## A WORLD OF DIFFERENCE

All the world's a stage,  
And all the men and women merely players:  
They have their exits and their entrances;  
And one man in his time plays many parts...

# WORLD CLASS

**S**et in the heart of the city, Buffalo State College has proven time and time again that it educates and nurtures students to become world class individuals.

# HOMECOMING 1994 "THESE ARE THE GOOD OLD DAYS"

This type of spirit  
 makes a world of  
 difference.

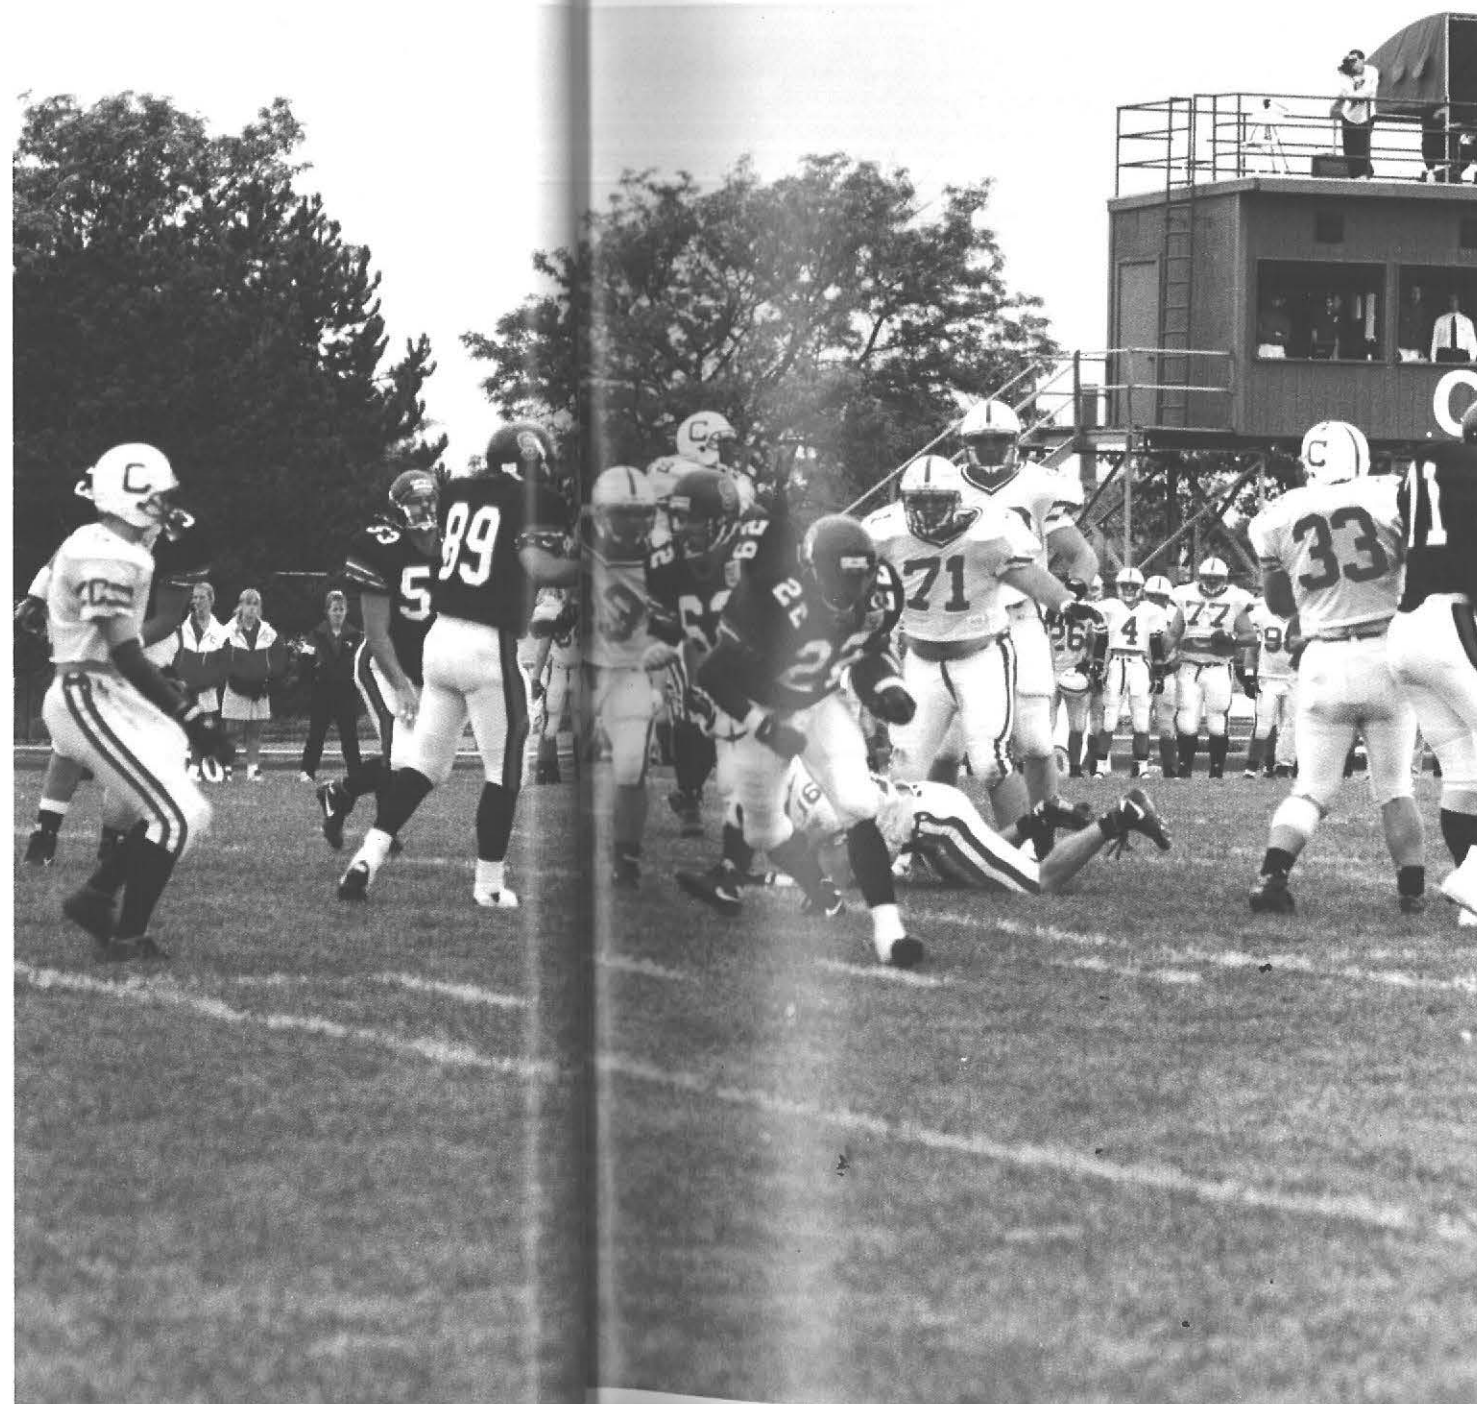

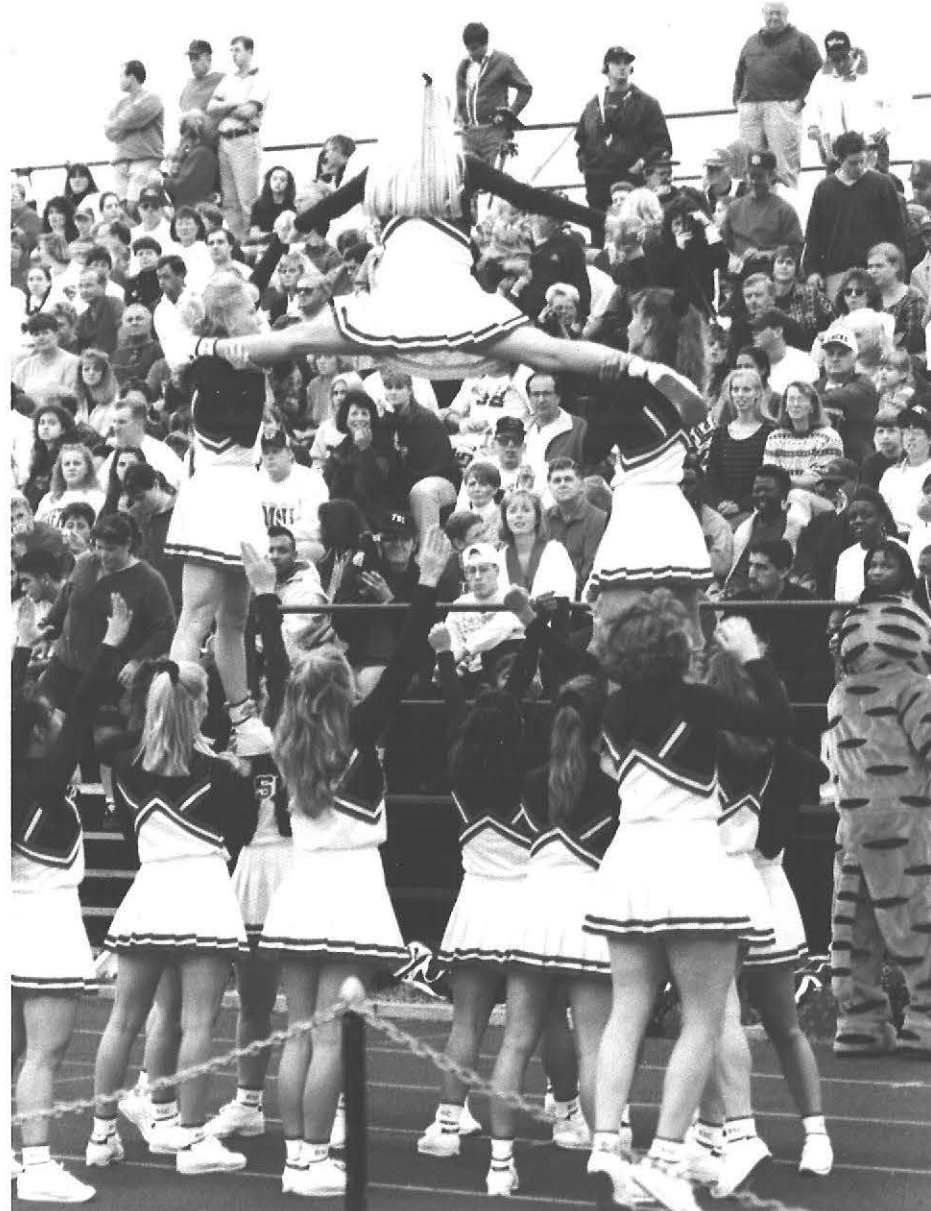

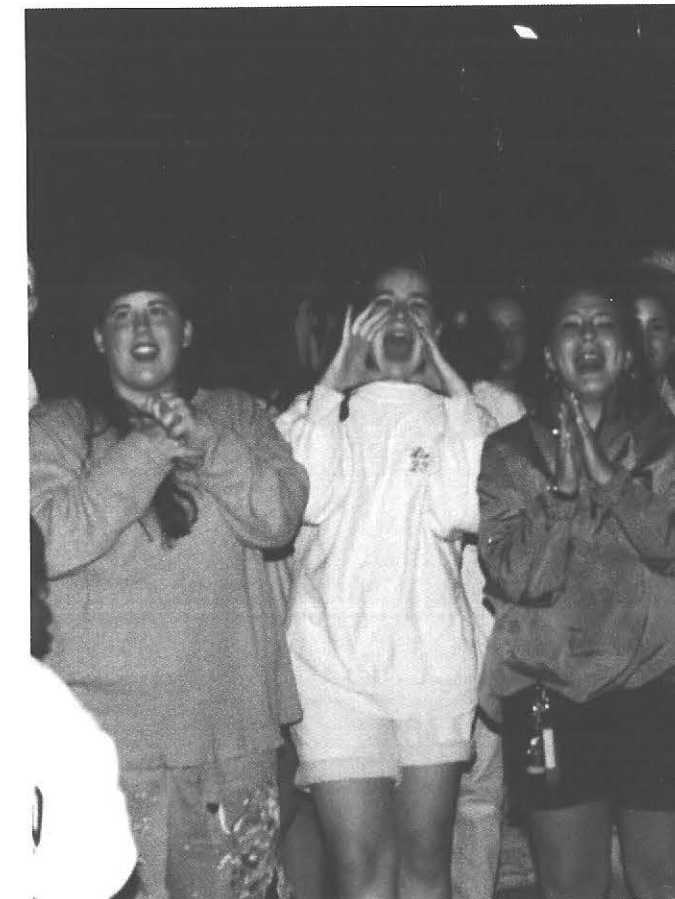

