A Special Thanks to You!

Thank you for helping to make our conference a success. Although you couldn't be there in person, we were able to present your materials and message, field questions, and discuss how we might work together with you in the future, to help students from around the state become safe drivers.

It all worked out very nicely, and we hope you can attend next year's conference. Same place and time of year.

Save the March 4th 2017 date.

If you would like to see highlights of the conference, check out the slide show on our newsletter **nysdtsea-frontview.weebly.com**.

You can also visit us at **nysdtsea.org** to see what's happening in driver education
