Dear Dr. Collins:

Greetings in the wonderful name of Jesus!

Thank you for responding to my request to be a part of our "Women Who Care" program on March 26, 2006, to share your expertise, experiences, and personal testimony to help many hurting women today.

God placed it on my heart to begin a ministry program that would address issues and concerns many women face. This ministry program would also provide a network of support in effectively dealing with these challenges.

The mission of the "Women Who Care" program, according to Titus 2:3-5 and Galatians 6:1-5, would include:

1. Women networking together to help women; helping them to know who they are in Christ
2. Helping women to overcome the negative things that have impacted their lives through sexual and mental abuse, unhealthy relationships, recovery from divorce, low self-esteem, believing for their healing, pregnancy outside of marriage, wayward children, etc.
3. Helping women to have good, healthy marriages, believing for their husbands, raising Godly children, and helping the unmarried to enjoy their Christian lives
4. Having fellowship, sharing time together, praying for each other, and just being real sisters.
