A Touch of . . .

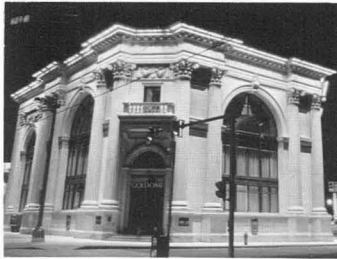

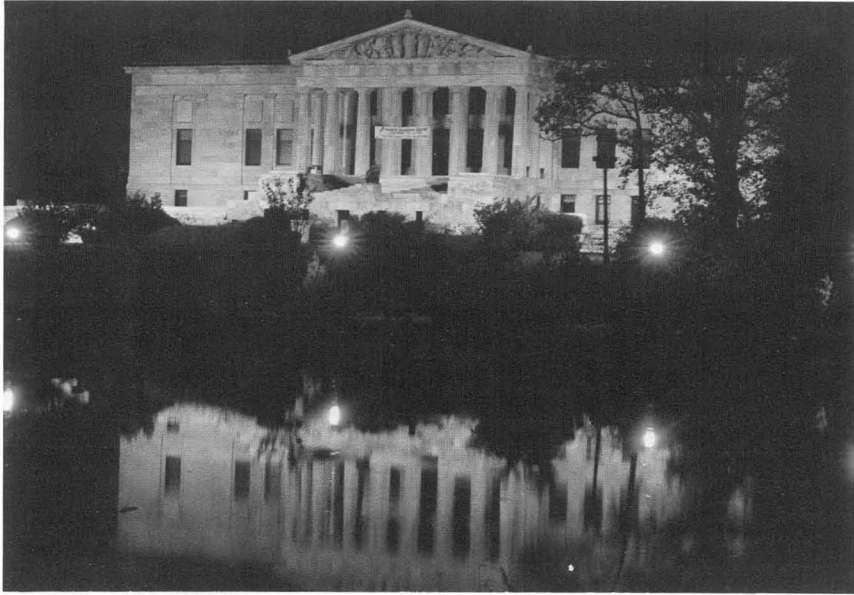

BUFFALO

Buffalo is definitely not your average college town. The Albright-Knox Art Gallery, Studio Arena and Kleinhans Music Hall are just a few of the many attractions that Buffalo has to offer. Whatever you are in the mood to do Buffalo has it. From throwing a football in Delaware Park to seeing a Broadway play you can do it here.

A Touch of . . .

NIGHT LIFE

Buff State campus may be dry but the bar scene surrounding campus definitely comes to life at night. The Elmwood Strip is a definite contributor to our nightlife. Almost any night of the week you can find happy Buff Staters there. Mister Goodbars, Coles, No Names and Caseys are the most popular. And of course what is Buffalo nightlife without the infamous Reagans and Masthead. Because of their closeness to campus these two are the most popular. One thing for sure Buff Staters certainly know how to party.

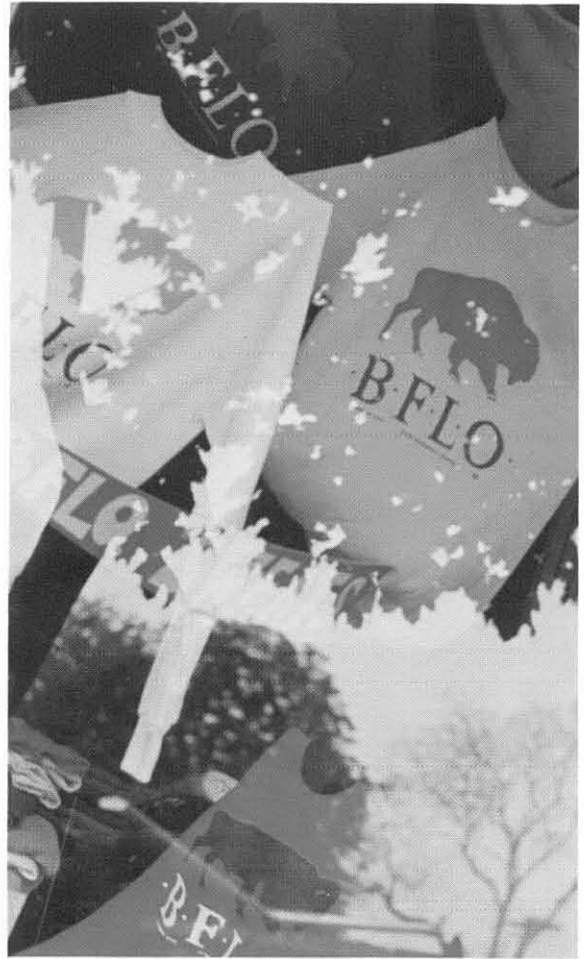

A Touch of . . .

COLOR

Considering the weather here in Buffalo, Buff Staters know how to make their own sunshine. Whether it's dressing up as a clown or just having a smiling face here at Buff State we know how to show our colors. When Cindy Lauper said to show your "True Colors" we knew what she meant. Here at Buffalo State we have been doing that for a long time.

A Touch of . . .

UNIQUENESS

Being different and showing your style is nothing new on Buffalo State campus. Since our school has students from so many different backgrounds and cities everyone has their own special style. That is why Buff State is so unique, no two people are alike (with the exception of Long Islanders!) From pink hair and leather to argyle socks and penny loafers Buff Staters are definitely unique.

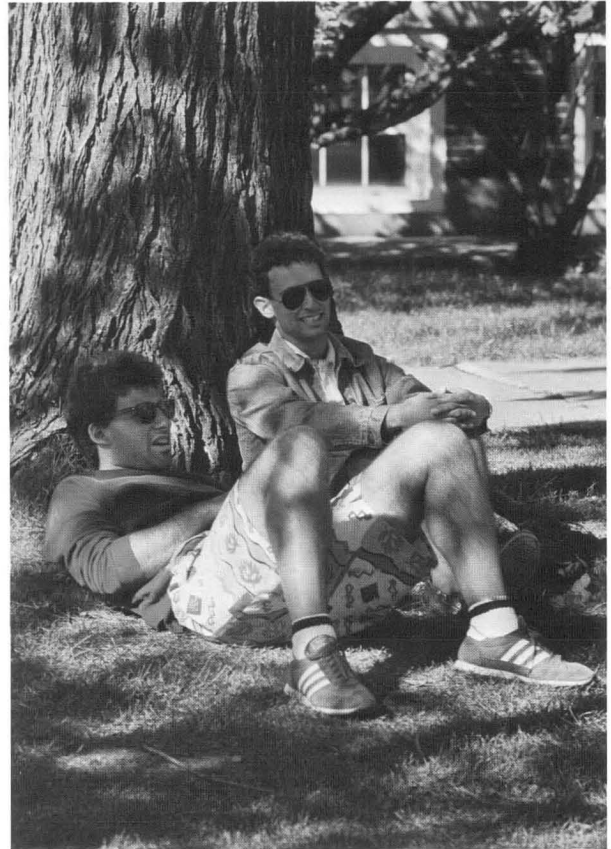

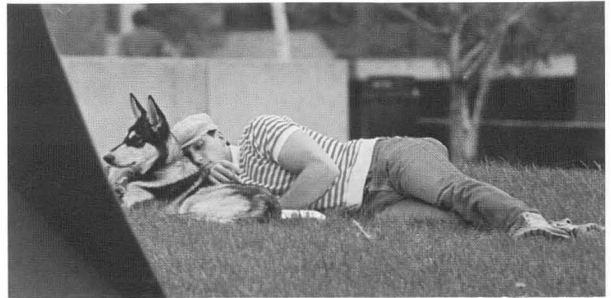

A Touch of . . .

FRIENDSHIP

People say the friends you make in college will last a lifetime. Well here at Buffalo State we believe it. Sure when you came here a scared, timid freshman you thought you would never have any friends and all you wanted to do was to go home. But what happened? You and your roommate became life long buddies and now you never want to leave. Ask any graduating senior what they will miss the most and you can bet the answer will be friends. It all goes to show that friendships at Buff State are as much a part of our school as English classes in Ketchum Hall.

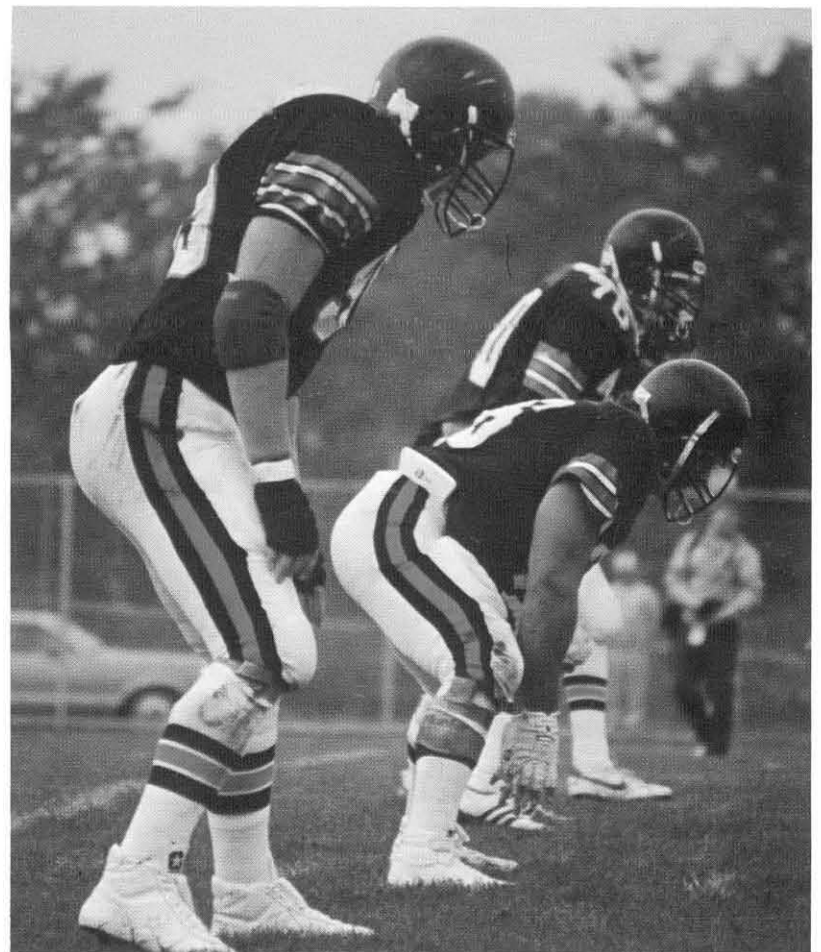

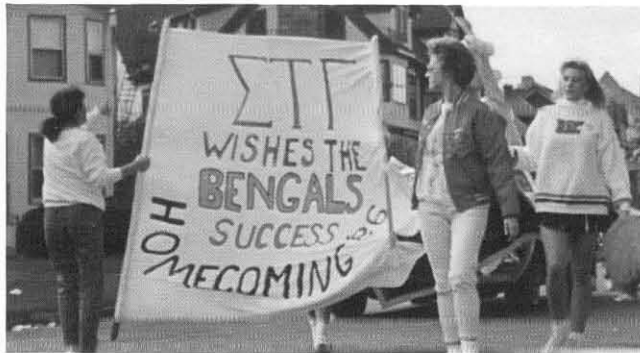

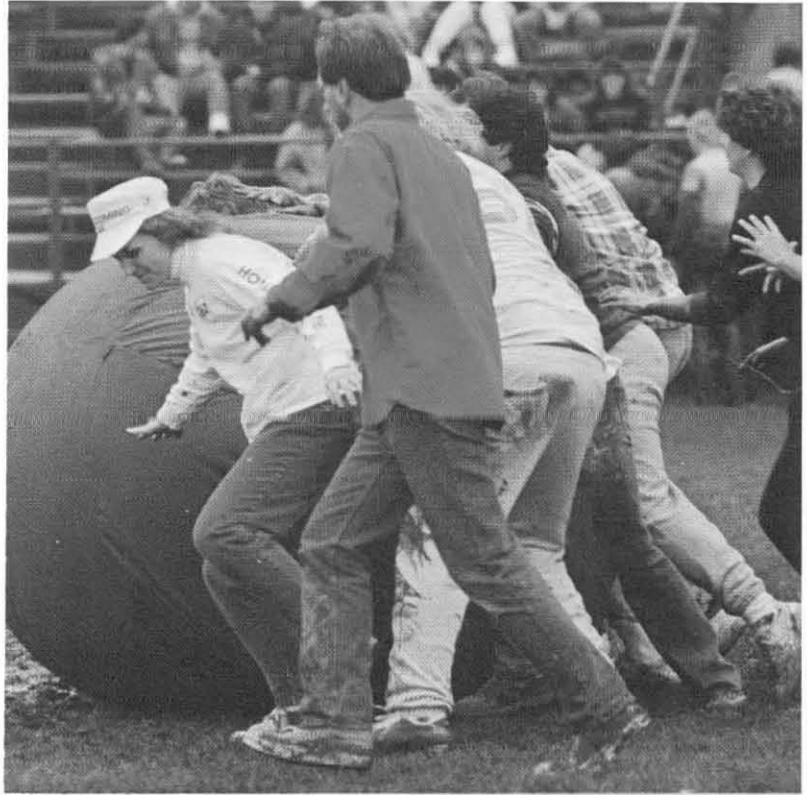

A Touch of . . .

TRADITION

From the bells of Rockwell Hall to Homecoming, tradition is a very big part of Buffalo State. Pledging fraternities, bengal pause, rugby parties and long lines are just a few of the many traditions we have here at Buff State. Whether you are just coming here as a freshman or leaving as a senior these traditions will always be a part of you and Buffalo State.

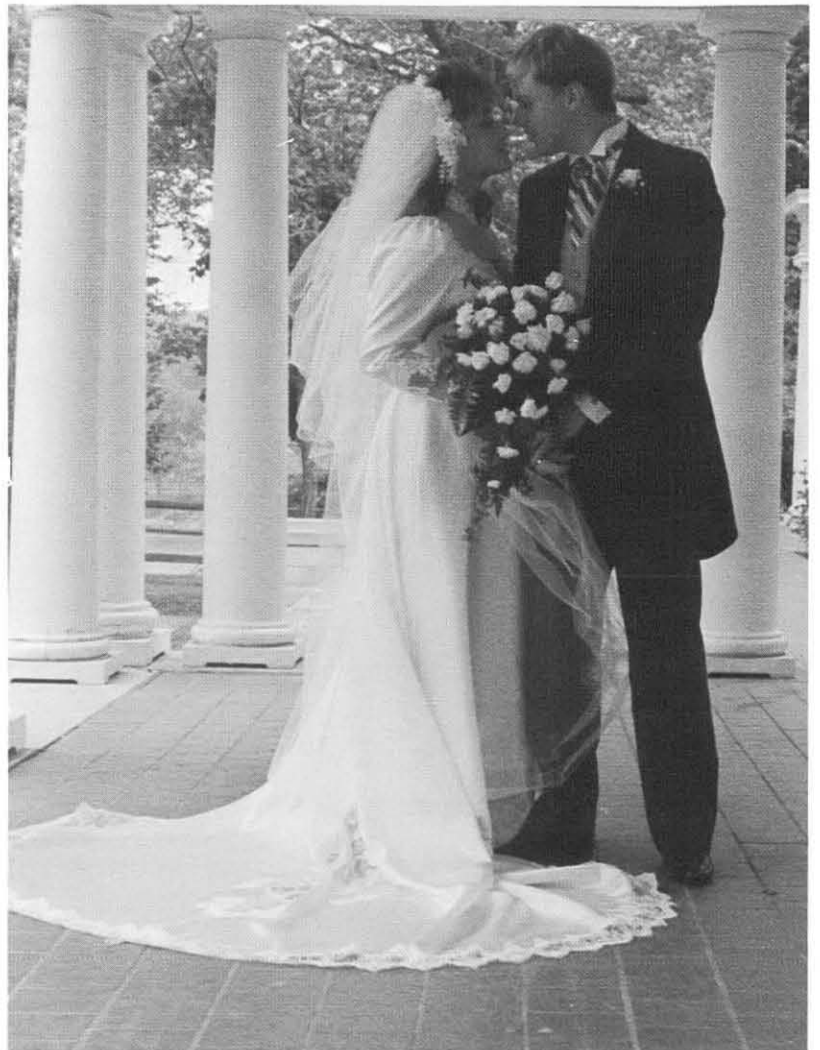

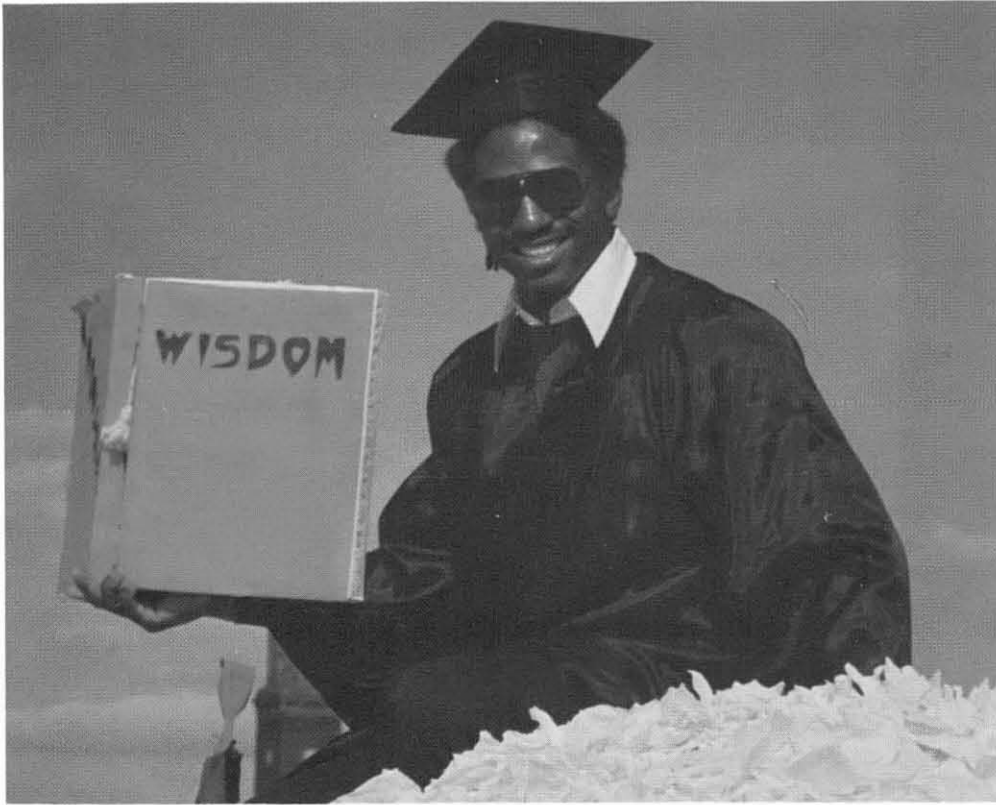

A Touch of . . .

CLASS

Freshmen, Sophomores, Juniors and last but certainly not least, our Seniors. The Class of '87 is a unique group of individuals displaying a combination of all the special traits, friendship, nightlife, color and tradition. Being a part of Buffalo State College is what makes the Seniors and the rest of our campus show what class is all about.

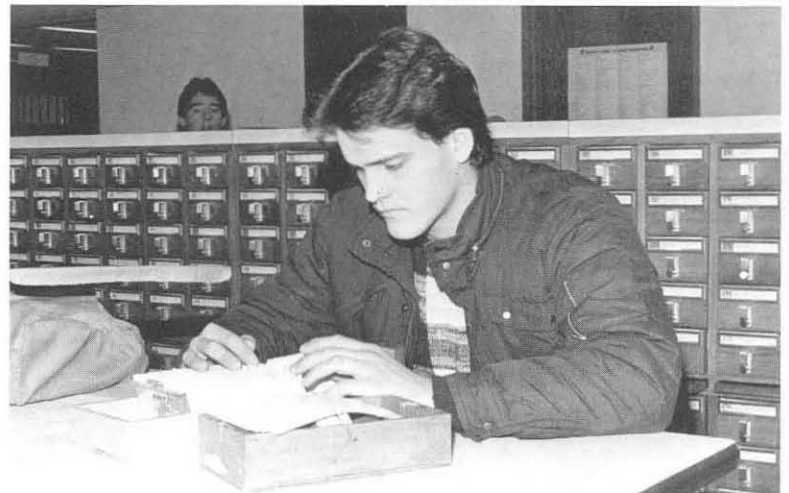

ACADEMICS

While most students are diligent in the classroom, . . .

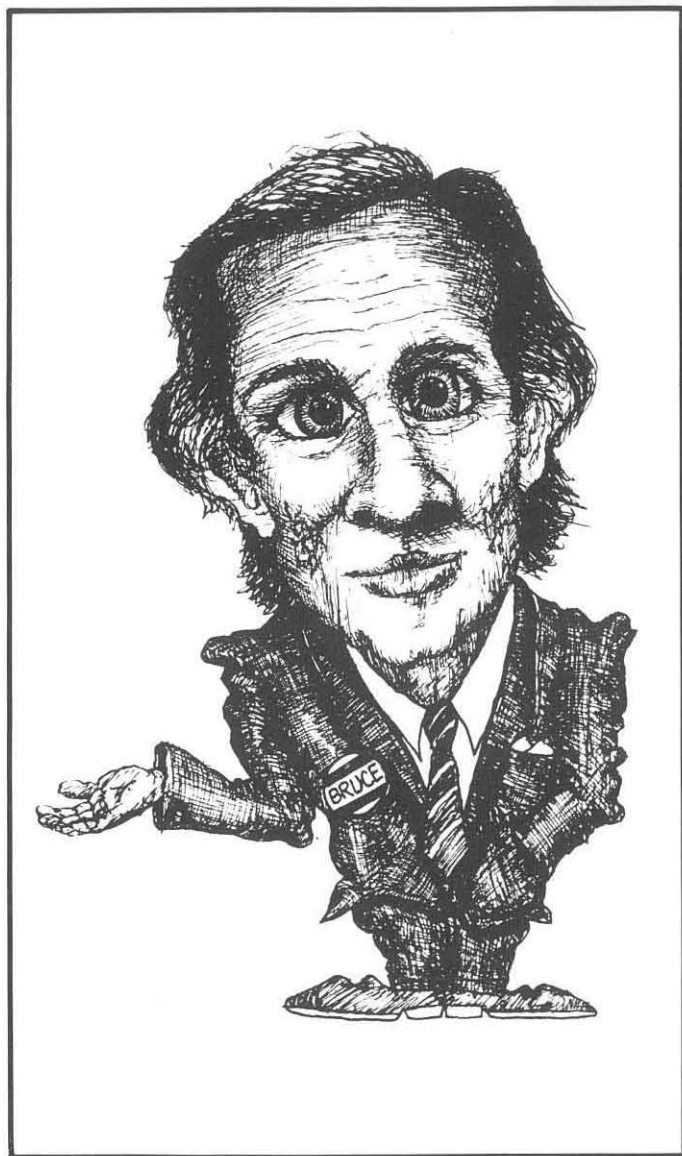

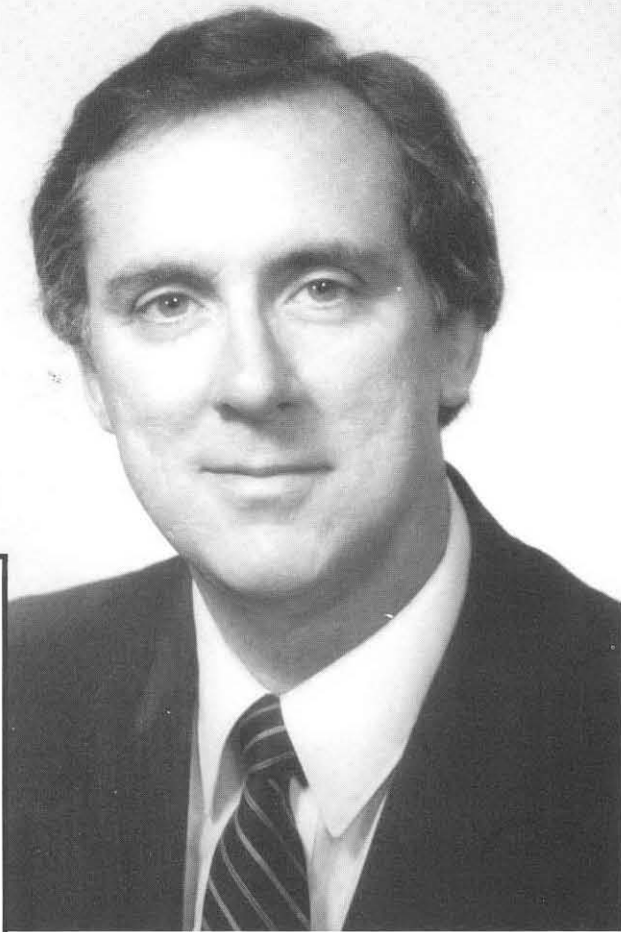

. . . and on their own in the classroom, . . .

. . . some professors still find it necessary to occasionally resort to a bit of extrinsic motivation.

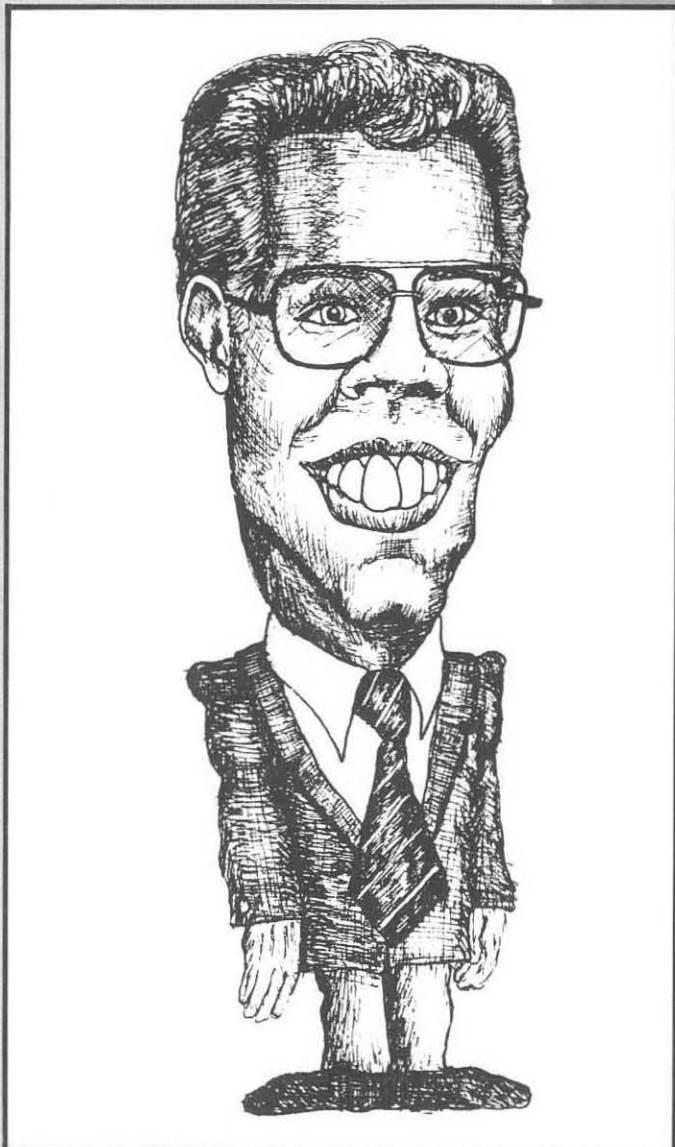

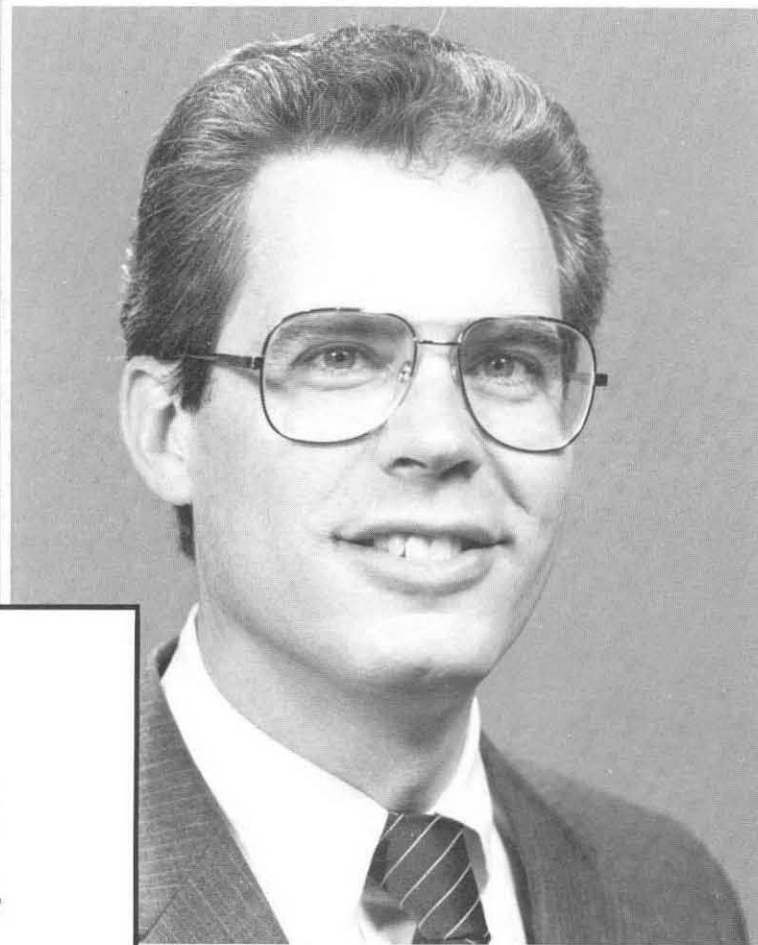

Dr. Bruce Johnstone

President

Best wishes to all of the Buffalo State students within these pages. To the graduating seniors, best wishes in your chosen field, and may you remember Buffalo State fondly. To those who will return, may the rest of your Buffalo State days be rewarding ones.

Dr. James A. Gold
Vice President
for Student Affairs

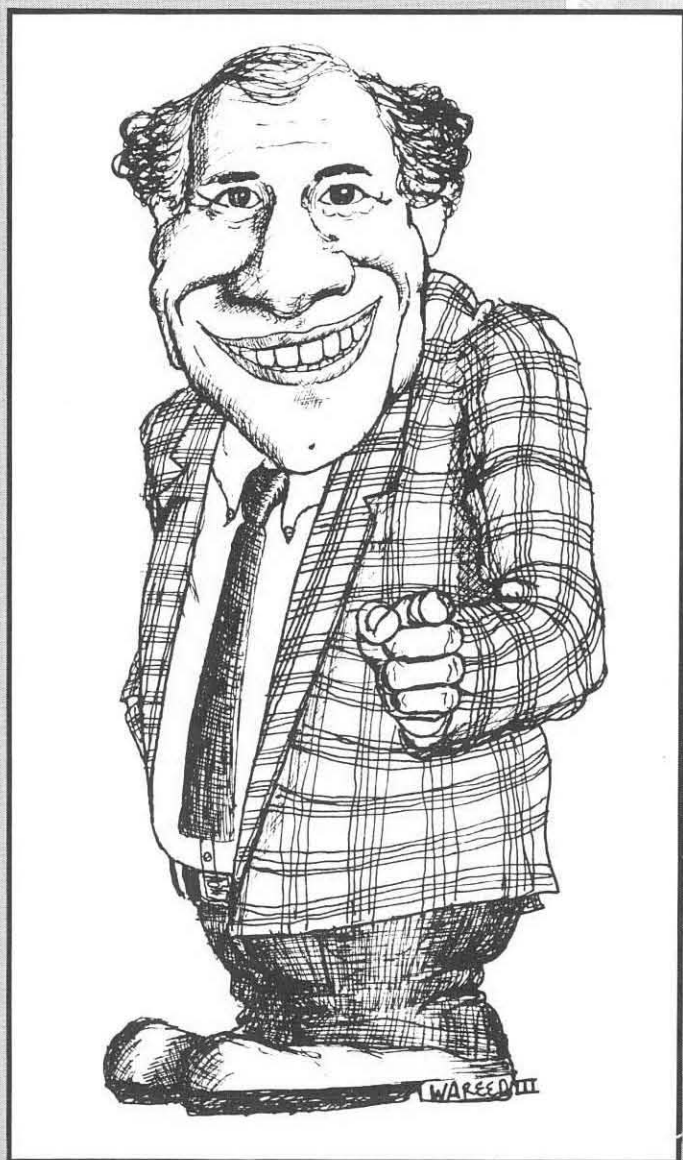

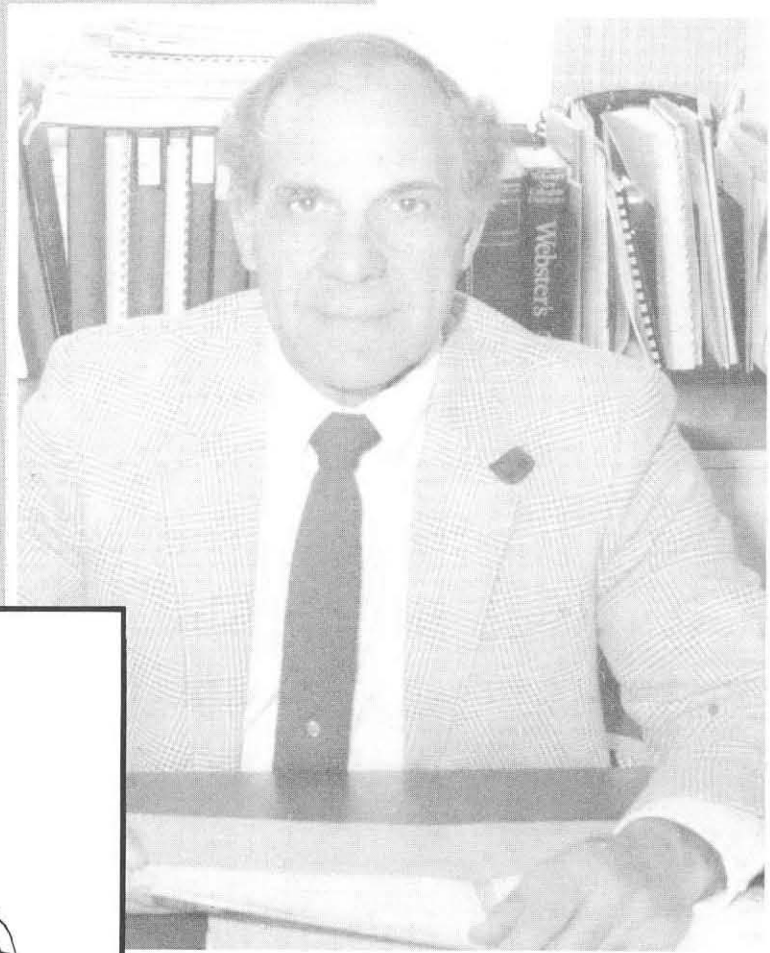

Buffalo State College is like a big family. There is an underlying sense of trust and respect among the people who work and go to school at this institution. This is a school if where you do your best, whether you be an administrator, faculty, or student, there are people who will recognize and reward you. We are big enough to offer multiple opportunities and yet small enough to personalize campus life.

Dr. Richard Wiesen
Vice President
for Academic Affairs

A collegiate experience is exhilarating. It must challenge the intellect and broaden horizons. It must force examination of premises and values. It must demand greater skills of analysis and communications. We strive for a commitment to learning, and we expect Buffalo State to bring its students to these goals.

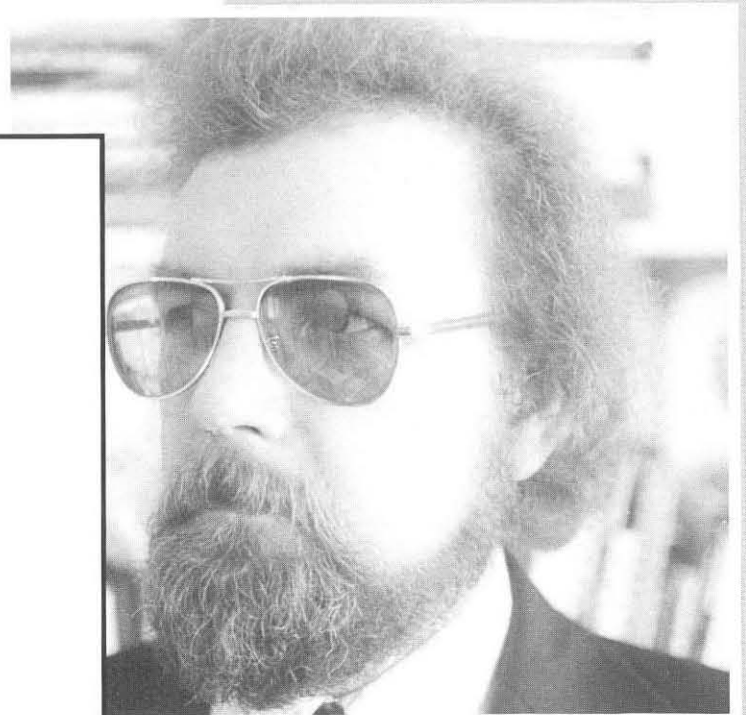

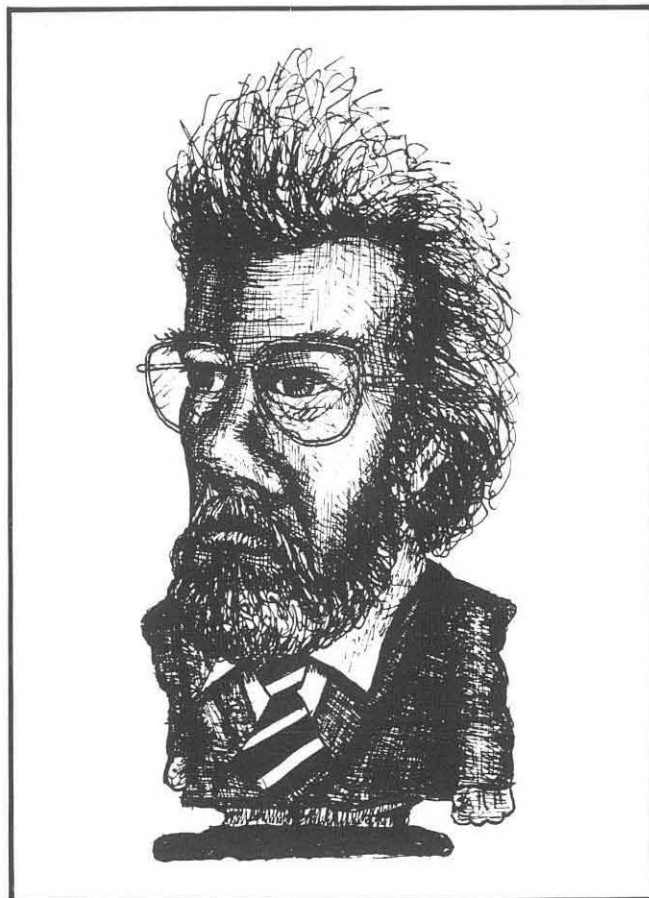

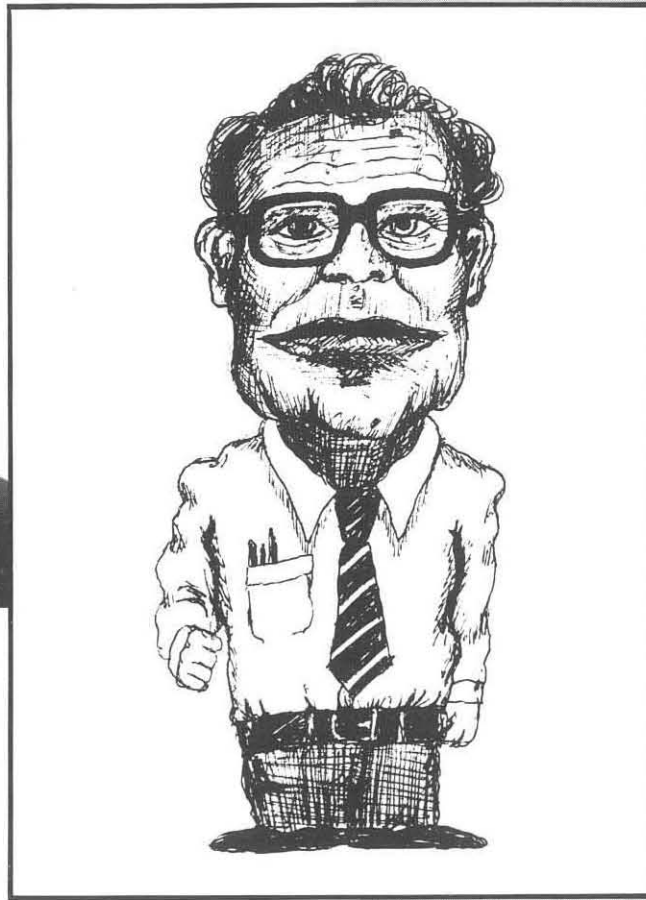

Mr. William Licata
Vice President
for Administration

SENIORS

The reality of graduation rarely hits a senior when it should. Seniors should be thinking about resumes, buying an interview suit, job interviews, paying back their loans and beginning life in the real world.

You've got to get those last few things in before you leave. Spend more time with your friend you'll never see again, eat those last Buffalo Chicken Wings, go to Niagara Falls, one last walk down Elmwood, one last stumble home from Regan's.

These four years never meant so much as when they're going to be taken away from you. Even the frustrations of Buffalo State aren't as bad anymore. Those people in Financial Aid are nice, maybe the food wasn't that bad, the snow wasn't that deep and your roommate isn't a _____. Well maybe the last one is still as bad. Yet, when you look back, Buffalo State will be a smile on your face as you recall all the good things that have happened here, what wonderful friends you've made and how much you've grown.

Catch me next year when/if
~~if~~ I have a job & then
I'll tell you if school
means anything to me!
Tina Marzano

FOR THOSE TO COME IN THE FUTURE.
YOU DON'T KNOW ME, BUT LOOK DEEP
INSIDE YOURSELF AND FIND THAT
STRONG, HARD WORKING, DEPENDABLE
AND LEADER THAT YOU ARE AND
MAKE SOMETHING OUT OF YOURSELF.
KIEL LUCHEY

Are we grownups acting mature
Or just children scared and unsure
Can we deal with grown up looks
~~to~~ when we can no longer hide behind
our books?

Meryl Griebel

What comes to mind re: Graduation
It's been five LONG years
of attending college part-time
evenings and Thank GOD it's
over!!!

Marilyn Fay

Like this, All things must too, come
to an end.

Rini P. Moran

As I reflect back on my four years
at Buff State, I remember how scared and
uncertain I was when I arrived. Since that
time, I have developed an enormous amount
of self-confidence and vision about my future.
From my experiences, I have learned many
valuable communication, and social interaction
skills. These skills will enable me to function
well in any future endeavors I choose. I feel
a great debt to the people and organizations
which make up the backbone of this college.
For without their support, I would not be
the person I am today. When I look
back from the future, and think of this
school, there will always be a warm feeling
in my heart, and a smile on my face!!

Jeffrey Cohen.

