BUFFALO BELLES

SEPT. 1993

DEAR SISTERS:

Oh what a lovely time we had at the meeting last month. Cal and Sharon came for a visit, we do hope they liked us enough to become members. Sharon would like to form a partners group to share their concerns. If your partner would like to share in the groups discussion or to be part of it please let me know so I can pass this information on. If there is enough interest hopefully we can target a meeting when all can get together. Another possibility is, if they are hesitant to meet, a newsletter could be started addressing some of question. Their questions may have to be circulated in their letter or ours. I believe there are three partners who are interested, there may be more who want to share common concerns. If your partner is interested in sharing this information, drop me a name and address so that we can get something started for them.

Well lets see, we had Denise W. M., Denise A. M., Fransis-Lee., Janice Jean H., Joan C., Kelly W., Renee K., and Tammy Z. at the meeting, which is a wonderful turnout for a humid August day. We express our thanks to the ladies (Francis-Lee and Jean H.) for the nourishments they brought to the meeting.

We are trying to do some advance planning on our future meetings /activities. So far the calendar looks like this: Subject to change

suggest that any sister who would like
to have their pictures in the album
send in a picture with your First Name

From the return letters and discussion at the meeting the consensus of
moving the meeting day was not outrageous, that is to say the majority felt
fine in having the meeting on Saturday. However, we will keep the option open
to changing events.

Well I guess that's all from the Editors desk, see you at the
meetings.

Love from,

Denise
