.

Pan Hellenic plans a schedule that interests each group individually as well as organized activities that are participated in by all members. The calendar combines the dances and socials of all the sororities into a successful effort to make the sorority life of every woman an outstanding experience of her college career.

The longed-for Sweetheart Dance, the Alphaquade and fashion show at State Fair, and Moving-Up-Day float are the major activities that remind all on campus of Alpha Sigma Alpha sorority. Through several social services, group meetings, and the long awaited and happily remembered visits to their summer cottage, life for the girls in red is enriched.

	State 7 - 2 McMaster

October 5th saw the opening of the soccer season. Full of hope and spirit, the squad marched onto the field to meet their first opponents of the season, Geneseo State. A discouraging blow was dealt in the first minute of the game as Fred Rogers and Captain Ed Abrams collided while trying to gain control of the ball. The immediate result was the loss of both men for the remainder of the game. Norm Weidner scored two goals, and the game turned to State's advantage. Two additional goals were made by Fritz Reinhardt and Dick Jennings. Despite the efforts of Geneseo to fight back, they were no match for State, and the outcome was State 4 - Geneseo 2.

Three days later, the team met a strong and able opponent, Brockport State Teachers College. Captain Abrams and Fred Rogers, suffering injuries from the opening game,

started for Buffalo. Hopes ran high as State held Brockport to a 1 - 1 tie for the first three quarters of the game. Then newcomer John Bycina scored to put State ahead of the favored Brockport squad. A commendable stand was made by goalie Ed Hunt who competed against All-American goalie, Bonde. The fourth quarter told the story as Waterford scored twice for Brockport to end the game with State at the bad end of the 4 - 2 score.

The Ontario Aggies came to Buffalo and stayed neither to win nor lose. They found Buffalo State still minus a captain. Team spirit was low despite tremendous effort on the part of the cheerleaders and the student body. They were rewarded by Bill Cunningham's tying score. This put Buffalo back into the ball game. A 1 - 1 tie was dealt to both teams. This was State's only tie of the season.

A cold and windy day found the Statesmen in Rochester. The weather set the pace for the mood of the day and for the luck of the Orange and Black. Abrams was still out, and Ed Hunt and Oscar Felsen were lost to the team. The University of Rochester found that even with these men missing, State still had a team. Halfback James Strickland became the outstanding player of the day by breaking up Rochester attempts again and again while lending excellent support to the State line. A score of 1 - 0 in favor of Buffalo was the reward.

Oswego was another team to meet defeat at the hands of State. Fred Rogers, who had recovered from his injury, helped State jump to an early lead. He led the attack by scoring two goals in the opening quarter. These were followed by Norm Weidner's score in the second half. Final tally, 3 - 1.

Returning to the home field, the Statesmen took on the task of administering a defeat to Edinboro. They wasted no time in obtaining two goals in the first half. The second half saw an even more hopeful team, and two more goals were scored in the first four minutes of play. The inspired team attacked and scored twice more. Desperately trying to defend themselves, Edinboro managed to score once and lost, 1 - 6.

The next game had Captain Ed Abrams back in competition. State played host to one of its toughest opponents, Wheaton. Charging to the goal time and time again, the Statesmen were put off incessantly. Playing a highly defensive game, Wheaton was finally successful in scoring. That was the score that cost Buffalo State the game. Wheaton 1 - State 0.

Terrific offensive drive was displayed by the team from Toronto. A score in each of the first three periods gave the Canadians a decided edge. Two of the three tallies were placed through a group of men playing close to the Buffalo net. The fourth quarter belonged to Fritz Reinhardt and Ed Hunt. Reinhardt scored State's goal of the game, and Hunt held off the Canadians who had once more taken the offensive. 3 - 1 was the final tally of the game in favor of Toronto.

The season's last game showed McMaster that the Orange and Black had several men capable of scoring. Four goals in the first half, by Abrams, Reinhardt, and Cunningham, compared favorably with two for McMaster. The second half saw the Buffalo team playing as hard as it did in the opening stanza. Scores were made by Weidner and Abrams. The season's last goal was made by John Sciortino to make the final count 7 - 2 in favor of the Statesmen.