BUFFALO

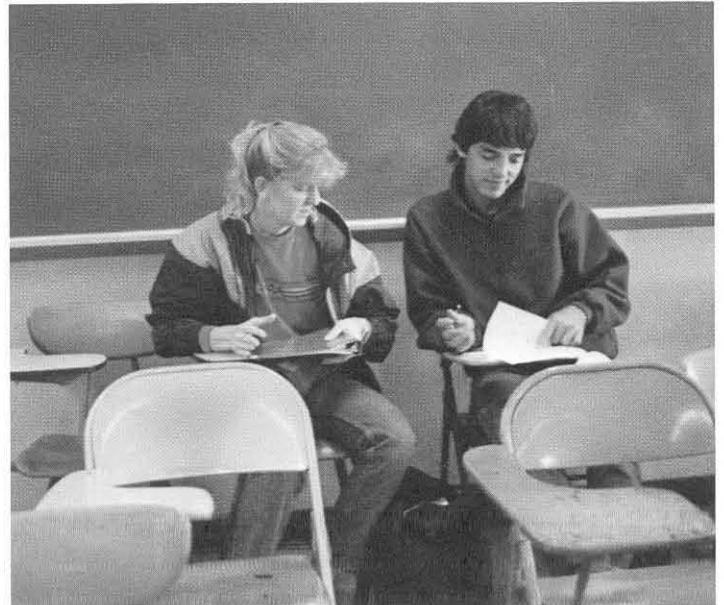

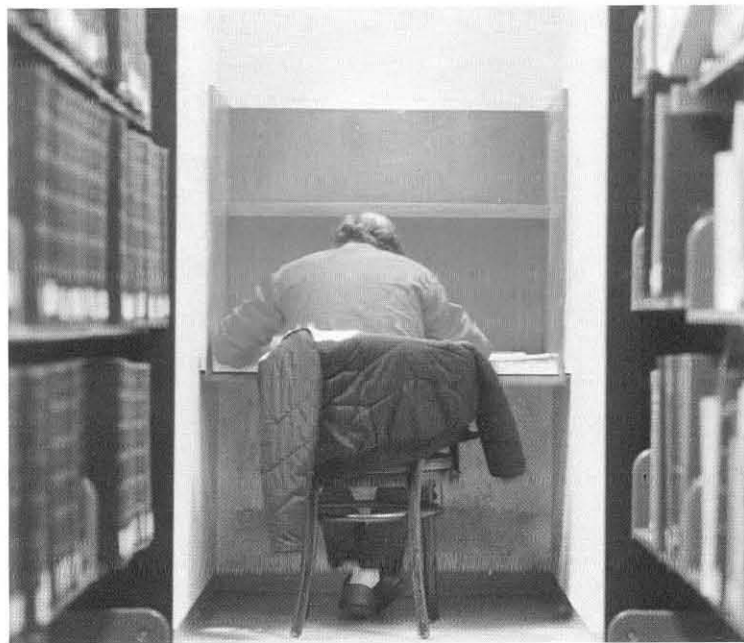

State of Mind

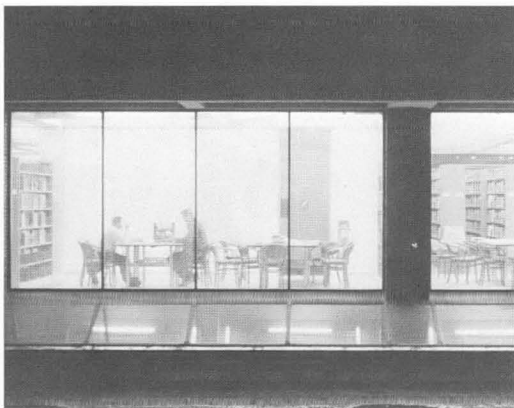

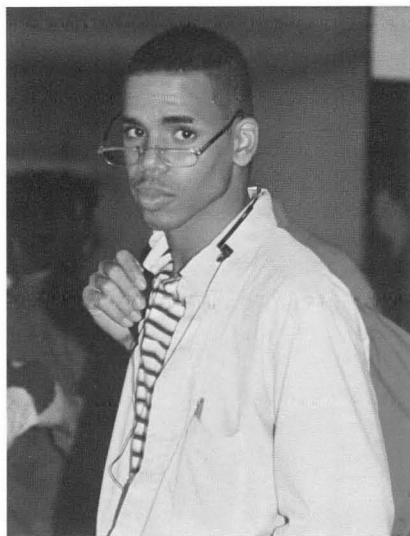

E. H. Butler Library

Our library, how can we begin to describe the feelings that overcome a Buff State student when thinking of it? Dread, sleep and procrastination are just a few.

However, at one time or another every Buff Stater finds him or herself there. Whether it be to write a term paper, meet with a study group or to sleep between classes the library is a reality we all must face here at Buff State.

The library by the way has the most comfortable couches on campus.

BUFFALO

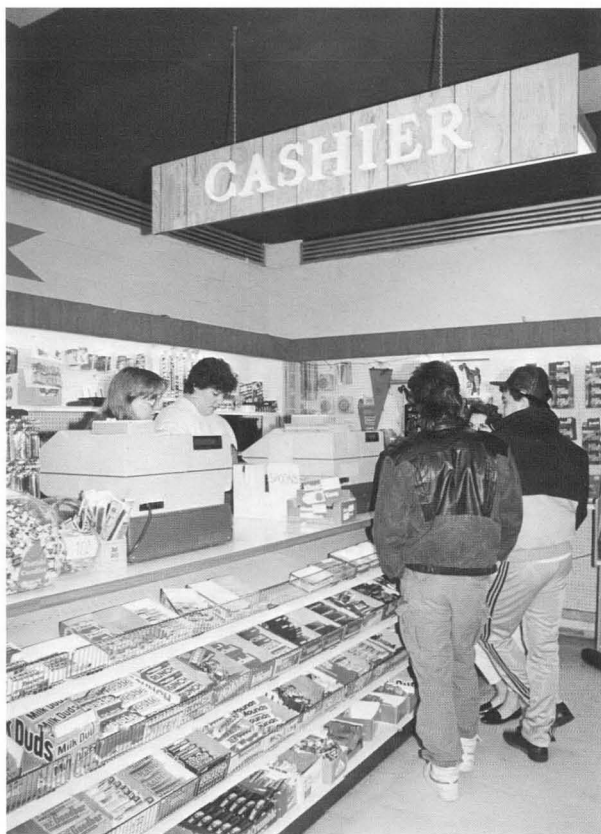

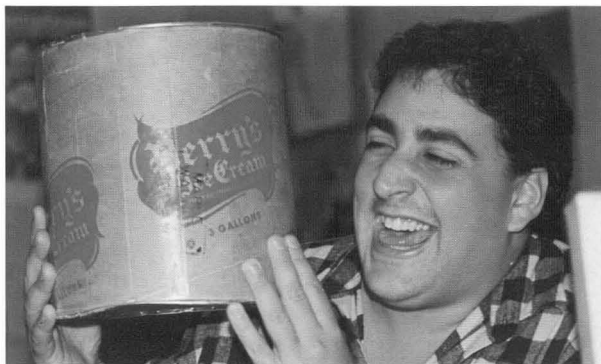

State of Mind

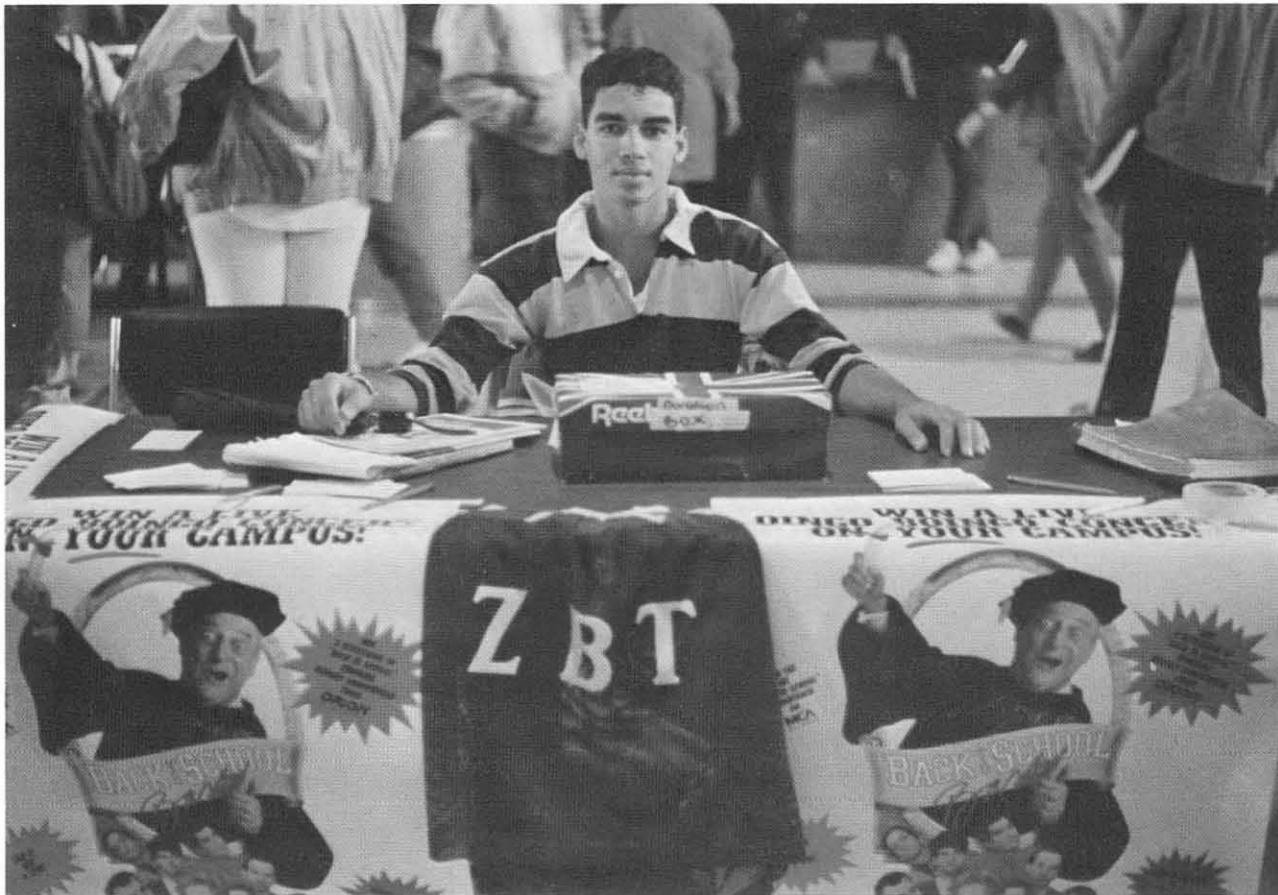

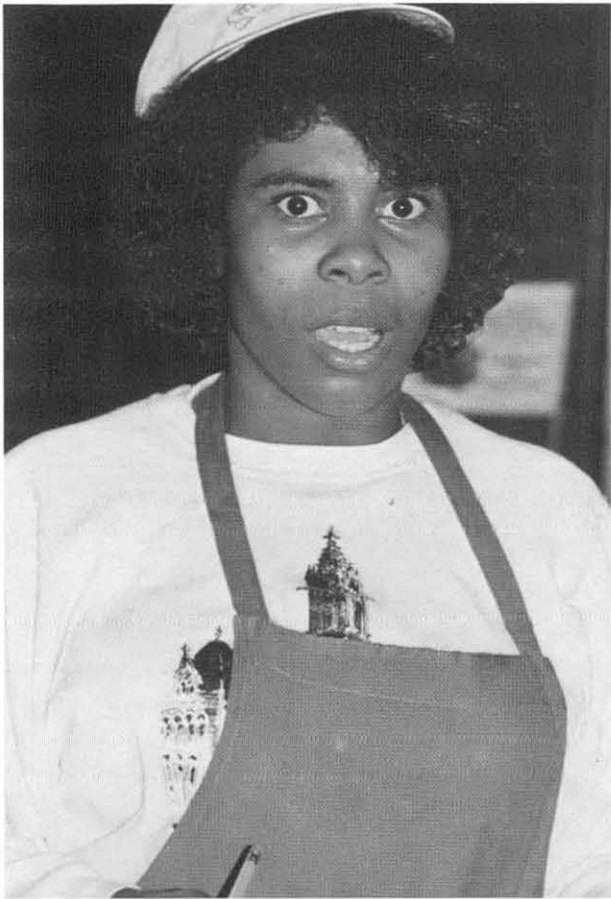

Student Union

Where it all happens on Buffalo State Campus. Aside from being a headache during Bengal Pause, the Union provides a place for students to meet, promote their organizations, grab something to eat, bowl, play video games or just hang out.

Being the center of activity on campus, the Student Union houses the offices of student organizations such as United Students Government, WBNY and the Elms Yearbook as well as the Student Affairs Office and the Dean of Students.

Besides, where else are you going to go when it rains?

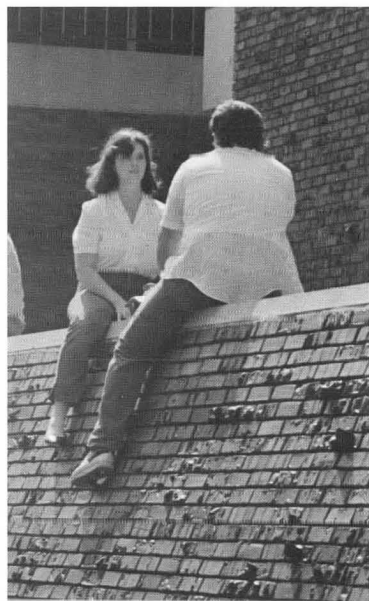

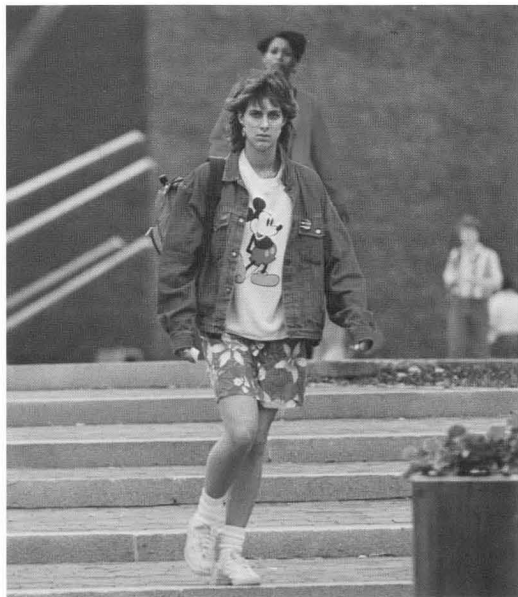

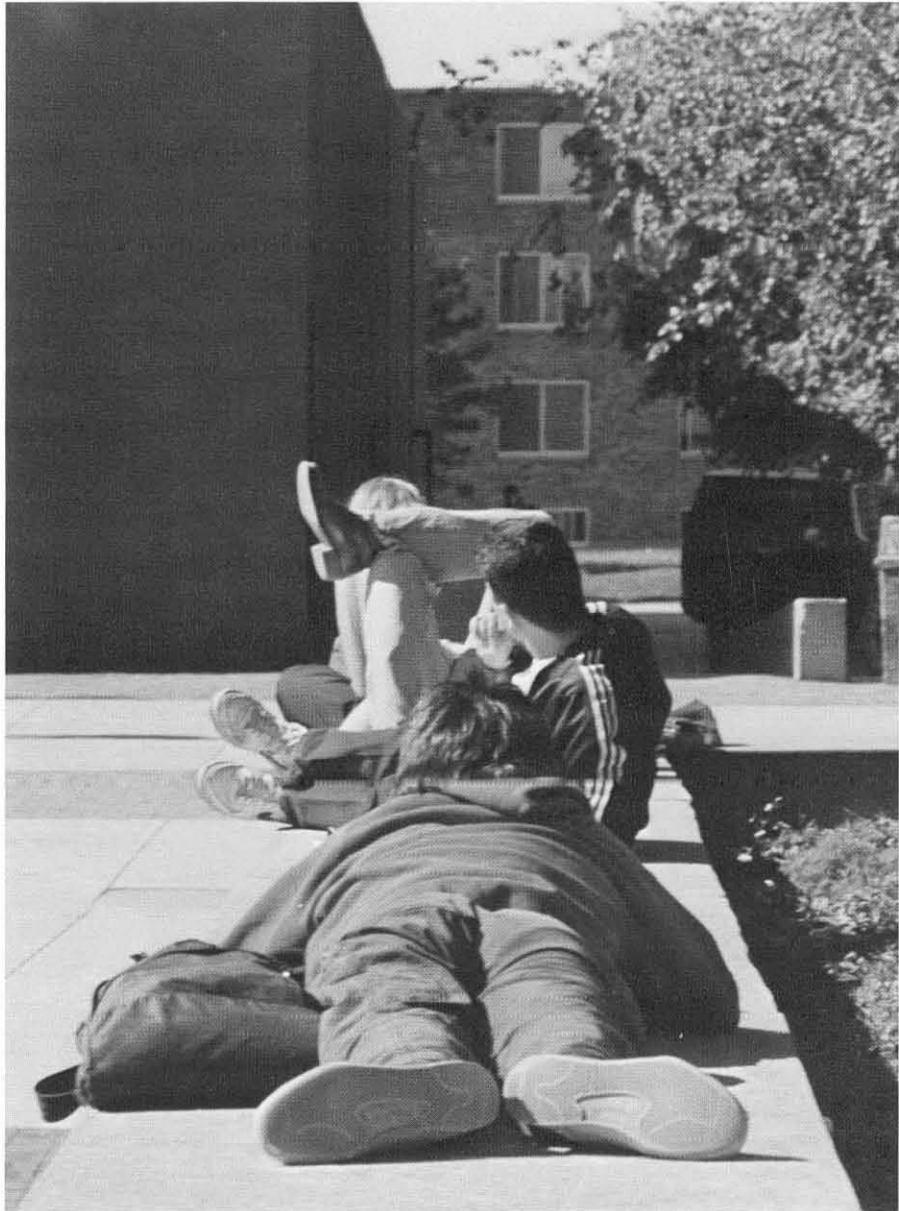

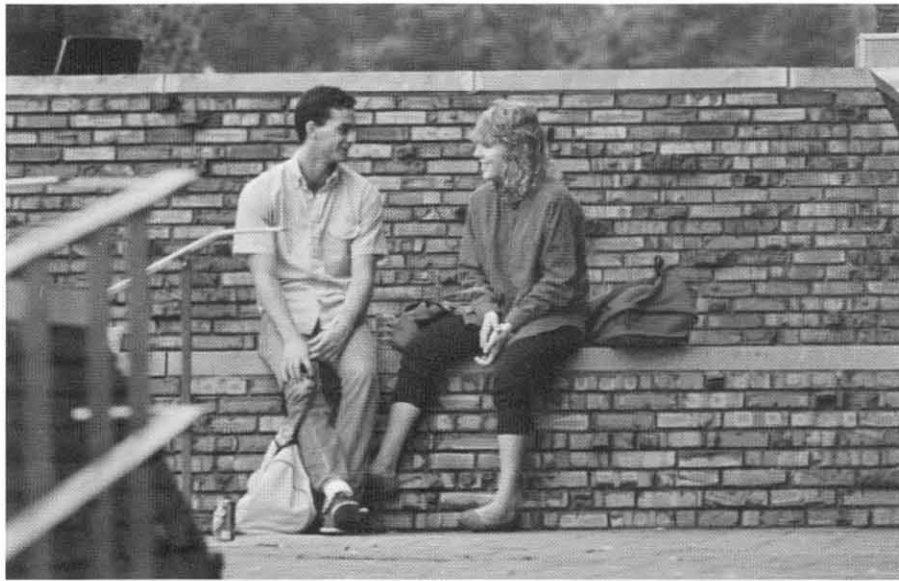

BUFFALO

State of Mind

Hanging Out

For many Buff State students the lapse between classes is not spent in the library as it should be but rather just hanging out. The architectural design of Buff State allows for many hanging out positions as you can see. Although the weather is not always cooperative for this past time when the sun does shine Buff Staters come out in droves to catch a few rays and a seat can always be found. Yes, hanging out at Buff State can almost be considered a sport, but will it be funded by U.S.G.??

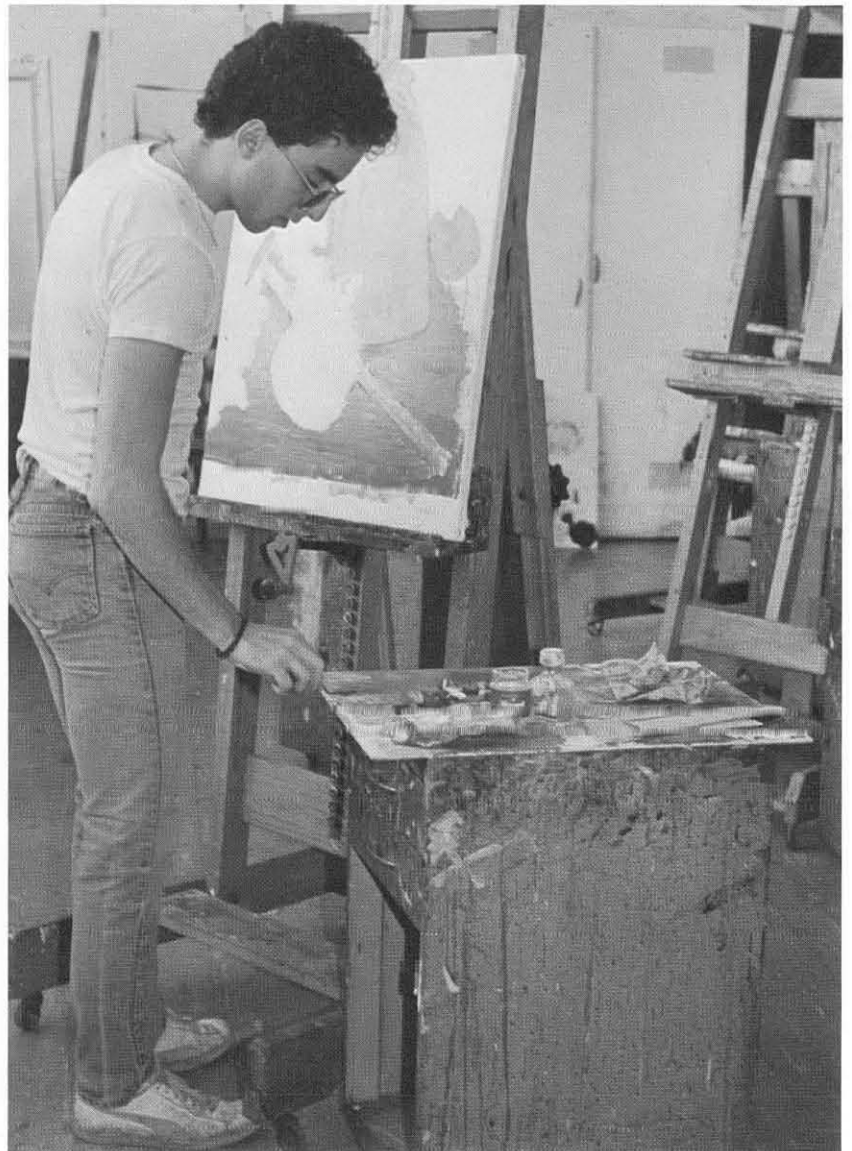

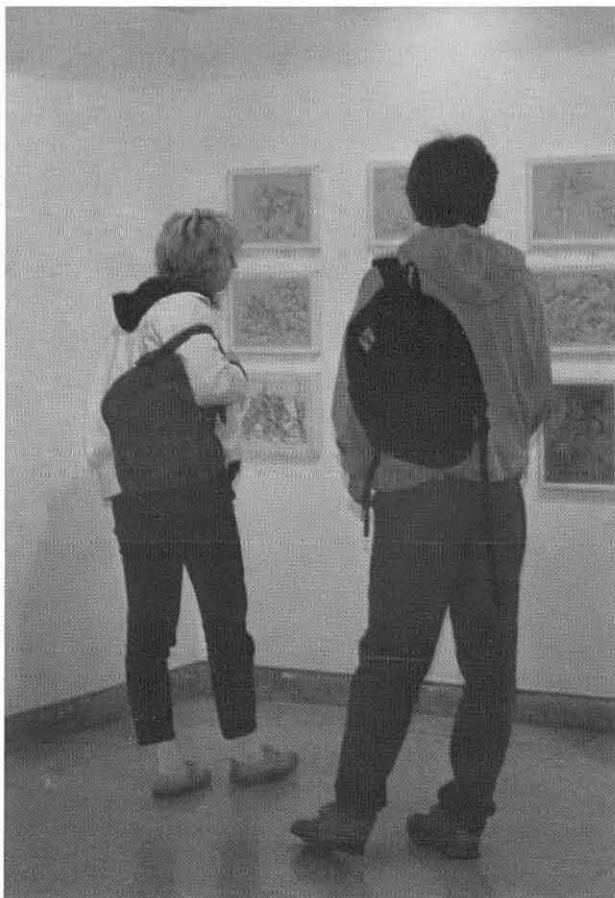

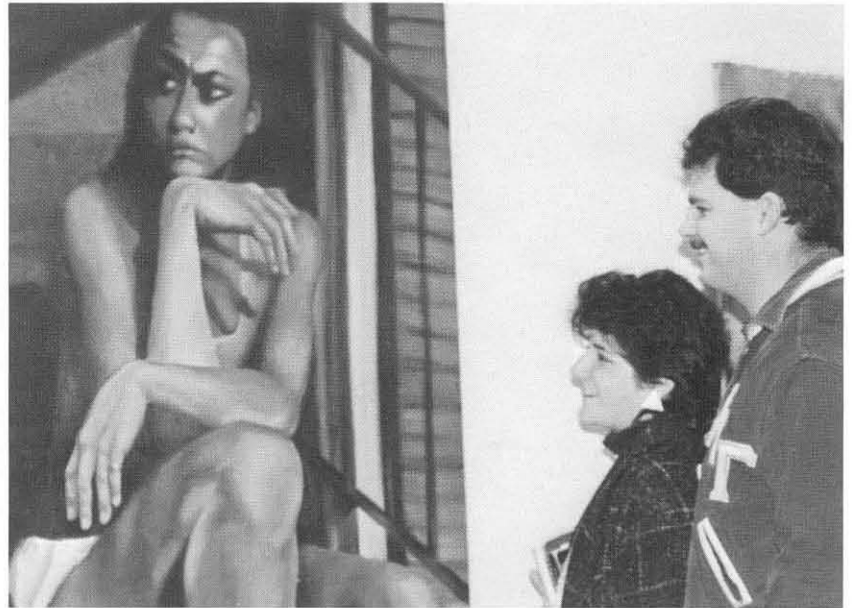

BUFFALO

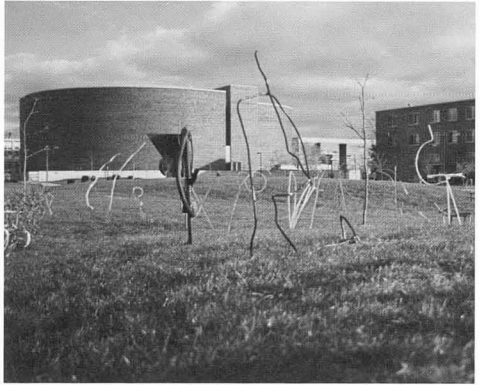

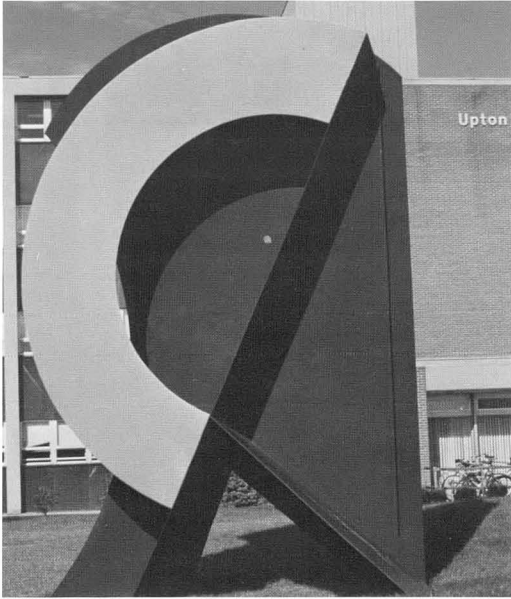

State of Mind

Upton Hall

Upton Hall is the home of all theatre productions, art studios and the art gallery. At any time of day you can always spot an art student just by their tackle boxes and portfolios walking to and from Upton Hall.

What also makes Upton Hall stand out on campus is the infamous Cock-A-Doodle-Do sculpture, or otherwise known as "what is that thing in front of Upton".

BUFFALO

State of Mind

Dorm Life

Those sleepless nights caused by firedrills or the guy next door who likes Ozzy Osbourne at four in the morning.

Laundry night when there is not an open dryer to be found.

The endless ringing of the hall phone.

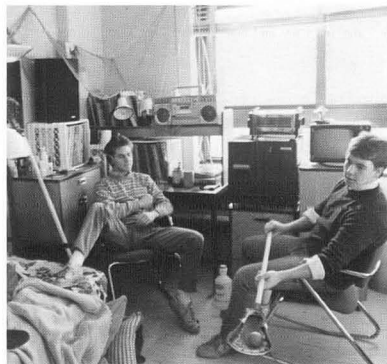

Waking up at five minutes to eight for your eight o'clock class and still getting there on time.

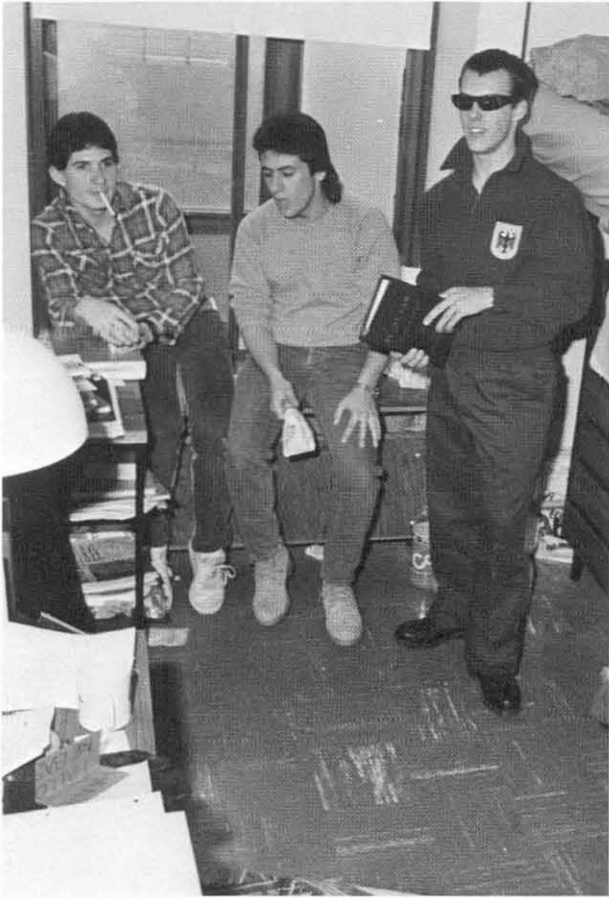

The strange magnetic pull to the munchie machine at two A.M.

Always being able to find someone to visit rather than studying for your exam.

The last minute Bite run before Letterman.

Yes, dorm life has its ups and downs but for many it's a way of life.

BUFFALO

State of Mind

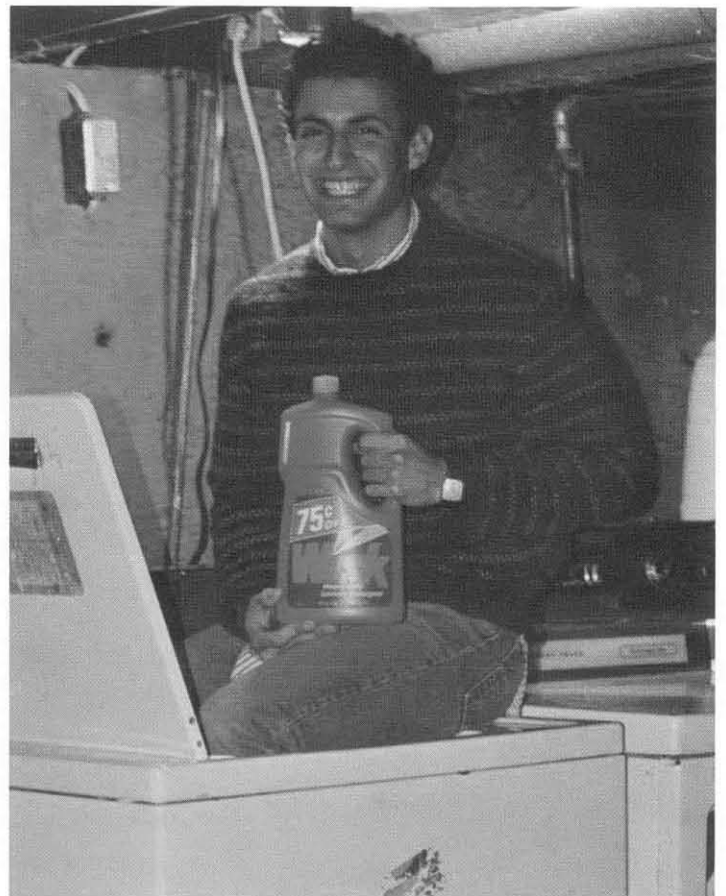

Off Campus

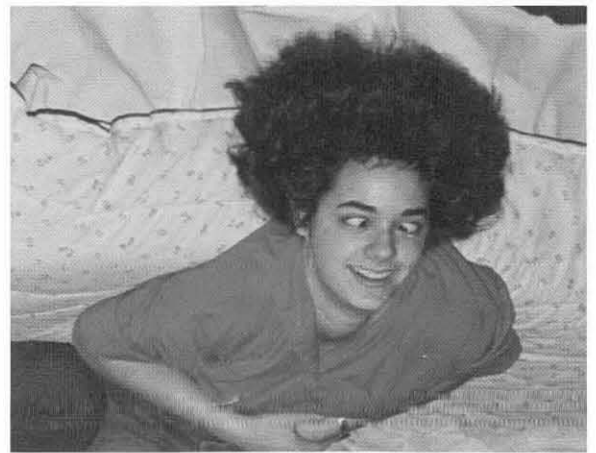

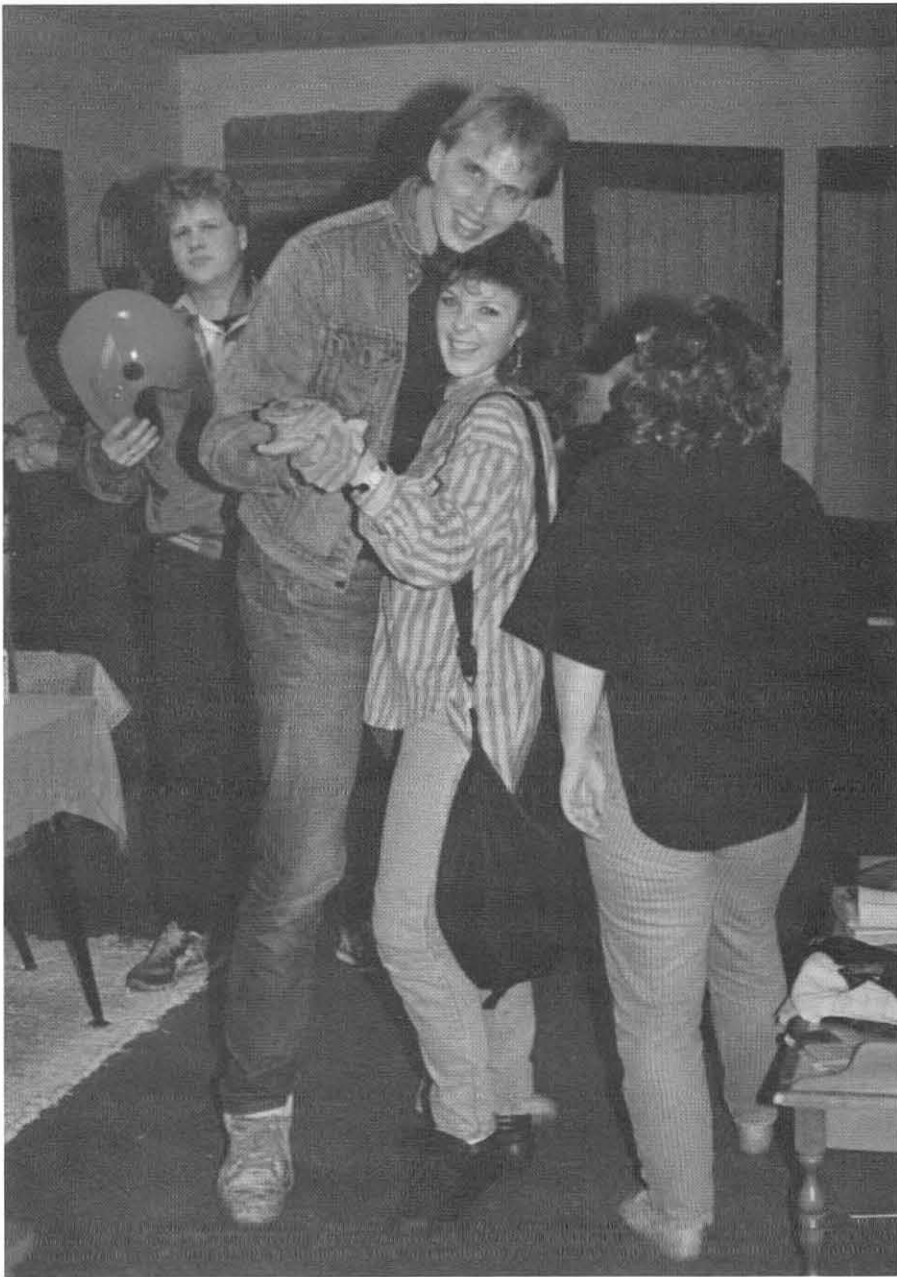

Living

Although most students attending Buffalo State are commuters, a good portion live off campus. Tired of the rigors of dorm life they turn to the residential area surrounding campus to call home.

Off campus living is not hassle free. Rent has to be paid each month, the heat is not free, walking from Elmwood does not allow for that last minute sprint to class and no one cleans your bathroom for you.

However, for most students living off campus the good outweighs the bad. There are no R.A.'s telling you to quiet down, no fire drills at 4:00 A.M. and you do not have to be 21 to drink in your living room.

BUFFALO

State of Mind

Bar Scene

Partying at Buff State is a natural occurrence. Here is an agenda of a typical Buff Staters week.

Sunday: No Names (946)

Monday: Homework???

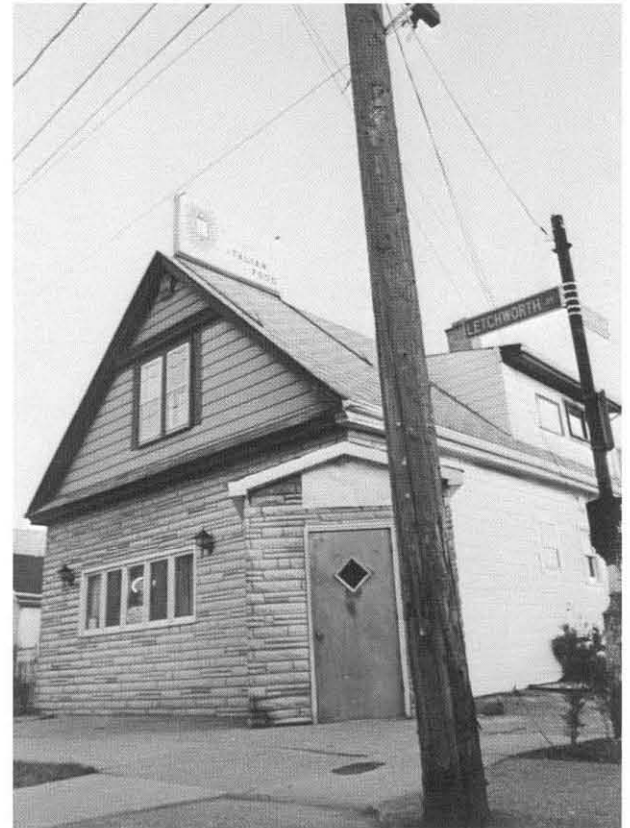

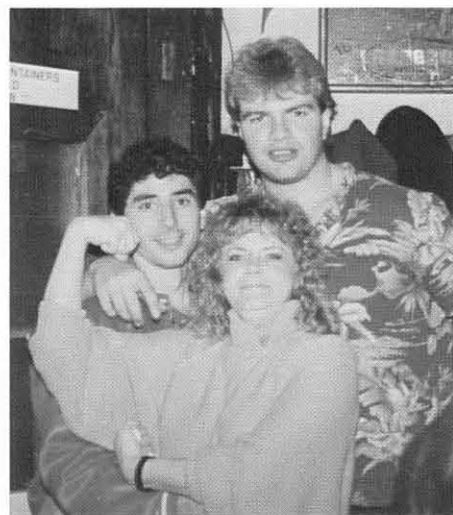

Tuesday: Twenty-five cent drafts at Goodbars

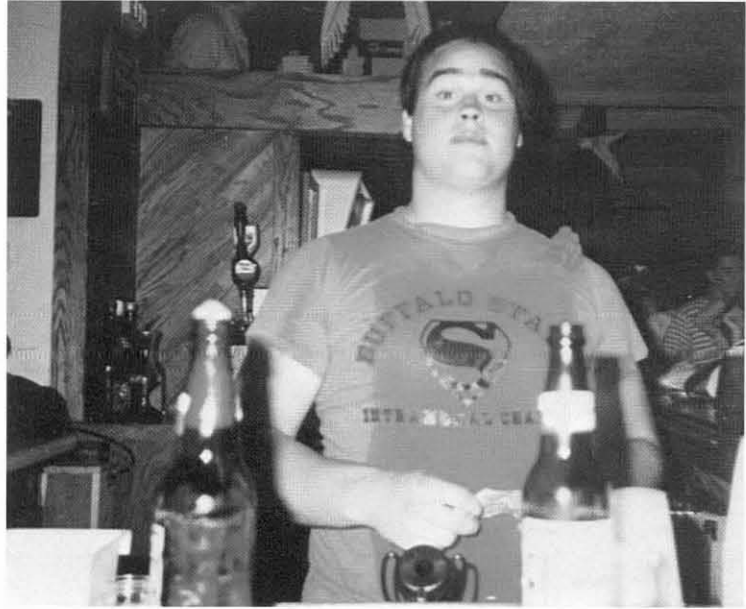

Wednesday: \$2.50 pitchers at The Inn-Between

Thursday: Ladies Night at Regan's

Friday: Happy Hour at Caseys

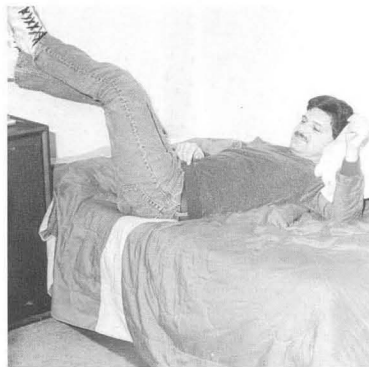

Saturday: Bound to be a party at Mastheads

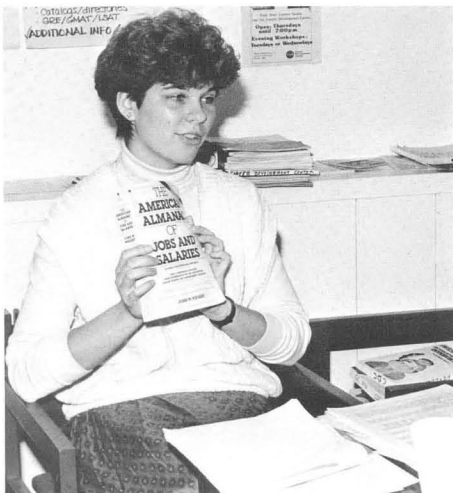

CAMPUS LIFE

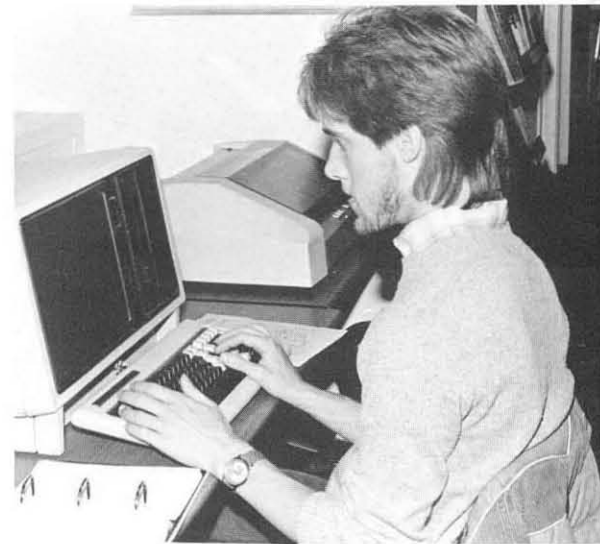

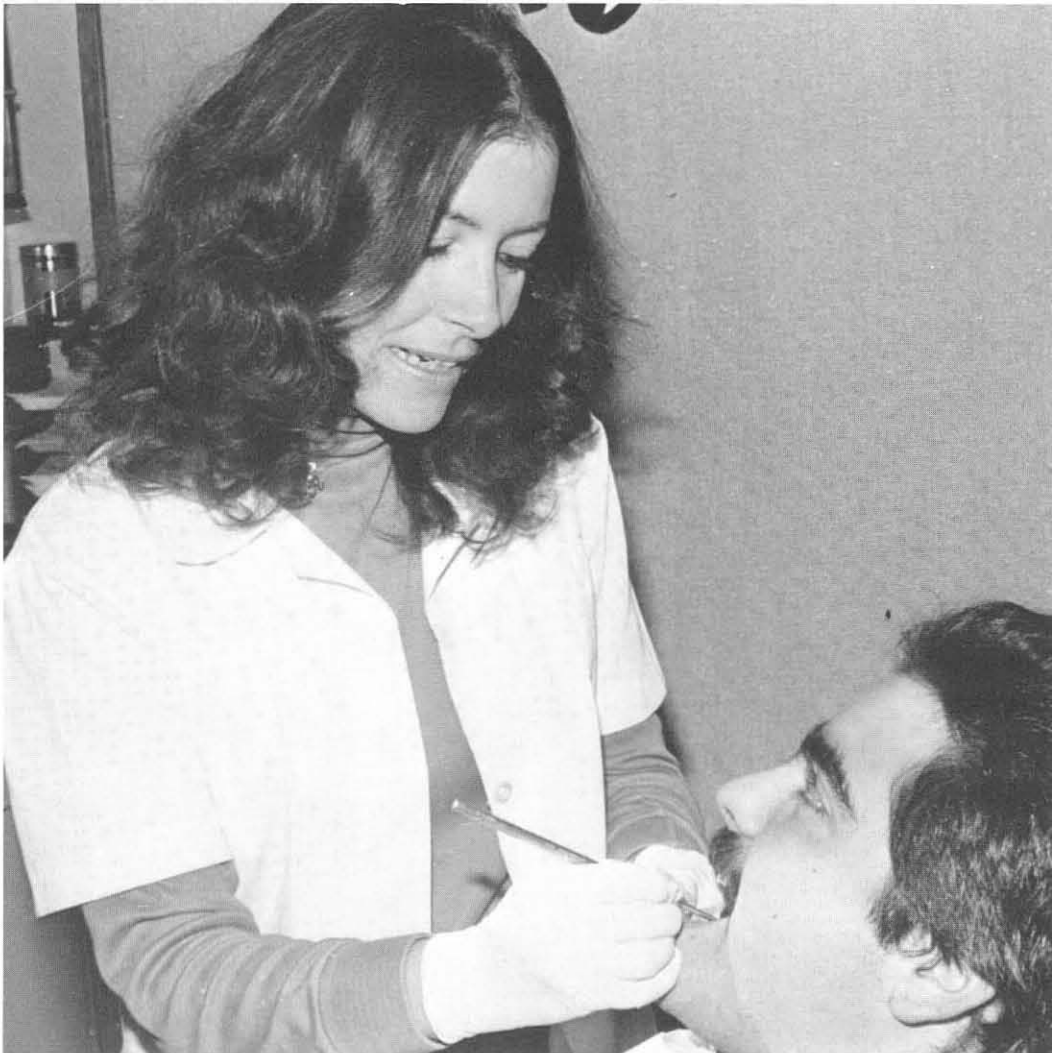

BELOW: Worried about your career? Need help with resumes? Have no fear Buff State's Career Counseling has all the answers. **BOTTOM:** Our Day Care Center enables many students to attend classes knowing that their children are safe and well taken care of. **RIGHT:** Buff State Sexuality Center is one of the best of all SUNY schools. Caring and understanding professionals and volunteers are always there whether it is a health concern or just in need for someone to talk to.

