Inauguration

May 10, 1968

Dr. E. K. Fretwell Jr. was appointed president of State University College at Buffalo in Sept. of 1967. He previously served as Dean for Academic Development at the City University of New York, a university-wide position on the Chancellor's staff concerned with the development of new units and academics programs.

CENTER—President E. K. Fretwell

The acceptance of the medallion

Congratulatory Notes

Currently, Dr. Fretwell is a Commissioner for the Middle States Association, a Trustee of Wesleyan University, a member of the State Advisory Council for Continuing Higher Education, and of the Council of the Harvard Graduate School of Education Association. He is active also in various Buffalo civic and cultural organizations.

The medallion is the symbol of office placed around the neck of the newly invested president and worn thereafter at formal ceremonies. It was designed by Earl W. Wolfgruber, Art; and executed by David E. Anderson, Industrial Arts; it is a gift to the College from the Class of 1968.

Mrs. James H. Righter, Chairman, Dr. E. K. Fretwell

The mace—a war club in origin is carried at the head of formal collegiate processions. The one used today is made from rosewood and silver and includes the suggestions of the flame, dove, and hands that have been used by the College in recent years to signify learning and aspiration. The mace was designed and built by Douglas E. Sigler, Art; the case in which it is displayed was designed and built by Wesley F. Brett, Art.

The Mathematics Club (of S.U.C.B.) composed of students interested in Mathematics, holds as its purpose the promotion of a better understanding of Mathematics in relation to life and of modern methods of teaching. The club sponsors various activities to achieve this purpose. Foremost, among the activities are: the Annual High School Mathematics Forum held in November, designed to acquaint the High School student in Western New York with the College and to give him a broader insight into the field of Mathematics; and the Annual High School Mathematics Contest held in March, a competitive event designed to increase interest in Mathematics. The club also sponsors films, guest speakers and tours, all designed to increase and broaden the members' knowledge of Mathematics and to introduce them to new methods of teaching.

Newman Movement

Bound together by the strength of a common faith, Newman Club seeks to instill the necessary spiritual values in its members. The Newman Center, situated conveniently near the campus, is the hub of club activities. Members meet at all times in the center to study, relax, or have discussions with Father Weimer, the Newman chaplain. Newman Center ably serves those who desire spiritual guidance and does not limit itself to helping only its faith.

House of Finance

Left to right: Eileen Daly, secretary; Ed Dyl, treasurer; Cathy Haller, vice-treasurer; Mr. Troy, advisor; Elaine Gleason, Gail McKeivy.

The House of Finance supervises and recommends the allocation of all student taxes and class dues for activities and programs. The treasurer of the College Student Association, seven board treasurers and vice-presidents, and the C. S. A. vice-treasurer compose this agency. The main responsibility of this group is to see that student funds are wisely used for the benefit of all.

Traffic Department

The C.S.A.—F.S.A Traffic Department is a hardworking unit, regulating the safe and orderly parking and driving on our campus. The Traffic Department is constantly working to better the lot of the students and is in effect the voice of the students to the administration in all matters concerning the parking and driving on our campus.

Time goes on
and in the vacuum remaining
the good
is mixed with the bad
so thoroughly
that they become
lost with each other.

So it is with our last step.
We go;

Coach Hartrick molded the best soccer unit in the school's history. The team won the S.U.N.A.C. Crown being undefeated. The team went on to be ranked eighth in the Nation in Soccer. The team lost a heartbreaker to Navy for the Eastern Regional, but with the undefeated freshman team coming up next year, Coach Hartrick may well again try for that Eastern Regional title.

Cross Country

Despite opening losses, the varsity cross country team, rallied itself to become the New York State Cross Country Champions. The Frosh team also honored State with their achievements at the State Championships.

Indoor track this year produced new records for Buffalo State. Setting the record pace was Mike Collopy. Mike broke the 880 yd. standard for the Rochester Invitational and then two weeks later set a new New York State Indoor Thousand Yd. Run record at Union. The team came in fourth at the State Championships with Jim Nafonski taking 2nd in the 60 yd. High Hurdles, Stroud, Gabriel, Burrows, and Collopy coming in 2nd. in the Two Mile Relay and Collopy winning the Thousand. Next year's team should be even better with Freshman mile king Terry Pollack and 2 mile champion Steve Trudel.

High Jump

For the second straight year State's out door track team won the Western New York Relay, setting records in the distance relay and 440. Then the Tracksters won the Leymone Relays with the quarter of Burrows, Stroud, Ellerbrock, and Collopy setting a new 2 mile record. The Tracksters came in third at the S.U.A.N.C. meet with Denny Senn tying the School Record by winning the 100 yd. dash and Mike Collopy winning the 880 for a new Conference record. Jim Nafonski set a School Record in the 120 yd. High Hurdles at the U.B. Invitational and Mike Collopy won the quarter mile event.

Rowing

Stroke—Don Hain; 7—Wayne Stepus; 6—John Van Hoodunk; 5—David Bontifante; 4—Dave Ranke; 3—Tony Brieser; 2—Fred Roehrig; Bow—Larry Finkelstein

Buffalo State Crew, coached by Jim Schaab, rowed to an 8 win 1 loss record. State lost to the University of Rhode Island in the last meet of the year. Jim Schaab's second year crew defeated U.B. and Canisius twice, Fordham, Brock University, MacMaster, and University of Toronto.

The 1968-1968 season may bring even better results, with the entire crew returning intact and a string junior varsity in the making.

Cheerleaders

The Varsity Cheerleaders represent State in fine fashion. At every game these eight enthusiastic girls demonstrate that they are true boosters of school spirit. This specially selected squad is always present to lead the avid sports fans in their cheering of our teams.

Senior Portraits by Delma Studios N.Y.

Graduation

Unto all ...

A special thank you to all my staff and especially to Mr. Bill Doran for his photographic contributions.