INTERNATIONAL THIRTY MILE RELAY

ESTABLISHED in 1902, the annual International Silver Cup Thirty Mile Relay has become one of the most famous races in this area. Held in Toronto, teams from northern United States and Canada compete for its honor. While one Canadian team was defeating our valiant runners at home, State's main squad traveled to Toronto for the important event. In this competition our team found themselves opposed by some of America and Canada's finest runners.

When the final scores were tabulated, not only was State victorious, but a team member of the Orange and Black also set a new record for the course—twenty-five minutes, twenty-three and one-half seconds! State's team also won every trophy offered, an honor earned by no other American team in the history of the race. Each team member received an individual trophy. Lyle Cameron, individual record holder, received a large engraved silver tray in recognition of feat. The team brought to State a large silver cup which will remain in our possession for one year.

ON OCTOBER 5, State's harriers opened a very successful season with their defeat of Niagara and U. B. in a pronounced victory. Not only did eight of State's runners finish in the nine first places, but they also broke the record for the 3.9 mile course. The new record was established by Lyle Cameron, a freshman runner, in nineteen minutes fifty-nine seconds. With only nineteen points and Niagara with sixty points, State triumphed.

After having traveled to Niagara for a very successful meet, State's runners again took to the road. Traveling to Brockport, the Orange and Black opposed the highly specialized team of Brockport State Teachers College. The Physical Education majors proved no match for Don Munson's men! four mile course being twenty-one minutes, twenty-six seconds. When the final results were tallied, State had only twenty-one points to Brockport's thirty-four.

While the team's ten best runners were away at Toronto, State's "B" team played host to the Ontario Aggies. Greatly hampered by the absence of their team members, the harriers managed to capture only one of the first six places. The final outcome of the meet tabulated seventeen points for the Aggies and thirty-eight points for State. This Canadian victory was offset by the outcome of the Canadian International Thirty Mile Relay at Toronto.

For their fourth win of the season, the State Cross Country team defeated Queens University sixteen to thirty-five. The men, under the coaching of Don Munson, placed seven members in the first eight over the finish line. Lyle Cameron again was the individual winner, running the four and one half mile course in twenty-three minutes, twenty-five seconds. This time set a new record for the Delaware Park course.

The long trip to Clinton was well worth the time and trouble, as far as the Cross Country team is concerned. Of the ten runners who made the journey, ten crossed the finish line ahead of the first Hamilton man. A four way tie for first place was established when Lyle Cameron, John Hill, Jack Foster, and Gordon Smith crossed the finish line in twenty-four minutes, forty-seven seconds. This time also established a new record for the course. The outcome of the meet was State fifteen, Hamilton forty.

As State's track men made another bid for victory, they found themselves matched against strong international competition, the University of Toronto and Niagara University. They had met and defeated such power before, but this time, State was to barely miss victory. Star, John Hill did manage to forge ahead and break the Delaware course record, finishing in twenty-two minutes, fifty-four seconds, and earn a moral

victory since this time beat Canada's national individual champion. The final tally was Toronto - 28, State - 29, and Niagara - 63.

Running in the District AAU meet, the Orange and Black placed first among the colleges of Western New York. This great tribute to the ability of our Cross Country team ranked Buffalo State's harriers among the best in the country.

Having become eligible to compete in the National AAU race, the Orange and Black traveled to Detroit where they competed with the best cross country teams in the country. Placing fifth, the team proved their ability as one of the finest Cross Country teams in the history of the College for they were the first athletic team from Buffalo State to take part in a national competition.

Buffalo Athletic Club Collegiate Invitation Swimming Meet

STATE 33	NIAGARA 41
	U. OF BUFFALO 39
	ST. BONAVENTURE 4

The swimming team wound up the 1949-1950 season with a 4-5 record. The State natators completed the season at the Buffalo Athletic pool when they competed in the District Inter-Collegiate Meet. Buffalo had copped honors in this meet for the two previous years but Niagara and the University of Buffalo came up with powerful squads to edge the Orange and Black swimmers.

Coach Mike Sojka's team opened the season in Cleveland, Ohio against a power-packed Fenn team. The meet was close all the way with the final decision not being decided until the last race. The Foxes of Cleveland won the 400 yd. freestyle record to take the contest by a 44-31 score.