Special services

Buffalo State is definitely one school that cares. Whether you live on campus or commute every day, if you have a problem the solution can be found among Buffalo State's various special service organizations. From health concerns to computer projects, Buff State can help.

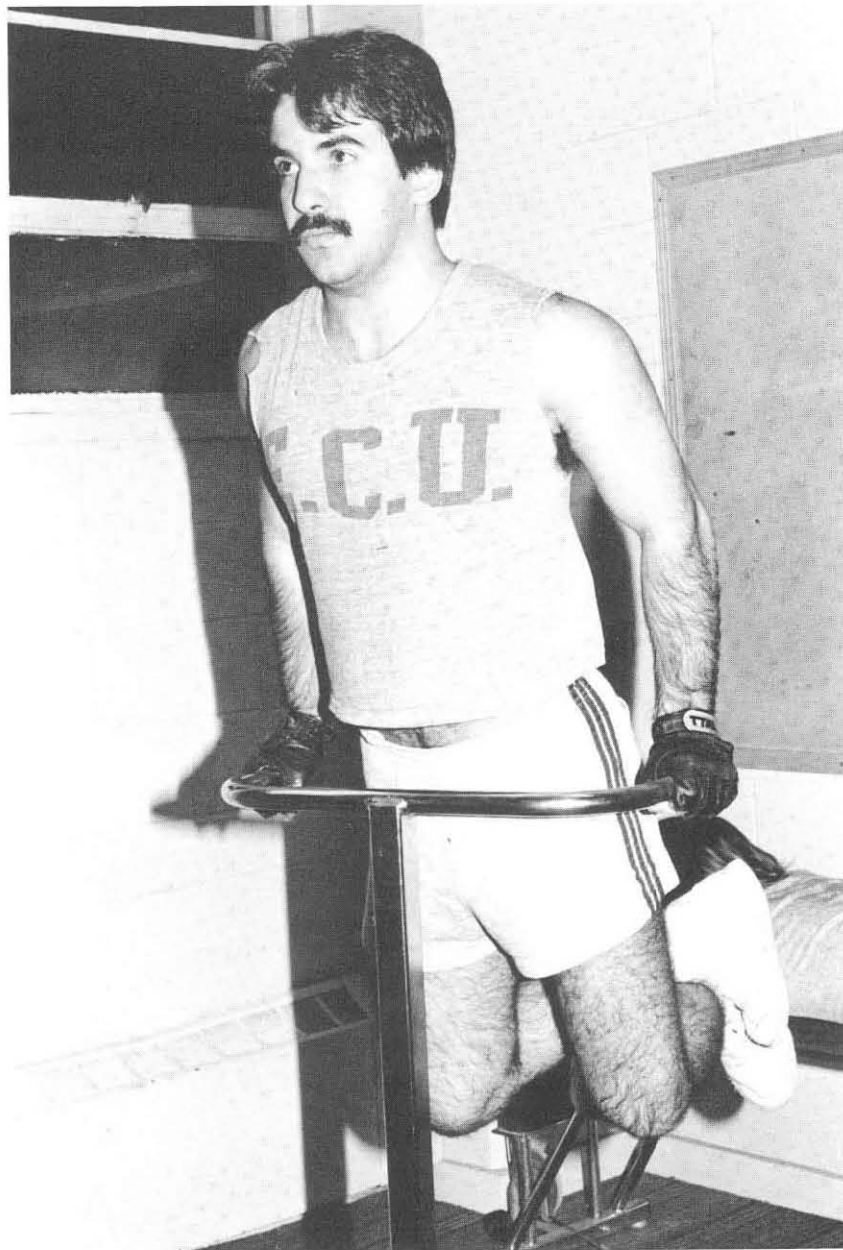

ABOVE LEFT: Buff State Ambulance Corp. at its finest. **LEFT:** The Dental Clinic offers emergency relief and cleanings at a low cost that can fit almost every student's pocket. **ABOVE:** Buff State has four computer rooms open to students at any time of the day. Qualified people are always there to help.

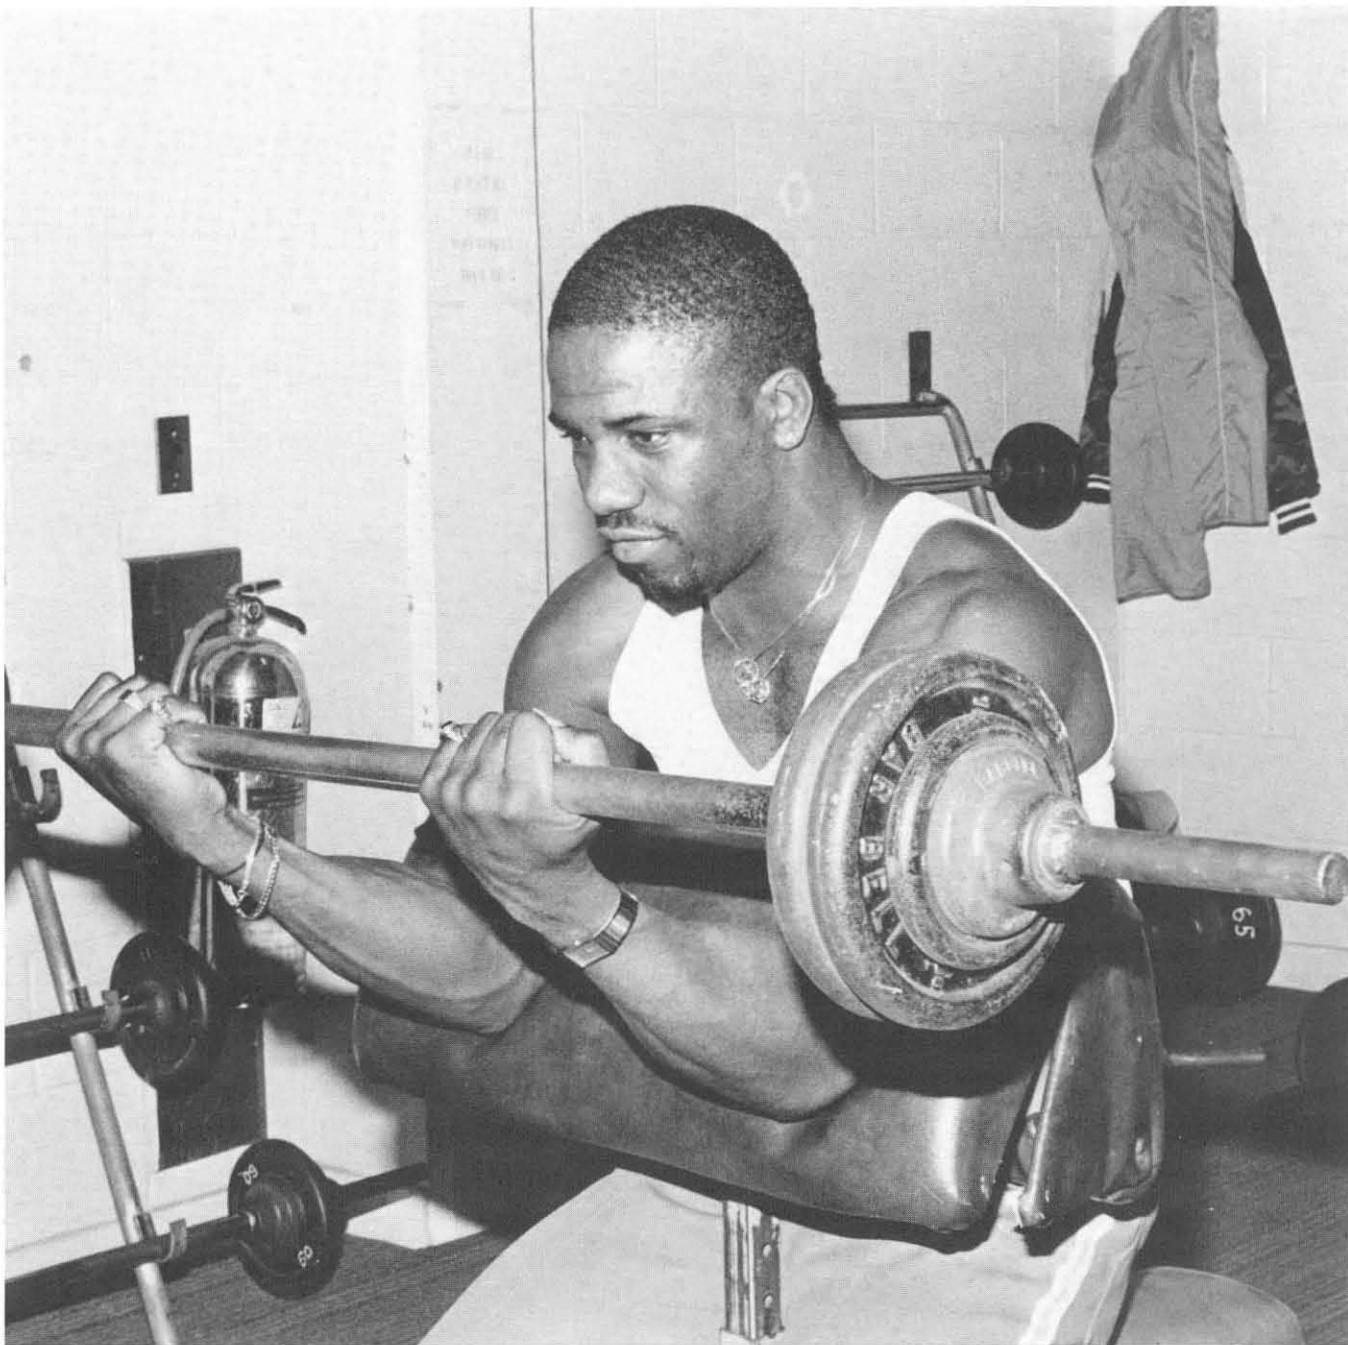

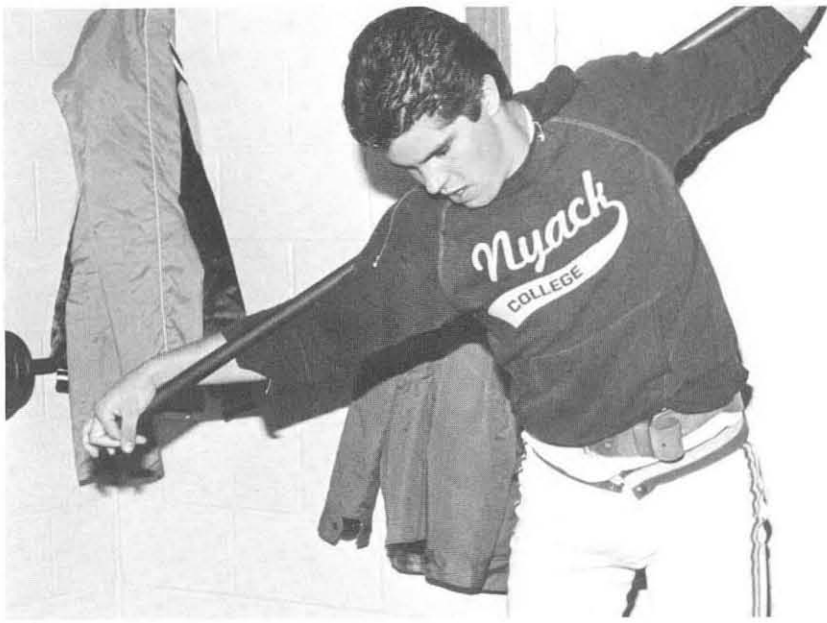

Working out

Those ugly pounds (you know the ones that creep up on you when you are not looking) never seem to bother Buff Staters. Keeping fit and working out is just about a part of everyone's life here at Buff State. And considering many of our students' diets are centered around the Bite's chicken wings and ordering pizza at 3:00, working out is more of a necessity than recreation.

Our gym's weight room is open seven days a week and free to all Buff State students. Along with two universals, there are free weights and exercise cycles. King's Gym is a private weight club located in Tower Three. For a small membership fee you can avoid the long lines and work out at your own pace. Although it is mostly all male, membership is open to both sexes and girls are encouraged to join.

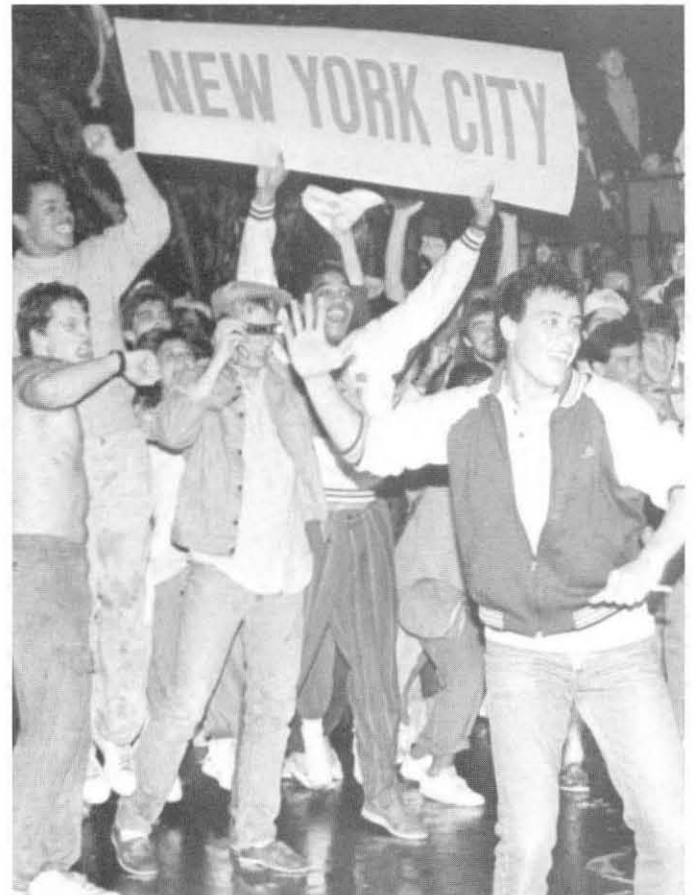

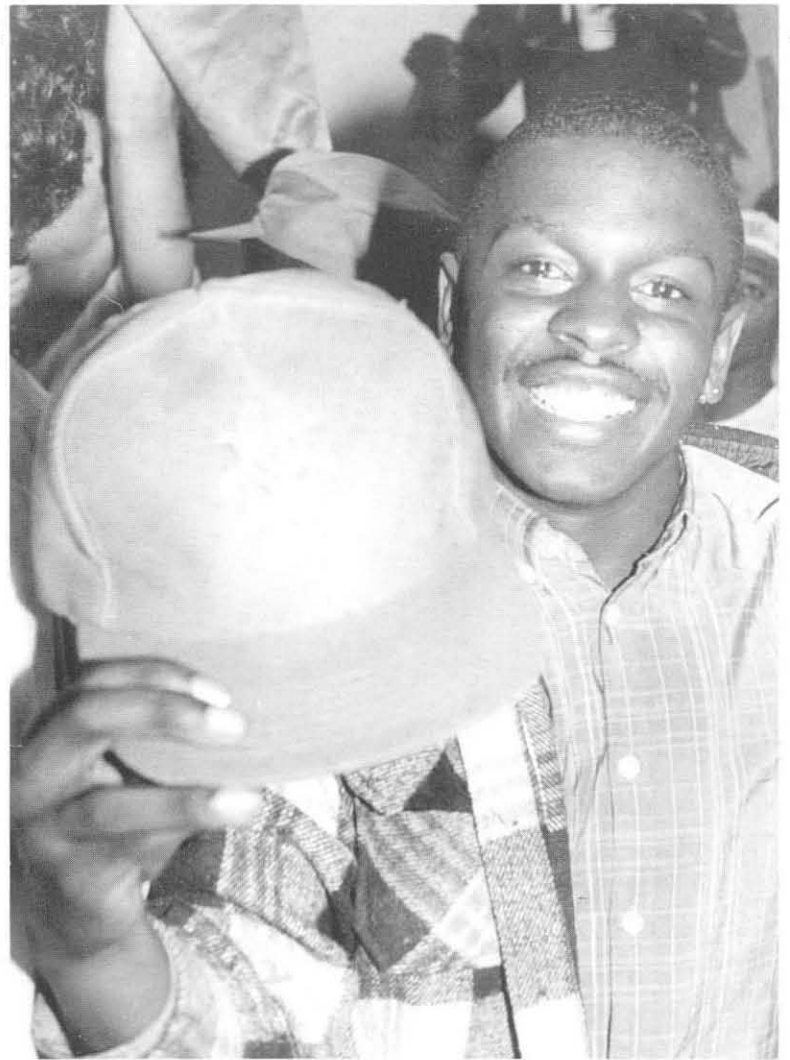

Aerobics is offered just about every day of the week and is free to all Buff State students. Energetic student instructors definitely give a tough workout and the classes are always filled.

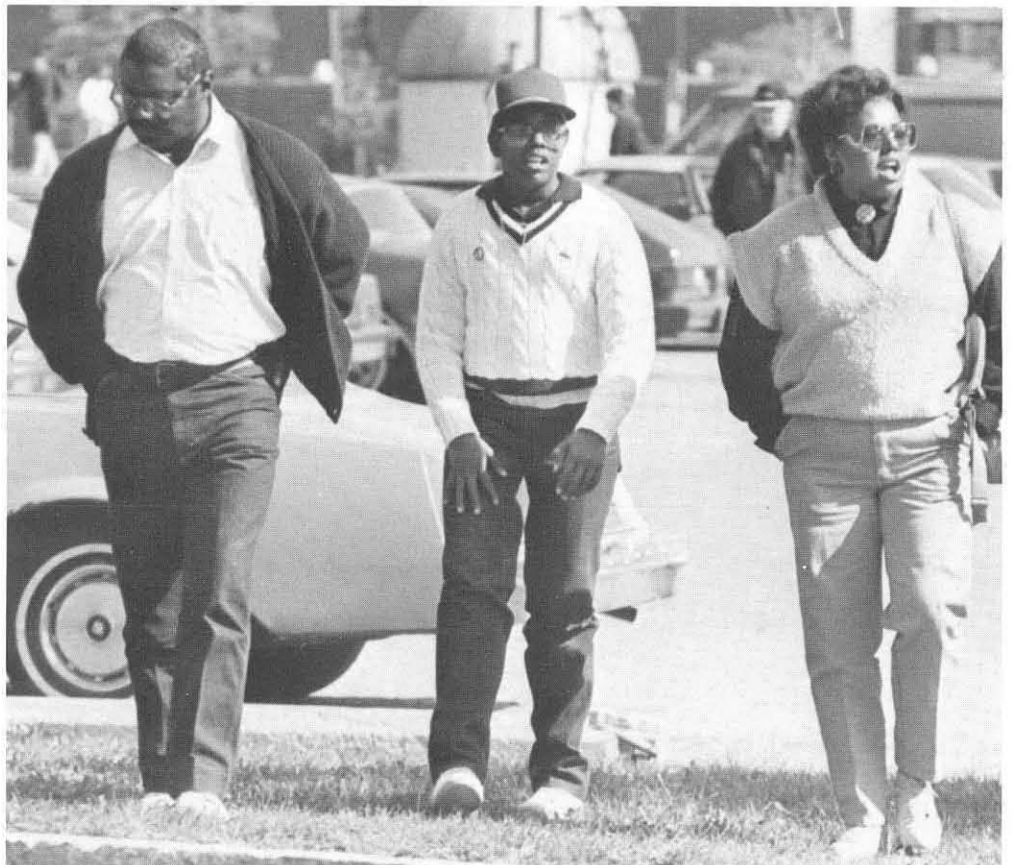

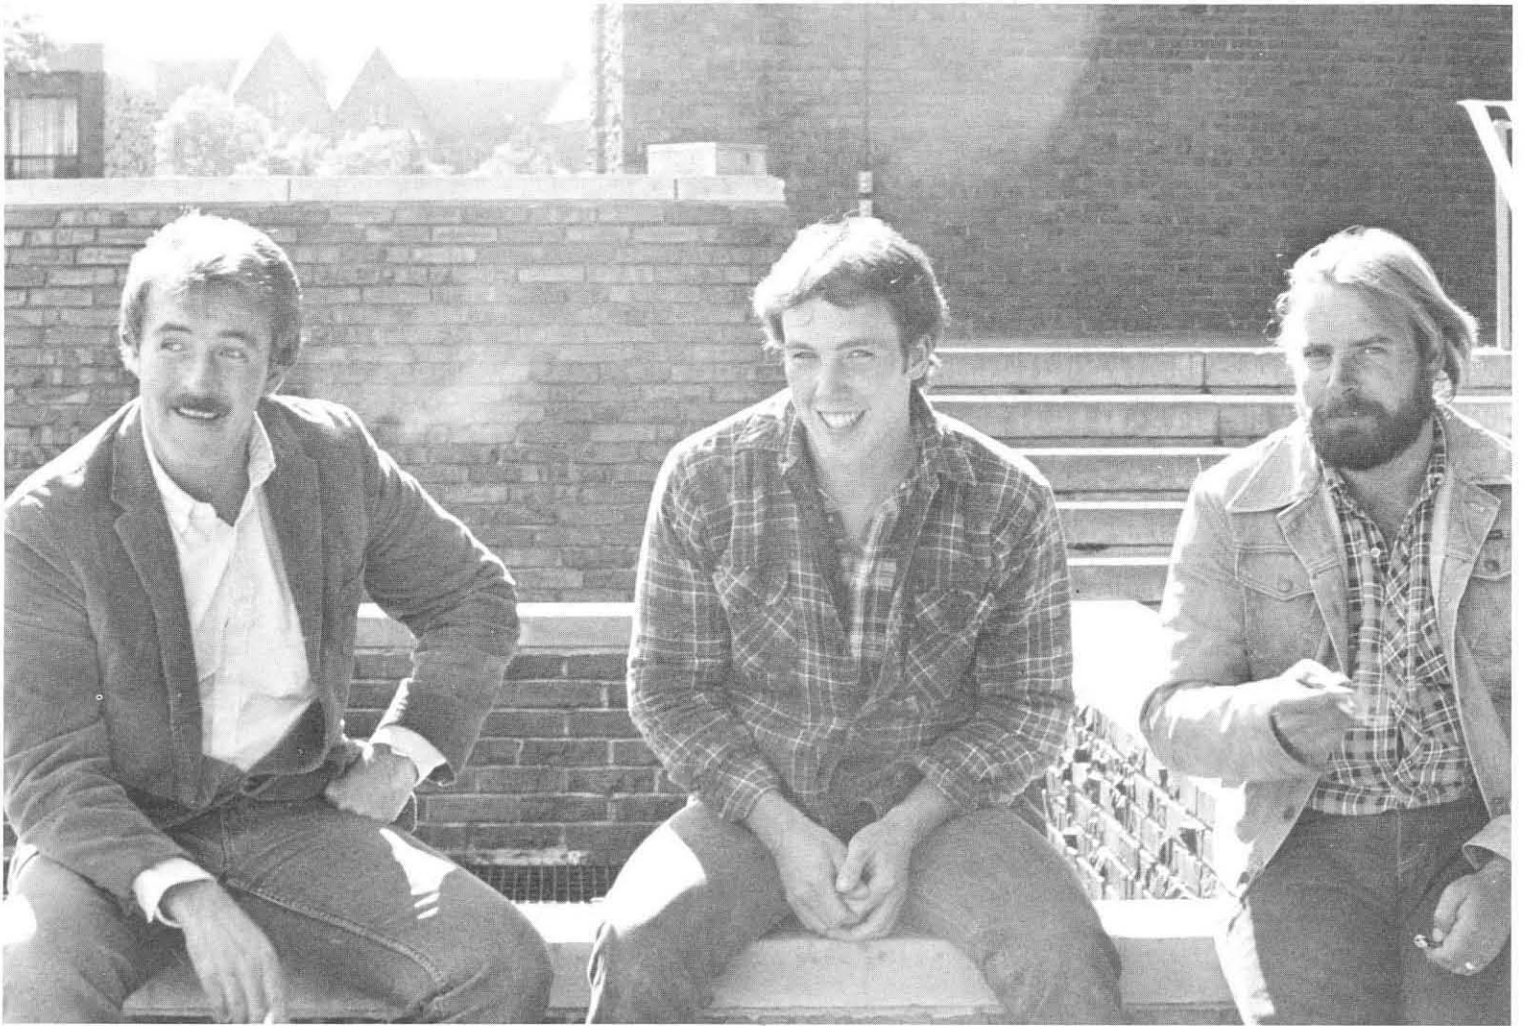

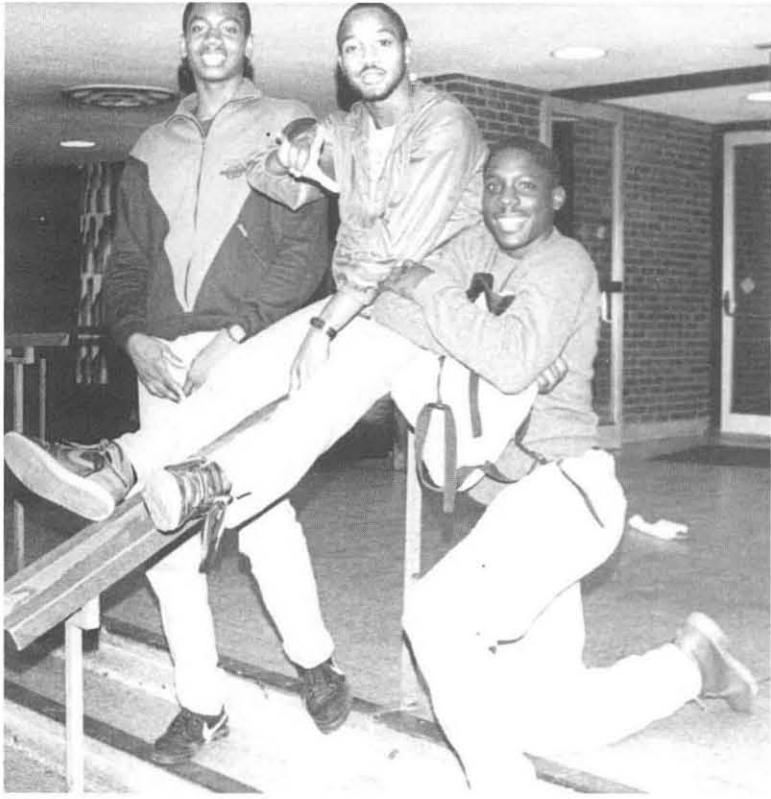

The Mets

Was it New York's year? Buff Staters thought so and on October 26, 1986 when Orasco threw that last pitch there was no doubt that they were right. Campus went wild; cheering and screaming could be heard all over campus from Moore Complex to the bells of Rockwell Hall. Out of the dorms came pouring N.Y. fans to celebrate for their Mets.

Three's a crowd

If two's company and three's a crowd, then Buff State campus certainly does get crowded.

Everywhere you go on campus friends can be found together. You don't see one good buddy or friend, but groups of people clustered in every imaginable place. Whether it's walking through campus or just getting something to eat, friends and crowds are a part of every Buff Stater's life.

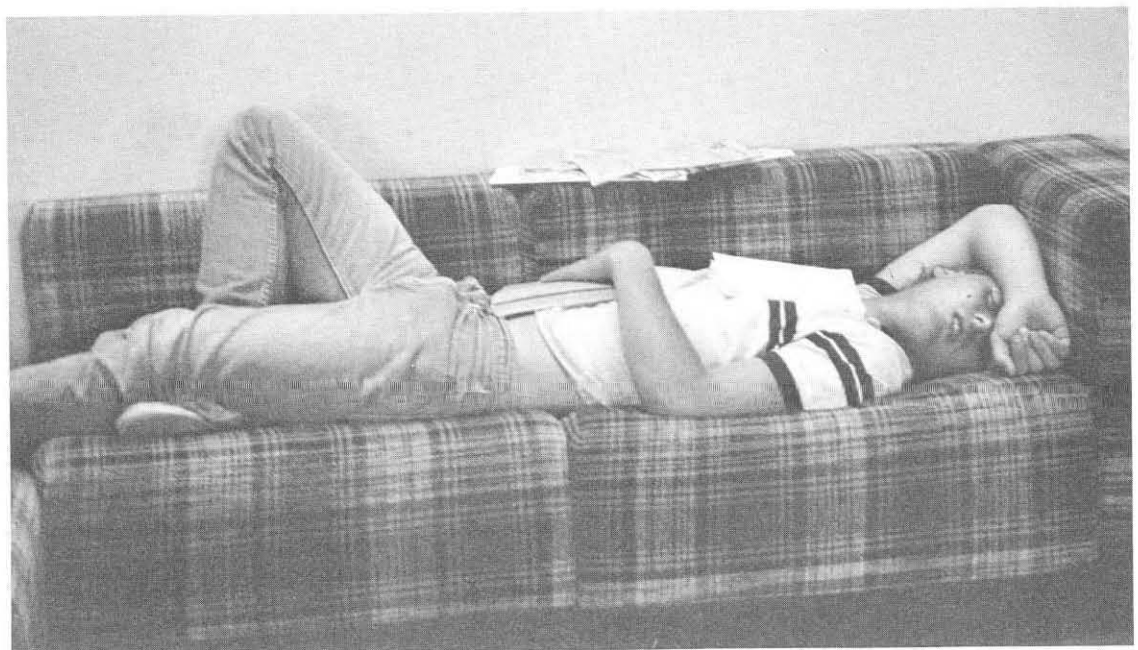

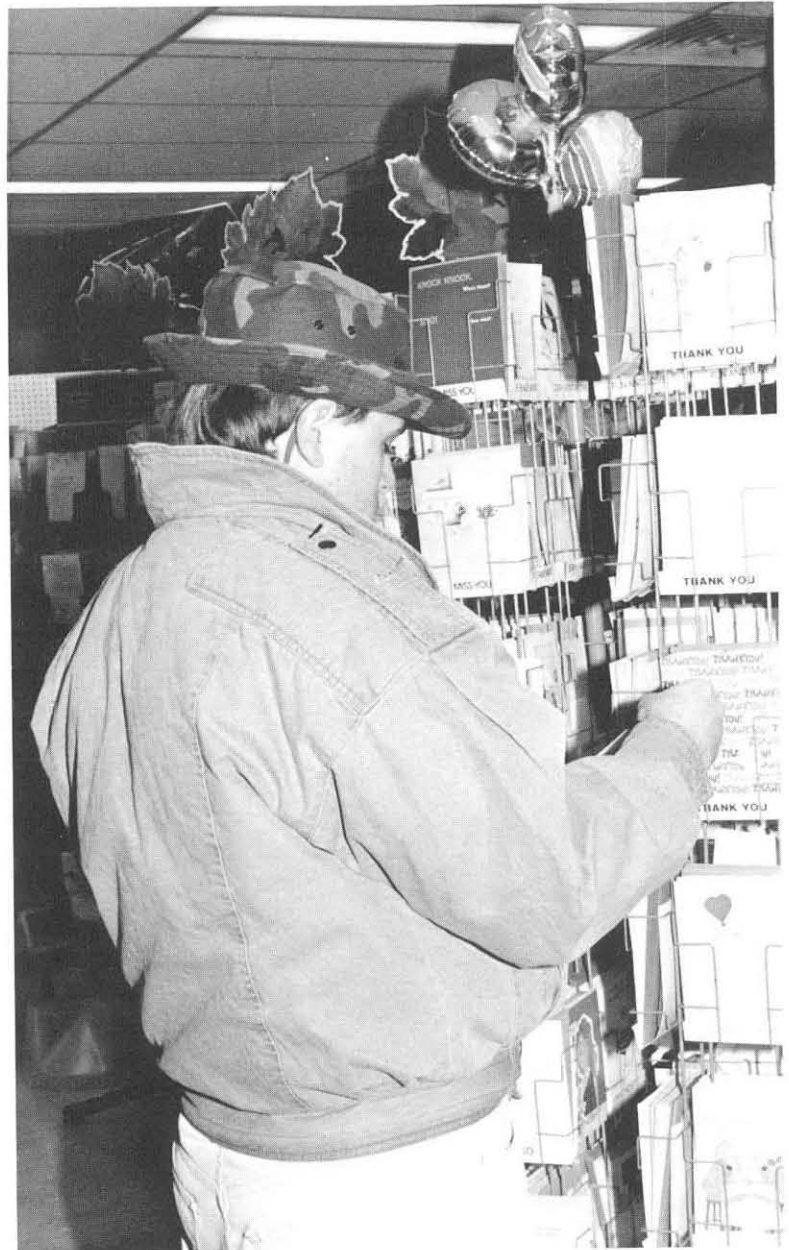

S tudent union

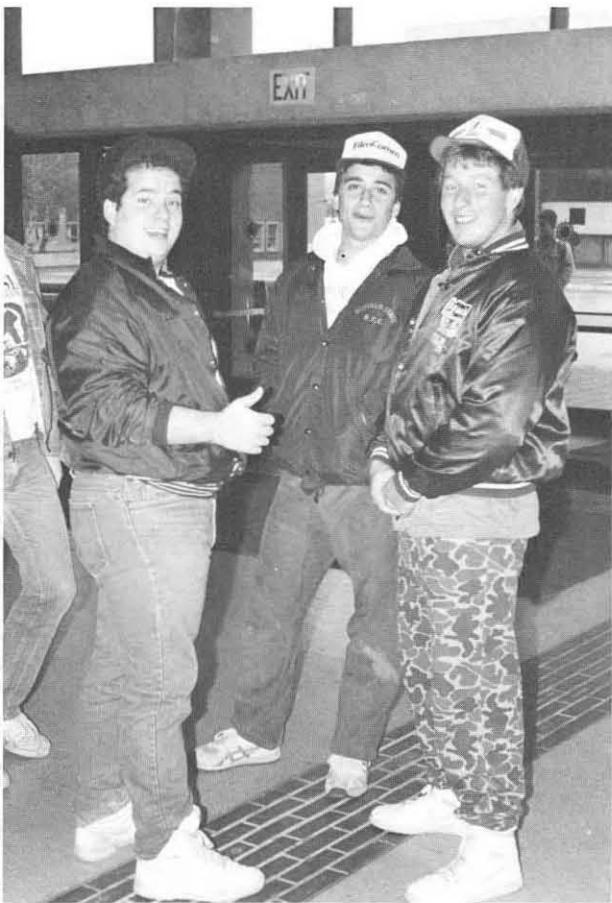

The Student Union is the home of a variety of campus traditions. From the cafeteria to the bookstore to organizations selling their wares, there is always something to do or see in the Union.

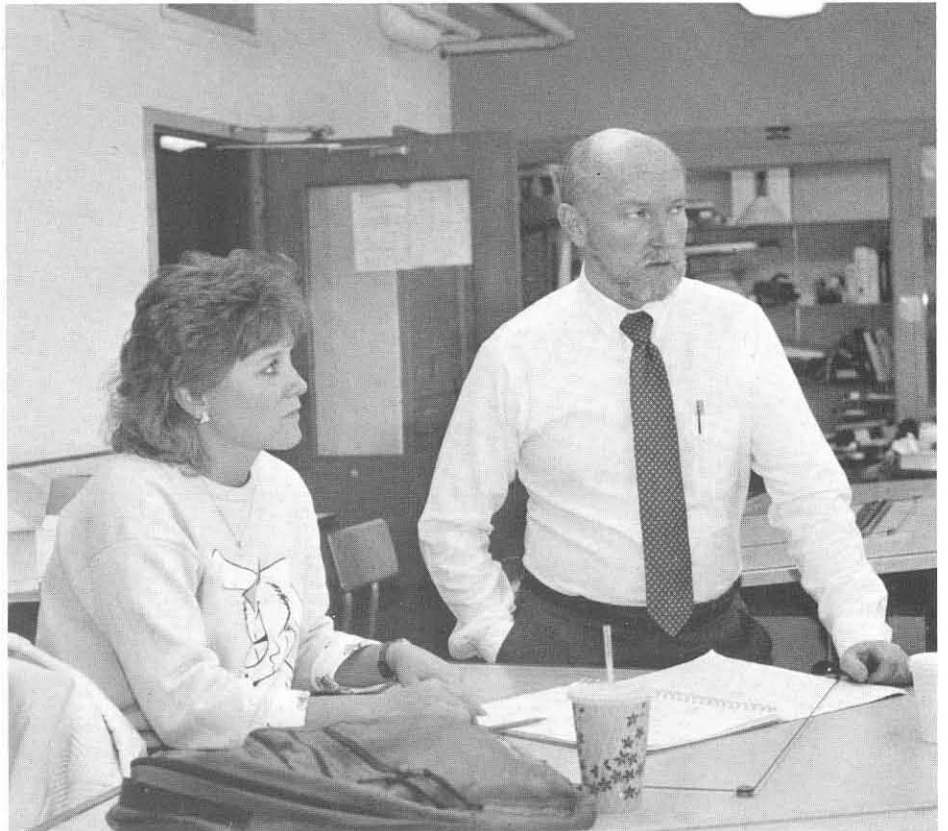

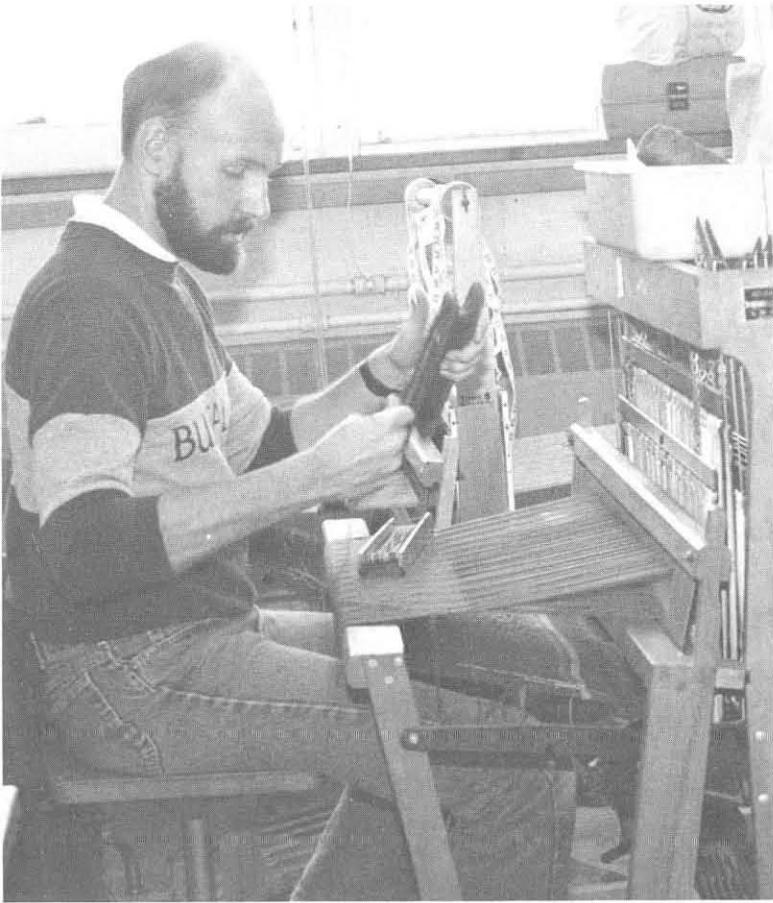

A break between classes can be filled eating in the Health Food Center or browsing in the bookstore. A number of recreational games can be found in the gameroom that is equipped with bowling facilities along with the pool room.

The Fireside Lounge is a place for commuters to study, meet, sleep and fill the lapse between classes. Commuter Council provides free coffee and their latest endeavor, Sanity Sessions.

Whether you want to meet friends, eat, or just hang out, the Student Union has it all.

