Dear Terry,

It was good to hear from you two or three weeks ago and I'm hoping you are not ill. I've been waiting for you to call back as you indicated. . . . I sincerely hope you did not misunderstand my being unable to talk with you at the time - I was on the way out the door to make a medical appointment that demanded promptness. I am truly sorry.

Knowing how busy you must be I have hesitated to interrupt - best time to get me is around noon.

While I am really not sure what you have been asked to do or want to do about the Maud Gordon Holmes Arboretum, or whether you already have all questions answered, I have continued DEEP DIGGING! I've found my copy of the Arboretum Constitution (4/1/65) and By-laws as adopted 6/13/67. Also a few other goodies such as this letterhead. . . . But nothing like what the College must have somewhere. Haven't been able to get to a "Mailboxes Etc." to make copies for you yet.

Pres. Howard had indicated a fresh College interest in the Arboretum and invited me to help, I believe through your department. Are you interested in what I have dug up? Want to get together? Is there anything "next"?

Something else: In the routine of working with a local art collector who is preparing to move to the far West, I was asked if Buffalo State might care for additional carved stone pieces - an ornamental pinnacle and sundry other pieces - from the old Erie County Savings Bank Building. We should discuss this too or tell me who to talk with soon.

A response will be appreciated.

Best to you!

Sincerely,