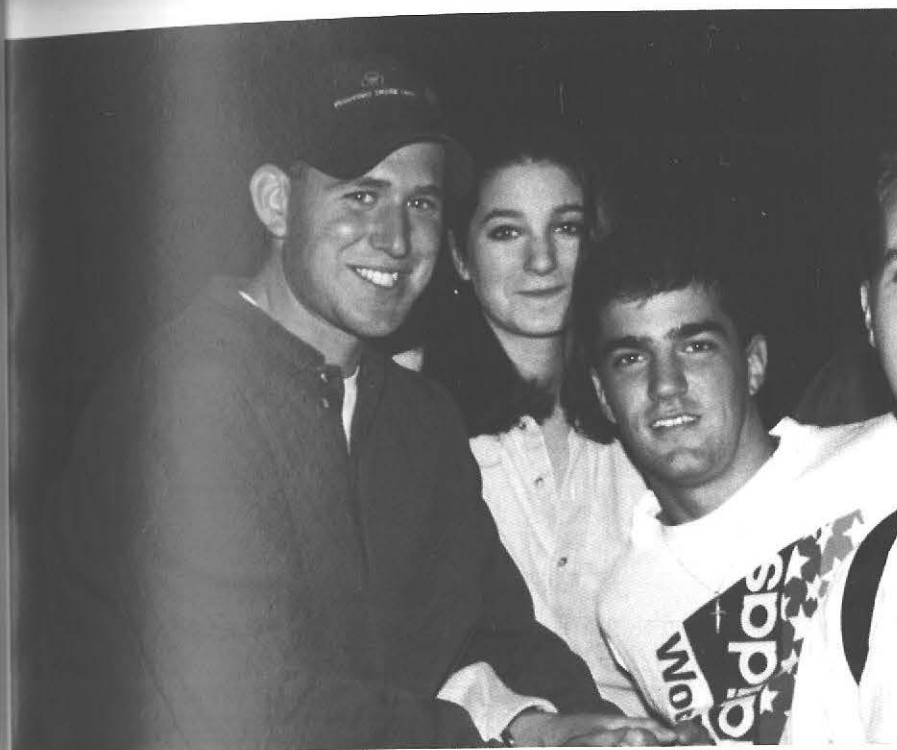

# The World Comes Crashing Down on the Red Dragons!

Homecoming weekend is the most anticipated weekend of the school year at Buffalo State College. This is the weekend when students, faculty, and staff come out and support their school and their nationally ranked Bengals.