The State mermen traveled to Niagara's new field house Wednesday, December 14 to compete in what later proved to be the closest meet of the season. Niagara set the pace by winning the first two events, but State's Bob Weiss and Bob

Bedell rallied with firsts and it was anybody's contest. The Cataract's Joe McCarthy nosed out Alan McCarthy by inches in the 100 yd. freestyle but Bob Weiss again came through, winning the back-stroke. The lead changed hands in the next two events with Niagara winning the breaststroke and State's Ron Brown copping the 440 freestyle. The Buffalo mermen then lost the 400 freestyle relay to drop the meet by the slim margin of 39-36.

The mermen played host to Brockport in the first home meet of the year. Buffalo snagged the medley relay as Bob Weiss, John Sciortino and Capt. Howie Schmitt combined to win the first event. The mermen retained the lead, capturing first place honors in every race except the 200 yd. breaststroke and 440 freestyle. The final score was Buffalo 44 to Brockport's 31.

The swimmers boarded a bus for the third time to travel to Clinton, New York where they engaged Hamilton College. Bob Weiss and Bob Bedell won individual honors while Al McCarthy took two firsts and State led by three points going into the all-important last event. The Orange and Black swimmers lost the 400 yd. relay and dropped the meet by five points, 40-35.

Back in their own pool a week later the mermen sank the University of Toronto splashers by a 40-35 margin. Bob Weiss, Al McCarthy and Bill Schluntz took firsts for the State cause with the only serious opposition coming from the Canadian's Paul Gibson, a member of the Canadian Olympic swimming team. Gibson snapped the 220 yd. freestyle pool record.

The swimmers won their third meet of the season when they submerged Edinboro by a 62-13

score. The State mermen racked up firsts in every event with John Sciortino providing the thrill of the day when he came from far back to nip Edinboro's representative in the 200 yd. breaststroke. Other winners in the Edinboro conquest were Bob Weiss, Al McCarthy, Bill Schluntz and Dick Keeny.

Coach Sojka's crew took to the road again as they traveled to Hamilton, New York to meet the superior Colgate tank team. Buffalo was held to two first place positions; Al McCarthy took honors in the 50 freestyle while Bob Bedell won the diving event. The meet marked the lowest score that Buffalo was held to all year, 27 points, compared to Colgate's 48.

Niagara again downed the Orange and Black swimmers in what proved to be the only home defeat of the year for the mermen. The Cataract crew won this meet by a 41-34 margin as the meet again was not decided until the final race, the 400 yd. freestyle relay. Individual winners for State were Al McCarthy, Bob Bedell, Bill Schluntz and Dick Keeny.

The swimmers entertained Western Ontario in the final dual meet of the season. The State squad handed the Canadians a trouncing as Buffalo captured every event except the 220 yard breaststroke. The meet was highlighted by Captain Howie Schmitt capturing the first place honors in the 100 yard freestyle. Schmitt, a senior, thus won the last race of his college career in the State pool. Bob Weiss chopped nine-tenths of a second off the old pool mark for the 100 yard breaststroke.

Buffalo State finished third behind Niagara and the University of Buffalo in the district title race which is held annually at the Buffalo Athletic Club pool. This was the third year that the meet had been held and it marked the first time that a Buffalo State team did not win the trophy. Seven of the former records were shattered in the keen competition. Bob Weiss, lone State winner, broke his own mark in the 150 yard backstroke with a 1:45.1 effort.

As Coach Mike Sojka will lose only one man from his squad, Captain Schmitt, the team's chances for next season appear to be very good with such men as Weiss, McCarthy, Schluntz, Keeny, Bedell, Hofmann, Brown, Yacos, Brunner and Lallmang back to aid the Buffalo State cause.

BASKETBALL

The Buffalo State basketball team turned in a highly impressive record for the 1949-1950 season. Coach Hube Coyer's quintet racked up a twelve and six record, winning nine of their last ten games.

The Statesmen opened their eighteen game schedule in the 174th Armory, site of all home games, against the University of Toronto, on December 1. Coach Coyer introduced his team which was composed of ten veterans and three new additions. The cagers pleased the large opening game crowd as they captured the lead late in the second quarter and pulled away in the second half to win by the 59-45 score.

