When I Must Leave You

When I must leave you for a little while
Please don't grieve and shed wild tears
Nor hold your sorrow through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days
But fill each waking hour in useful ways.
Reach out your hand in comfort and in cheer
And in turn will comfort you and hold you near;
and never, never be afraid to die.
For I am waiting for you in the sky!

Love
From Auntie Dean

**Tears of Joy,
Love
Nette (Butt Head)**

The moment that you died
my heart was torn in two,
one side filled with heartache,
the other died with you.

I often lie awake at night,
when the world is fast asleep, and
take a walk down memory lane,
with tears upon my cheeks.

Remembering you is easy,
I do it everyday,
but missing you is heartache
that never goes away.

I hold you tightly within my heart
and there you will remain.
Until the joyous day arrives,
That we will meet again.

You will always be missed,
Love
Your Nieces & Nephews
