Dear Dr. Collins:

Catherine

Thank you for your well-received presentation yesterday about the work of the NYS Board of Regents. I have had very favorable comments from the members, many of whom commented that they had learned so much. We hope it was a good experience for you, also.

I enjoyed the opportunity to get to know you during the luncheon, as well as our conversation prior to the program. As soon as I know more about the Club schedule during the Summer, I will be in contact with the hope that you will be my guest for one of our Wednesday morning programs.

Sincerely,

Kathleen