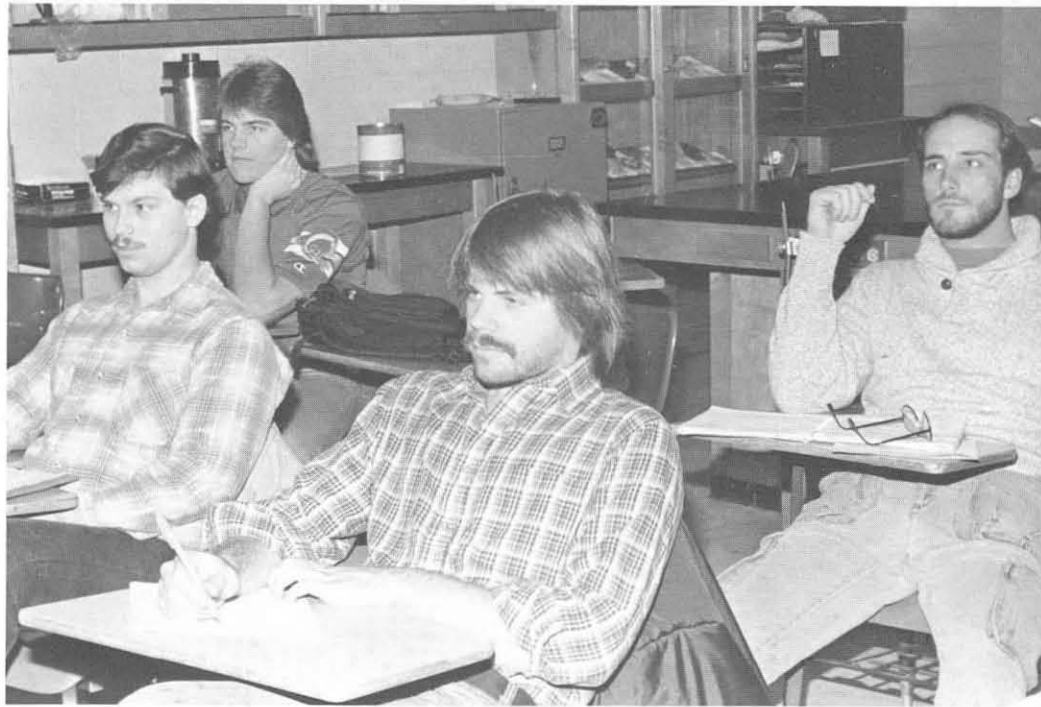

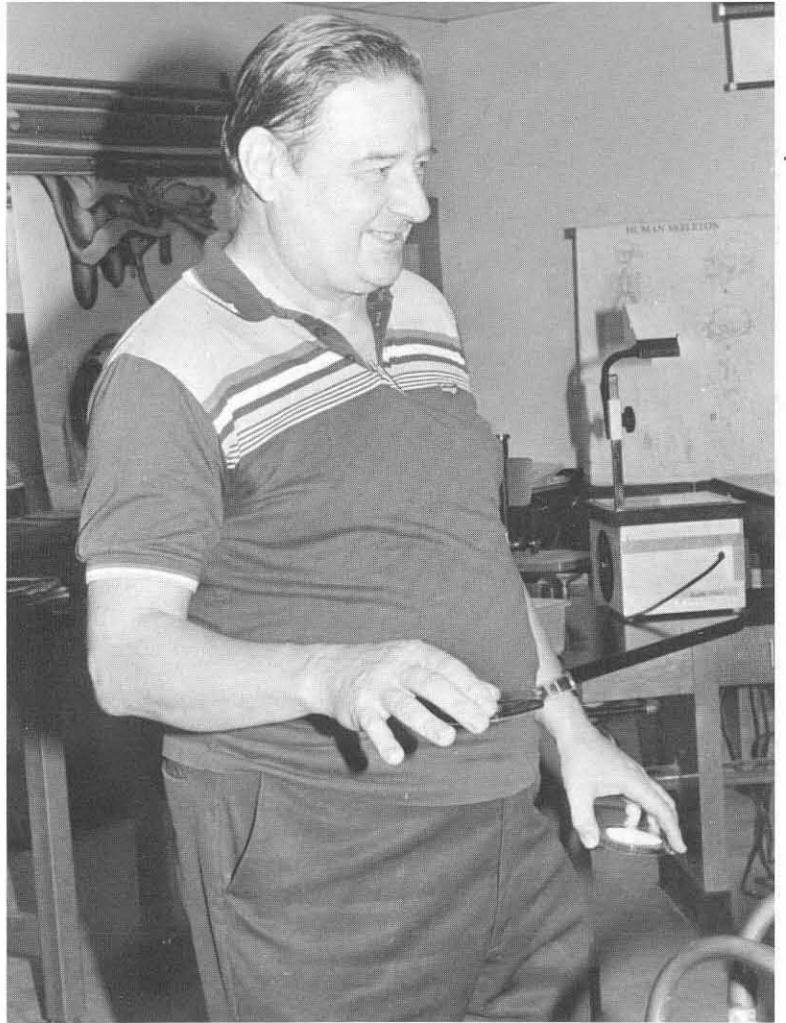

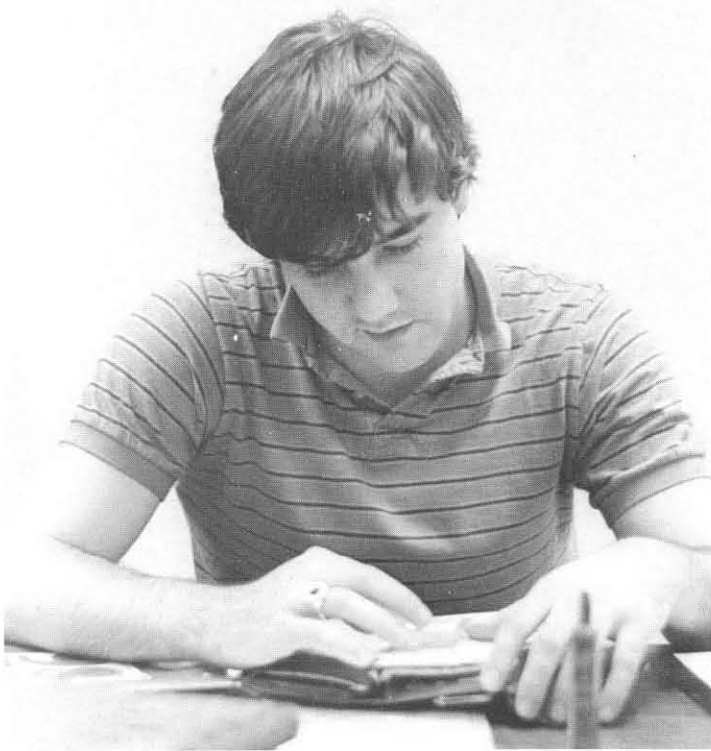

Faculty and staff

College can be both the best and the worst time of your life. Freedom and partying are great but tests and term papers are not. "What do these professors expect?" is a constant cry often heard at BSC. Could the reason for this be the fact that most of the faculty gets to know their students and what they could do with a little effort? The ratio at Buff State is only 23 to 1, one of the lowest of all SUNY schools.

Our faculty cares and is concerned about the students' futures. Many internships and professional practices are available for any student who wants them.

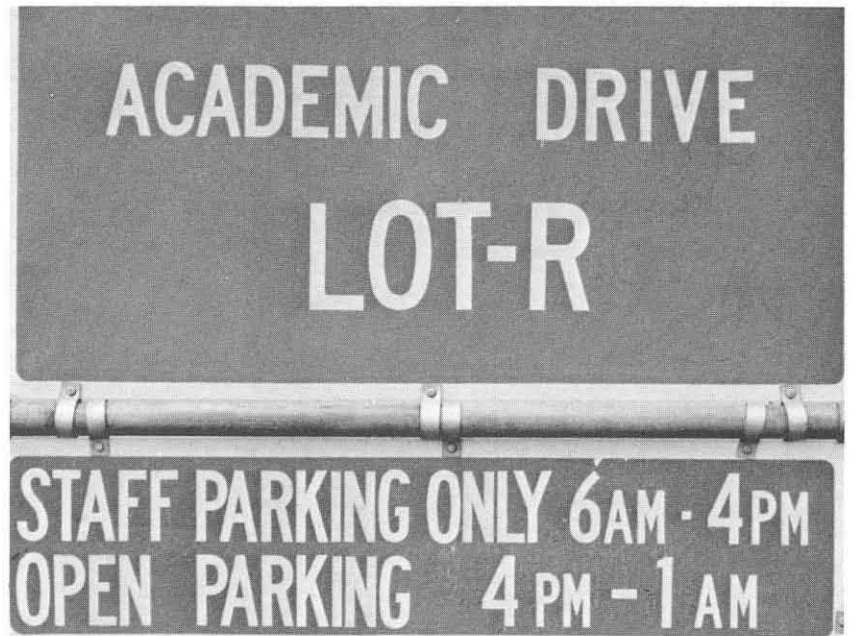

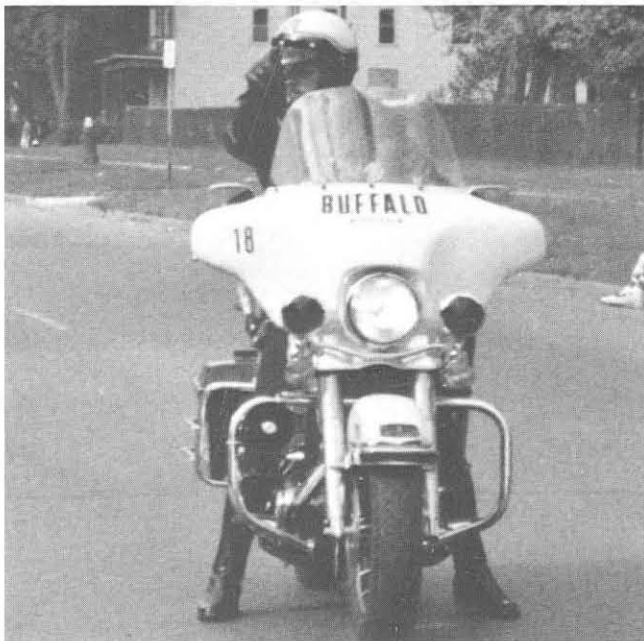

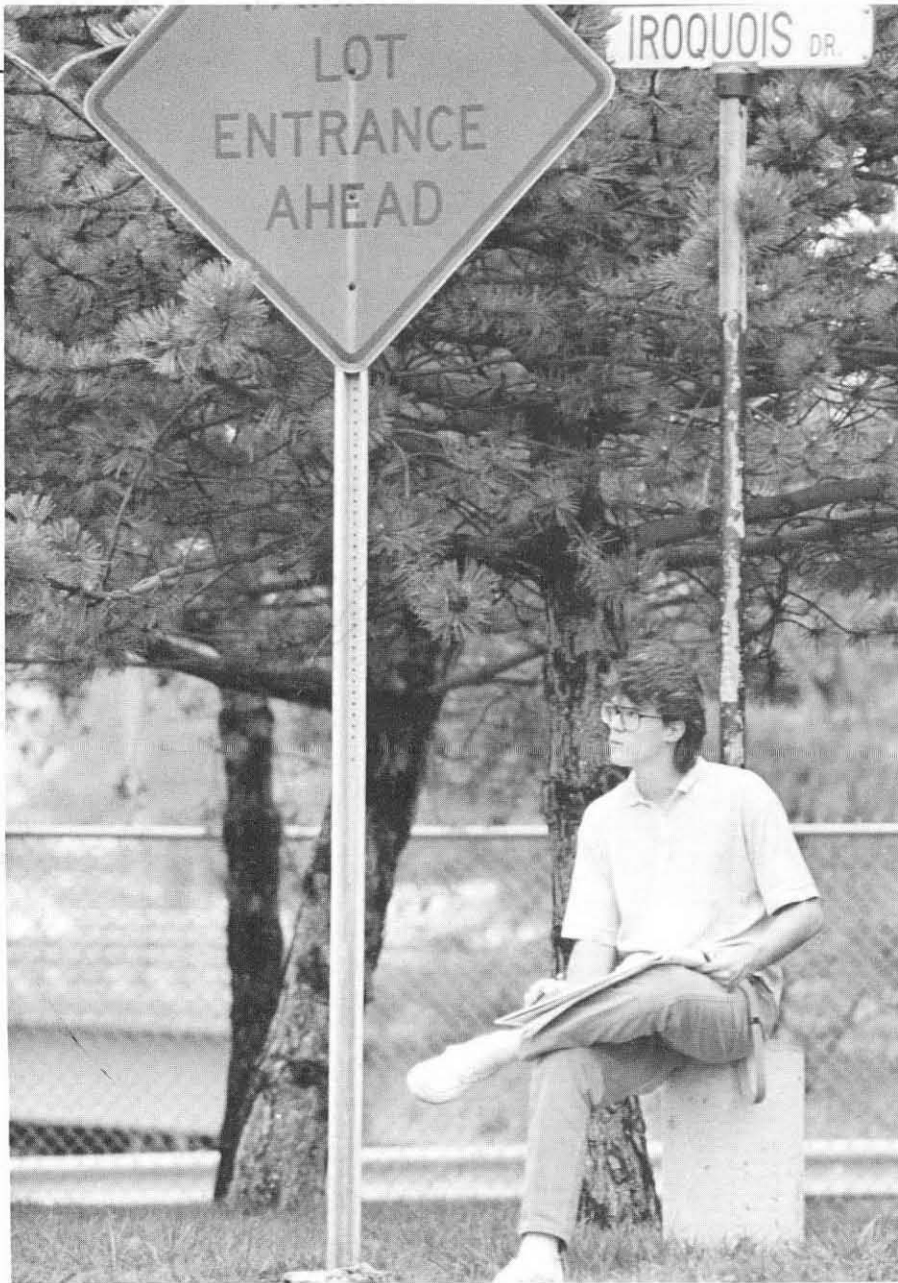

Parking

A typical morning on Buffalo State campus is not spent sipping coffee in the Union or quietly studying in the library or even arriving five minutes before class. For most students, it's spent driving around campus, parking in the Gym lot praying that someone will move their car or fighting for that last spot on Rockwell Road. Nothing can match the frustration felt when you approach that spot you saw two rows over and finding someone, who just got there, zip in and give you a smug look.

Yes, Buffalo State is notorious for a lot of things but an abundance of parking spaces is not one of them.

Some efforts have been made to remedy the problem such as the DW3 car pool lot and the additional parking along Rockwell Road. Yet nothing seems to help as we run out of gas and patience cruising around campus, cursing and missing class. Students and faculty alike are feeling the parking pinch as we all dash for that last spot behind the Art Gallery. The alternative? Park illegally and pay the fifteen dollar ticket!

Greeks

Fraternities and Sororities are a big part of Buff State campus. There are over ten on our campus and they all play a very important part in the community and in the school. Since the change in the drinking age from 19 to 21 beer blasts which the greeks were most noted for were a thing of the past (how those memories or lack of memories will last) but the greeks compensated and turned to other ways of raising money. Fund raisers such as raffles, bake sales and blood drives are just a few.

Unity is the Key word among the greeks and Homecoming 86 proved this. The greeks came out in full force to show their stuff. Even after being up all night working on their floats the greeks still had a Buffalo State of Mind and cheered their way through the parade.

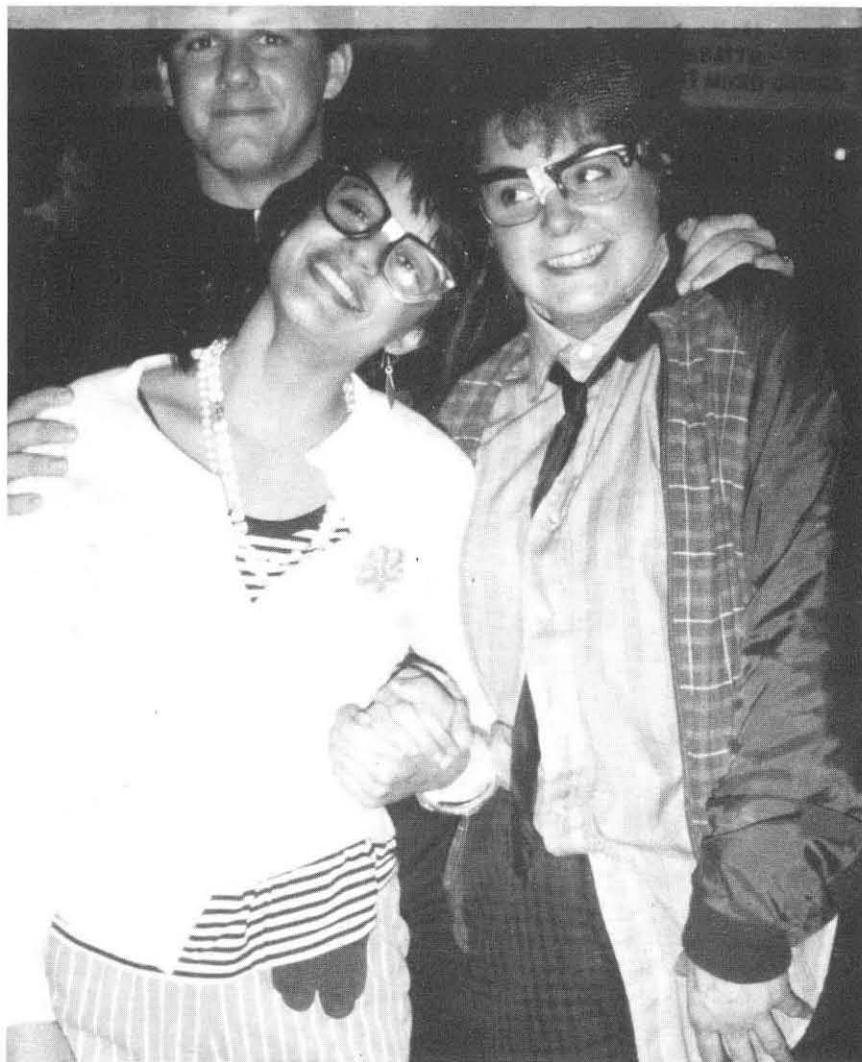

Halloween

Who says Halloween is just for kids? Here at Buff State Halloween is celebrated with as much ardor as any elementary school.

Witches, ghosts and nerds all came out on that erie Friday night but for not exactly trick or treating! Considering Halloween came out on a weekend Buff Staters partied all night. ZBT and Sig Tau hosted two of the parties around campus and of course Regans and Masthead got their share of costume clad Buff Staters.

It was a great night for Buff Staters and as many made their way home, costumes falling and make up smeared thoughts of next Halloween entered. Once again the question of "What should I be?" entered everyones thoughts.

Moon Ball

It was a typical rainy Saturday on Buff State campus. Most dorm dwellers were either sleeping off hangovers or just being vegetables but wait, was that yelling heard on the practice field? Is anybody really outside on a day like this? Yes, it was true a moon ball game was being played. True to tradition students, dorm dwellers and R.A.'s were going at it playing the annual moon ball game. Neither mud, rain or even a hang over stopped these spirited and slightly crazy Buff Staters. After all what is a little mud between friends?

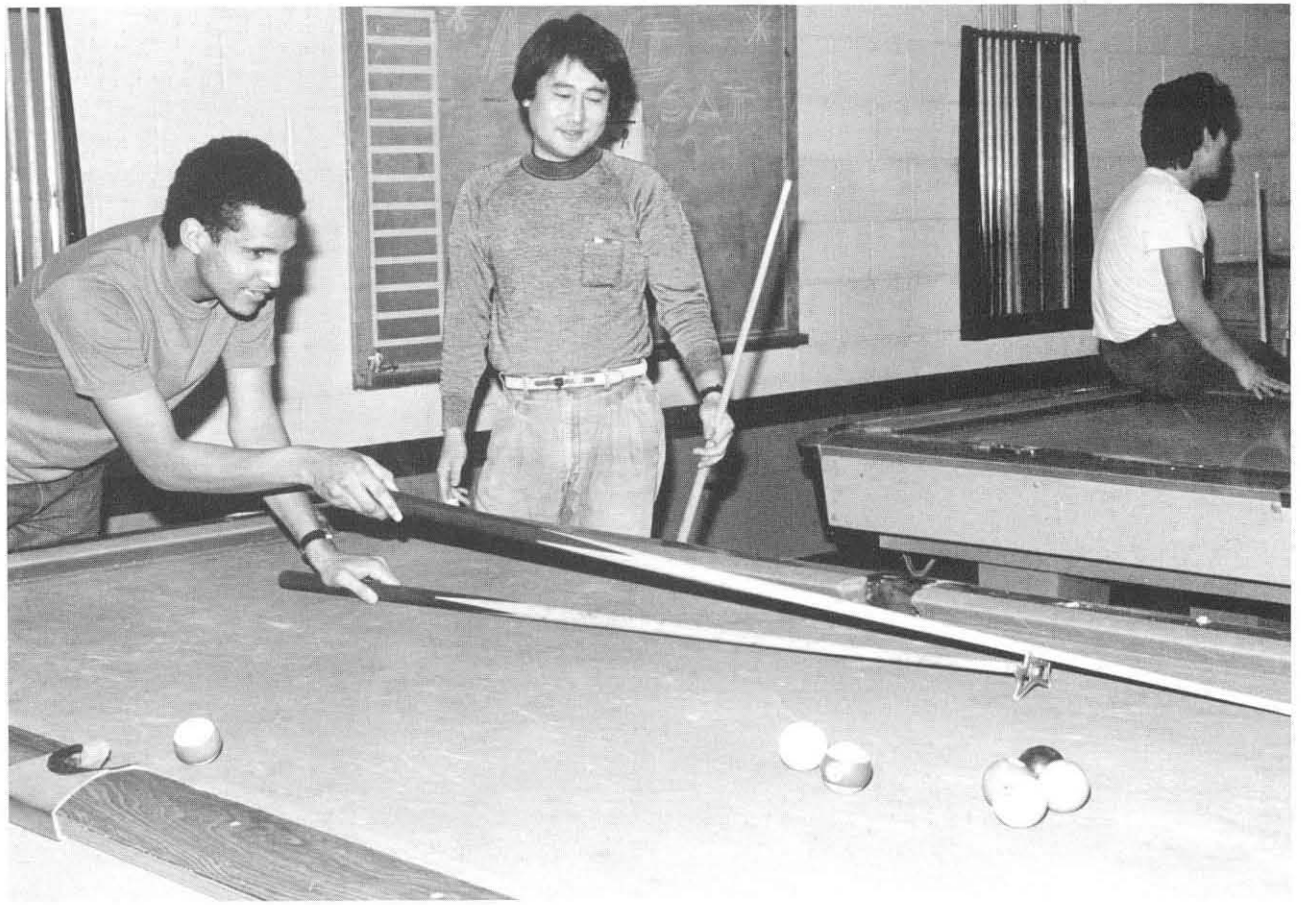

W ilderness Adventures

Wilderness Adventures is Buff State's outdoor club. They sponsor camping, hiking, backpacking, canoe, and white water rafting trips to the Adirondak Mountains, to Algonquin Provincial Park, Allegany State Park and to the Great Smoky Mountains of Tennessee. The Wilderness Adventures club open up the great outdoors to all students.

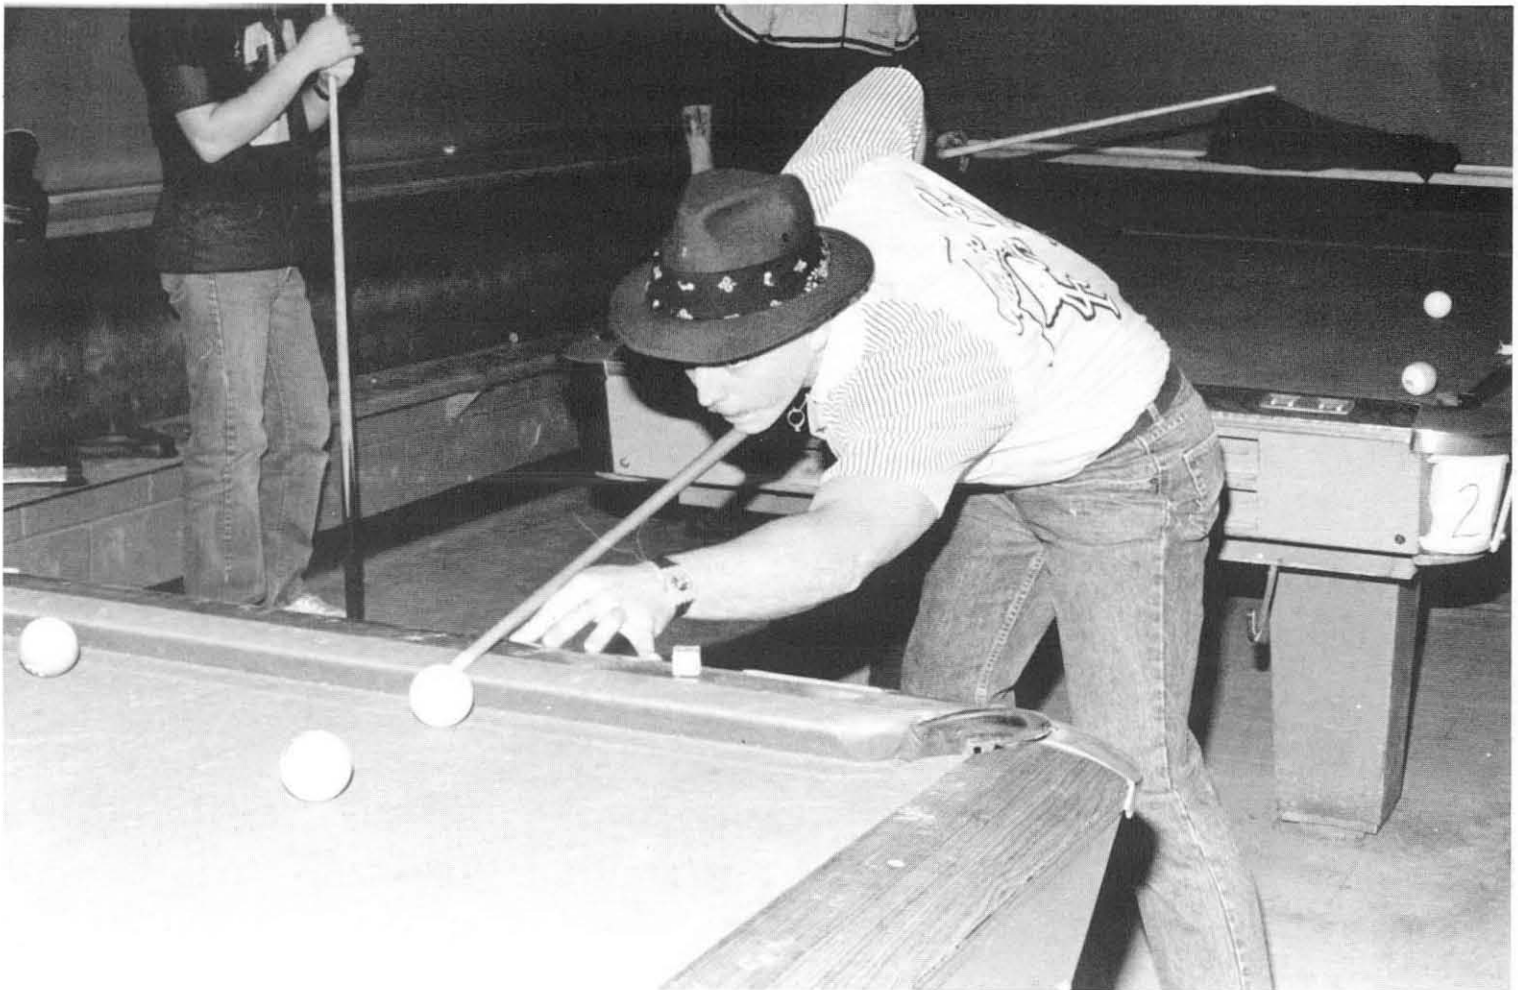

Gameroom

Buff State's ongoing renovations did not just stop with Rockwell Hall and the Pub. The Gameroom too has been effected. It used to be at any time of the day you could hear the space sounds of video games and the crashing of bowling pins. But now there is just silence. Due to the asbestos that was found in the bowling lanes it was closed down. However the video addicts and the pool sharks that inhabit our campus had no need to worry, the pool room is asbestos free and doing a bopping business.

Biking!!

On May 15, 1986 four Buffalo residents were to engage in a journey that would take them to the far regions of this country. These four men, Anthony Glusek, Bob Kurtz, Danny Alexander and U.S.G. President Dave Cywiniski set out to cycle the perimeter of the United States, 8,141 miles in one hundred days.

The trip was to raise money for the Babcock Boys Club and Girls Club in South Buffalo. Both groups were in desperate need of new equipment and facilities. After two years in the planning May 15 arrived and the four cyclist set off.

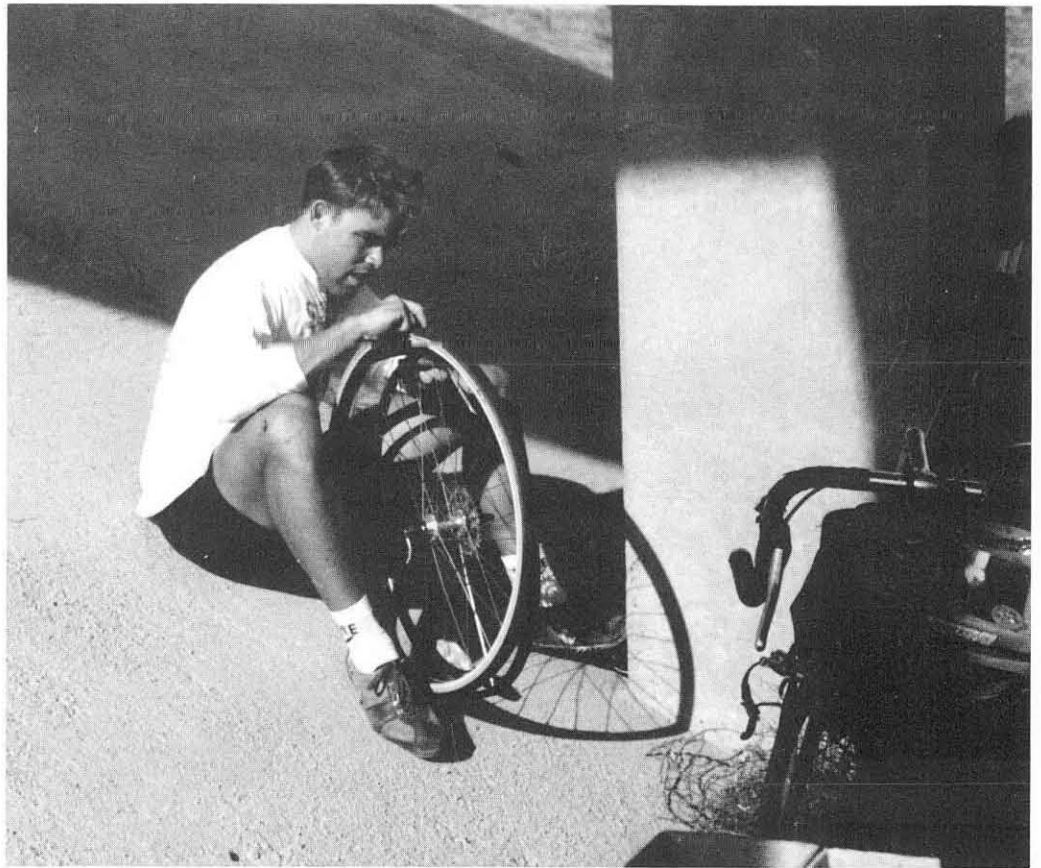

The journey took them through such cities as Cleveland, Chicago, St. Paul/Minneapolis, Seattle, Portland, San Francisco, Los Angeles, Phoenix and San Antonio Texas until disaster struck. Anthony Glusek and Dave Cywiniski were both struck by a speeding truck and both suffered broken legs. Although the trip

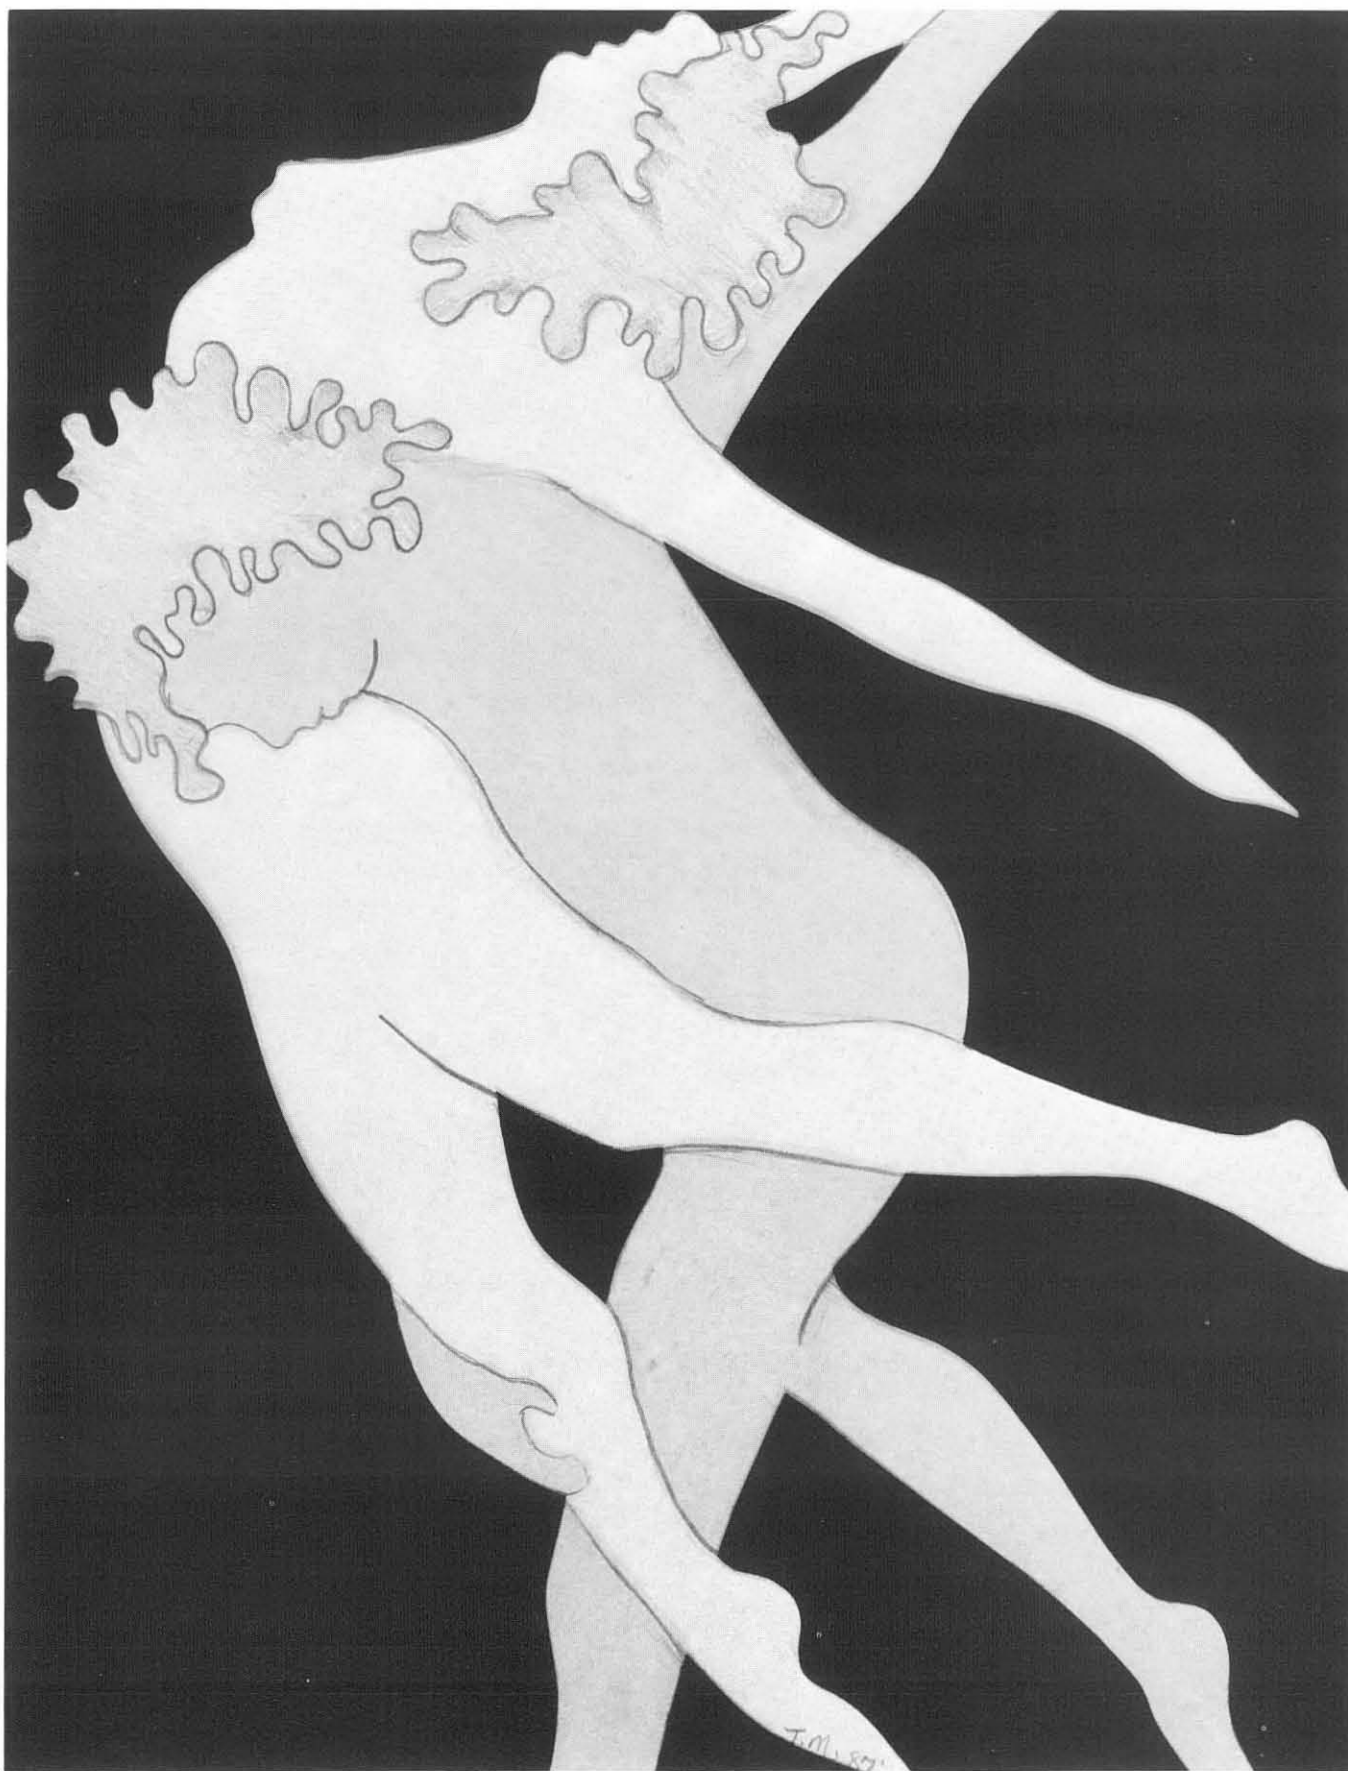

was ended for these two the rest of the team continued.

On August 22, 1986, one hundred days later Buffalo firefighter Danny Alexander arrived back home alone. These four men learned a lot about the country and themselves during this trip. They displayed more endurance and dedication in that short period of time than most people do in a lifetime.

When asked if they would do it all over again their replies were . . . well, let's just say not printable!!!

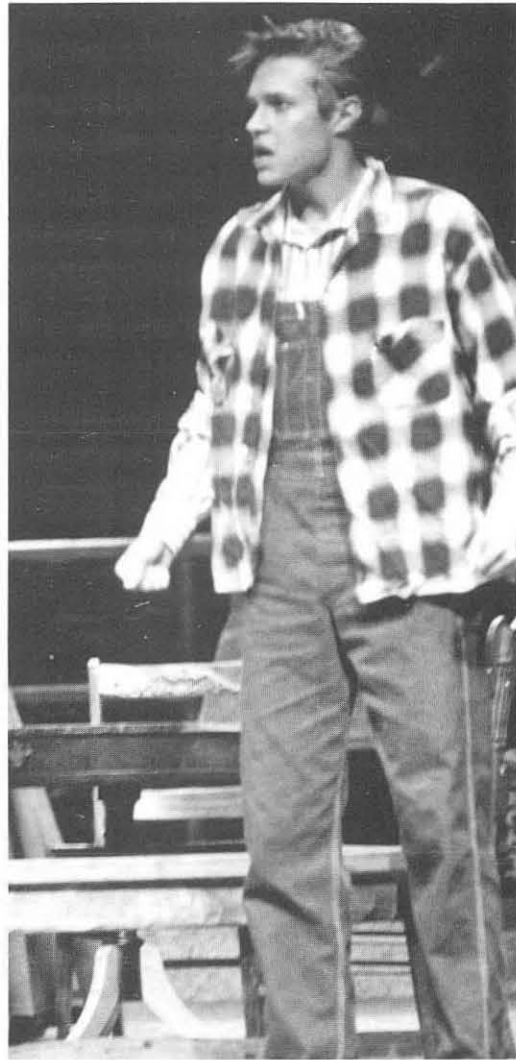

ENTERTAINMENT

King Craig and his Band of Rubber Wow yet another sellout crowd. Isn't that what entertainment is all about?

What da hell is dat thing Ma?"

Even the peasants who couldn't afford tickets for the show, opened their windows and celebrated the coming of the King.

Outside the gates, scalping is a common occurrence at any of the King's concert.

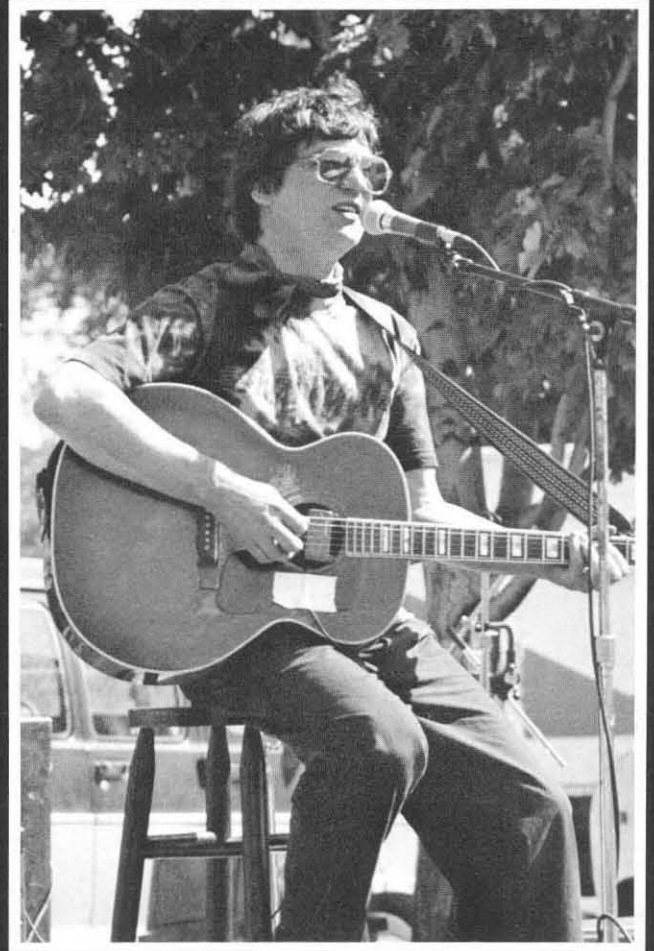

Good Time Festival

The Good Times Festival is the first musical blowout sponsored by the Student Union Board each year and this year was no exception.

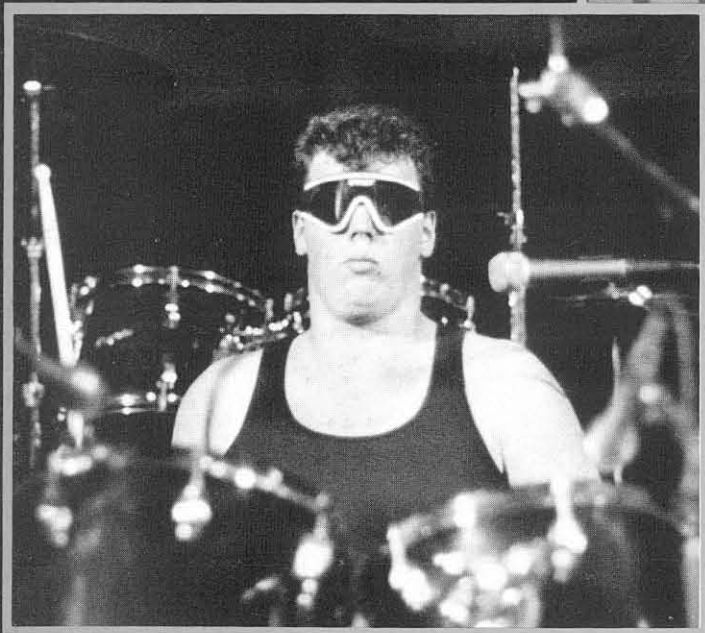

The 19th annual outdoor concert entertained Buffalo State students and the surrounding community in the Rockwell Quad.