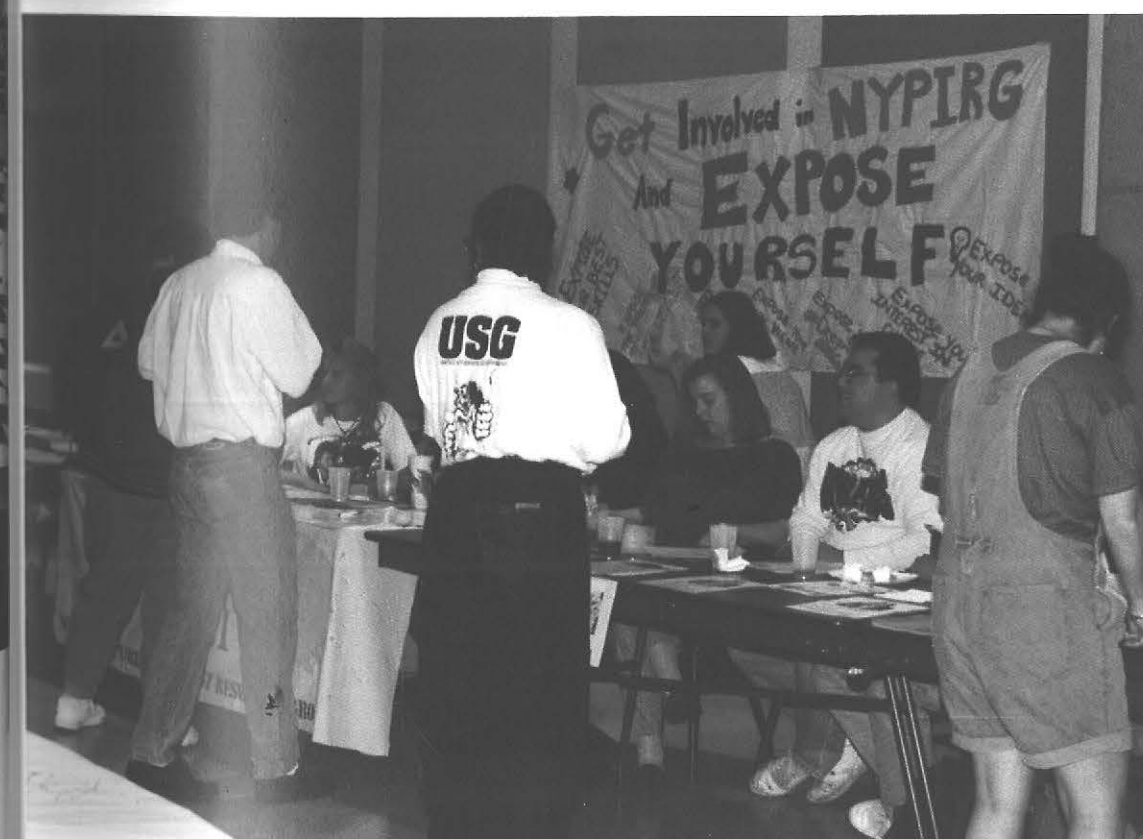

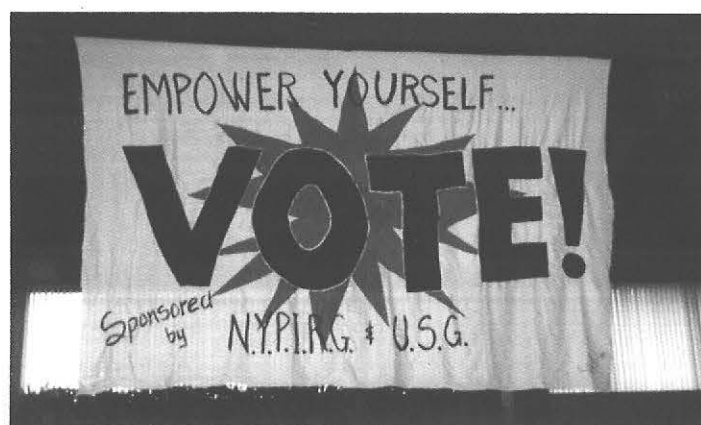

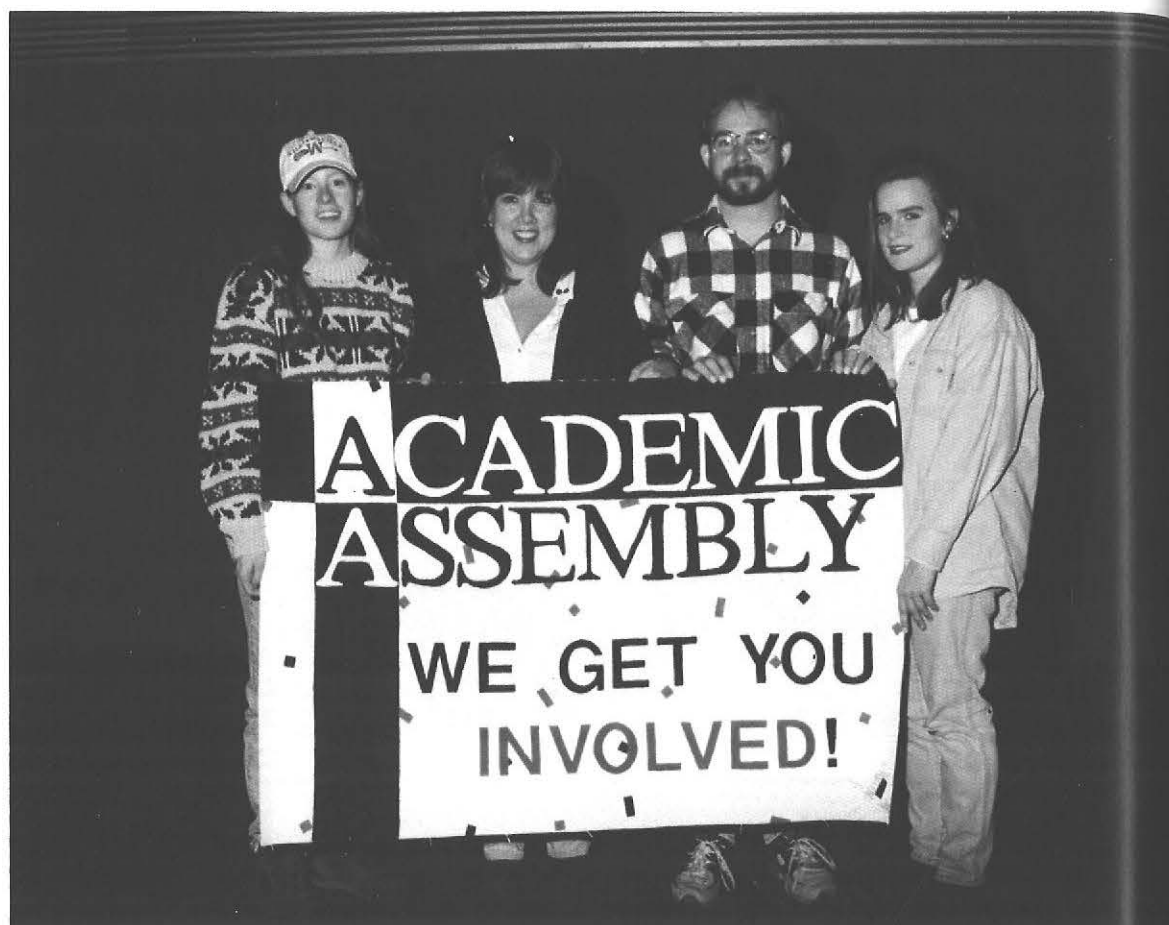

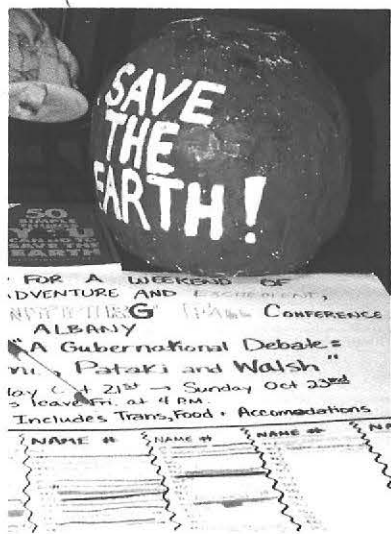

The fun began with the pep rally which included the ceremonial kickoff with the burning of the Cortland Red Dragon, and the crowning of Heather Eheho as Homecoming Queen and Martin Lacayo as Homecoming King. Game day was filled with activity as the Car Parade got underway in the morning

followed by the Float Competition in the afternoon where Phi Sigma Sigma and Phi Sigma Kappa took home wins for the second year in a row. The highlight of the day however, was the Bengals' magnificent win over the Red Dragons in the Homecoming game with a final score of 17-10.

