*It broke our hearts to lose you, but you
did not go alone. For part of us went
with you, the day God called you home.
God gave us strength to bear it,
courage to take the blow, but what it
means to lose you only God can know.
Love your wife, Children and Grands.*

*We love you

My Dad

*My father is a man like no other. He give me
life, nurtured me, taught me, dress me,
fought for me, held me, shouted at me, kiss
me, but most importantly loved me
unconditionally. There are not enough words I
can say to describe just how important my
father was to me, and what a powerful
influence he continues to be. I LOVE YOU
DAD. Your Daughter Monique*

My Brother

My Brother, My Brother

Now that you've passed away you're in a safe place where there is no crying anymore, no pain anymore and no feeling sorry for ourselves. My brother your new address is G.O.D heaven lane where you and Jesus live.

My brother was a good man and a fantastic brother. I love you my brother & I miss you so much. I'll always remember your voice when we talk every night on the phone. You would say "love you, sister" and I would say "love you too, brother", so RIP my brother and I will still say "I love you brother" every night.

From your Sister, Freda Nalls (Whittle)

R.I.P

THIS MAN RIGHT HERE... Eugene Whittle... we loved so much.... He watched us grow to be the men & women we are today.... He was beyond an uncle in our eyes... He was a dad, a mentor, a best friend, as long as we could remember. He always was here for a talk, a laugh, a cry, a smile, hugs, kisses etc..... He was such a jokester.... Always played tricks on us... And anyone around... His voice was one of a kind.... He held our family down.. When ever it was needed... This wonderful uncle will be truly missed... But NEVER EVER FORGOTTEN.... He was OUR UNCLE GENE... Now R.I.H. You have your wings so until we meet again... You will always be in our hearts!!! Just thinking of you still makes us smile.... And proud to have had you as an uncle.

Love your Nieces and Nephews (Roland and Green)