Bands such as Dave Watts and The Great Train Robbery, Secret Service and 10,000 maniacs drew a large crowd that basked in the sun, enjoyed the music and put off thoughts of upcoming classes. One of the highlights this year was Denny Dent, who painted large murals to music.

All in all The Good Times Festival was just that, a good time.

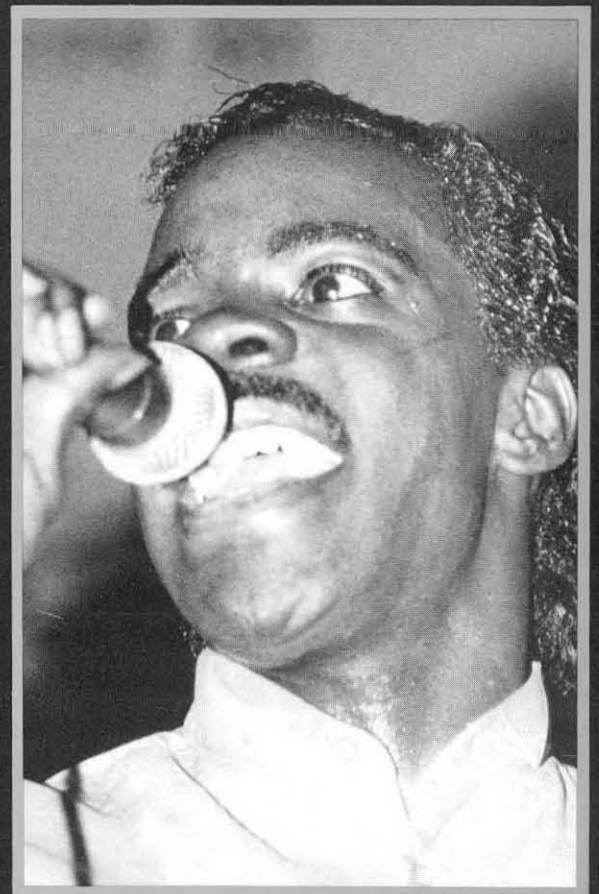

Otis Day and the Animal House Band

This year the Student Union Board provided the students of Buffalo State with the perfect finale of Homecoming '86: Otis Day and the Animal House Band.

The band, made popular by the movie "Animal House," rocked the gym and enticed the students to lift their hands up, roll around on the floor and do the worm, and just generally Shout!

Otis Day is making the college tour and his stop at Buff State was a monumental occurrence for our Buff Staters. This concert gave Buff State students a chance to live the college life that John Belushi and the animal house crew made so appealing.

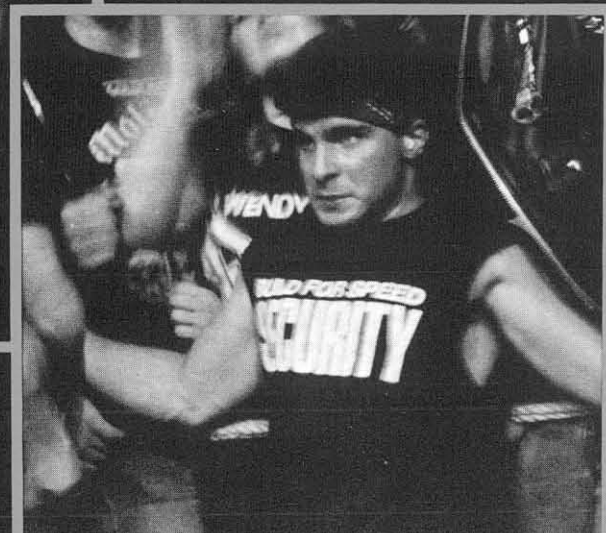

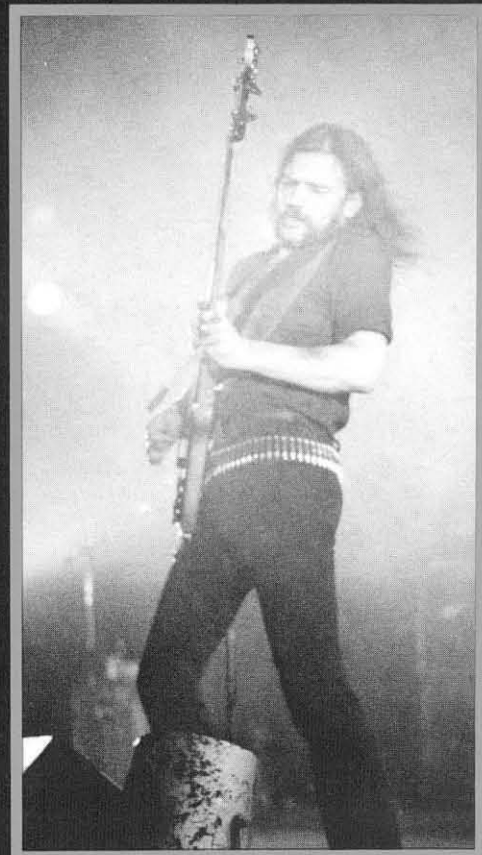

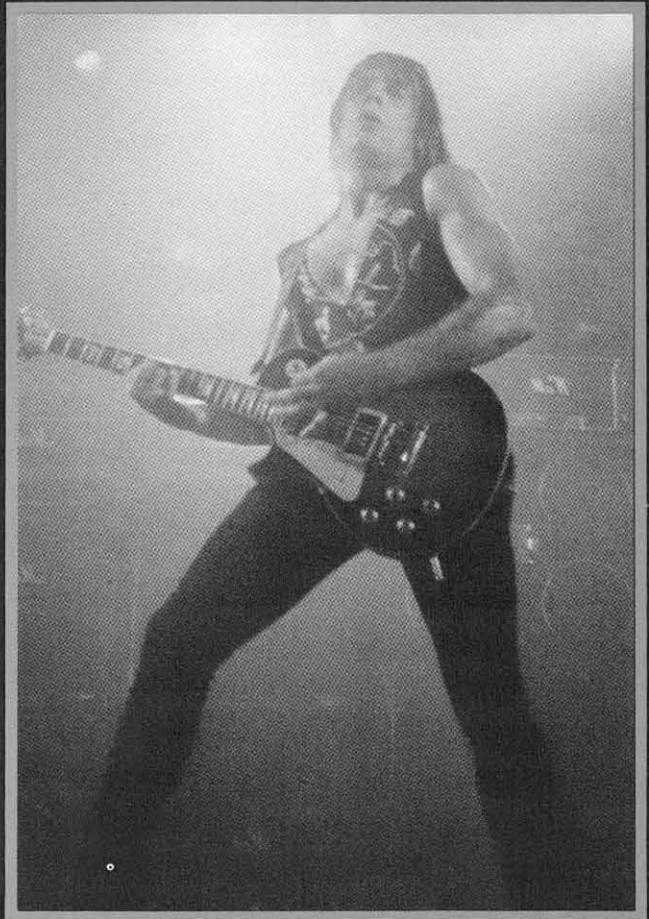

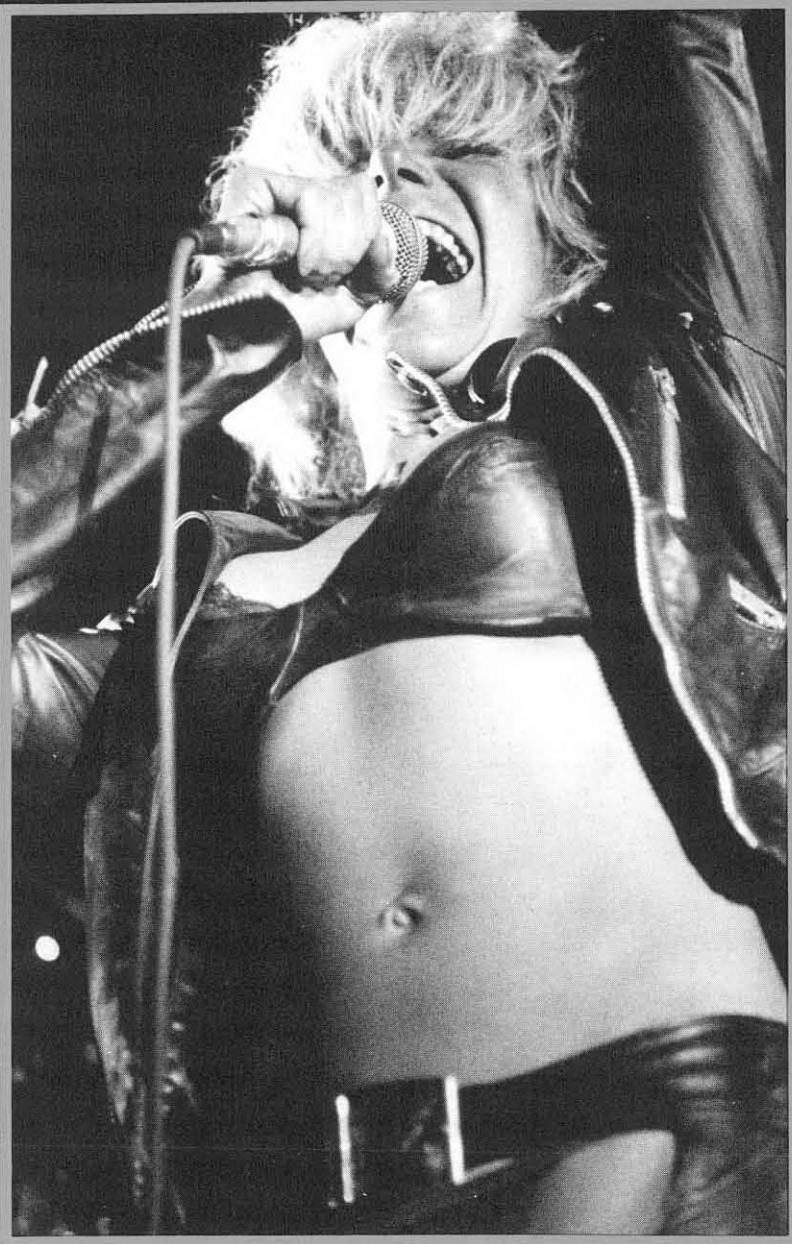

Wendy O. Williams

And The Motor Heads

Guitars screamed, drums pounded, lights blared and heads banged in BSC's new gym in November. This all happened when the Student Union Board brought us the Cro-Maggs, Wendy O'Williams and the Motorheads. It was a night BSC's security staff and the gym itself will never forget.

Never to be one in virginal white, Wendy appeared on stage in her black leather attire to every head banger's delight. One thing can be said for this extravaganza, "Aren't you glad it was not parents' weekend."

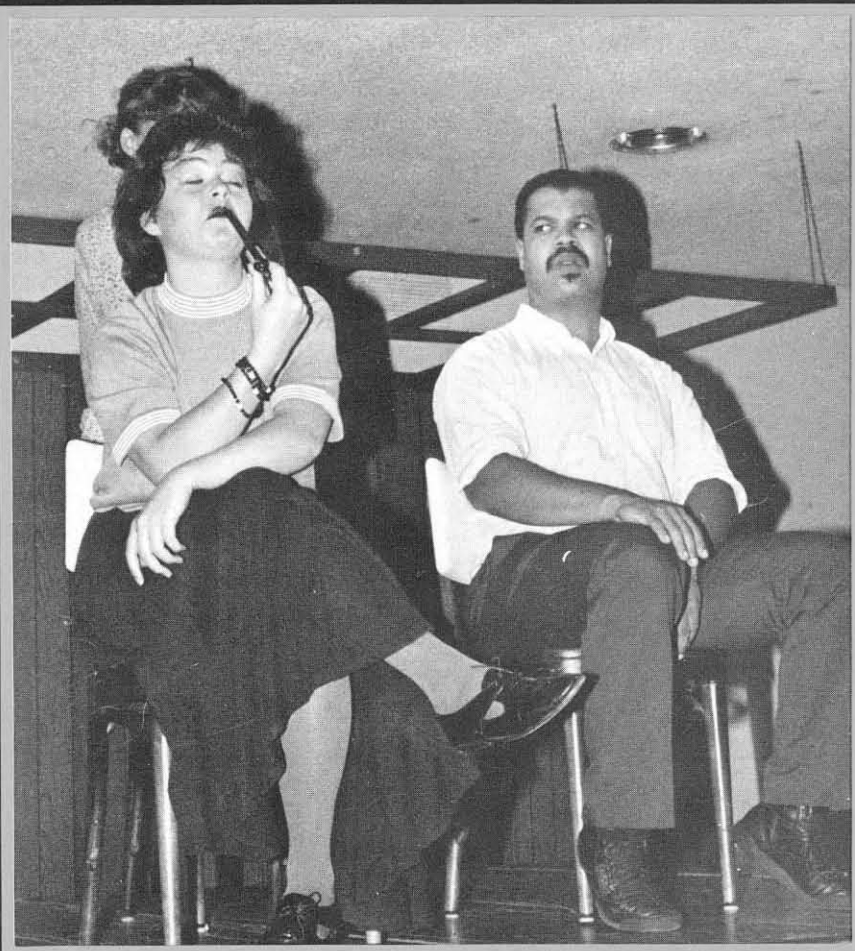

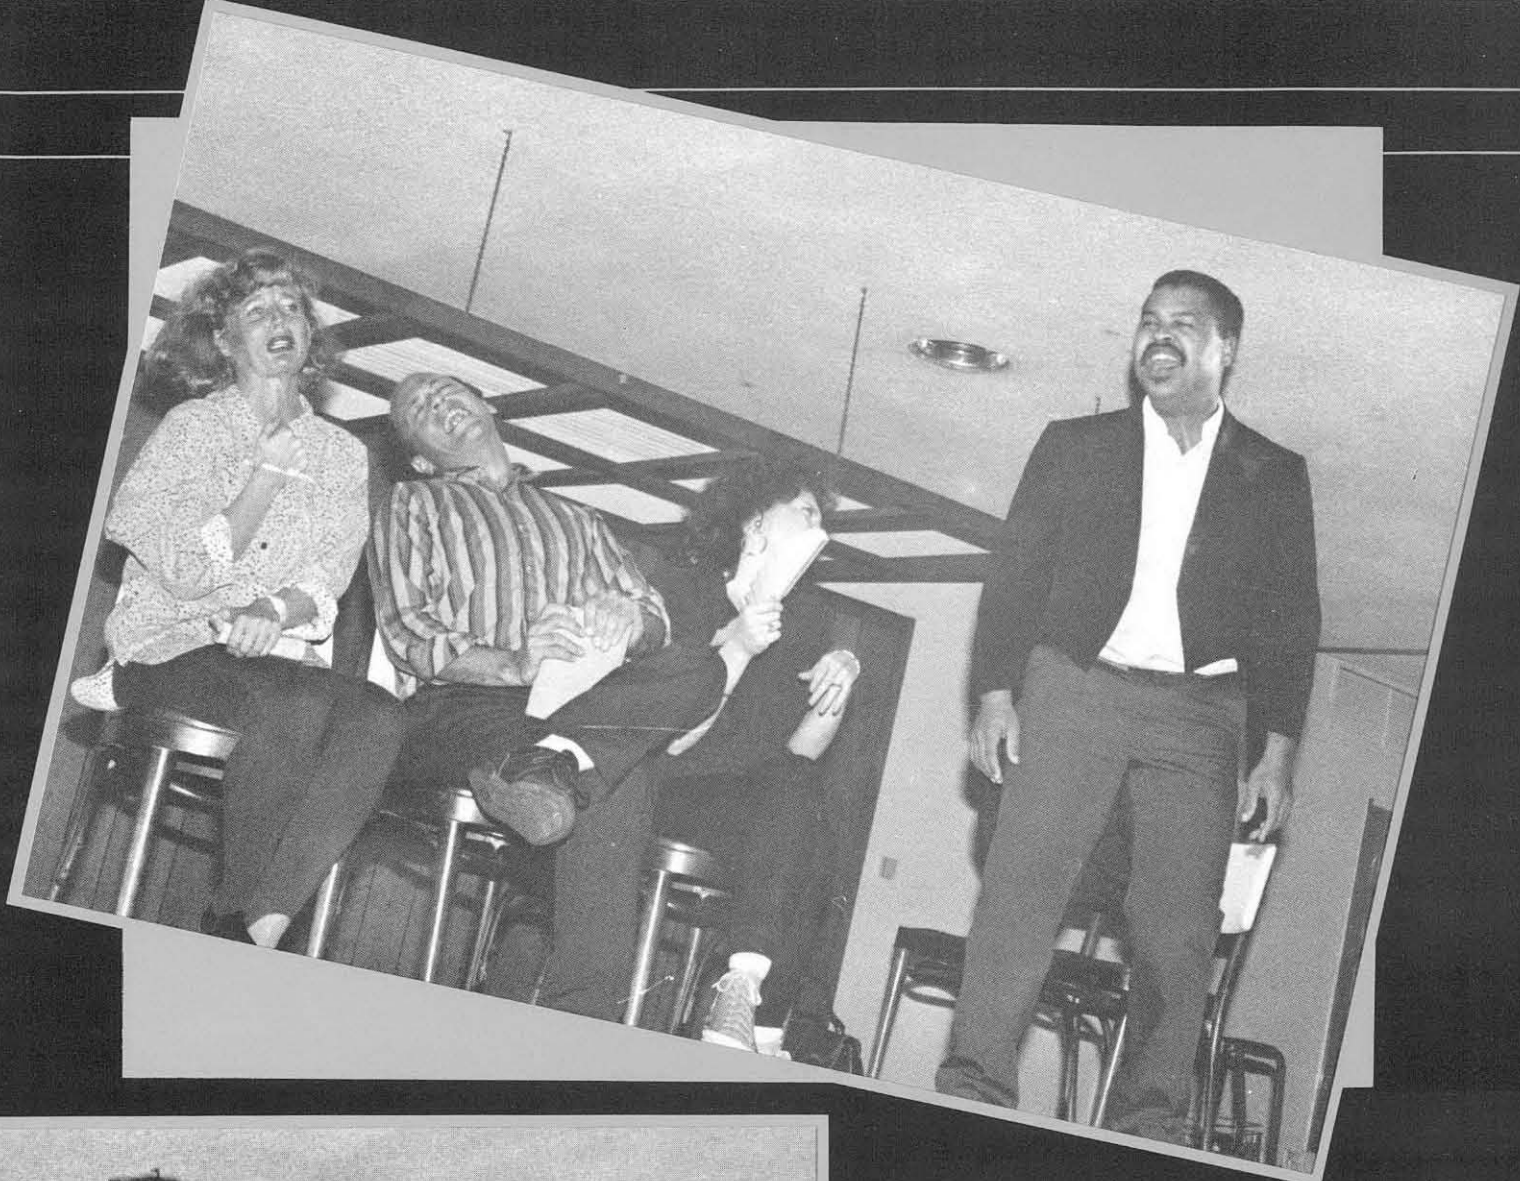

Guilty Children

The six members of Guilty Children came back to Buff State for an encore performance. Guilty Children an improvisational troupe based in Boston had Buff State students rolling in the aisles as they went through their skits with unmatched skill and humor.

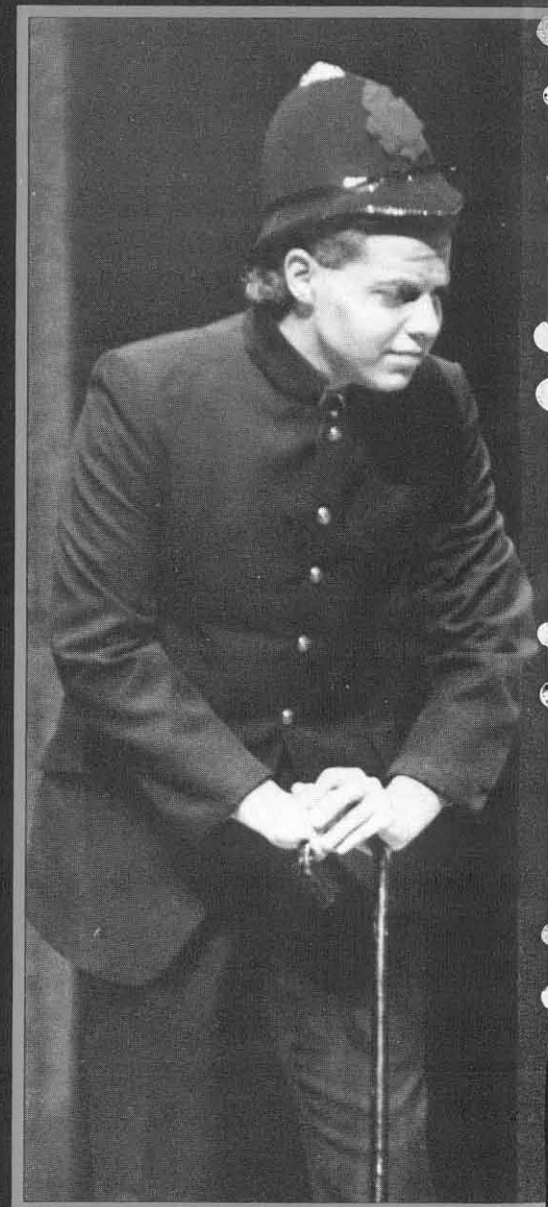

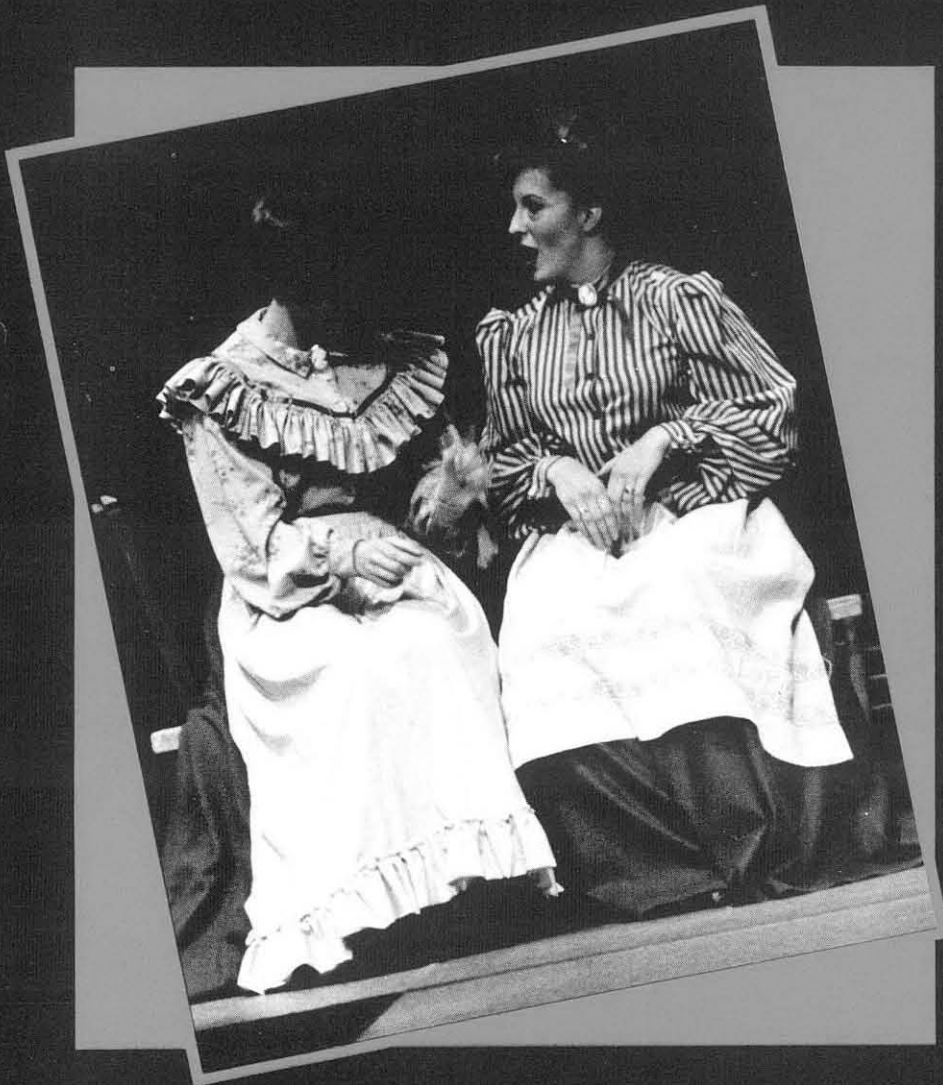

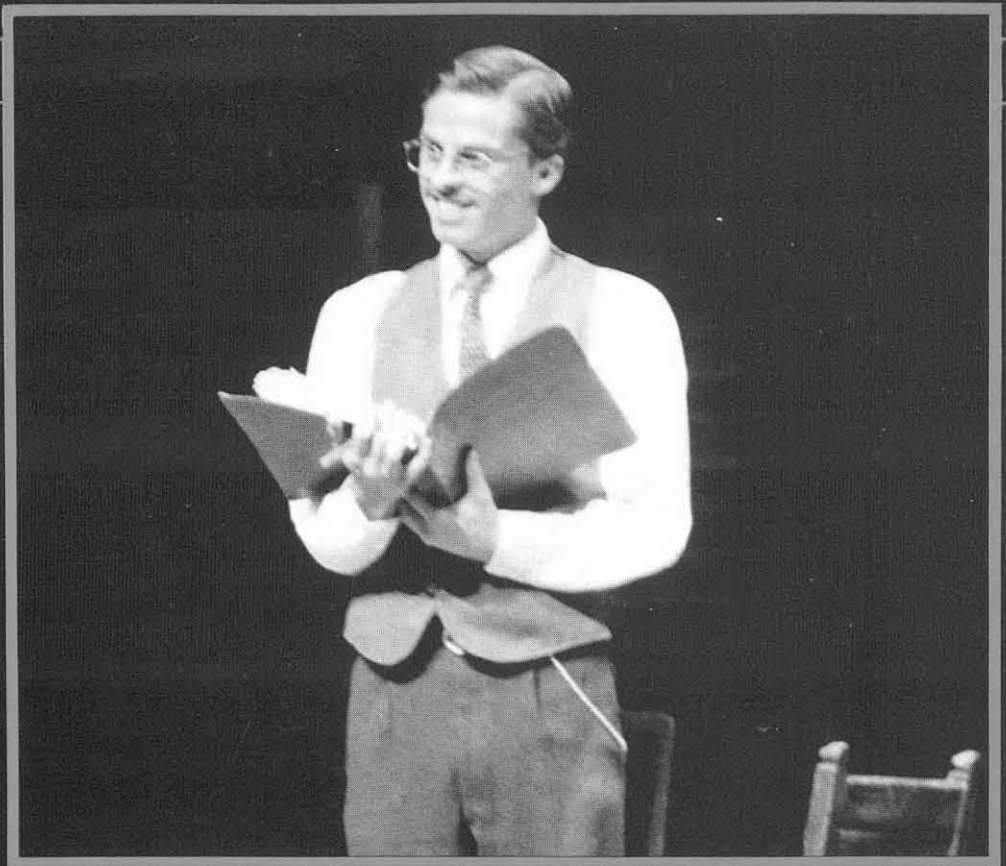

Being an improvisational group, Guilty Children relies upon their audiences for skit ideas. Their quick response is amazing as they transform off the wall ideas into totally off the wall performances.

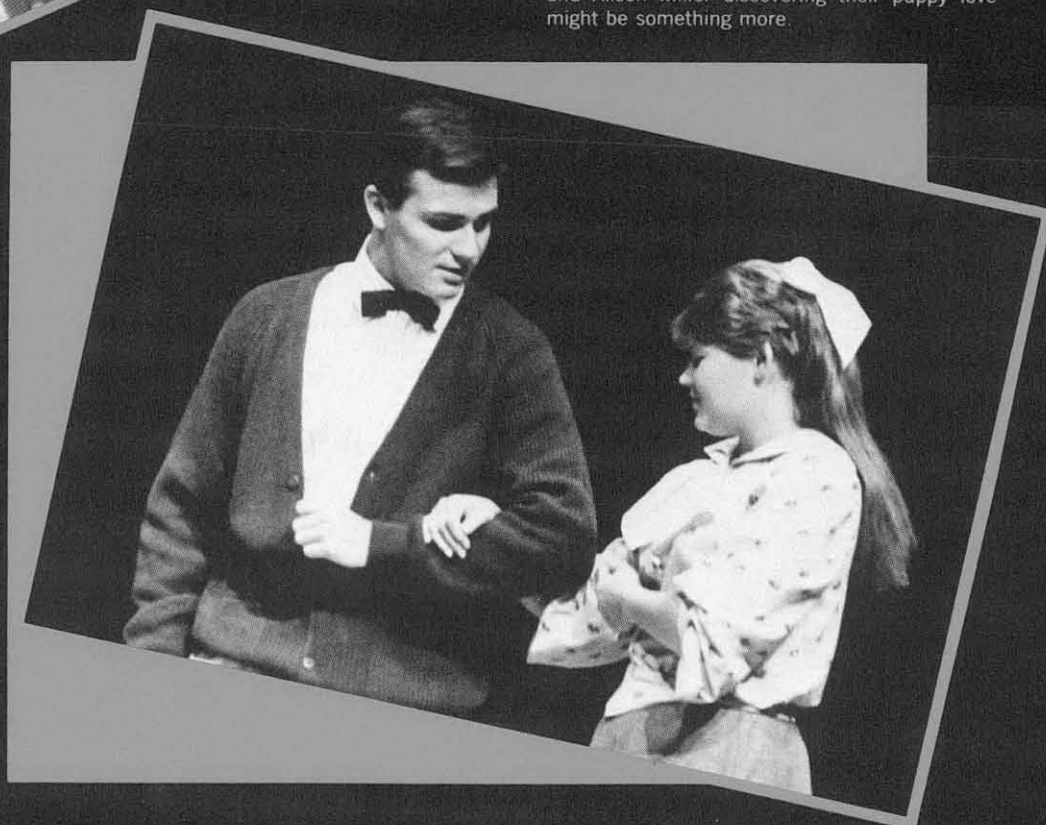

Our Town

"Our Town" was Casting Hall's first production of the year. Casting Hall brought a small New Hampshire town at the turn of the century to Upton Hall's auditorium. Gilbert Neal, Peter-Michael Marino, Michelle Berke, Jane Turner, Daniel Doran, Terra Lynch, Ryan McDonald and Allison Miller were just a few of the actors/actresses that portrayed the town folk superbly. Our Town ran for six performances and the first was as good as the last. The costumes, set design and the production as a whole was a great success for Casting Hall.

BELOW: Michelle Berke and Janet Turner as Mrs. Gibb and Mrs. Webb discussing their lives and dreams. **ABOVE RIGHT:** Janet Turner, Alison Miller and Ryan McDonald have a usual breakfast in the Webb kitchen. **BELOW RIGHT:** Daniel Doran and Alison Miller discovering their puppy love might be something more.

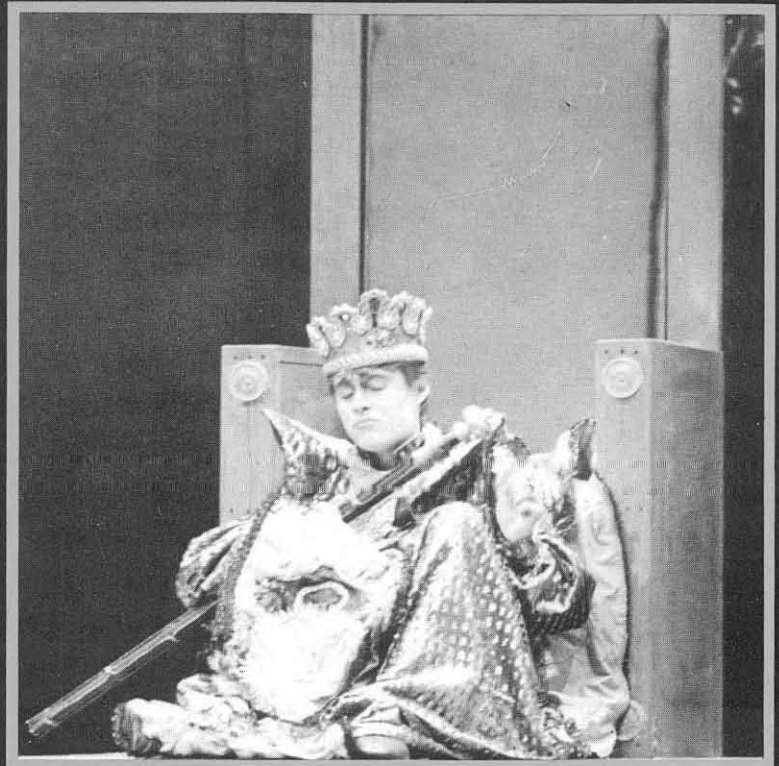

Exit The King

Exit the King was Casting Hall's second performance this year. As in keeping with tradition Casting Hall's sets and costume designed were something to see. Michael Matthy's portrayal as King Berenger was one of professional standing as was Lisa Seifert as

Queen Marquente, Gina Fera as Juliette, Tamara Pesah as Queen Marie, John Kiosis as The Doctor and Wayne Kaspryzak as The Guard. Yes, it was another success for Casting Hall and was enjoyed by all.

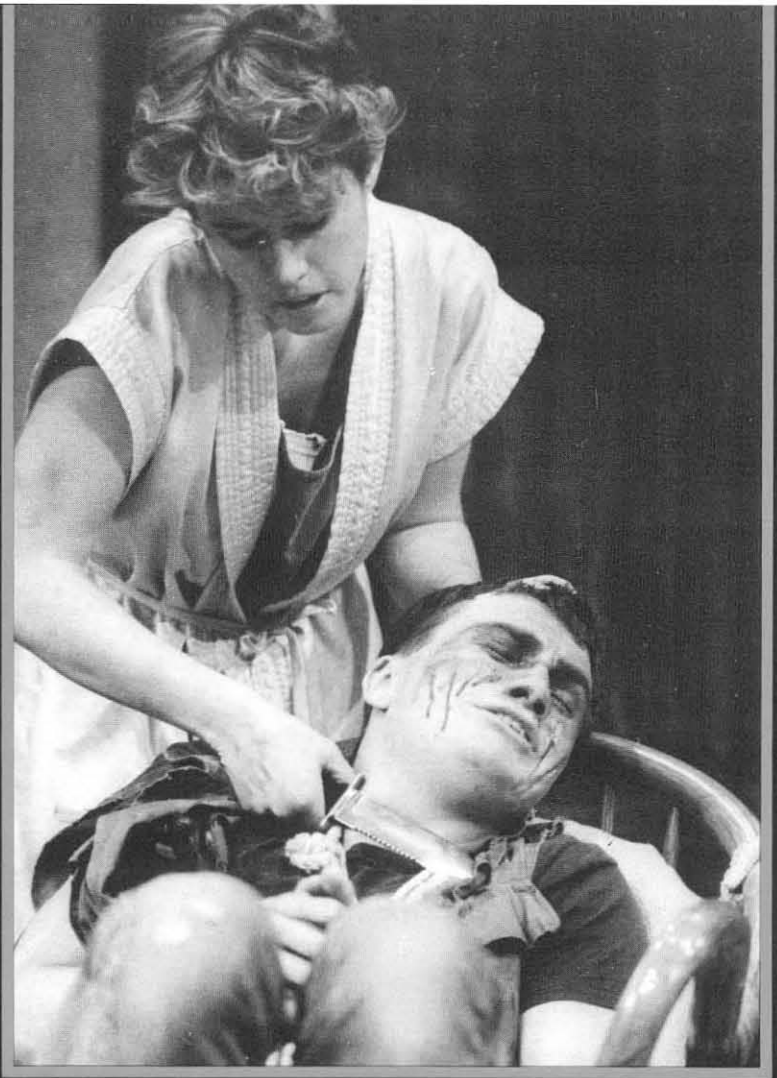

Extremities

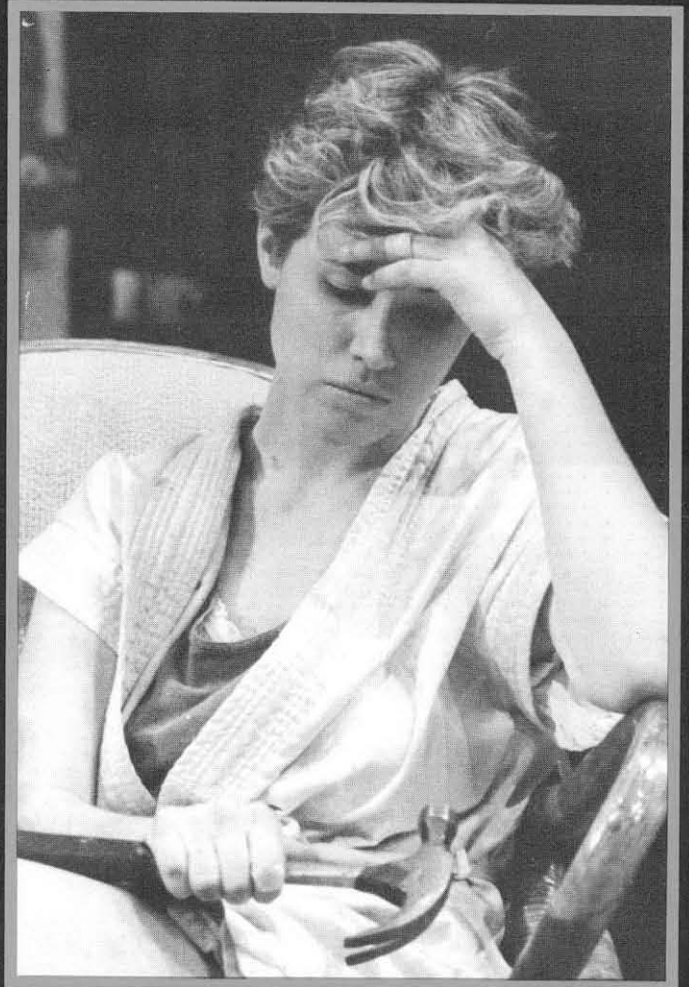

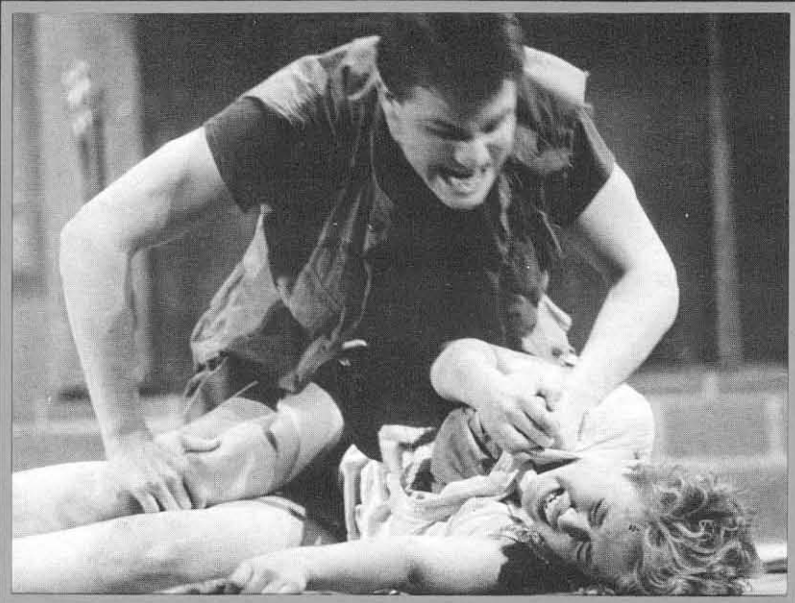

This year Casting Hall took the horrifying real subject of rape to the stage. Directed by BSC student, Peter-Michael Marino, the play explored the physical and psychological impact of rape on its victims.

The play ran during Rape Awareness Week and raised the consciousness of all that were able to sit through the, at times, very emotional and disturbing scenes.

EXTREMITIES takes a different look at rape. The victim, Marjorie, turns the tables as she torments the rapist as he had done her. The drama brings to light what a person is capable of doing when faced with such physical and emotional trauma.

This type of drama has been a long time in coming. The play was tastefully and effectively presented. The BSC audience experienced the horror of the injustice done to women and Casting Hall has done yet another superb job in presenting their professional work to the Buffalo State Audience.

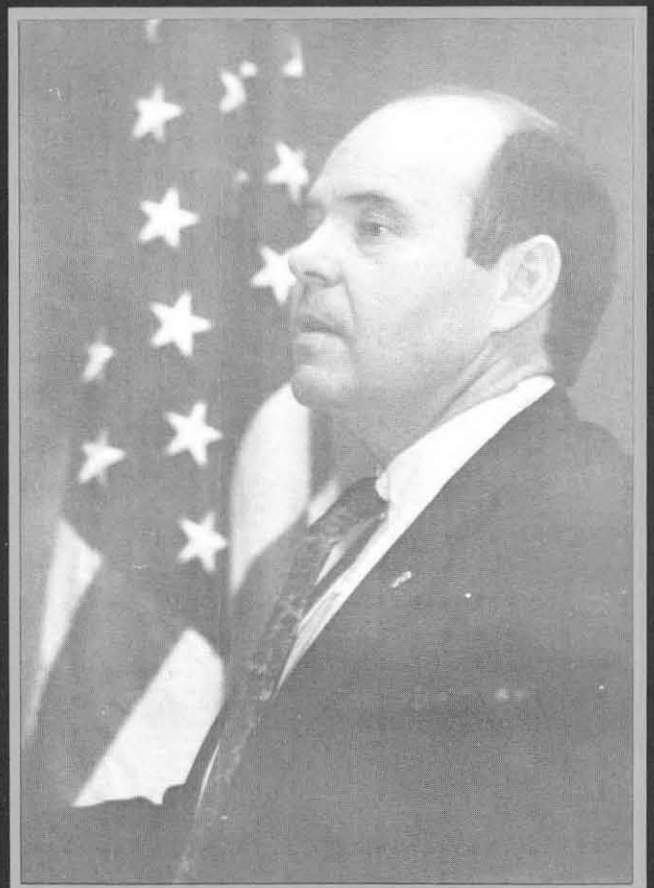

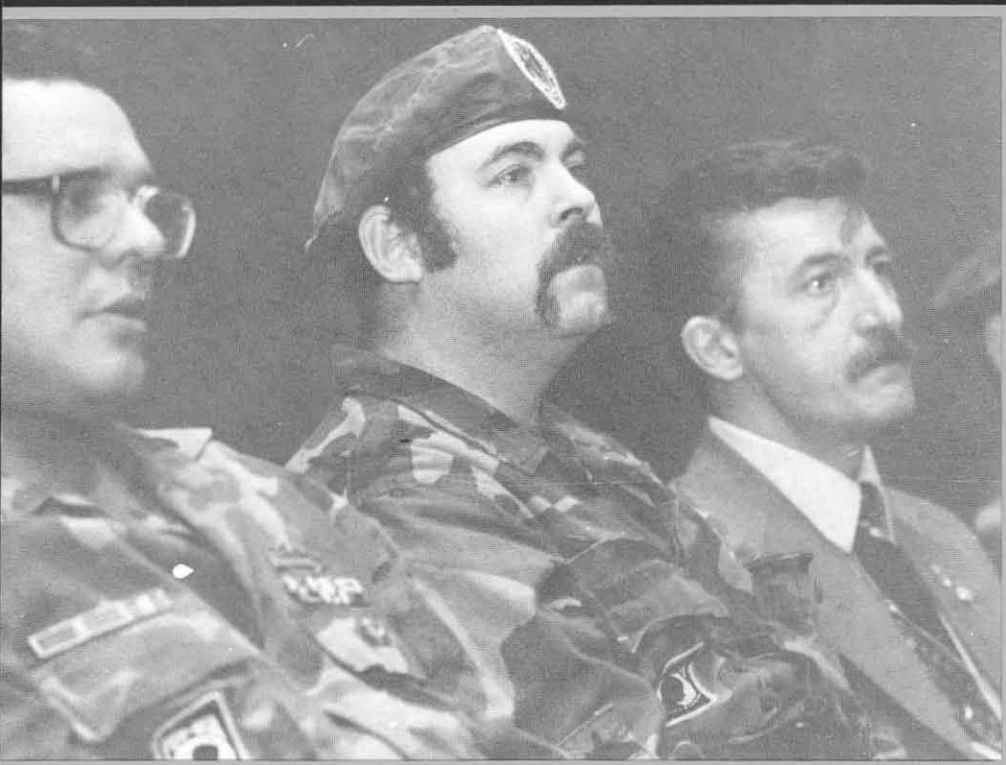

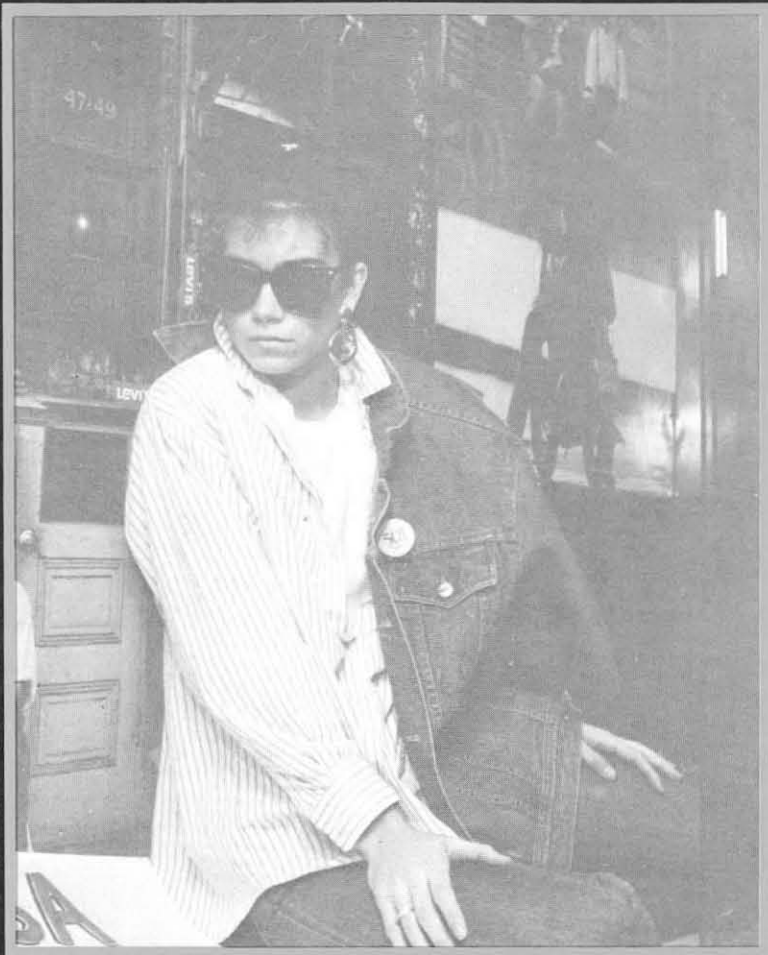

Veterans Remember Vietnam

It was not a regular Bengal Pause on Tues. Nov. 18. On this day Vietnam veterans, some students here at Buff State and some not, came to talk to students and people in the community. "We came home with great expectations," Stephan Banko III, president of the Vietnam Veterans' Leadership Program, said Tuesday. "The reception at home was so bad, I could no longer relate to civilian life."