Every year, students, faculty, and staff come out with a world of energy and enthusiasm to show their support of Buffalo State College. The 1994 Homecoming celebration was no exception.

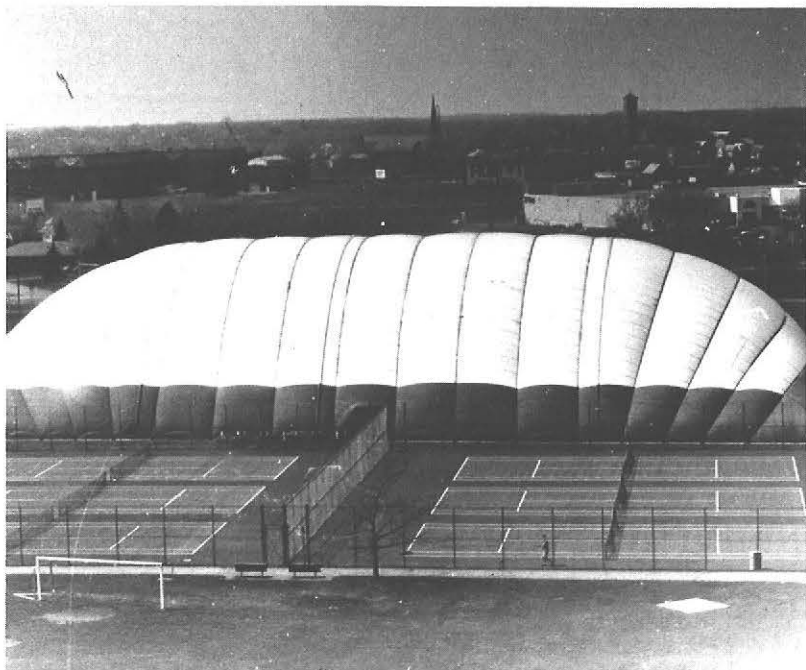

## WORLD OF ACTIVITY

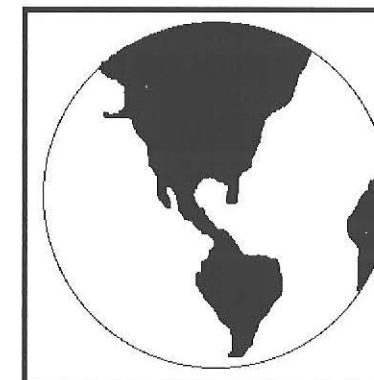

While walking around campus, the one attribute that is most noticeable is the vast cultural and ethnic diversity among our students and faculty. The largest contributor to this ensemble of diversity is Buffalo State College's organization and clubs. With over fifty organizations and clubs to choose from, as specialized as the Dead Economists Society, to as general as the all encompassing U.S.G. (United Student Government), students should have no trouble finding one that is comfortable. Students can use these organizations and clubs to learn valuable knowledge in their respective field of study, or as a means of becoming acquainted with the campus and all it has to offer. Either way, these organizations and clubs provide each and every student with an opportunity to express themselves to the limit.

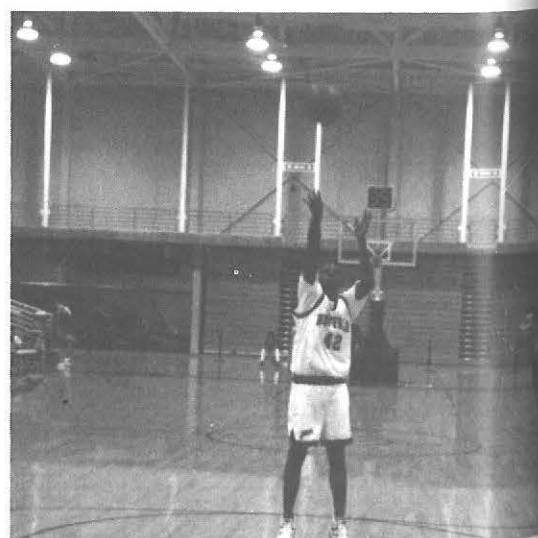

## The Wild World of SPORTS

At Buffalo State, pride and commitment are the two words most associated with sports. Buffalo State is well known around the State University of New York Athletic Conference (SUNYAC), and the nation as having one of the best sports programs. Whether it's being

ranked nationally in football, basketball, or softball, or just fielding competitive teams, Buffalo State a contender to be feared. Their dedication has made a world of difference.

# A WORLD OF OUR OWN

## Residence Life at Buffalo State College

From the Towers to Twinrise South, the world of dorm life is the first chance students have to be on their own. Living in the dorms may be the one experience we will remember most, of our days at Buffalo State College. We will remember searching for quarters from our floormates to do laundry, screaming at people to turn down their music at 3:00 in the morning, and going outside at insane hours for firedrills. And who can forget the white walls of the dorms, and the squeaky, uncomfortable beds that kept us awake the night before a major exam. But most of all we will remember the lifelong friendships that developed by living with others. These friendships will have a major impact on us, and eventually will make a world of difference.

## STATE UNIVERSITY COLLEGE AT BUFFALO

1300 ELMWOOD AVENUE BUFFALO, NEW YORK 14222-1095  
(716) 878-4101

F. C. RICHARDSON, President

May, 1995

My dear students:

In the past few months as questions of how much taxpayer support the State University of New York should receive, how much a SUNY education should cost, and who should bear the brunt of the cost have become matters of fierce debate, I have been frequently reminded of an observation by the English playwright Oscar Wilde. "What is a cynic?" he asked rhetorically, then answered, "A man who knows the price of everything, and the value of nothing."

It seems to me that we have been hearing a great deal about the price of a college degree, but precious little about its value. Let us non-cynics, then, consider together the worth of a Buffalo State College education:

- In purely economic terms, according to U.S. Census Bureau figures, recipients of a bachelor's degree will enjoy estimated earnings of nearly \$1.5 million over the course of their careers, some \$600,000 more than their high school classmates who never went to college. College graduates who continue to study, moreover, can expect to see their incomes advance dramatically with each advanced degree.

