Dear Mrs. Drzewieniecki:

I was so pleased to receive your letter and I am sorry I have been so long in getting your package on its way to you. I thought it better to wait until after the Christmas rush. I posted it to you last Saturday and I trust it arrives safely. Please let me know when it does arrive. I could not insure it nor even register it without opening the package, but I am sure there will be no difficulty.

I am so pleased that you have a small daughter. I do hope that you will enjoy your new experience in Wisconsin. I spent my first years on a farm in Iowa and I know how delightful it can be, even though it is generally fairly hard work. I shall keep your address and if I ever get out your way I shall certainly hope to see you.

With kindest regards and very best wishes, I am

Yours sincerely,

A. L. Miller