The program was designed to show the difficulties Vietnam veterans faced when trying to readjust to civilian life. It was a moving program and their words affected everyone who attended.

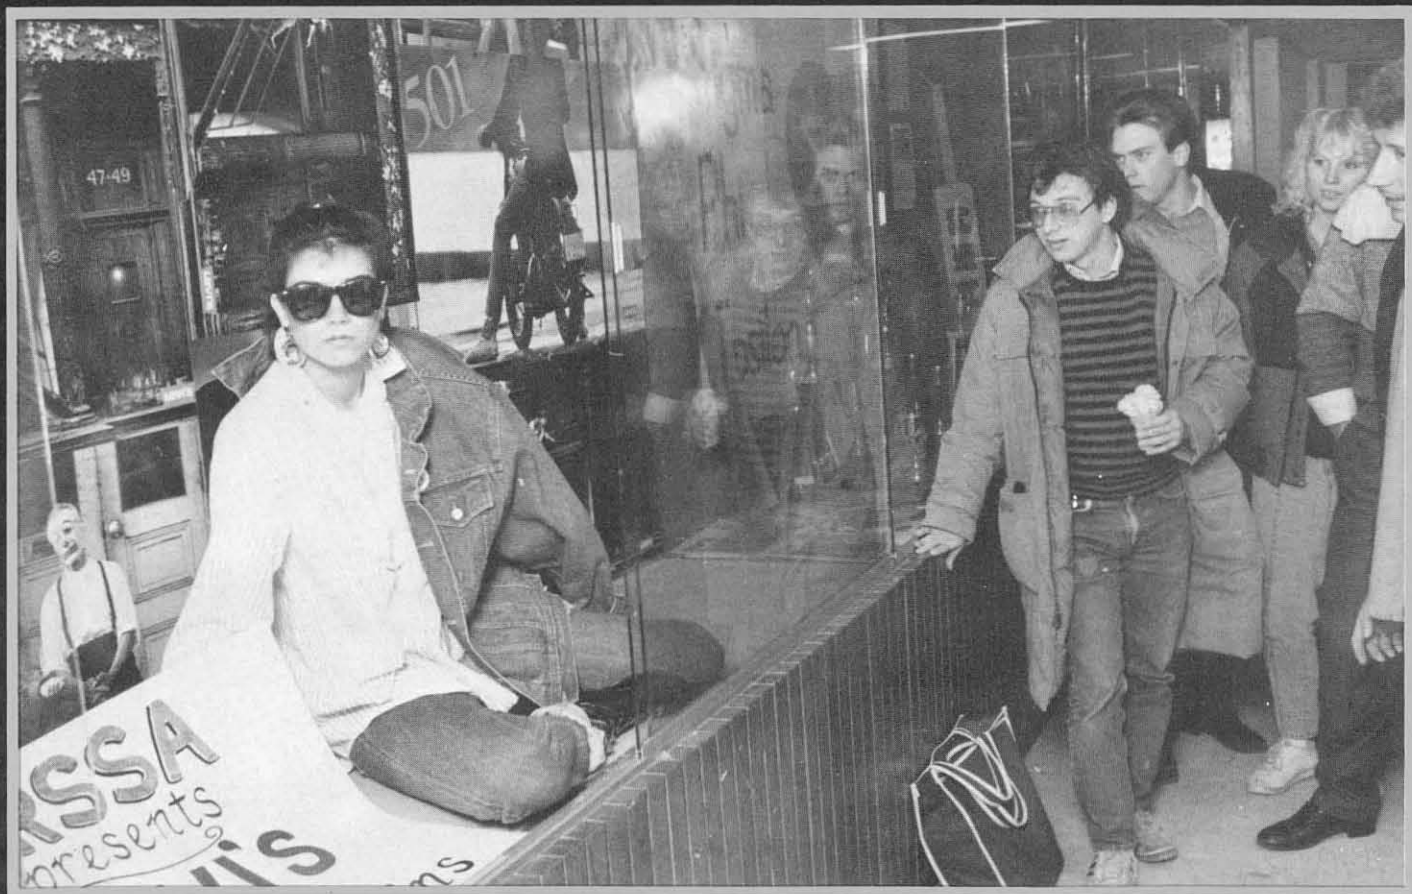

Levi 501

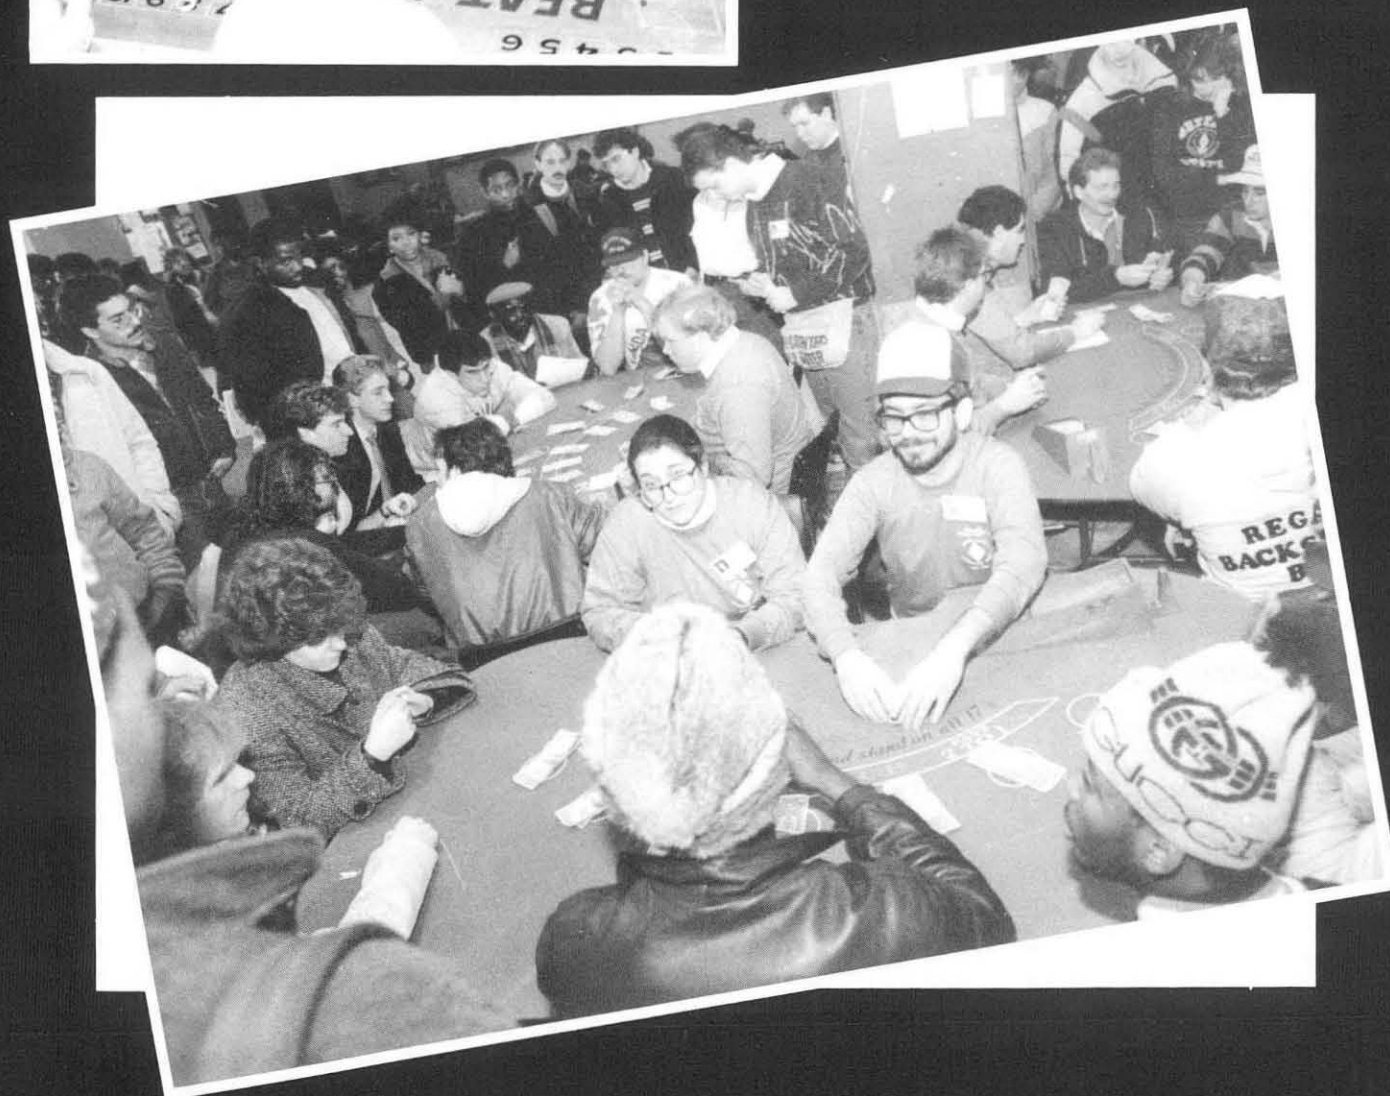

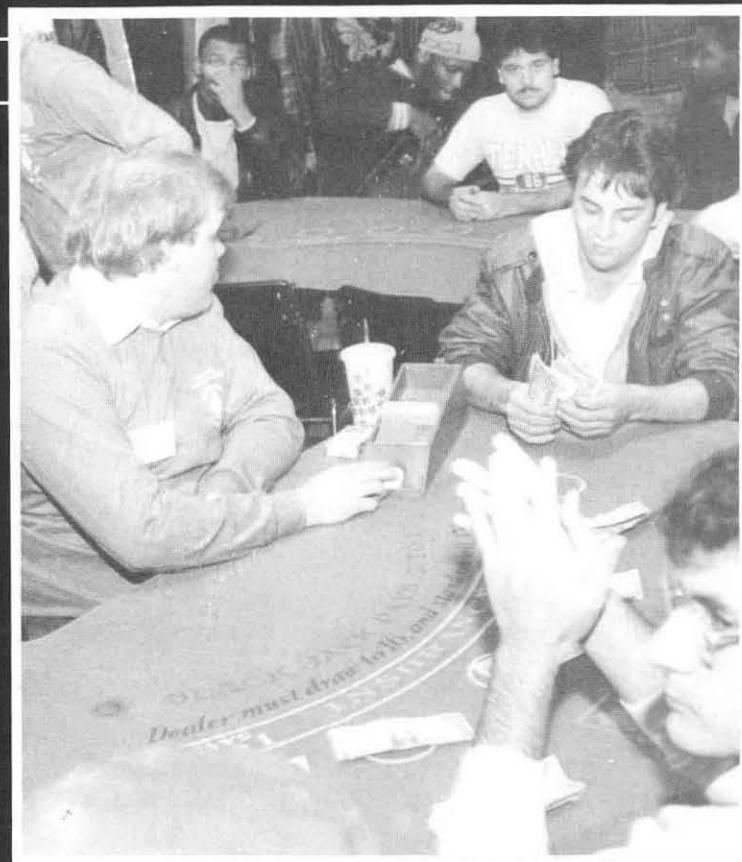

Old, New, Hot and Blue was the theme for the Levi Strauss and Co.'s fashion show and model search which took place on Buffalo State campus. PRSSA was chosen by the Levi company out of all the proposals that were submitted for their new campaign.

All throughout the Union were posters and "live mannequins" displaying the Levi Strauss and Co. insignia. The fashion show was very successful and included singers Darren Frazier, Susan Kincaid, Debbie Pappas and Joanne Garvey. The money raised was donated to the United Way in aiding the schoolwide campaign.

All in all it was a very exciting experience and one that proved that Buff State is one in a million.

Monte Carlo

Holidays

Whether it is just a day off from classes or that long awaited winter break vacations and holidays are always welcomed here at Buff State. The winter holidays are one of the favorites, all over campus Santa and his elves can be found!

Going home, whether it is for a weekend or for winter break is another reason why holidays are welcomed. Cars, buses, and moving trucks invaded the thruway as Buff Staters started the ride home. The airport is no exception. You can always find a Buff Stater sprawled out in front of People's Express terminal anxiously awaiting their flight.

Yes, holidays and vacations are definitely something that is always on every Buff Staters mind.

Snow

It can be beautiful or it can be the biggest pain in the A--!!! The first snowfall at Buff State is always a memorable event but after the first day the novelty does kind of wear off.

Out come the boots, shovels and scrappers and away go the baseballs, footballs and frisbees. Yes, snow does bring out the best and worst in Buff Staters. Building snowmen, snow football and snowball fights are the best and the worst . . . cursing as people dig out their cars, slip on the ice and generally being sick of all that white stuff.

No matter how you feel during that first snowfall, after a few months Spring is welcomed with open arms.

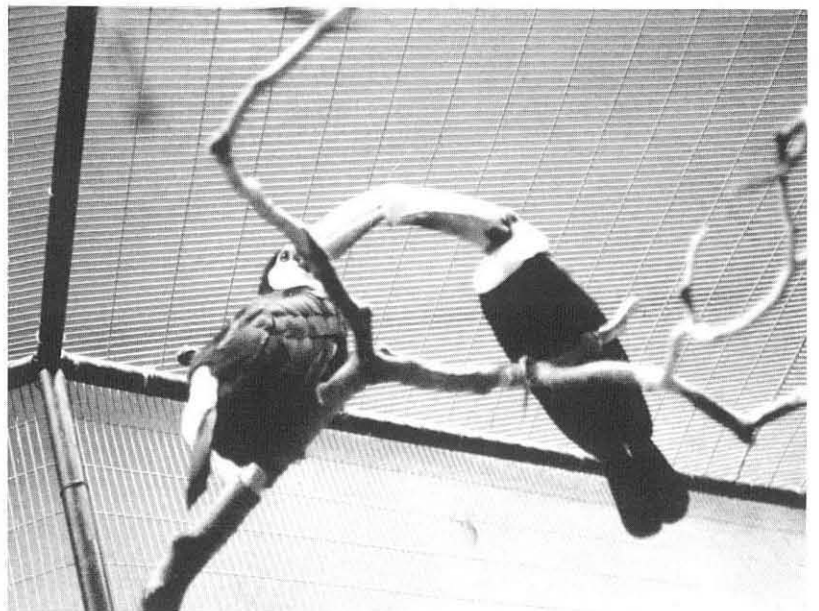

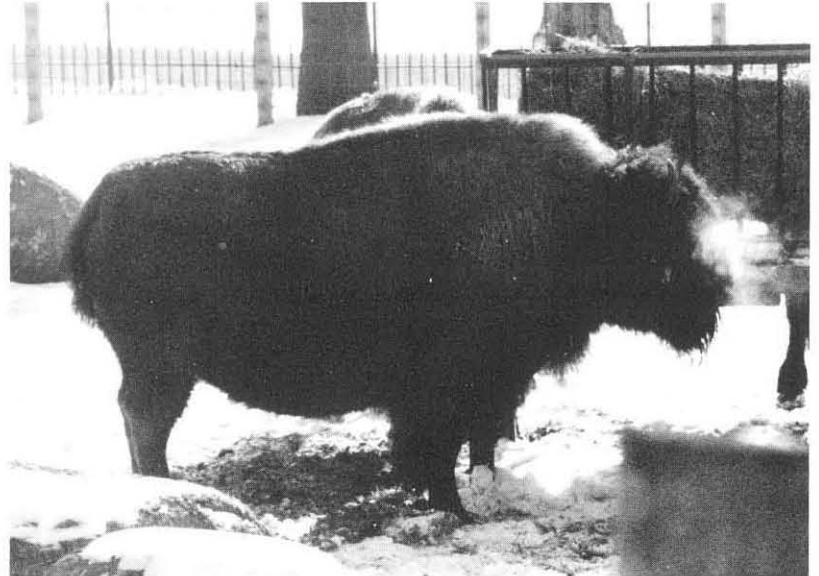

The Zoo

Lions, and tigers, and bears, oh my! It's a Saturday afternoon, the sun is shining and instead of sleeping the day away many Buff Staters find themselves surrounded by wild animals. No, they are not at the Bite but at the Buffalo Zoo.

Among the many sights such as zebras, birds, camels, and kangaroos there are of course buffalos!! Going to the zoo is a chance for Buff Staters to relax and have a good time and not worry about books, classes and that term paper that is due in a week. And the best part of it all is that it does not give you a hangover!!

Student Exchange Program

An exchange program either national or abroad can change your academic and personal life. Buffalo State offers you a chance to attend another school either within the United States or abroad.

The brochure title of the NSE is "Widening Educational Horizons," and that is exactly what you will experience on exchange. This program is designed to provide the opportunity for students to attend a college or university in another state without having to pay the high cost of out of state tuition. Take advantage of the academic strengths of the universities in the program, they will help to fulfill your own personal and academic goals.

Buffalo State also offers a study abroad program. Manchester, England; Adelaide, Australia; Siena, Italy; and Osaka, Japan are just a few areas in which they offer. Students view the exchange as an opportunity to live and study in an area for an extended period of time. Allowing them to become better acquainted with the region, its people and its customs.

Both of these exchange programs allow the opportunity for personal growth through a continuum of new and fresh learning experiences which will deepen appreciations and widen horizons.

Spring Break '87

"Birds fly south for the winter, why can't I?" Flying south for the winter is just a dream for many but flying south for Spring Break is a definite reality for many BSC students.

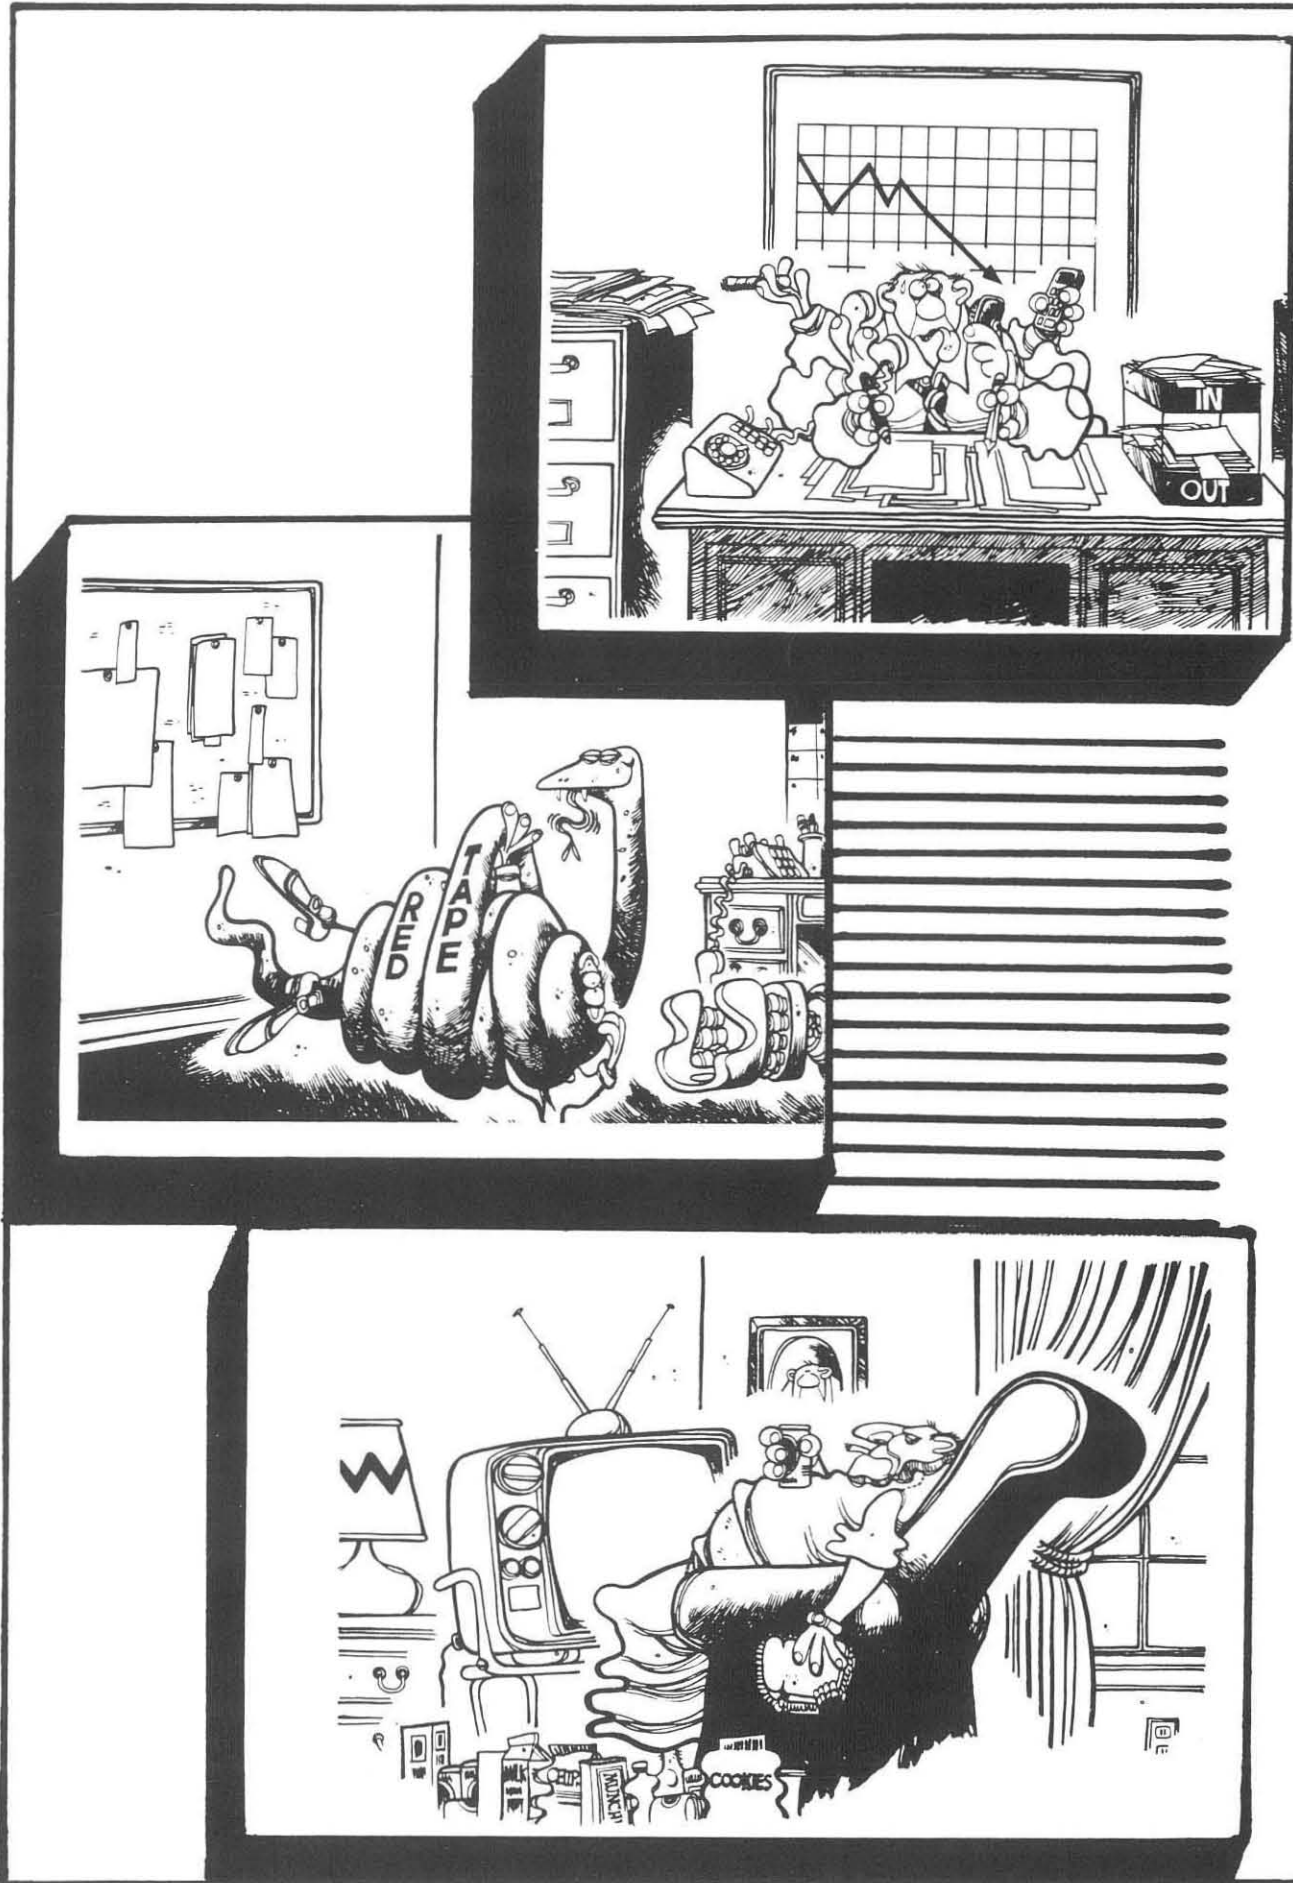

As far back as December posters and flyers invaded the Union, dorms and classrooms of Buff State announcing super low fares to everywhere the sun shines from Ft. Lauderdale to Acapulco. Pennies have been scrimped and saved all year for that one glorious week of fun and sun.

However, for some Spring Break is the time to relax, catch up on some much needed sleep and yes, even to catch up on some studying. Finals were not that far away.

ENTERTAINMENT

United States Government

The tenth legislation of the United Students' Government began the 1986-87 year with high aspirations. The team was led by President Dave Cywiniski, Vice-President Chris La Marca and Treasurer Anthony Capece.

The Senate displayed its serious and professional manner in their attempts to uphold the rights of students. They became the first government to overturn a major campus policy as they opposed the alcohol policy handed down to students from the administration. The matter was turned over to the College Senate, where students, faculty and administration developed a fair and just policy.

October brought Homecoming and the annual parade carried this year's theme, "A Buffalo State of Mind" throughout our community. Although the Bengals were defeated, spirit and pride rang out loud as Otis Day rocked the New Gym.

SCAPE, the Student Course and Professor Evaluation pro-

vided an outlet for students to publicly display their feelings about their professors. The first of its kind at BSC, the booklet contains evaluations of over 100 professors and proved to be very helpful at registration.

With the new year came a new outlook across Buffalo State. People began to demand excellence; demand excellence from their professors, the BSC administration and staff and most importantly, themselves. A BSC student is not just the average student. They are part of a diverse body and each person has different needs. To adapt to these needs U.S.G. recognized over ten new organizations and put great concentration on minority relations. U.S.G. received assistance in their search for excellence from city legislations and even the White House.

The Spring was filled with community relations work as U.S.G. worked with the B.S.C. Community Relations Advisory Council in PRIDE in Buffalo Clean-Up Day.

USG has had its ups and downs and has faced many challenges. Asbestos removal, bursar blunders and other day to day difficulties continue to plague the United Students' Government. But, the 86-87 USG wishes that future governments keep up the programs implemented this year and develop new plans which carry the same enthusiasm and vigor that they had.

Student Union Board

Great minds think alike. Abe Lincoln, Albert Einstein and the Student Union Board. If Abe and Al were around today, they would certainly be on the Student Union Board. SUB's primary functions are to provide entertainment for the campus community while providing fun and experience for its members. Some of the different varieties of entertainment were: concerts; which in the past have included Simple Minds, 10,000 Maniacs, Motorheads and Wendy O'Williams. Coffeehouses with entertainment such as comedy troupe Guilty Children and improv with Jim Belushi. Films (free on Sundays) that included Brazil, Out of Africa and The Col-

or Purple. Guest Speakers that included Dr. Ruth Westheimer and Larry Linville were also on the agenda.

Each of the four entertainment categories; concerts, coffeehouses, films and speakers are headed up by the student chairpersons and run by student committees. As you can probably tell, SUB encourages student involvement as much as possible. Students tend to learn a thing or two while having some fun on the side in the Student Union Board. Their office is on the top floor of the Student Union Building. It is easy to find, it's the office where the walls are shaking from the rock 'n roll!

Student Legal Aid Clinic

The Student Legal Aid Clinic funded through the mandatory Activity Fee, provides the students with legal advice and information. The Legal Aid Clinic is staffed by student volunteers gaining paralegal experience and one lawyer.

The JEWISH STUDENT UNION strives to provide social and cultural activities for the students of Buffalo State. J.S.U. provides everything from holiday celebrations to information on Israel.

Commuter Council

COMMUTER COUNCIL is a student run and funded organization. The main emphasis is serving a student body that consists of over eighty percent of off-campus and Commuter students. Besides working with the United Way and the local Red Cross in fund raising events, Commuter Council has worked closely with Commuter Services in the Carpooling and DW3 program.

Moon ball, once again, was a success this year.

The Council provides entertainment such as the Sanity Sessions and Commuter Daze as well as Monte Carlo night, which raises money for student scholarships.

Commuter Council supplies free coffee and tea daily for the students. The Council enjoys its opportunity to serve the students.

Art History Club

The Art History Club this year celebrates the one year anniversary of its founding, and judging by the diverse and numerous activities sponsored by the club, it has quickly grown out of its infancy and become an important part of Buffalo State College.

Some of the trips, tours, and lectures the club has sponsored are: a trip to see "Vatican Splendour" at the A.G.O. talks with Douglas G. Schultz, Director of the Albright-Knox, with Dr. Glubernick to see his artwork at the Lasalle subway station, and with William Siener, Director of the Buffalo and Erie County Historical Soci-

ety.

The highlight of the year is without a doubt the annual art history symposium. This year, the theme is "Art and Literature." Among the guest speakers are Paul D. Schweizer and Kathleen Hjerter.

The Art History Club continues to offer free tutoring for students in FAR 250 and 251. The club has also given toward the Millonzi Memorial Fund for the purchase of a Charles E. Burchfield painting to be added to the permanent collection of the Burchfield Art Center.

Zeta Beta Tau

Zeta Beta Tau Fraternity was founded in 1898 in New York City. The Alpha chapter was established in 1903 at the City College of New York. Beta Tau colony at Buffalo State College was recognized on

campus in the fall of 1985. The main purpose is to promote intellectual awareness, responsibility socially, integrity and brotherly love.

Phi Kappa Sigma

PHI KAPPA SIGMA was founded in 1850. Since then, the fraternity as a whole has established itself into one of the strongest collegiate organizations. Phi Kappa Sigma has continued to promote good fellowship, the cultivation of social virtues, good scholarship, the protection of just rights, the advancement of the best interests present and future, individually and collectively.

Gamma Alpha

The GAMMA ALPHA Chapter of Phi Kappa Sigma was founded in 1981 on Buffalo States' campus. The Chapter is predominately black and hispanic despite the fact that the fraternity as a whole is basically white. Phi Kappa Sigma is an integrated fraternity and we are proud of it.

Over the past few years we have grown, becoming a real force on the campus. Phi Kappa Sigma has and will continue to prosper here at Buffalo State because WE wish to get involved.

WBNY

WBNY is a student run organization, located in the Student Union. With a nu-music format, listenership is popular and evergrowing, and only with 100 watts of power, WBNY serves most of Western New York and parts of Canada. WBNY is known for its alternative roots to nu-music, however there are many other assets; WBNY has many types of music shows, such as Metal Daze, Jazz Fusion, Hardcore, and Saturday Night Dance music.

Special features such as Buffalo's only entertainment radio show Buffalo Night Life, public affair and call-in shows on All Talk Monday, Friday Night Specials with a surprise feature every Friday night, regular news and sports casts, and a special Election Night coverage.

In a professional state of mind, the dedication is

overwhelming as our radio station serves the public 24 hours a day. This years special promotional events included live remotes, live interviews with popular music groups, many album and ticket giveaways and particular events such as Depeche Mode Party Bus where we fed and bussed 500 Buffalonians to Canandiwaga to see a Depeche Mode concert.

WBNY serves both the SUCB campus and the Buffalo community, with approximately 120 members and continually growing in membership, we are very family oriented and have great potential.

The Ladies of Phi Kappa Sigma Fraternity

The Ladies of Phi Kappa Sigma Fraternity Inc. is a sisterhood organization. The Ladies of the Gamma Alpha chapter started in 1981 at Buff State. Besides having the best interest of the fraternity in mind, the sisters have dedicated themselves to the college as well as the community.

This dedication is shown by their many donations to Children's Hospital and The City Mission. The Ladies of Phi Kappa Sigma Inc. have also donated tremendous amounts of time to various community groups such as: NICYO, Girl Scouts, YMCA, and the March of Dimes. The sisters dedication to generating a sense of love, peace and unity was most shown when they began sponsoring underprivileged children all over the world.

Sigma Phi Epsilon

When Sigma Phi Epsilon Fraternity was founded on November 1, 1901 it was based on the three Cardinal principles; Virtue, Diligence, and Brotherly Love. Through the years many chapters have been started on college campuses across the country. On April 7, 1979 the Sigma Phi Epsilon Fraternity started a chapter at Buffalo State, since then many changes have taken place.

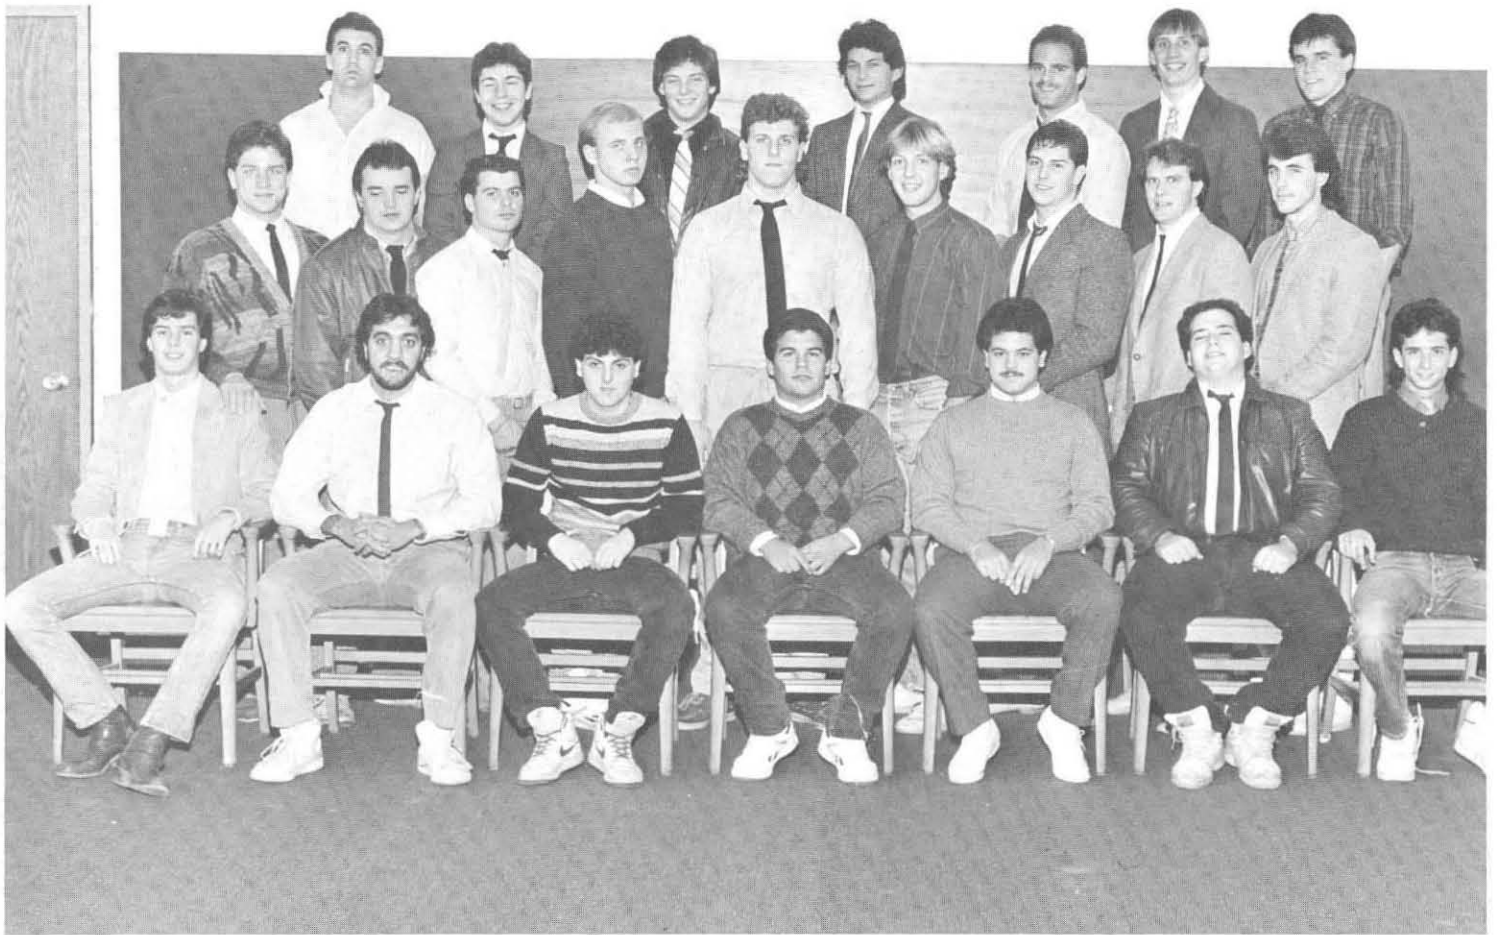

Sigma Phi Epsilon is now the largest and fastest growing fraternity on campus. They pride themselves through excel-

Zeta Phi Beta Omicron Mu Undergraduate chapter was founded in 1982 at Buffalo State College. The chapter has been represented at every Zeta Conference from Maryland to Anaheim California. The chapter has performed many services in and around Buffalo. Annual events sponsored by the chapter include the Finer woman Hood Fashion Show, Salvation Army Clothes Drive and Pan-Hellenic Greek shows. In the spring the Omicron Mu sponsored a Blue and White undergraduate weekend which included all undergrads in the New York and New Jersey areas.

The objectives of the sorority are finer womanhood, scholarship, sisterly love and community service. Their colors are royal blue and pure white.

I.G.A.

The Inter-Greek Association has made great strides this year. I.G.A. has started a Greek newsletter that lets the campus and community know what the individual Greek organizations and I.G.A. are doing that month.

During Homecoming 86, I.G.A. showed off their Buffalo State of Mind by playing Animal House in the Social Hall as a prelude to the Otis Day Concert. In November, the association raised money for the Arthritis Foundation through a balloon liftoff. I.G.A. also sponsors a Greek-Week which includes events such as presentations, workshops, and even a lip sync contest.

This year the Association is holding a Guinness day, on that day the Greeks will get people together in order

to break one of the Guinness World Records and let everyone know that BSC is the best in the world. To close the year, the Inter-Greek Association holds the Greek Games as an Olympian competition between all of the Fraternity and Sorority members.

Overall, the Inter-Greek Association is here to further the ideas of brotherhood and sisterhood and to promote harmony between all Greeks.

Sigma Tau Gamma

Sigma Tau Gamma is the fastest growing national fraternity with Rho Chapters at Buffalo State being just one of seventy-five chapters. This fall Sigma Tau Gamma hosted the Three Rivers Regional Conference in October. Chapters from colleges as far as West Virginia took part in the two day event.