- A college degree, however, is more than a meal ticket or a gold card or a passport to a more affluent lifestyle. It is a testimonial to your attainments as an informed and educated person, one who can think critically, weigh opposing viewpoints objectively, and face issues squarely. Such abilities are beyond price.

- So are the opportunities to broaden your understanding of subjects outside the narrow realm of a specific career. That is why we encourage you to explore the myriad enriching options of a liberal education in and out of the classroom. You live your life more than eight hours a day -- college should be preparation for all 24.

- You are not the only beneficiary of your learning. Obviously, your present and future employers will profit by it. So will your colleagues in the workplace and the family members who will share in your financial rewards for work well done. But as I noted before, the value of higher education is not measured in dollars alone. As a Buffalo State College graduate, you become an asset, a precious natural resource, of the community and the nation that will proudly claim you as a citizen.

"The price of wisdom is above rubies," wrote the unknown author of the Book of Job. Let your knowledge and your wisdom continue to grow, appreciating in value beyond measure now and for your whole life long.

With my very best wishes,

*F. C. Richardson*

# CHAI CHANUKAH BLAST

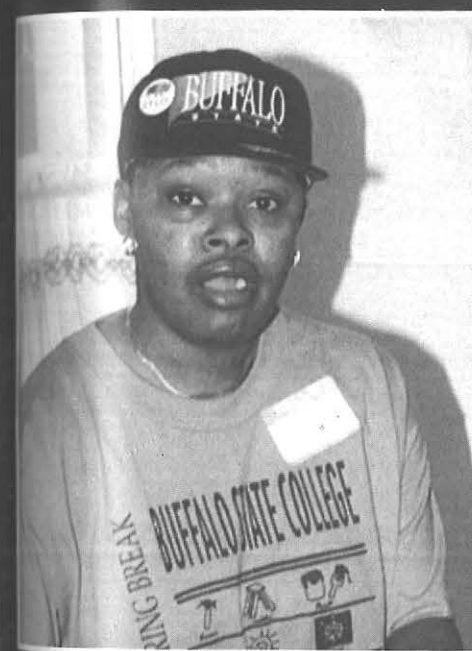

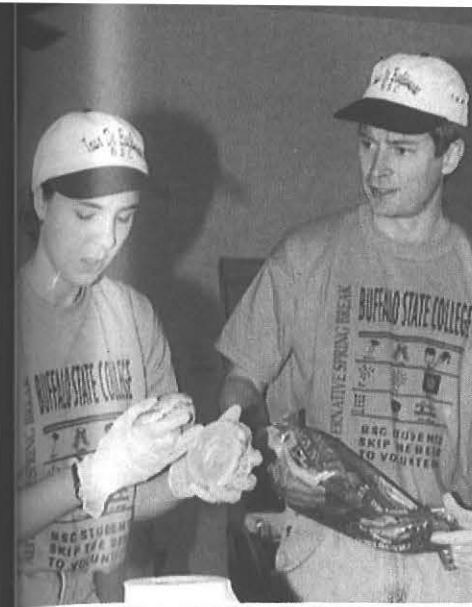

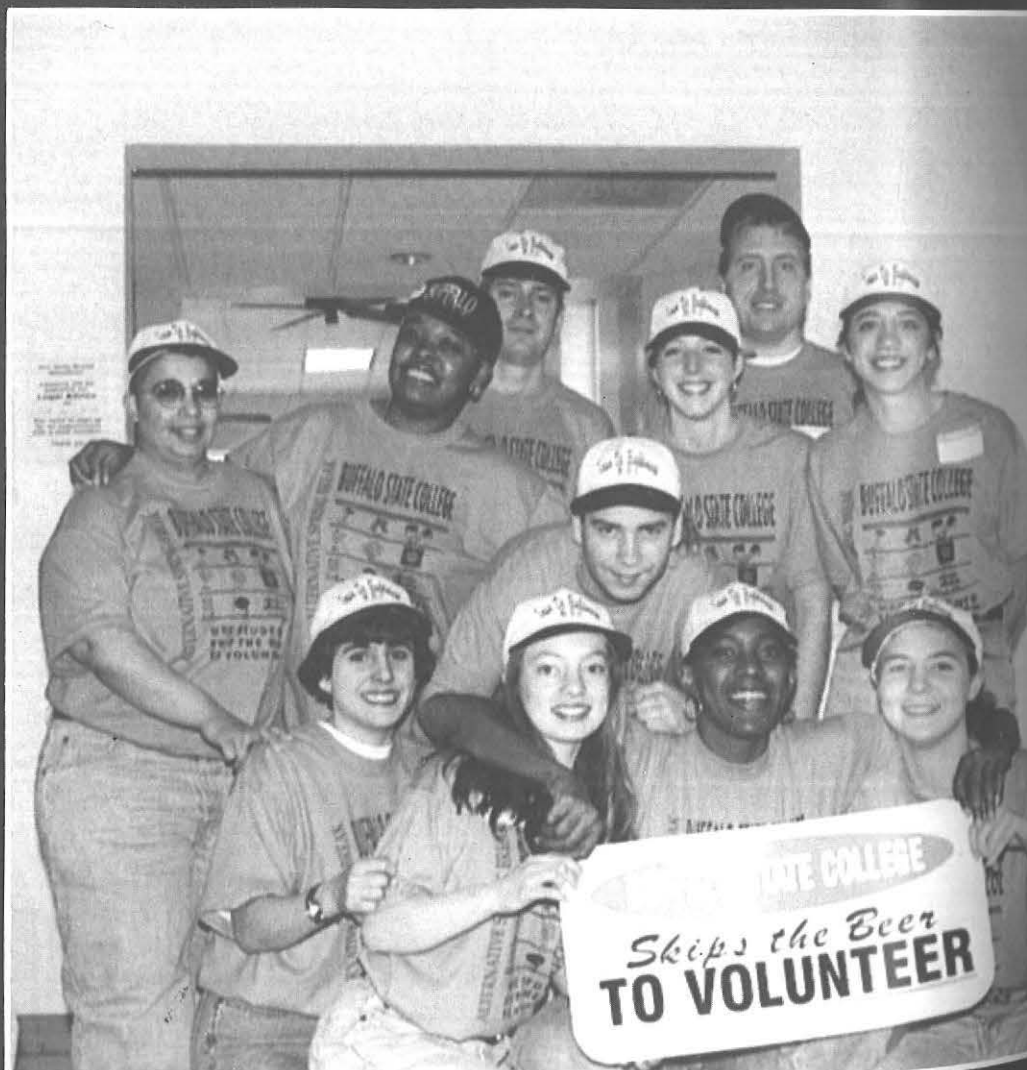