The team traveled to Cleveland on December 3 where they met Fenn College. Rangy Hank Trabold was the game's high scorer with 24 counters but the Statesmen went down to their first defeat of the season. The contest was close all the way with Fenn applying the freeze in the latter half of the last period to win the ballgame.

The Statesmen won their second game of the season on their home court against Albion.

Coach Joe Adessa took the reins of the varsity team in the absence of Coach Coyer who was confined to his home with a cold. Coach Adessa turned in a very creditable performance as Bob Lang, who netted 18 points, led his team to victory.

Tuesday, December 13, the basketeers journeyed to Niagara to take on the top district team. Niagara showed its vaunted power as they toppled the Orange and Black fivesome by a 60-45 count.

Following the Christmas holidays the team traveled to Kent, Ohio, where Kent State handed the Statesmen their worst defeat in ten years. The Kent team went all out to roll up the score as they won, 98-36.

Back on their home court again, the cagers played host to Brockport State. The game marked the most exciting finish the fans had witnessed thus far; State trailed by three points with 14 seconds remaining when Capt. Clair Wescott drove in with a three pointer to tie it up at 48-all. Brockport, however, was not to be

denied and their co-captain, Mauro Pannagio, broke away and dropped in a lay-up as the gun sounded, giving Brockport the victory, 50-48.

The following week, January 20, the Statesmen played host to Ashland College. The cagers trailed at the quarter by five points but in the second period came back to take a lead they never relinquished. The final count was 53-42 as Trabold again led the scorers with 15 points.

An invading quintet from St. Lawrence University was forced to go into overtime to defeat the State cagers in a thriller that was played January 28. The score was tied at 54-all at the end of the regulation time which necessitated the five minute extra period. The Larries outscored Buffalo State in the extra time to win by a 66-59 score.

The Statesmen opened the new semester on a good note when they eked out a 52-50 win over the University of Toronto on the Canadian court. The game marked the final contest for Captain Wescott who turned in a successful career at Buffalo State. The Toronto team was greatly improved and proved hard to defeat on their home court. Trabold, Garfield and Grabowski combined to drop in 40 points toward the Buffalo cause.

Buffalo State made it five wins in ten attempts when they topped a McMaster University team, 58-41. The Orange and Black trailed at half-time by a 30-27 count but came back strong after the intermission to score almost at will. Milt

Garfield had his biggest night of the season as far as points were concerned as he tallied 18 counters to pace the team to victory.

The squad handed Edinboro its first home defeat of the season, 47-35. The victory enabled the Statesmen to pass the .500 mark for the season with a 6-5 record.

The team entertained a strong Washington and Jefferson team, Saturday, February 11. The cagers, playing in front of a large home-coming crowd upset the highly favored Presidents to win by a 52-45 margin. The game marked the beginning of the fine playing that John Sciole turned in the latter half of the season. Coach Coyer used but seven men in the surprise win with Trabold and Sciole dividing 26 points. Captain Eddins turned in a fine job as a playmaker.

The Orange and Black squad won their fifth straight game in Hamilton, Ontario when they edged a much improved McMaster team by a 51-45 score. The Elmwood Avenue boys trailed at the end of the third quarter but came in the last period to outscore the Marauders 18-9 to wrap up the victory.

The Waynesburg game was proof to basketball fans that a team cannot lose three of its top men and still win. With Trabold, Grabowski, and Garfield all lost in the last quarter on personal fouls, the Pennsylvania quintet tallied 17 points while limiting the State team to five for the Waynesburg win.

Tuesday, February 21 saw the State team jour-

ney to Dunkirk where they met Fredonia State. The State squad hit on 40% of their shots to win 82-65. Every man on the State team broke into the scoring column. Over 200 Buffalo State students made the trip and witnessed the victory.

Back on their home court the Orange and Black downed Cortland by a 57-52 count. The visitors closed the gap to tie it up at 35-35 late in the third quarter but with Trabold hitting from the bucket and Garfield converting from the foul line, the Statesmen forged ahead to win. Trabold, by scoring 26 points, broke the Armory record of 21 points which George Doyle had established the previous season.

The State team boosted their win record to 11 games when they downed the Mustangs of Western Ontario, 53-42. Andy Grabowski took scoring honors with 16 points, making 12 of 16 foul shots.

