SERMONS ~~AND NOTES~~

BUT THE COMFORTER, WHICH IS THE HOLY GHOST, WHOM THE FATHER WILL SEND IN MY NAME, HE SHALL TEACH YOU ALL THINGS, AND BRING ALL THINGS TO YOUR REMEMBRANCE WHATSOEVER I HAVE SAID UNTO YOU.

We are in constant need of some one to remind us of the pronouncements that have been made by our benefactors and teachers; for we often forget our inheritance.

Our Heavenly Father, the Lord Jesus and the Holy Spirit are anxious to have us remember all the things that Jesus has said.

The Faculty makes known to the pupils before hand the subjects in which they are going to be examined. The subjects may be Mathematics, Languages, Geography, Physics. THINGS THAT COMFORT

We are in constant need of some one to remind us of the pronouncements that have been made by benefactors and teachers; for we often forget our inheritance and the instruction that we have received. Our Heavenly Father, the Lord Jesus and the Holy Spirit are anxious to have us remember all the things that Jesus has said. We can not be filled with all the fullness of God by simply remembering a few things that we like that Jesus has said.

If we are the children of God we are all pupils in a great school. And a school is composed of a Head Master, a corps of teachers a faculty and a body of students who have entered the school for the definite purpose of receiving instruction. The faculty determines the curriculum for all the students. It is well and proper for students to read books and magazines. But the advancement progress of the student is not measured by the number of books and magazines that he has read but by the way that he has mastered the subjects that have been assigned him by the faculty.

Every so often the school has tests or examinations. Very often in these examinations the student's memory fails him and he is greatly disturbed ill at ease. And only as he thinks and often prays does he recall the things that the faculty has taught him. And so with us disciples of the Lord Jesus have been brought to our mind by the aid of the Holy Spirit the things that we need to remember in order to stand the test and pass the examination.

The faculty makes known to the pupils before hand the subjects in which they are going to be examined. The subjects may be