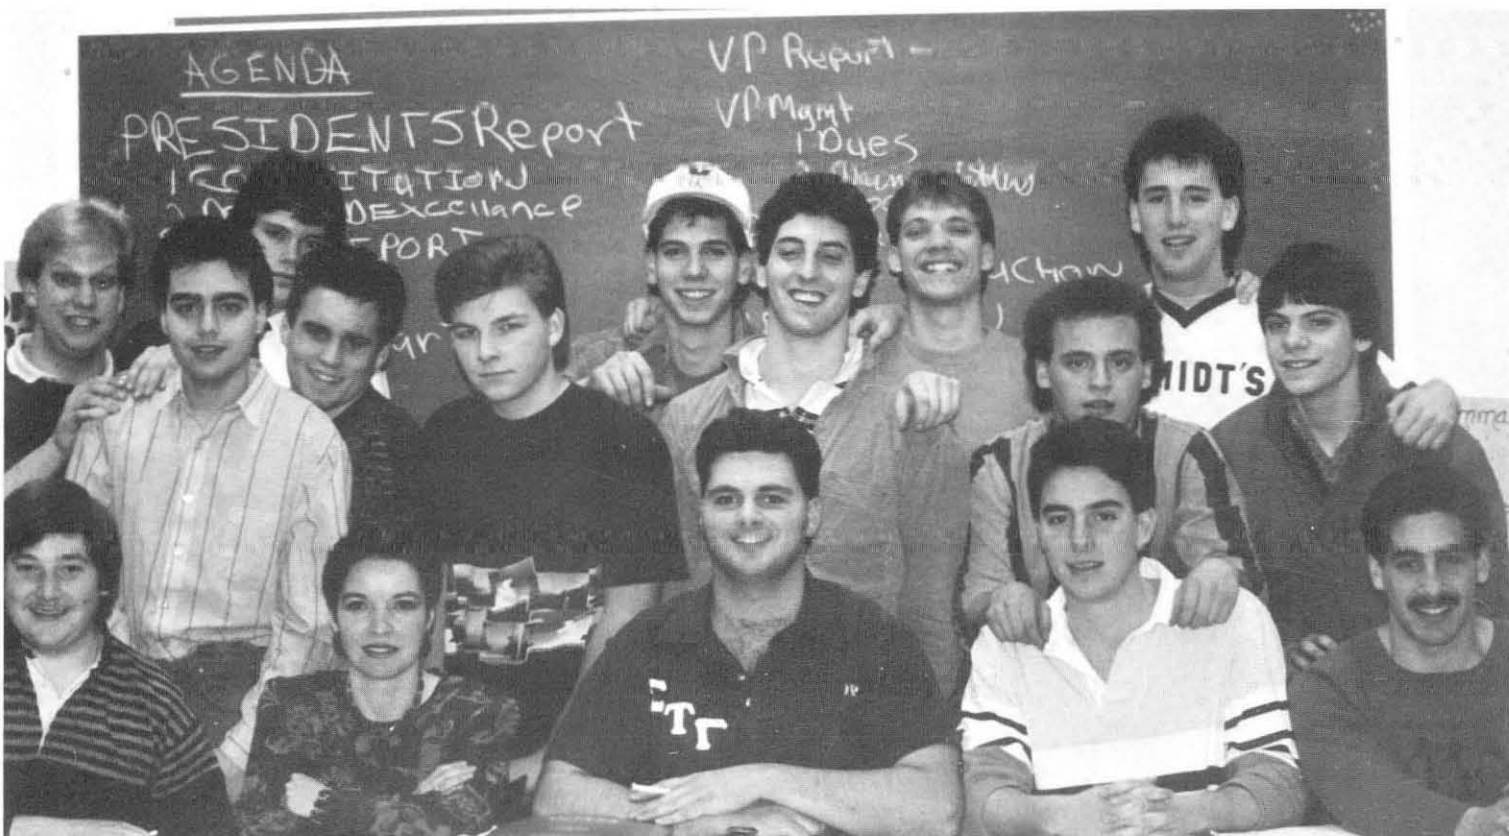

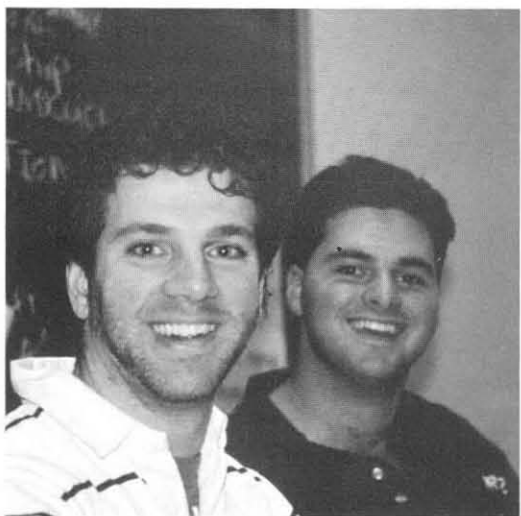

Sig Tau also attended college camp at Whispering Pines for a pre-Thanksgiving celebration in the fall. Another main social event during the year was the 52nd White Rose formal.

The fraternity also served the Buffalo community in a number of ways over the 86-87 school year; including a can good drive for the needy people on the West Side; and Christmas caroling at Mary Agnes nursing home. Nuff' said!

The White Roses of Sigma Tau Gamma is an auxiliary organization to the fraternity. The little sisters of Sig Tau work together with their brothers on social events, fundraising events and community service projects. The Roses helped their brothers prepare the float for this years homecoming parade. Although the float ran out of gas the brothers and sisters of Sig Tau had a lot of fun. The sisters also participated at college camp in November to bring the organization together for a weekend of fun.

On April 25th the 52nd annual White Rose formal took place. The ball is open to the college and about 165 people attended.

The Roses work with the fraternity functioning as a whole, to serve the Buffalo community and its surrounding areas.

SPORTS

FOOTBALL

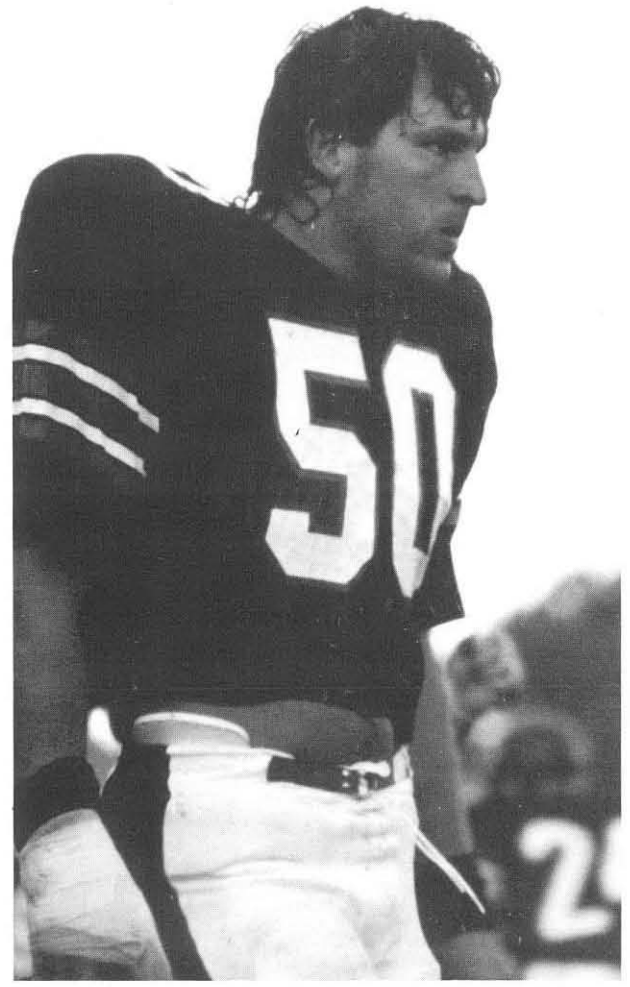

It was a season of change for the Buffalo State Bengals. Gone were Ben Chirco, Captain Al Balcaen, and coach Les Dugan and in its place was a new full time coach Jerry Boyes and a group of young but eager players. Buff State's Bengals finished up the season with a record of 1-8.

Leading the team was Nate Bliss the Bengal punter. Nate made Academic All-American with a G.P.A. of 3.2 in J.B.S. and was also selected for the Eastern College Athletic Conference. Clint Morano was also nominated for this prestigies award.

The Bengals spirit was high all season and showed great promise for the future.

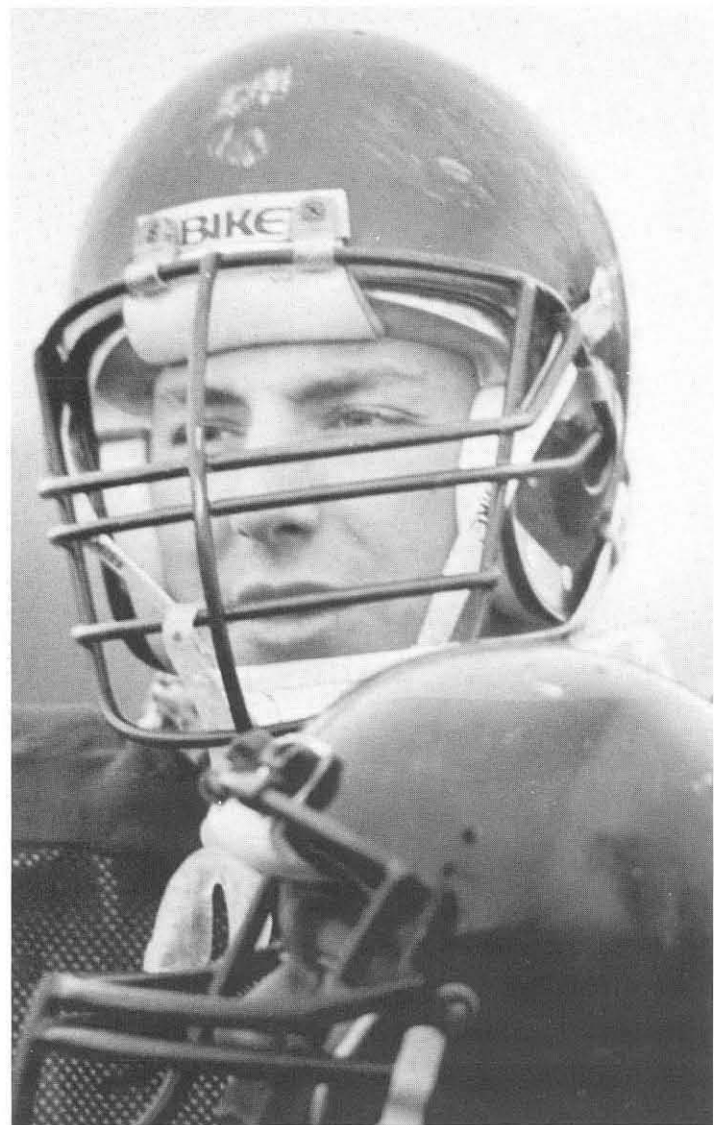

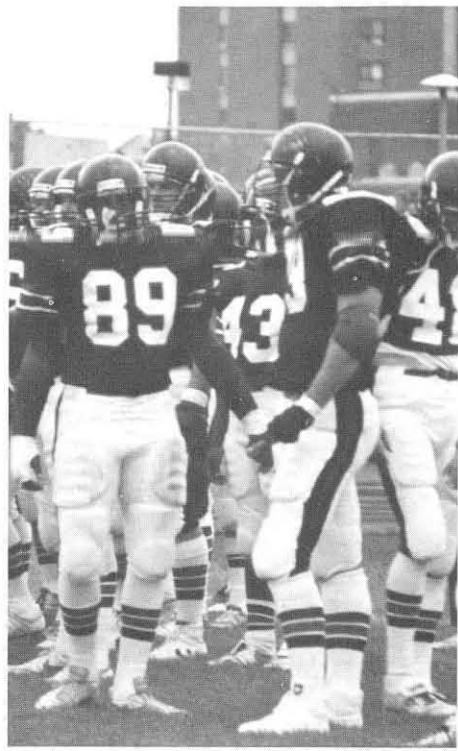

FOOTBALL

RUGBY

Some call it suicide others call it a good time. However you look at it Buff State ruggers definitely do seem to have fun. Finishing the fall season with a 5-3-2 record Buff State's Rugby team has gone through many changes.

"There are a lot of new young players along with some of the "old war horses" and together we are pulling the team together, states Vice-President Scott Feltrinnelli. Led by President "Saftey Pup" Scott Keiser and Treasurer Gary Korp the team headed down to Florida for training and to play different teams down there.

Playing rugby is not all these slightly crazy guys do, they are involved with many campus and community events. Helping with the United Way blood drives and of course the many parties they have, has made the Buff State Rugby team very well known.

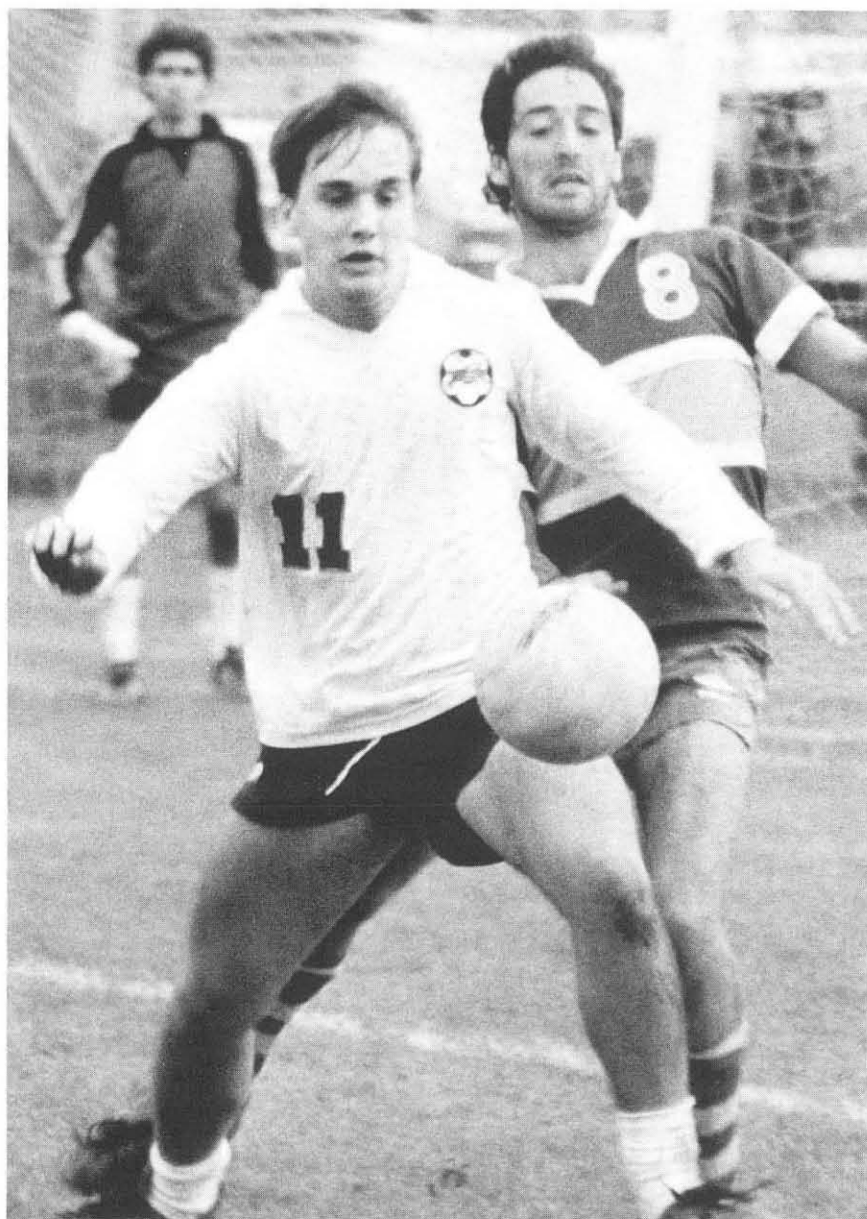

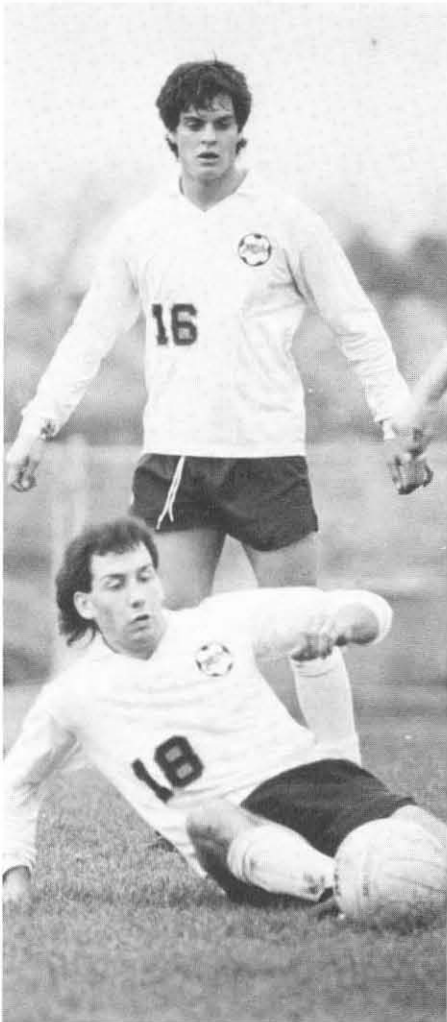

ABOVE LEFT: Scotty Feltrinnelli tackling the opposition and succeeding. **BELOW LEFT:** Angelo Mojica going down but still holding on to that ball. **ABOVE RIGHT:** Scotty Feltrinnelli taking it from both ends. **ABOVE:** Patrick Burke, Angelo Mojica, John Feyko, Mark Handwerger, Evan Schaffer, Tom Delia, Stan Majewski

For the second consecutive season, coach Jean Tassey a highly regarded and respected man of soccer knowledge fielded a team that had the talent to be a championship team but one that fell victim to lapses of ineffective play and mental mistakes. The defense would play a solid game but the team would lose 1-0. As evidenced by the 7-8-1 record, the Bengals should have done better. However the Bengals had their share of memorable games, such as the 3-0 victory over Fredonia.

Five BSC Bengals made the ALL-SUNYAC West team. Paul Mathews, a senior and Hank Valentine, BSC's talented goalie had outstanding seasons as did Franklin Harze and Tim Burns. Coach Tassey has a difficult task of turning around the BSC soccer program. The Bengals, however, do look forward to next season to prove that the past two years is not an indication of the way the soccer program is heading. BSC has faith in coach Tassey and the Bengals.

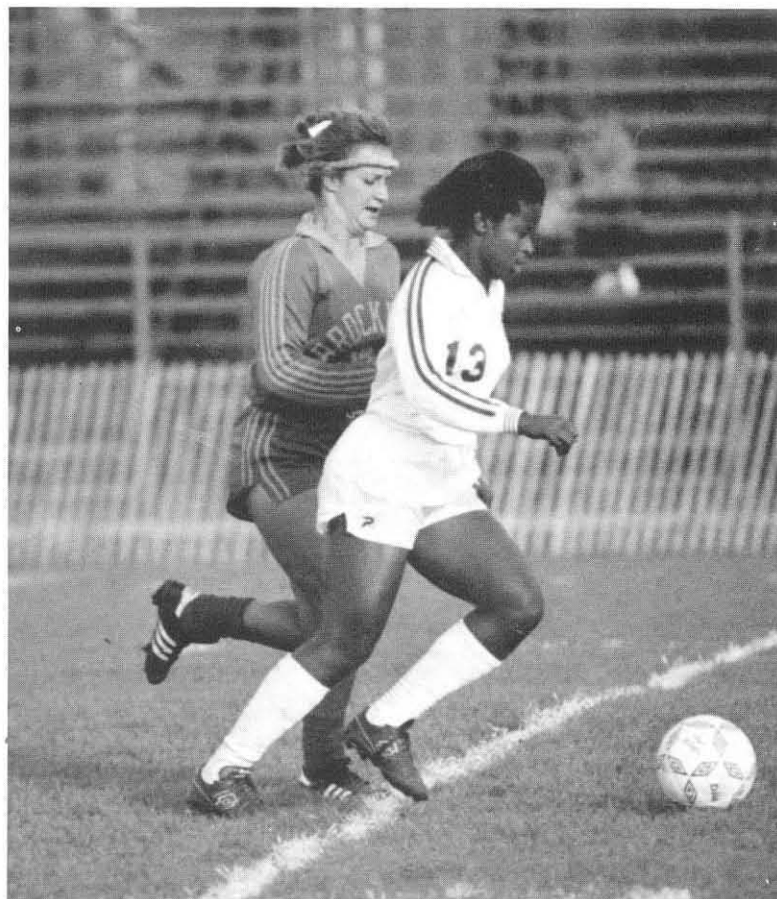

SOCCER

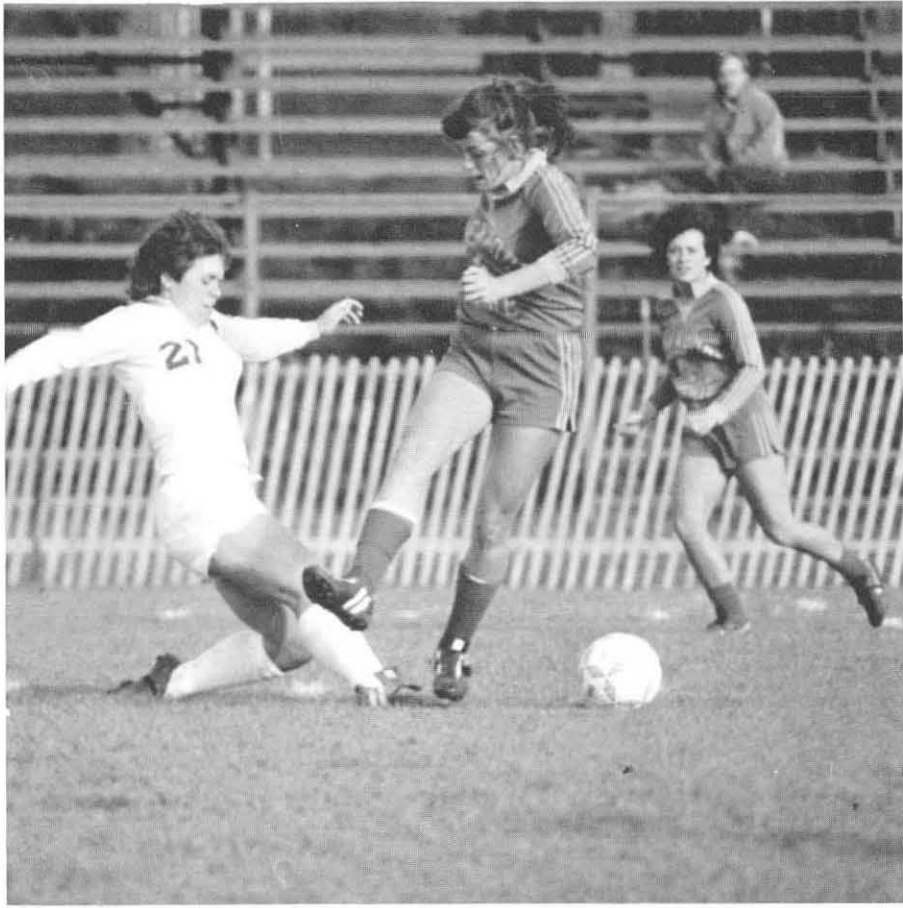

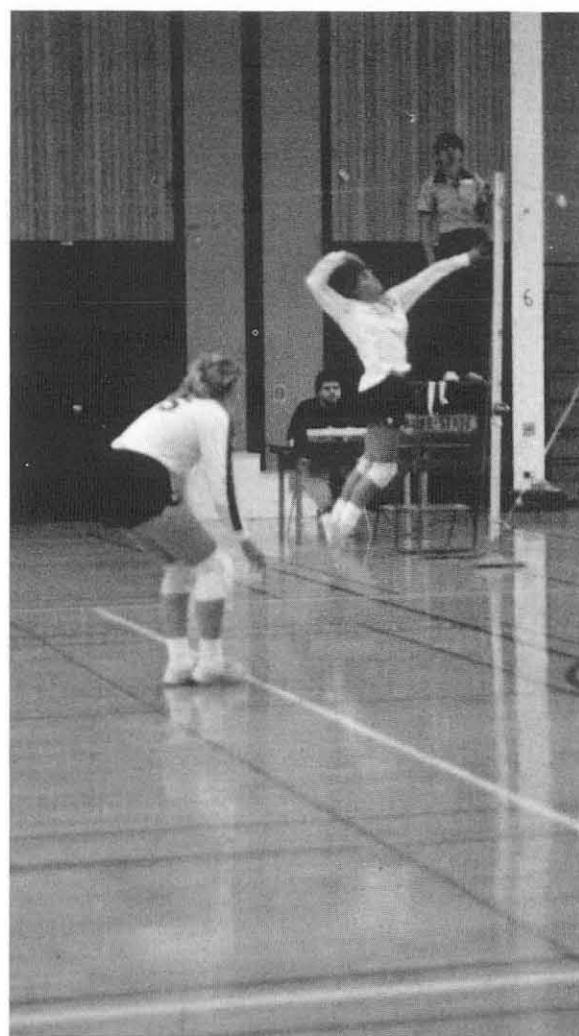

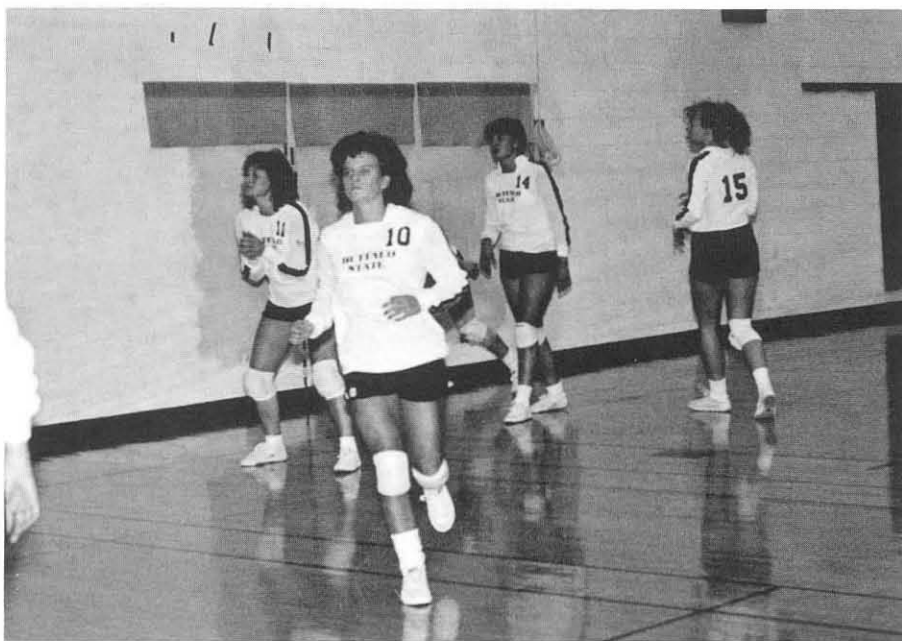

The 1986-87 season did not exactly turn out the way it was intended to. A disappointing 4-12 record was the result of a season of being overpowered by their opponents. An eye injury to the talented Valerie Krell, and the lack of a leader on the team further hurt the Lady Bengals season. However the intensity level of the team, despite the record was visibly high. The Lady Bengals refused to quit and showed hustle. Coach Sid Goodman tried to get this hard working group to work as a single unit but it seemed that individual efforts were of concern more. As the season went on the Lady Bengals kept up their spirit and are optimistic for next season.

SOCCER

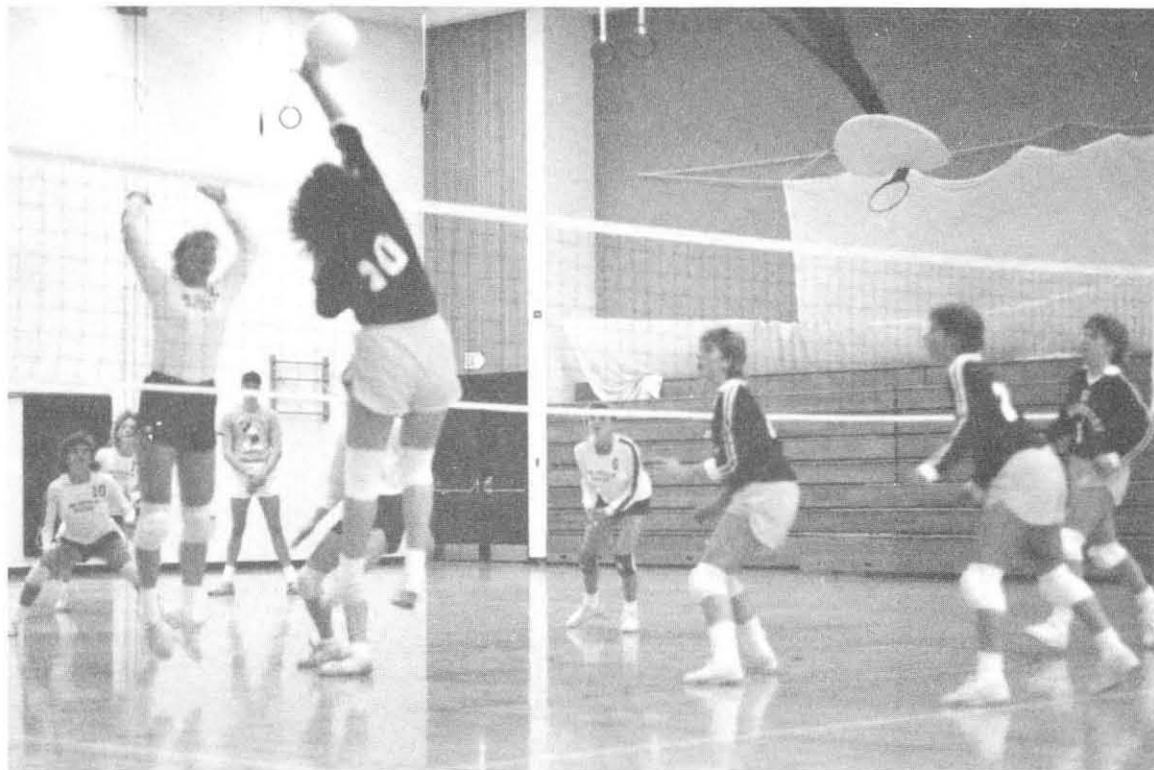

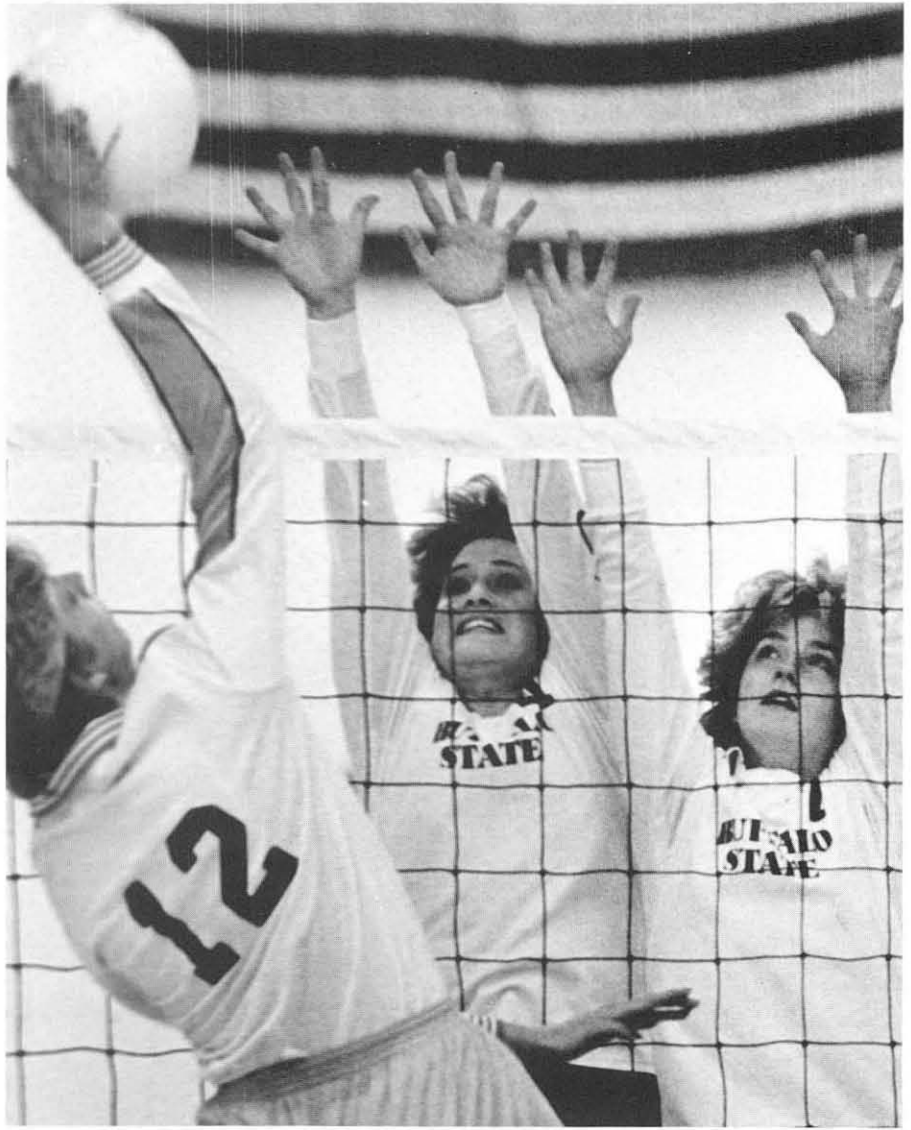

WOMEN'S VOLLEYBALL

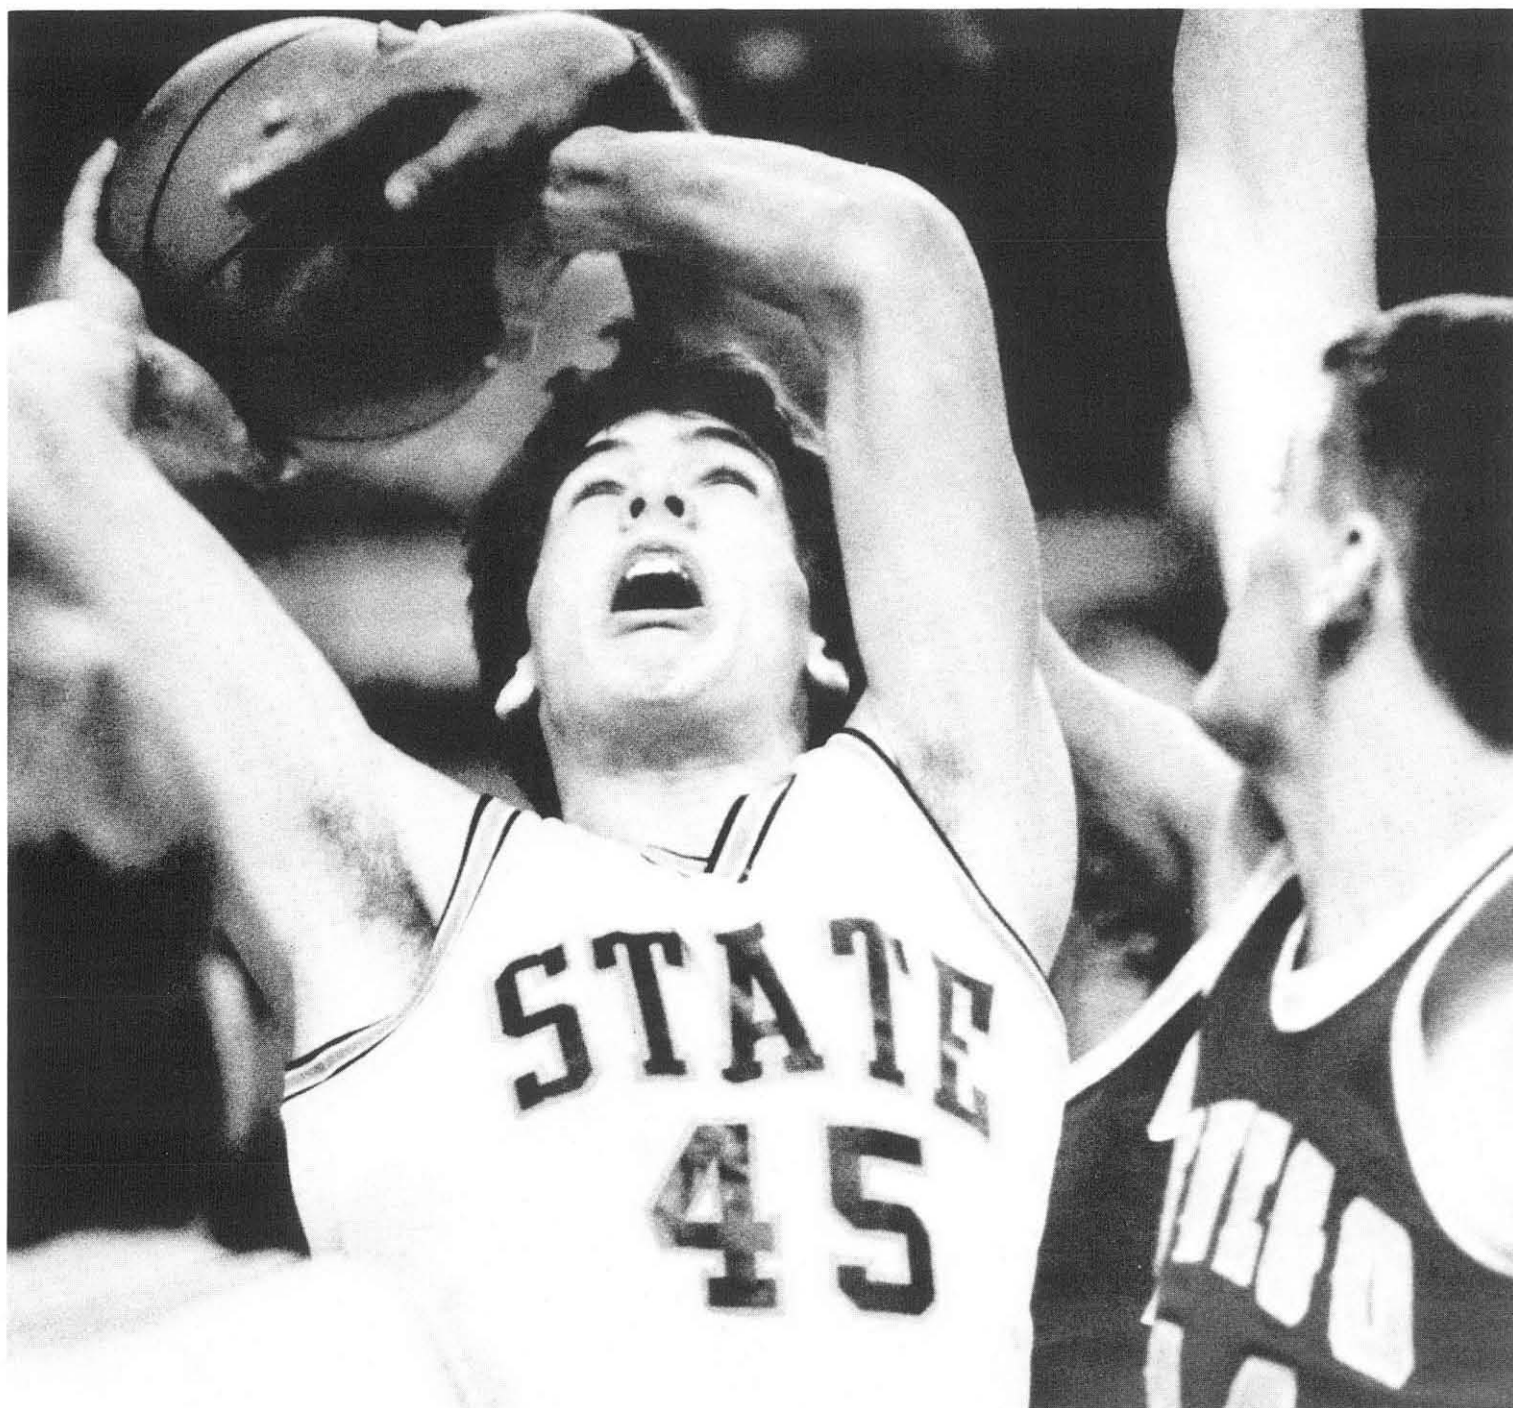

Last year, the BSC womens volleyball team survived numerous off court distractions including the loss of the three top players and the coach. This year the team was looking forward to a new start and a chance to put the past behind it. Returning players Debbie Drake and Moreen Skipper, who anchored the team in its toughest times last year, provided the leadership that the Lady Bengals needed to have. Coach Jay Horowitz tried to blend the Lady Bengals into a tight group that would not fold under the pressure of the competition.

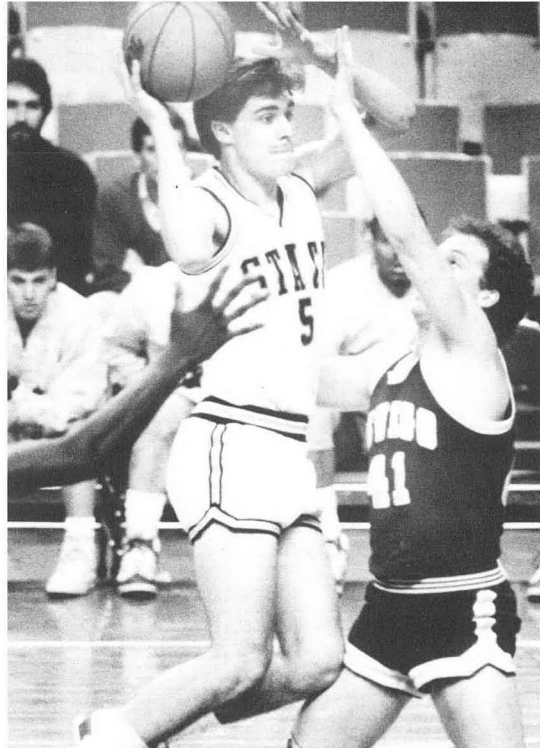

Kim Phillips, a recruit to the bengals, helped the bengals to be competitive and the team never quit despite the lack of fan support and the obscurity that they played in.

MENS' BASKETBALL

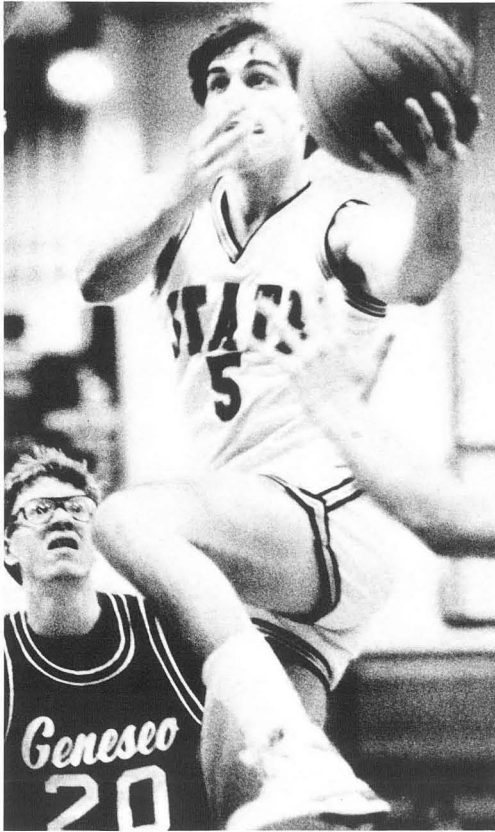

The 86-87 season was one that was marked by the graduation of James Clinton and Frank Memoli. Clinton, the leading scorer and Memoli the playmaker from N.Y.C. were an integral part of the Bengal drive to the SUNYAC West title and the loss to Postdam State, eventual National Champions, in the SUNYAC Championship game. Add to this, the loss of Tavoires Flournoy the valuable sixth man and the word "rebuilding" began to be used more when talking about the BSC Bengals. The Bengals were hit with more bad news at the beginning of the season, Rich Winia-towski, the other half of BSCs' "twin towers" was finished before the season began because of a severe ailment.

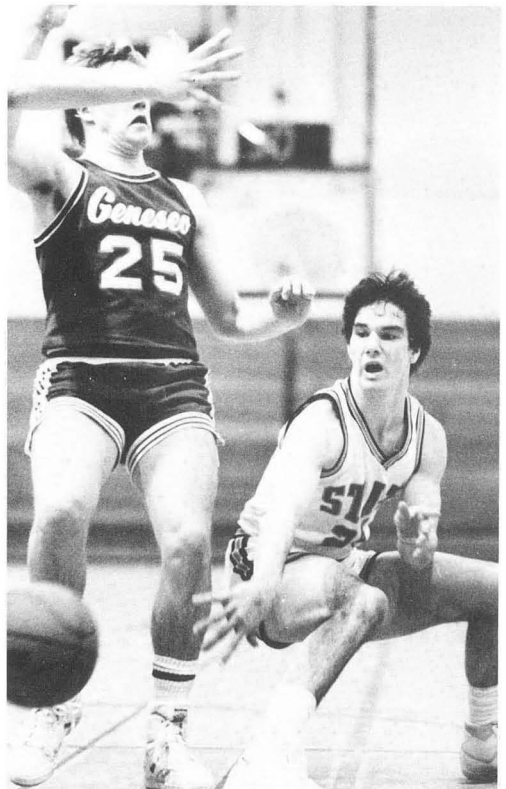

With all of this, it was evident that coach Dick Bihl would have trouble fielding a powerhouse squad that BSC fans were used to. However even with all the problems the BSC Bengals pulled through. Tim McCarthy, the lone starting senior handled the ball well all season and is a defensive standout. Junior guard Bradley and sophomore center Conrad Walters both have had an outstanding season. Rounding out the starting five is Al Young, and Rick Wnuck.

The BSC Bengals are a young bunch with only two seniors on the roster. However, this has not stopped them. Their victory over arch rival U.B. at alumni arena proves this. The Bengals and coach Bihl have great expectations for this young team and so does Buff State.