The Orangemen of State rang down the curtain on the '49-'50 basketball season when they inflicted their sixth defeat in six meetings upon the University of Alfred. The win gave the Statesmen a very impressive record of twelve wins against six defeats. Trabold, Grabowski and Garfield hit for eighteen points in the last quarter to insure Buffalo State of their twelfth win, 49-38.

With four of the starting five slated to return next year, prospects for another banner season appear very bright. State will lose Capt. Lloyd Eddins while Milt Garfield, Andy Grabowski, Hank Trabold and John Sciole are all due to return next fall.

Hank Trabold, Milt Garfield and Andy Grabowski turned in the three top season averages; Trabold and Garfield had 10.8 and 10.2 points per game average in eighteen games while Grabowski had a 9.2 average for seventeen games.

The Buffalo State Junior Varsity basketball team played a thirteen game schedule during the 1949-1950 season. The Jayvees won nine of these games playing five clubs from the Munny League. Playing in the 174th Armory before each of the Varsity games, Coach Joe Adessa's quintet came up with two victories over the Institute; the team also downed the Ontario Aggies twice in a home-and-home series.

The JV's defeats included losses to a power-laden Niagara Freshmen team along with losses to two of the top Munny teams, Kick's Athletic Club and the Butler-Mitchell Club. The Brockport Jayvees team also downed the Jayvees by a 42-31 margin.

The team's leading scorers were Ed Abrams and Ted Sturgis with 74 each; Tom Schwob had 73 while Ed Hunt, who was moved to the Varsity team late in the season, netted 69 for the Orange and Black Junior Varsity.

TRACK

State 48 — 83 Rochester

State 43 — 97 Brockport — 22 Oswego

State 48 — 47 Niagara

FOR the third year since its formation, Buffalo State's new track team took to the field under the able direction of Coach Don Munson. As was to be expected, with this excellent track coach at the helm, most of State's power came from the cross-country team. Results like John Hill's double win in the 1 mile and 1/2 mile events, Jack Foster's 2 mile victories at Rochester and Niagara meets, plus Walt Roeder's new 1/2 mile track record in the Brockport - State - Oswego meet, prove the point. In addition to these stars, victories such as Dick Allen's undefeated high-jump season and Art Mamott's successful broad-jumping stint helped add more glory to the records of this fledgling team. The weak side of this team was displayed in the field events; however, the experience of the past three seasons is hoped to prove itself when the team takes to the field again in the spring. The highlight of the last season's trials was the Niagara meet in which the history of the 1948 one-point victory repeated itself as the Orange and Black again triumphed by a slim margin.

In addition to open-field track, State's ever-expanding athletic family is now introducing, for the first time, indoor track which will be held at the Connecticut Street Armory.

First Row — Willard Morse, Paul Parinello, Allen Reed, Paul Ryan; *Second Row* — Milton Conomos, Robert McQuaid, Leonard Zwick, Walter Roeder, Harold Allen, Jack Hill, captain; Art Mamott, Jack Foster, Clifton Ifflander, Dick Coates, William Weber; *Third Row* — Virgil Marco, manager; Steve Witter, Richard Clark, James Ballard, Eugene Martin, Kenneth Franklin, George Doyle, Bruce Carter, James Wells, Lauren Keller, Willis Lamb, Edward Abrams, Mr. Donald Munson, coach.

CHEER LEADERS

Bottom of "S" to top— Patricia Trainer, Eleanor Ciaravine, Margaret Schnake, Ann Fay Loftus, Rita Haas, Marjorie Chase, Shirley Aldridge, Ellen Weinheimer, Carol Small, Mary Harrington, Joan Kinsly, Frances Starkey, Mary Ellen Duquette, Marion Owen, Betsey May, Gerald Martel.

THE fourth year of cheer leading at Buffalo State finds the squad devising new cheers and rejuvenating the old. It takes vocal power, physical prowess, and loyalty to school and team to be numbered among the active of this organization. Where the going is the hardest, there you will find the cheer leaders urging the team on to final victory.

Leading the cheers at Psi Phi's "Jinx Burning."