We, the students of Buffalo State College, still remember the marvelous Chanukah Blast we had on November 30th in the Student Union. The live music of Dr. David Lazerson and his band blared, as we ate delicious, sizzling hot latkes and applesauce. Chai gave out menorahs and Chanukah candles to the students, and lit their own large, beautiful menorah in the Student Union. It was truly a Chanukah to remember for all time!

# ALTERNATIVE SPRING BREAK "Skip the Beer to Volunteer"

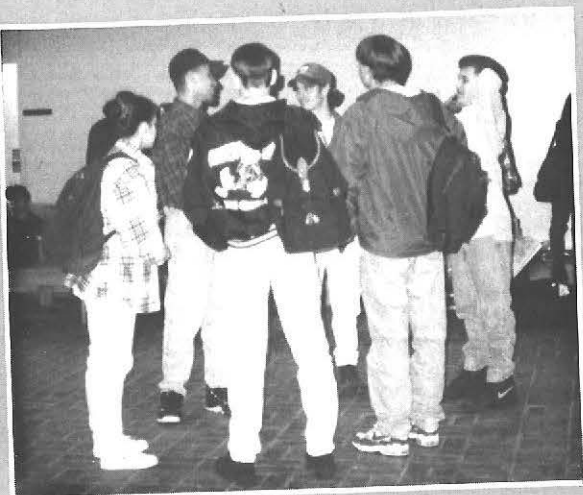

A team of ten Buffalo State College students and a staff coordinator traveled to Baltimore March 19 to volunteer at Our Daily Bread Center, a soup kitchen operated by the local Catholic Charities. The students also assisted in the daily functions at My Sister's Place, a women's shelter, and Christopher's Place, a men's shelter. While there, the students stayed in the basement of Christopher's Place, and their three meals a day were provided by the soup kitchen. The students returned to campus the evening of March 24.

The Alternative Spring Break Connection, a national clearinghouse for alternative spring break programs founded in 1991, estimates that 12,000 college students have spent this spring break volunteering their services to those in need.

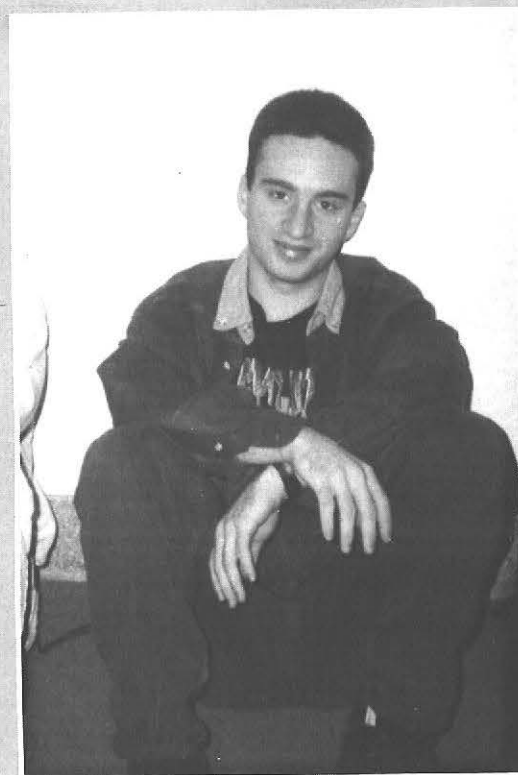

The participating students were: Melody Calabrese, student coordinator, Kristina Carpenter, Ben Dennis, Carthy Dorset, Domenica Ferri, Richanne Giertz, Joseph Staszczuk, Doug Watson, Tara Bush, and Lynette Trudeau.

Alma Mater  
A toast to State to all the years,  
All the laughter, all the tears  
You have made our friendships great,  
We'll triumph through the years,  
With Hope a-new we'll face the storm,  
Beyond which stands your lofty tower  
That will be our finest hour.