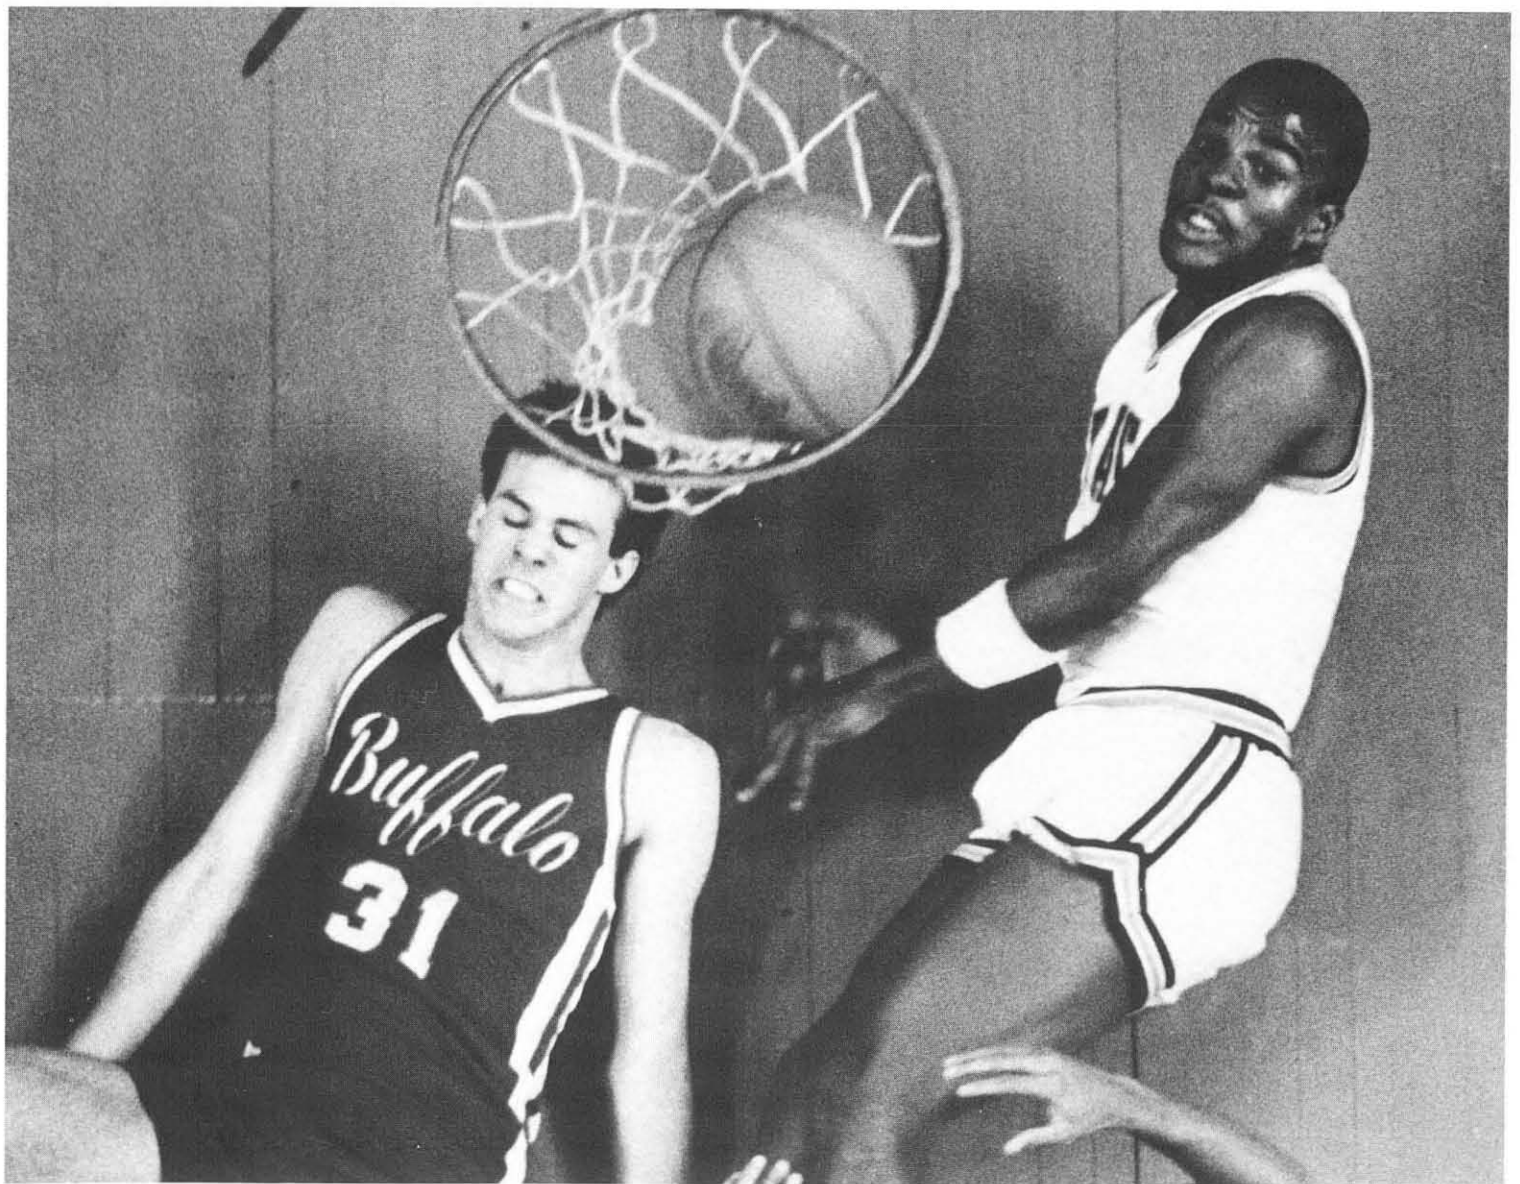

ABOVE: Senior Tim McCarthy at his defensive best. **ABOVE RIGHT:** Buff States version of a ticker tape parade for their victorious Bengals when they defeated arch rival U.B. **RIGHT:** Kevin Tully getting the ball away from the opposition.

BELOW: Buff State stealing the ball from opposing U.B. **BOTTOM:** Lying out U.B. and getting the basket was what Clevester Bradley planned on doing and did it.

WOMENS' BASKETBALL

The Lady Bengals finished the '86 season with an impressive 23-3 record. However as last years season came to a close the thought of the players the team was going to lose was on everyone's mind. This did not stop the spirit or determination of the '87 Lady Bengals team. What did hurt was the loss of the highly respected and admired coach Gail Maloney. Taking over for coach Maloney while on a year sabbatical was Asst. Coach Jim Jabir.

Talented players such as Brigette Howard, Kathy Hearn and Tricia Staples returned to the team a year older and a year better. Julie Meyers and Joy Harper were new talent and blended in well. Although the team had a hard time living up to last years victorious season the Lady Bengals determination and spirit never faltered.

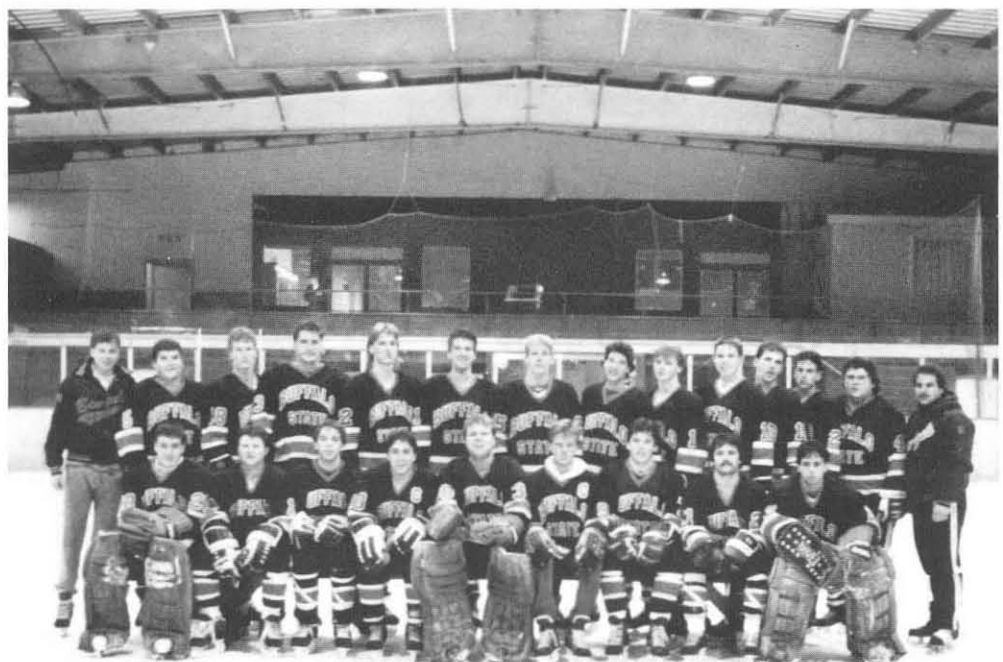

ICE HOCKEY

The Bengal Icers faced the 86-87 hockey season looking upwards. Head Coach Steve Ferrentino did his best to lead this squad into the play-off race. The offense is led by tri captains Leo Hopkins, Tony Bianchi and Rick Scherer. Bianchi is a hard shooting and hard hitting player who can spark the attack. Hopkins, a player whose aggressive style of play has earned him respect of teammates and opponents alike. Scherer led the Bengals in scoring last season and finished fifth in the league.

The defense is led by hard hitting Dave Goodrich who is smart and mobile and can move the puck out of his end. Dan Goldie is another player who hits hard and has made an impact on the defense. Don Wartinger has been a very valuable player, he can play either forward or defense and is a hip checker specialist. Marc Hartman, a freshman, was moved to defense at the mid season and has proved to be very steady. Joe Brannigan, Dave Offhouse, Matt Antos and freshman Ron Giouino round out the Bengal defense. All are hard hitting and defensive defensemen. Goal tending is strong with Mark Wisnieski returning from his All Star season right where he left off.

LEFT "Look at that time you squid, you swim like granite." **BOTTOM** "Hey, let go of my trunks you flammer!" **MIDDLE** "Oh no, I'm at the end of the pool!"

SWIMMING

The 86-87 BSC men's and women's swim season, though not successful team wise does show some promise for the future. While BSC did not win a team meet, there were several outstanding performances turned in by the freshman members of the squad. Freshman Barb Houldson set a school record in the 200 meter freestyle. The Lady Bengals also received strong performances from team captain Aimee Holmes, and Ann Walker. The men's team has received strong performances from freshman Brant Howe, a distance swimmer and Troy Rank, a senior member of the team.

While the teams do have talent a lack of committment to the BSC swim program has been apparent. Probably the least known sport on campus, the swim team never gave up during the season. The strong performances of the younger members of the team and hopefully a strong performance of the other members will sway the minds of some of the local swimmers and give BSC a good shot at the championship.

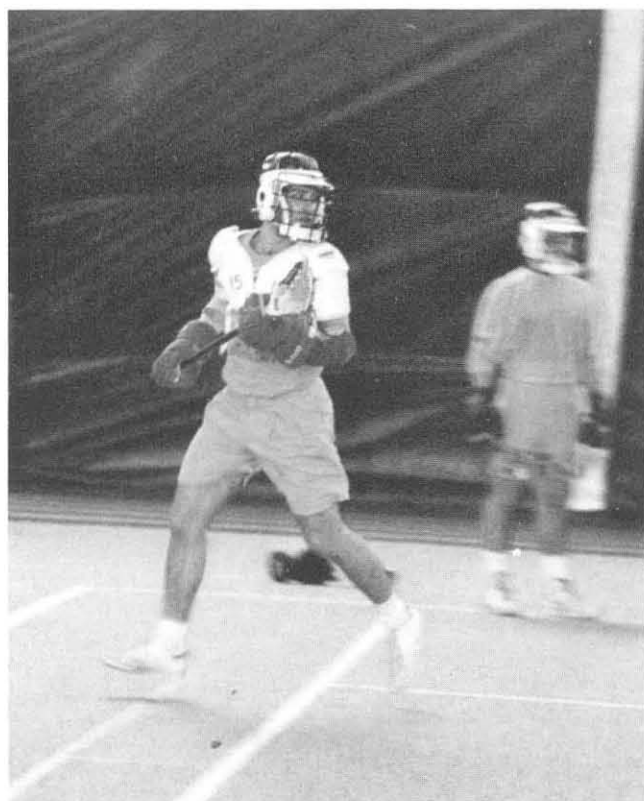

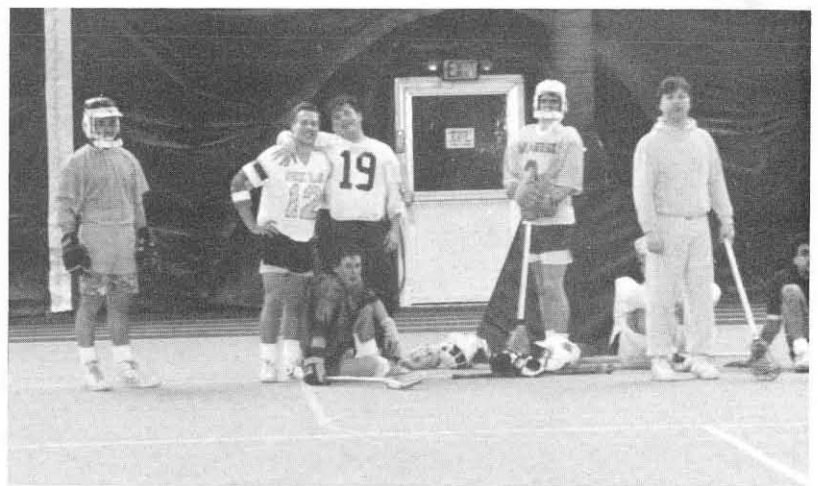

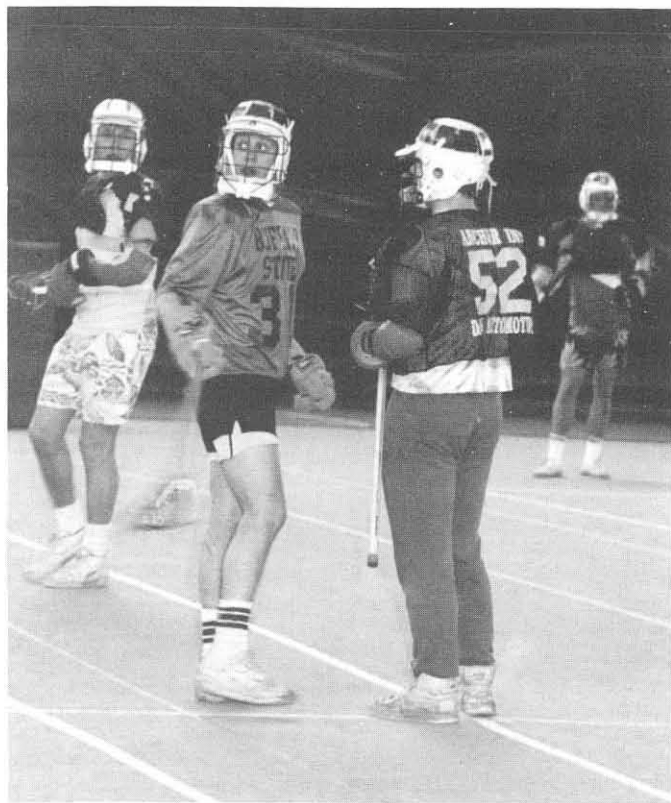

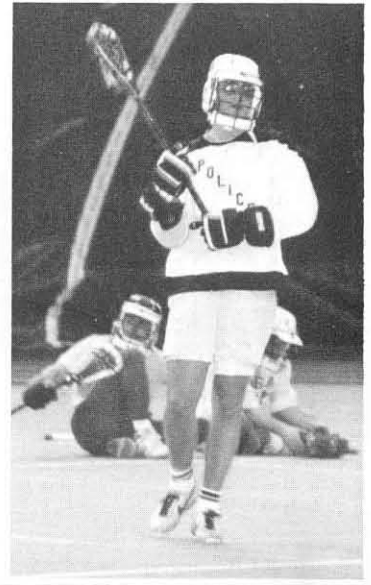

LACROSSE

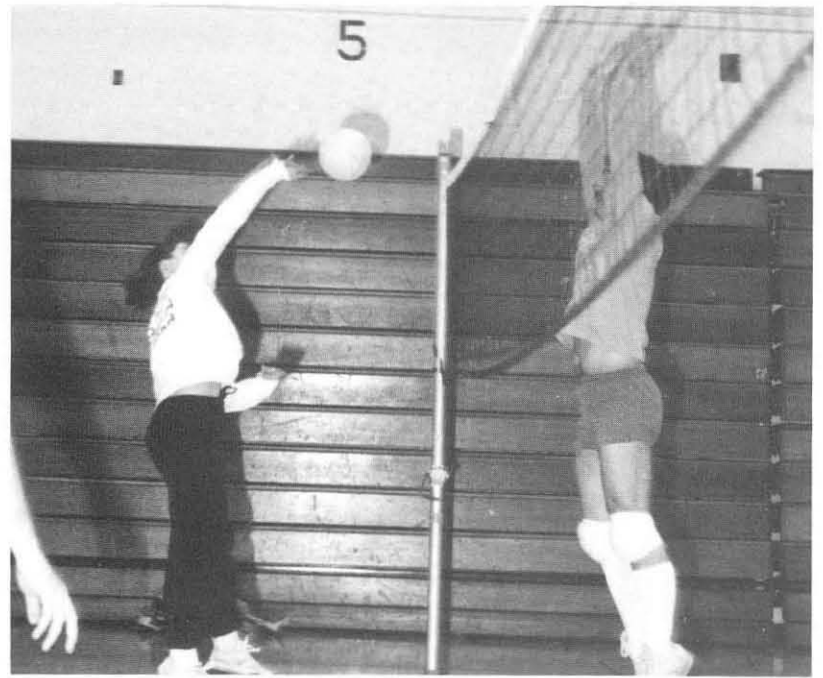

For the past few years, spring sports at BSC were at a handicap because the New Gym was being used and the Buffalo weather just wasn't cooperating. Well last year the "Bubble" arrived at BSC. Now there is no excuse. The BSC Bengal Lacrosse team is one that is making good use of the new facility. This year the Bengals will not be one step behind.

The 1986-87 BSC lacrosse team looks forward to the upcoming season with the hopes of reaching the untapped potential of the past teams. With Al Wallon leading the offense and Mitch Pruzan anchoring the Bengal net, the Bengals have a blend of proven players and upcoming newcomers. Coaches Tim Kirch and Ray Wallon, both former BSC standouts, have the knowledge of the game and the respect of the players.

If the Bengals can avoid distractions and play the tough aggressive style needed to be competitive they can challenge for the title.

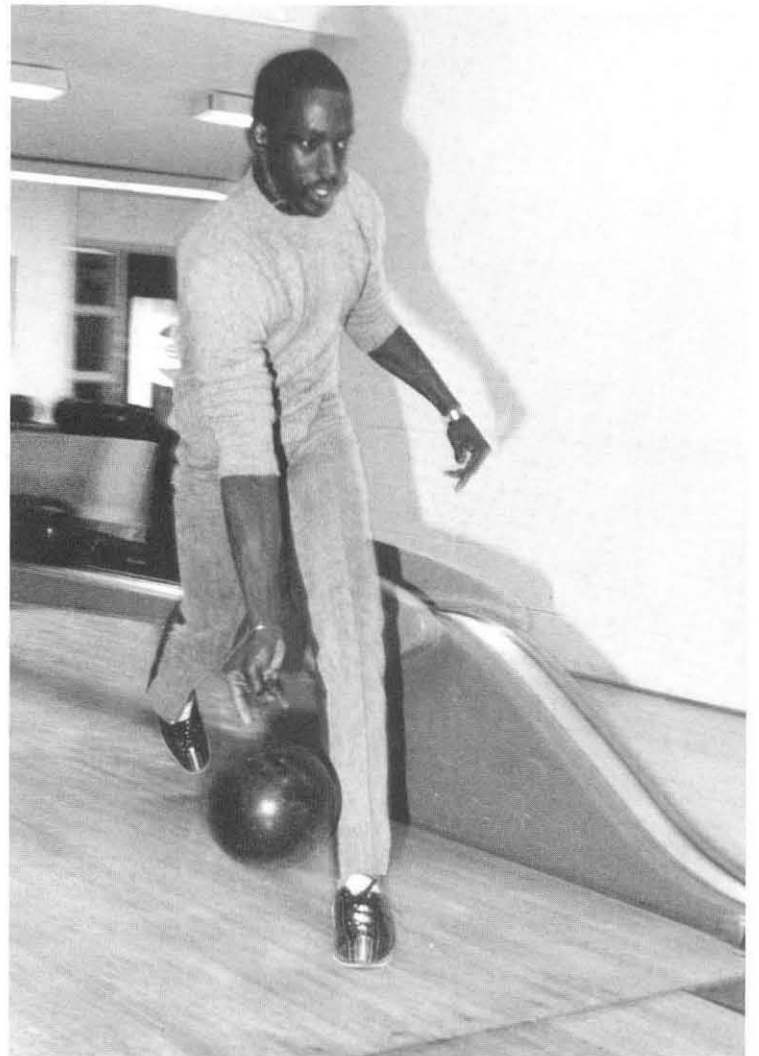

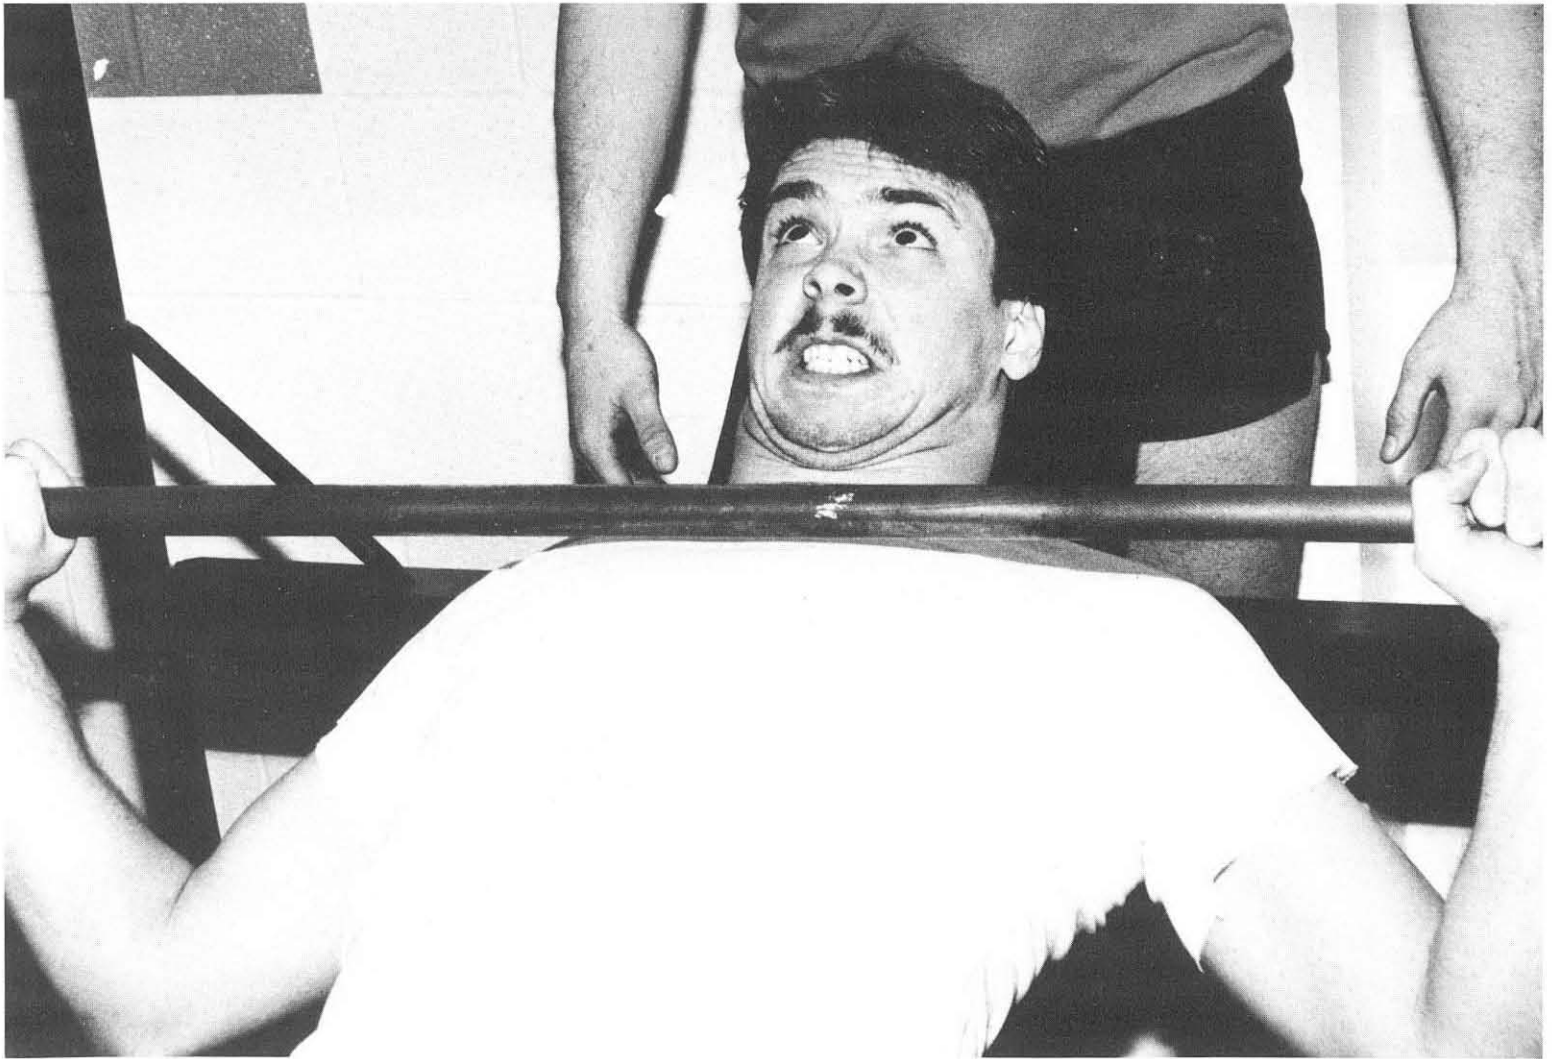

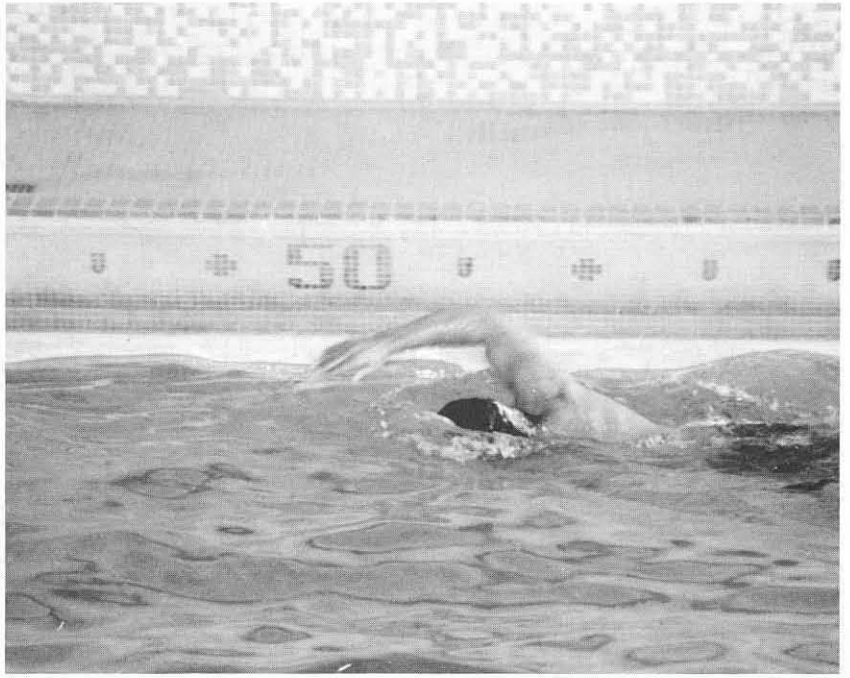

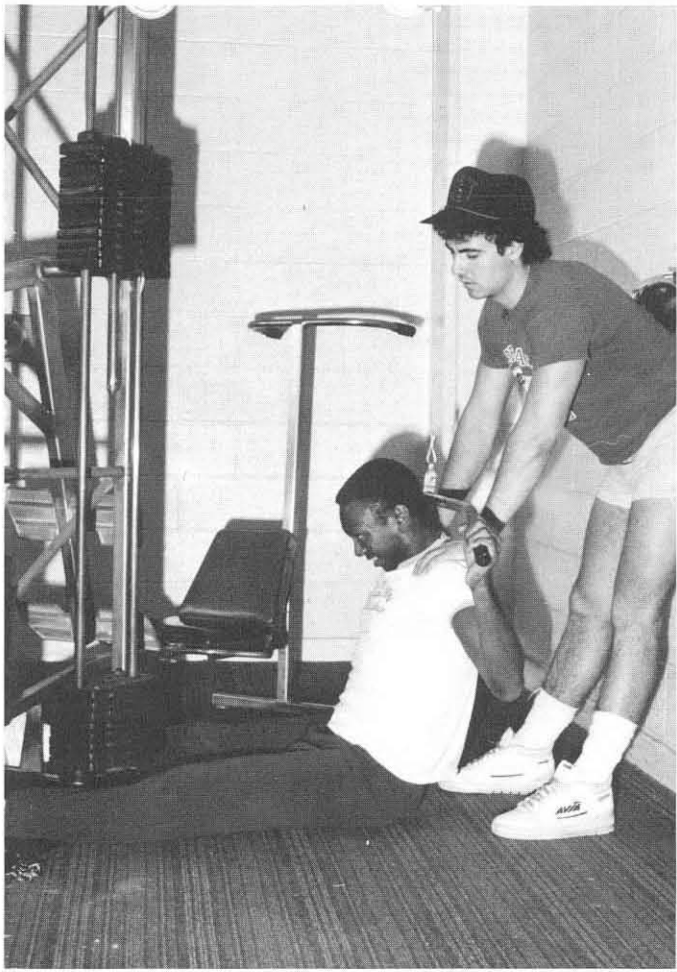

RECREATIONAL SPORTS

Sure college is a lot of work but who says you cannot have fun too. However fun can mean a lot of different things to different students. While some run to the nearest bar others run to the racquetball courts or just run.

Bowling, an old favorite pastime of many Buff Staters had to be put on hold spring semester because of asbestos removal in the bowling alley but the pool hall kept up its thriving business.

Whatever the recreational sport was from holding a glass to jogging Buff State sure had it.

The Buffalo State Cheerleaders under the supervision of coach Karen Merkel, and captain Joanna Trigilio are a dedicated athletic organization. The squad is made up of fifteen girls who offer a full time commitment to their sport; as their season begins in August and goes through February. The cheerleaders are the driving force behind school spirit. The Buffalo State cheerleaders efforts come to life at all BSC home football and basketball games.

CHEERLEADERS

The Ben-Gals Kickline found their fifth year at BSC to be their most successful. The close knit group opened the season with 24 members, the largest ever.

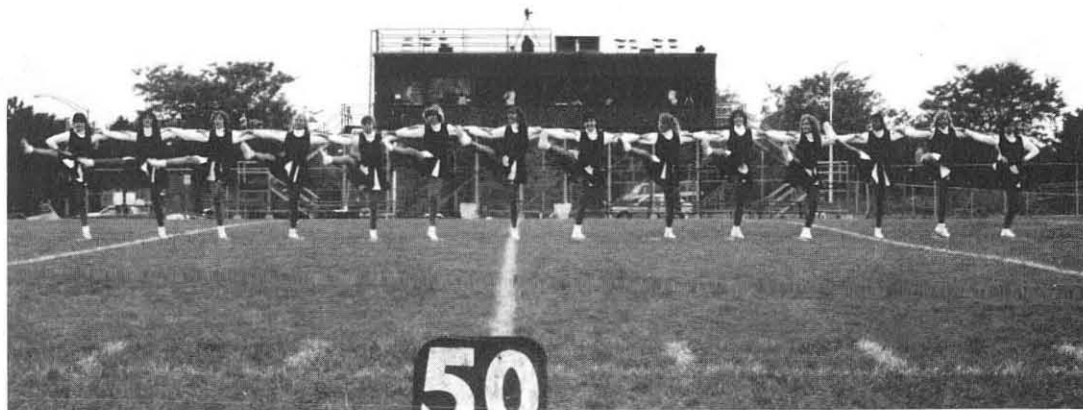

The line's purpose is to provide entertainment at home football and basketball games. The most memorable routine occurred at Homecoming '86, where fans in the stands joined the girls in kicking to "Shout".

Flexibility, endurance and dancing abilities are required of all Ben-Gals. To achieve this, the girls have nightly two hour practices. However, the most important requirements are spirit and dedication. This can be seen on every smiling face when rain or shine, the Ben-Gals take the field.

Deena Reise, Shelly Lauckern, Lisa Marinello, Kathy Sullivan, Gina St. Phillips, Denise Mafia, Cathy Hunter, Kim, Lauren Moore, Aimee Nicholas, Vera, Sue LiBassi, Kendra Lynn, Kathy Bolton, Mary Cronmillea, Carla, Dawn Metzger, Cherlynn Turam, Sue Ellen

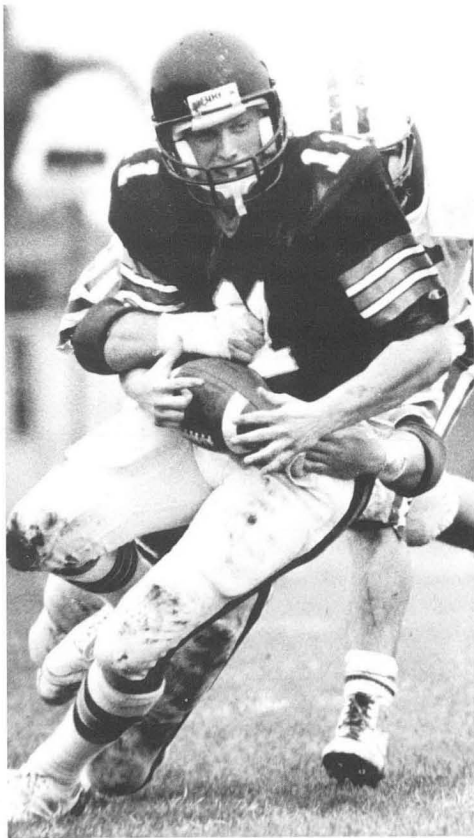

BEN-GALS

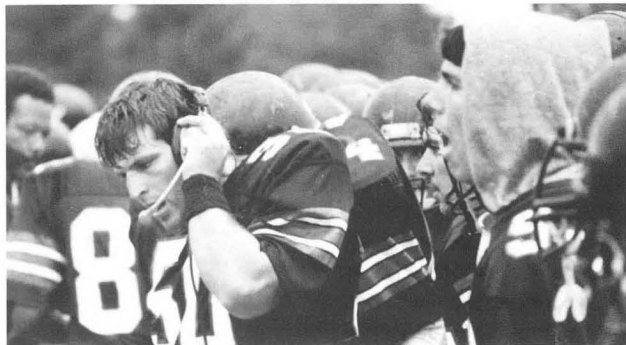

"The thrill of victory and the agony of defeat" does not just apply to ABC Wide World of Sports but to any team who knows the elation of winning and the deflation of losing. At Buff State these are common feelings. BSC feels great pride in their teams and through it all our spirit never flounders. Whether it is a victory party or a consolation drink, our pride in the men and women who wear the Bengal name always shows.

THE THRILL OF VICTORY

THE AGONY OF DEFEAT

CLOSING

Changes

As we branch out into the real world
we can turn and reflect back on our college years,
and see how much we have all grown.
The friends we have made
we will hopefully know forever
and the memories of those times we wished would never end
Maneuvering through society will not be an easy task.
But the roots that we've planted at B.S.C. will
be with us for a lifetime
And might even steer us toward our future dreams and goals

THE BUBBLE

Finally...

The "Bengal Bubble" Buff States newest structure. After months of problems and hardships this \$450,000 project was finally completed and put to use.

The bubble now allows runners to do their thing instead of waiting for the spring thaw. It also gives many spring sports such as lacrosse and softball a chance to start their practices earlier. Many intramural games and aerobic classes also now have a place to go instead of trying to find room in the gym.

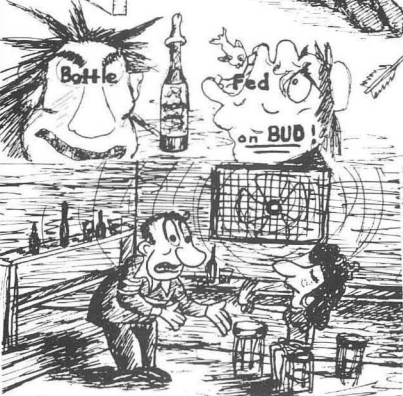

Yes, the bubble is now part of our campus and it is the only building on campus with as much hot air as Grover Cleveland!

Politics make for strange Bedfellows!

Colophon

This is the 76th Edition of the ELMS yearbook of Buffalo State College. It was lithographed in Charlotte, North Carolina by the Delmar Publishing Company. Dave Gentile served as our patient and understanding printer's representative.

Headlines are from the Palantino family, ranging from 36pt. to 48pt. All captions are in 8pt. News Gothic while body copy appears in 11pt. of the same. All words appear on high quality low glare 80 lb. dull enamel paper.

The cover was done in black sturdite with a new mission texture, and customed embossed with an original design. End pages were printed on midnight black and accented by an oval die cut.

Three spot colors were used throughout the book, with gold appearing on the first page. Turquoise PMS 325 appeared on pages 130, 131, 134, 135, 138, 139, 142, and 143. Light red PMS 211 was used on pages 132, 133, 136, 137, 140, and 141.

All senior portraits were taken by Merin Studios of Philadelphia, Pennsylvania. All color enlargements were done by Prints Charming on Sheridan and Eggert.

This 248 page book is one of 1000 copies printed. The ELMS is funded by the mandatory student activity fee and the United Students Government of Buffalo State College.

Acknowledgements

It's all over. All the long nights, the deadlines, the personality conflicts and the differences of opinion are gone forever. No more will we have to beg people for copy or photographs. No more will "yearbook friends" come around to remind us of how important they are, and how important it is to their mothers that they appear in "their" senior yearbook. No more will we have to trudge through cigarette butts, cafeteria trays and assorted debris on the floor merely to make a phone call or use the computer. No more will irresponsible seniors come to us asking when the portraits will be taken, as they walk past and through hundreds of posters and flyers pertaining to the blessed event. No more will we have to face these horrors each day as we walk into room 219, and I for one will miss every minute of it.

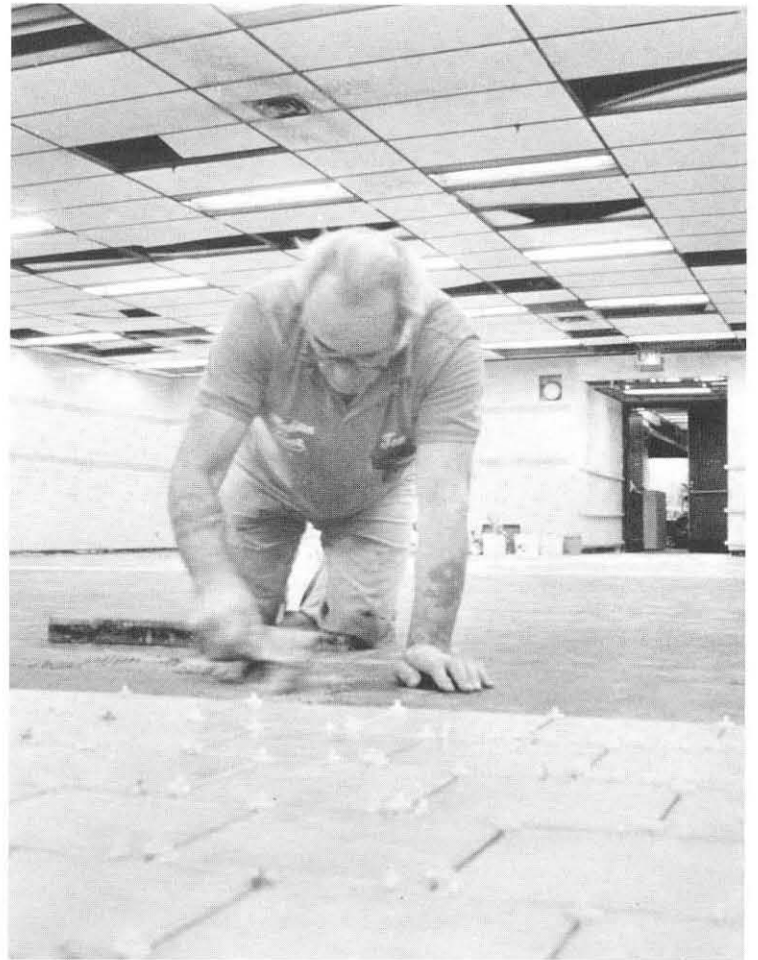

The yearbook has been something special for me, as I hope it has been to all of the staff members. It is more than a printed remembrance of Buffalo State, it is a symbol of how people can pull together to complete a project in all too often a less than ideal environment. To all of you, my staff and the many others who helped along the way, I say thank you.

To Kathleen, Jim, Nadine and especially Peter Barber (who had enough on his mind), thanks for all of the wonderful, often last minute, photographs. To Lisa and Meryl, a special thanks for all of the long hours spent in front of the "Bears", typing diligently while being exposed to radiation poisoning. To Holly K. Routt, my wonderful wife Sibela and the rest of the people who helped get the seniors "herded up and shot", you were greatly appreciated. To Tina Marzano and Bill Reed, a giant thank you for the graphics that show the raw talents of Buffalo State students. To Joe Bellini and Joe Brannigan, who fought through the apathy to bring us news from the sports front, thanks for everything. Heartfelt thanks to Molly Pike and my new found cousin Kathy Sortore, who risked their lives trying to sell ads to Buffalo's economically depressed businessmen. And of course, very special thanks to Lisa Faigin, Dave Gentile our publisher and John Earshen our advisor, who guided us all through this wonderfully trying experience. Their dedication and patience helped all of us to keep our sanity.

But it was one person in particular who made the 1987 Elms a reality, Jayne Newton. To Jayne I owe all the credit. Her sincerity about her work, her dedication, and her commitment to our goal have shown me what a great person she really is. Jayne, thanks for everything and for making me look good. But most of all, thanks for being you.

So I say so-long now to the Elms office and staff that I could never say goodbye to. Thanks for the memories. This book will always be very special to me, for when I thumb through its pages, I see more than pictures and words, I see all of you.
P.S. Thanks a lot Michele Horwitz!!

THE PUB

The days of the Pub ended too soon
gone were the Fridays partied in full bloom
How can we forget those Thursday nights
when we danced with all our might
The Wednesdays with their Greeks
The Sig Taus, Sig Eps and the TKEs
Bengal Pause was never a bore
as long as you had a beer that was just poured
Yes, the Pub was the place
for laughing, dancing and even falling on your face
The days are gone but not buried
and the memories will always be cherished.

That's me and who??!!

What do you mean you lost my shoes?!!!

Trying to capture an entire year at Buffalo State College is, to anyone associated with it, a trying time. This is the job that the yearbook staff takes on each year. This year was no different. With all the activity going on at all times of the day and night, trying to get a photographer there at the right time and a copy person to capture the moment in words is no easy job. This year it was made easier because we as a staff worked well together. With our fearless leader, editor Greg Nye, and his right hand person, Jayne Newton, blazing the trails, we were led on the path to capturing the year at BSC.

There were many people who were responsible for this yearbook, some of whom wish to remain anonymous. Working late hours and running around campus for no monetary gain isn't exactly an attractive offer but there were the brave few who followed Greg and Jayne on the paths they blazed.

You can't start a yearbook without pictures. These were taken and developed by Kathleen Bisconti and Jim Chester with a big assist from record photo-man Peter Barber. The words came from Meryl Gorelick and Lisa Simmons. The graphics came from Tina Marzano and Bill Reed. Seniors were put together by Sibela Nye and Holly K. Routt. Entertainment was put together by Kandi Clark and the sports were done thanks to the efforts of Joe Bellini and Joe Brannigan. The money came from Molly Pike and Kathy Sartore. Thanks also must go out to those people who gladly gave us their pictures to get their faces in the yearbook.