WOMEN'S SPORTS

FROM the first whistle in the fall, to the last call of "You're out!" in the spring, the girls at State engage in a well-rounded sports program under the capable direction of Miss Spaulding. Besides the usual gymnasium period, there is a program of after-school sports. Arranged in a seasonal sequence, this program is accented the year-round by archery, bowling, and swimming. The girls meet in the gymnasium where the teams are formed for a program of intra-mural sports. Once the chosen captains have picked a team, the game begins. One team may challenge another to a game. If this challenge is accepted, it is contested at the next meeting of that sport. At the end of the season, a play-off is held at which the winning teams of each group compete. The winner of the play-offs in a particular sport is declared champion. This same procedure holds true for soccer, volleyball, basketball, and baseball. In badminton, the girls choose their partners and sign up for matches. At the first meeting, the partners draw numbers for places on the score ladder. Any pair may challenge above themselves, and play the match at the next scheduled meeting of the sport. Play-offs are also held for winning partners.

In the swimming division, under the supervision of Miss Bosworth, the girls meet in the pool to learn the fine points of the art of swimming and to earn their advanced-swimmers' cards. The girls in this division have an added feature in their program. A special class in life-saving is offered to those who can qualify. These girls take a test at the end of the period for a life-saving certificate. Archery is held in the gymnasium and in the field. During the advanced course in archery, they take bows, arrows, and quivers and invade the field for target practice. Bowling is held at a nearby alley where only fellow-bowlers may view the attempts of the neophytes. It is a haven for beginners. There is competition for high score in the respective groups. Bowling and archery do not have play-offs.

The highlight of the sports program is a Play Day, which consists of a visit to another college for competitive sports. Play Days, as well as after-school sports, are sponsored by the Women's Athletic Association. The various State Teachers Colleges build a Play Day around one specific sport and have other sports for free play. Since our college opens its doors to other colleges for a Play Day in the Spring, here is a plan for that day. First, there is a main sport. At Buffalo, this is badminton.

A central theme is chosen for the day's program. The theme might be Indians. Name cards and team names are made up around this theme. A schedule of games is arranged with free time for ping-pong, archery, bowling, or swimming. Other colleges are then invited. These may be Oswego, Brockport, Geneseo, and Fredonia. The W. A. A. at these colleges tells the students of the invitation, and representatives from the college are chosen to attend. Teams are formed when the girls arrive on our campus. The name and school of each girl is put on her name tag. After the day's schedule has been played, the girls are invited to a banquet. Here they discuss athletics and good sportsmanship. At this time, the winning teams of the various sports are announced. The singing of school songs is followed by the singing of the alma mater of the entertaining school. Thus a day for sports and friendship has been held.

The sports program for the women at State is culminated by the athletic banquet sponsored by W. A. A. The girls receive awards, through the point system, in recognition of the work they have done in sports that year. This ends a year of women's sports with fun, friendship, and sportsmanship the essence of the program.

SENIORS

MANY things have happened to us since we first entered the Main Building in 1946. We watched the tradition of Inter-Class Sing grow, inaugurated the Frosh Prom, and participated in Holly-Hanging. We watched the formation of the State University of New York. We saw State's first dormitory built and the first spadeful of earth turned for the erection of a permanent dormitory and student union. Our pride grew with our college. Now, we have finished this, the first phase of our education. Now, we go on to be educated by experience—to fulfill the fondest hopes of our instructors—and to do what we are able to advance the cause of education.

Audrey Matthews, secretary; James Diggins, president; William Cunningham, treasurer, Margaret Meier, vice-president.

JUNIORS

WE OF the Class of '51 believe that we have completed a very successful and worthwhile year. As Junior Counselors, we guided the bewildered freshmen through their first trials at State. How proud we were when we won the Inter-class Sing and Holly Hanging! Soon the plans were formulated for our pride and joy, the Junior Prom, and our Prom Queen was selected to reign over the dance. State Fair brought out members of our class as barkers, dancers, singers, and spectators. And then the confusion of Moving-Up Day! As seniors, we shall carry on with great spirit the college traditions which have become so much a part of us, and venture forth to attain the high ideals we have established as Juniors.

Charles Gussetta, treasurer; Edward T. Hunt, president; George Hofmann, vice-president; Ruth Murphy, secretary.

