Working Together
Pastoral Greetings
on Men and Women 2003.

May I take this time to greet the fine men and women of our Church for coming together in a Unified way to do a great Service for our Church.

My thanks to the General Church for letting us step out of the Traditional Men and Women’s Day on separate Annual Days.

This year we are showing a new spirit in our fellowship.

It sets a new trend for our young people who must learn from us how to make changes in this new age.

I am happy to still be around to witness this Christian fellowship.

May God bless all of our family as we go on down through the years.

Pastor,
R.D. Holloway
