This program is designed to be of direct benefit to Homemaking teachers in high school, elementary work, evening school, extension and part-time. Parents and kindergarten teachers may attend the lectures and any of the laboratory classes where registration is not limited.

For further information write to the Director of the Homemaking Department.

#### IMPORTANT NOTICES

##### Required Preparation for Class Work

All work done in the Summer Session is expected to be on the college basis the same as work during the regular year. To this end classes scheduled for one hour daily assume a minimum preparation of one hour devoted daily to reading and study and those scheduled for two hours daily assume a minimum preparation of two hours.

##### Text Books and Fees

It will be necessary to charge a fee of \$1.50 per student in the courses in Educational Measurements and Mental Measurements to cover cost of materials.

Students in all third-year Normal courses and certain others will be required to purchase text books.

##### Excursions and Social Activities

The location of the Normal School is such that exceptional opportunity is offered for field trips and excursions. Various trips are undertaken in connection with the work in Nature Study and other subjects.

Last year several special excursions under the guidance of faculty members were taken. These excursions included trips to the Historical Museum, The Albright Art Gallery, Pierce Arrow Plant, and the Larkin Co. A Saturday trip to Toronto was a prominent feature of the excursion program.

In addition to the various trips a summer school field meet was held on the front campus and a summer school dance in the gymnasium. Similar trips and social activities will be carried out this year.

## CALENDAR

July 5th at 9:30 A. M. General Meeting for registration and instructions, Assembly Hall, Buffalo State Normal School. Sessions will be held daily, except Saturdays, from 8:30 A. M. to 3:00 P. M. However, it will be necessary for school to remain in session on Saturday, July 9th because of the holiday at the beginning of the first week.

August 12th. Summer School closes.

## ADMISSION

Any person who has taught or who intends to teach the coming year in the schools of the State will be admitted to the Summer Session. Tuition is free to all residents of New York State; others will pay a fee of \$10.00 per course or \$25.00 for three or more courses. Registration for credit will not be allowed after July 9th. Students entering after July 5th will be required to pay a late registration fee. The session is not open to high school graduates without teaching experience, or to students who have not completed high school. No high school work is offered in the Summer Session.

## BOARD AND ROOMS

Comfortable rooms in good homes near the school may be secured at about the following rates:

One person occupying a room, \$4.00 per week and upwards.  
Two persons occupying a room, from \$3.00 to \$5.00 per week and upwards.  
Room and board in same house (two in a room), from \$7.00 and upwards per week.

All inquiries concerning room and board should be addressed to the Student Committee, State Normal School, Buffalo, N. Y.

## CREDIT

In obtaining credit for work completed at the Summer Session, the following regulations will obtain:

(1) Work done in courses at the Summer Session will be as nearly as possible equivalent to the work of the same courses during the regular school session. Therefore, courses will be credited hour for hour on the basis of semester-hour credits. A maximum of eight semester hours of credit toward the Normal School Curriculum may be earned in one Summer Session. Courses carrying two semester hours of credit in the regular curriculum are conducted one hour daily in the Summer Session; those carrying three semester hours or four semester hours of credit in the regular curriculum are conducted two hours daily in the Summer Session. No partial credits are given. Students who are delinquent in the regular session and desire to make up such delinquency in the Summer Session must receive permission from the Student Program Committee before applying for registration in the Summer Session.

(2) Students are now required to complete a three-year curriculum in a State Normal School in order to secure a life diploma. The completion of two years of the three-year curriculum will, however, entitle a student to a limited certificate valid for at least three years. The renewal of such certificate may be secured by earning twelve hours of credit in summer ses-

sions. The third year of the requirement may be completed by further attendance at the regular session and during summer sessions. All candidates for such certificate and diploma must be graduates of a high-school curriculum approved by the Commissioner of Education.

(3) A graduate of a high school curriculum approved by the Commissioner of Education, who after graduation completed a year's course in a Training Class and has had at least one year of experience in teaching since graduating from a Training Class may receive advanced credit equivalent to one year on the three-year curriculum.

(4) Beginning September 1926 a fourth year leading to the degree of Bachelor of Science (in Education) was added to the curriculum. Credit toward this degree may be earned in part by our two-year and three-year graduates in the summer session after consultation with the Registrar, Student Program Committee or Principal.

### PROGRAM

The daily program during the Summer Session will be arranged as follows:

First Period .....	8:30- 9:30 A. M.
Second Period .....	9:30-10:30 A. M.
Third Period .....	10:30-11:30 A. M.
Lunch Period .....	11:30-12:00 M.
Fourth Period .....	12:00- 1:00 P. M.
Fifth Period .....	1:00- 2:00 P. M.
Sixth Period .....	2:00- 3:00 P. M.

One Assembly period will be held weekly on Wednesdays at 10:30 A. M. Attendance will be required.

### CURRICULA

#### I. General Normal Curriculum

Candidates may receive credit for the General Normal Curriculum in any department by electing subjects named in this catalog. Care should be taken to see that subjects elected apply on the desired curriculum and form a proper sequence.

#### II. Extension Curriculum

Since 1919, the major appeal of the Summer Session has been made to teachers in the service. Special courses calculated to improve the efficiency of teachers in service have been offered and met with an increasingly larger registration each year. A considerable number of these courses carry college credit at the University of Buffalo and Canisius College.

#### III. Vocational Homemaking Curriculum

The Buffalo State Normal School has been designated as the center for summer extension work and special training of teachers of Home Economics for the State. For further particulars, see Announcement on last page of this catalog.

#### IV. Americanization Curriculum

Under the auspices of the State Bureau of Immigrant Education, special courses of interest to teachers of Adult Immigrant's evening and day classes will be offered as indicated in the list of courses. They are open to students who have graduated from accredited high schools or who have had equivalent training plus two years of further study either at Normal School, Training Class or College.

For students successfully completing the required work, certificates will be issued by the State Department.

### IMPORTANT NOTICES

#### Required Preparation for Class Work

All work done in the Summer Session is expected to be on the college basis the same as work during the regular year. To this end classes scheduled for one hour daily assume a minimum preparation of one hour devoted daily to reading and study and those scheduled for two hours daily assume a minimum preparation of two hours.

#### Text Books and Fees

It will be necessary to charge a fee not exceeding \$1.50 per student in the course in Educational Measurements and a fee of 50c in Supervision II to cover cost of materials.

Students in all third-year Normal courses and certain others will be required to purchase text books.

#### Excursions and Social Activities

The location of the Normal School is such that exceptional opportunity is offered for field trips and excursions. Various trips are undertaken in connection with the work in Nature Study and other subjects.

Last year several special excursions under the guidance of faculty members were taken. These excursions included trips to the Historical Museum, The Albright Art Gallery, Pierce Arrow Plant, and the Larkin Co. A Saturday trip to Toronto was a prominent feature of the excursion program.

In addition to the various trips a summer school field meet was held on the front campus and a summer school dance in the gymnasium. Similar trips and social activities will be carried out this year.

### VISUAL INSTRUCTION

Special provision has been made for the presentation of courses in visual instruction. The importance of training teachers in the technique of handling a standardized type of visual aids such as the stereograph, lantern slides, and daylight lantern, can hardly be questioned. We are fortunate in being able to offer special instruction in this field by Mr. Cooper and Mrs. Sporr which will meet the needs of teachers in service as well as teachers in training. We are enabled to place this training before the teachers by the courtesy of the Keystone View Company.