Two years at State — on these we look back, back to nineteen forty-eight, when we came here as freshmen. We slipped easily into the swing of college life, won honors at Inter-Class Sing and Holly Hanging, and made a success of our Cinderella Ball. Moving-Up Day left us feeling very proud and just a little breathless, because at last we were Sophomores.

September, nineteen forty-nine, and we were caught up in the whirl of our second year at State. Days were busy, full of plans, enthusiasm, and important events, events like September's "dazing," followed by our hilarious Frosh Court and the Soph-Frosh Hop. In Inter-Class Sing, we again took second place. In November came the annual push-ball contest; December, Holly Hanging; and April, the Sophomore Prom. Before we knew it, Moving Up Day was here again. And now, two more years at State — to these, we look ahead.

SEPTEMBER 13, 1949. What a memorable day for those who entered State for the first time! Three days of standing in line for registration, payment of fees, and physicals, and we were admitted to class. This year saw the beginning of the night session, affectionately known as "Bradley Institute."

Frosh Camp and a chance to make many new friends! The fun we had can never be forgotten. Bank accounts dropped as we purchased supplies; spirits dropped as we tried to fit twenty-two books and two art kits into one locker.

Frosh Hazing! Dressed in dungarees with books in bricklayers' hods, we were mistaken for the construction gang from the dorm. Secretly, we had loads of fun singing our original songs, scrubbing the steps with toothbrushes, playing leap-frog, and doing the Conga through the Student Center. After that —the Beanie!

October 21st and our first Inter-Class Sing, the Jinx-Burning and Frosh Court! Eventually, we witnessed the restoration of good feelings between Frosh and Sophs. Then the Hop given in our honor, and we realized that upperclassmen weren't so bad as we had once thought.

FROSH WEEK

No CLUB, society, or fraternity allows newcomers to become full-fledged members without an initiation of sorts. Buffalo State is no different from these organizations in this respect.

Frosh Week is the period of initiation for these strangers on our campus. Tormented by the sophomores and counselled by the Juniors, the frosh become acquainted with many of the students, organizations, and traditions.

We were all freshmen at the beginning of our college careers. We shared the same anxieties and hopes. Remembering these days and their informality, we look forward to more freshmen and more exciting Frosh Weeks.

INTER-CLASS SING

ALMA MATER, FOR YOU

Oh, Alma Mater, hail to thee!
 We'll keep your mem'ry always near.
 We come our way, and sing today
 Of truths that we hold so dear.
 As the years drift on by,
 You'll gleam with shades so bright.
 We'll honor you in all we do,
 Our guide of truth and right.
 We'll share your glory and your dreams,
 Your smiles and your hopes and tears.
 Praises we'll sing, for you shall ring,
 Alma Mater, through the years.

—Dolores Nebrich '51

THE coming of Christmas and the holiday season is heralded by sweet and beautiful music echoing through the halls. Another tradition of the college once more comes to life. The sound grows louder as it approaches each classroom and, as it moves on, gradually diminishes in the background. Amidst all the excitement of the Yuletide, there comes the joyful confusion of Seniors, Juniors, Sophomores, and Freshmen as they vie with each other in decorating the Main Building. Then there is the interminable silence as all await the judges' decision. Who will win this year? At last, the announcement is made. The _____ have won! Congratulations and consolations. Christmas carols fill the air as the winning class hangs the wreath on the entrance door of the Main Building. Then, in the evening, we are off to the Holly Dance, a fitting closing to a beautiful tradition.

HOLLY HANGING

MOVING-UP DAY

OF THE many symbolic occasions at Buffalo State, one of the most impressive is Moving-Up Day. Another year has passed, and a sense of achievement is shared by student body and faculty members alike. The memories of the past, the excitement of today, and the hopes of the future mingle and blend to make Moving-Up Day one of the most beautiful traditions of our college careers.

The Honorable Thomas E. Dewey, Governor of New York State.

Dr. Alvin C. Eurich, President of State University of New York.

THE great future held in store for Buffalo State was symbolized when this College played host to the first Symposium of the State University of New York. Through leadership and cooperation, we have grown and kept pace with the movement toward a state university system. Now we are an integral part of the realization of all the hopes and planning of the past.

At the convention, the need for leadership and cooperation was stressed. Through the utilization of these virtues, Buffalo State will carry on with this educational system ever striving forward in the future.