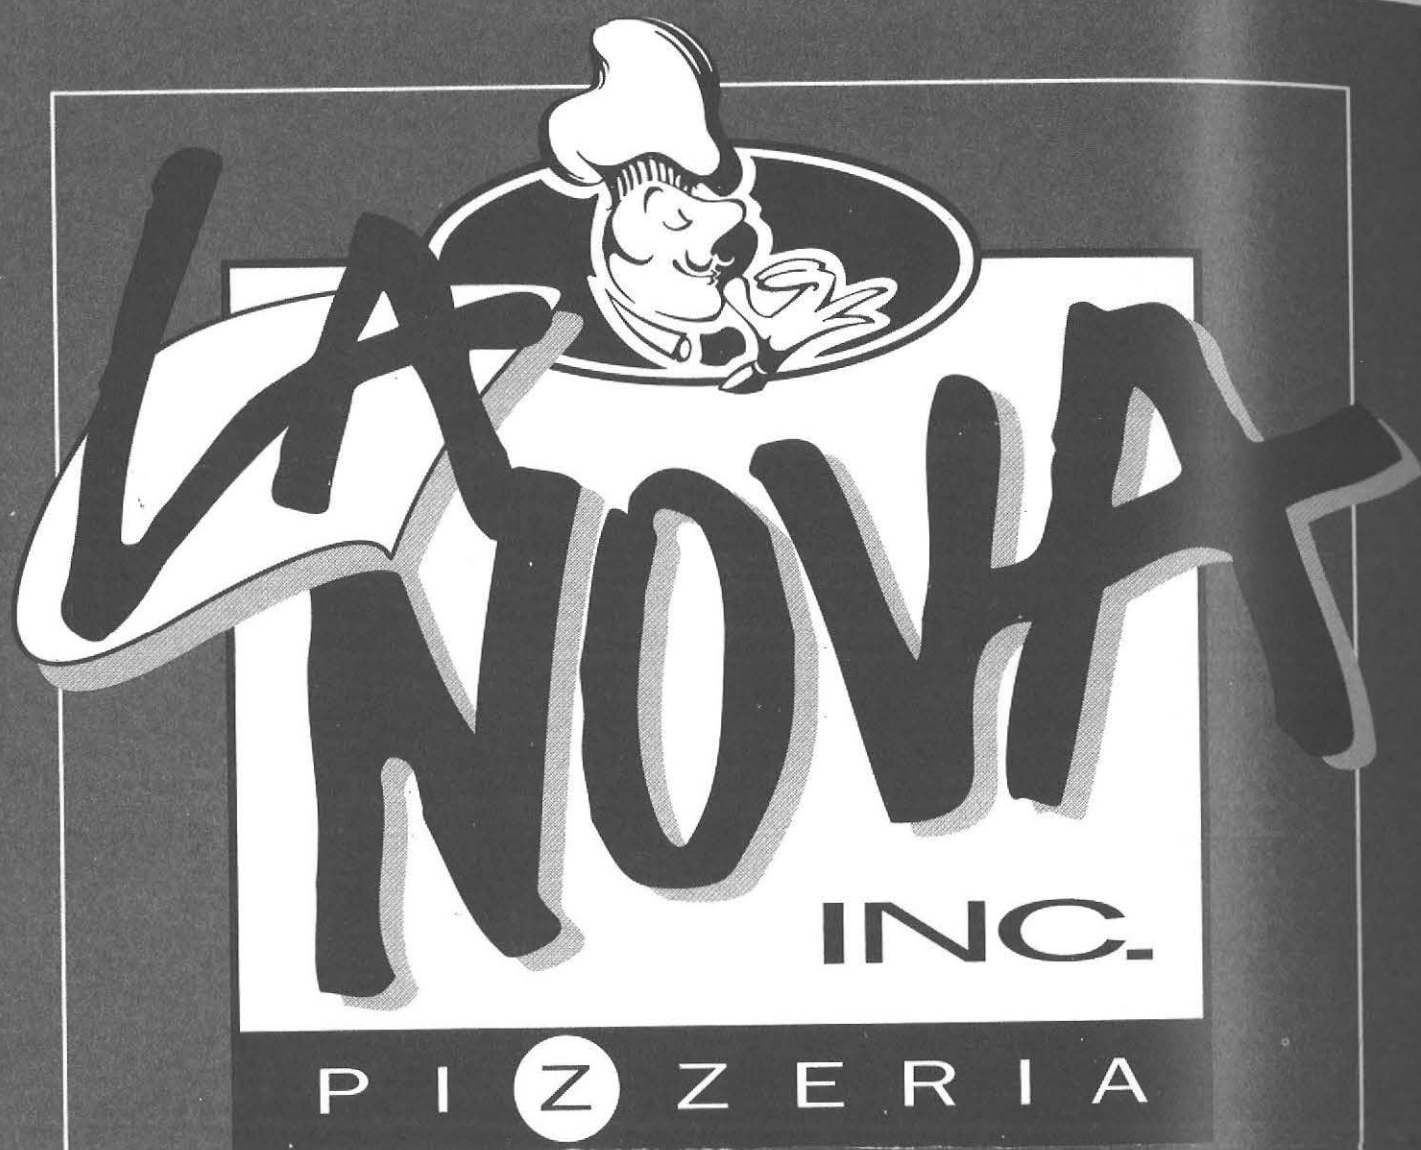

In years to come we'll look to thee,  
Yearning for your guiding light  
You'll not fail us Alma Mater,  
keep us through the night,  
When darkness comes and all hope dies,  
You will give us strength and power  
That will be our finest hour.

Talk about a wild ride! The beginning of this edition marked a historical low for this office, but by it's completion we have risen to new heights. (Corny, but true).

Several people helped with this edition. Dave C., your dedication and hard work was irreplaceable. Blake, congratulations on your elected position(s) (Try to remember that saying about absolute power). Chris, I don't know what to say other than better luck next time. Laura, thanks for saving our butts when we needed a photographer. Matt, you never realized how many poop jobs this place had, huh? David Haddad, don't worry, I'll ask Mary. David M., thanks for your insightful and unlimited vision - it was refreshing. Mary, nah nah nah nah nah - I'm outa here! David R., you extended me respect and faith when everyone else dished out the opposite. To you I give a special thanks, and a hats off, cause your too cool. Amy Becker, you did it again. We've been through a safe we couldn't open, an office with asbestos, loud music, a school full of questionable personalities, a complete meltdown of personnel, the USG business office, and worst of all, cockroaches! We were dropped into a pile of @&\*#, and came out smelling like roses. We're a team capable of outshining the rest. Increase the peace.

David J. Berue  
Business Manager

There are several people I would like to thank, for if it wasn't for their support, the 1994-1995 publication of the Elms Yearbook would not have been completed. Dave C., thank you for the outstanding work you did while with us. Blake, your knowledge of computers and USG really amazes me. Thanks for your very precious time. Chris, you did the best you could with what you had. Thank you for bringing your section back from the dead. Laura, you were a tremendous help when we were in a bind. Thanks for all those late night photo shoots. Matt, thanks for running those flyers around campus, and everything else you did. Dave M., thank you for once again staying cool, calm, and by our side. Dave R., you continue to be an inspiration. After two very trying years, you still smile when you come to visit. Dave B., if I searched a thousand years I could never find a business manager as hard-working and dedicated as you have been. I have enjoyed working with you, and the office won't be the same now that you are gone. My sincerest thanks goes out to you. Last, but certainly not least, I would like to thank Myke, who stands beside me, and supports me, and never forgets to tell me how proud he is of me...and that he loves me. Thank you for everything.
