OBITUARY

ORDER OF SERVICE

For I am now ready to be offered and the time of my departure is at hand. I have fought a good fight, I have finished my course, I have kept the faith. II Timothy 4: 4-9

On Monday June 4<sup>th</sup> keivon gained his wings and God called him home to rest with his late grandmother Priscilla carpenter, Aunt Marshika carpenter, uncle Charles Leonard and little sister kamayah carpenter who's also truly missed.

Keivon Lamar carpenter was Born September 19<sup>th</sup> ,2009 to the loving Mother Lakysya Carpenter. Keivon Accepted Christ into his life and became a member of Hopewell Baptist Church which he loved to attend, until he could no longer. Keivon received his education at school #54 where he graduated from kindergarten, transferred to school #84. Than became home schooled and was loved by many teachers and classmates who made sure to send gifts and cards on holidays and birthdays, They made sure to never forget about keivon and to never leave him out. Keivon was loved and filled with lots of love, life, kisses, hugs he was the sun shine in a dark room. He was like a guardian angel over all the kids he would make sure they would stay out of trouble and run behind them all day and if one of them did anything keivon would run and tell on them. he was filled with laughter and a laugh you would never forget, With a sweet soft "yeah" as his yes to let us know he understood when he was asked a question. Keivon enjoyed simple things In life like playing with toy cars, being out side when he was able to. He loved to watch cartoons, his favorite was paw patrol and spongebob from sun up to sun down he would watch tv and didn't allow anyone to change the channel. Thanks to make a wish foundation last year April keivon had the chance to take his first plane ride to Orlando florida and enjoyed the amusement parks of walt Disney world with his mother and Family where he met and got signatures from all the charaters. It didn't take much to keep a big smile on his face.

He leave to cherish his memory to his caring mother Lakysya carpenter, his G-ma Patrice carpenter, Aunty mary Wilson, Uncle Mark carpenter, Quentin Carpenter, Anthony Mccduffie, Aunts Latrice flax, Jamila flax and Carmella Stevens and a host of little cousins who always looked out for him. Justin who always tried to suction him when he'll cough. Milynn who always was there to lend a helping hand, Brandon who always sat on his bed and took the time to sit and talk with him, Niaja who always assist Keivon with his School work when the teachers were there, and lance who always took time out his day to keep and eye on him when ever he was needed. A Special Thank you to his Home school teacher Mrs.Kim. His occupational and physical Therapist miss Ashley and Shannon. A special appreciation to the entire essential care staff social worker Melissa, Home Nurses Mark and Justin RN. DR. Carr. music teacher, art teacher and massage therapist. His Neuro DR. ### ***My Journey's Just Begun***

***Don't think of me as gone away  
My journey's just begun  
Life holds so many facets  
This earth is but one  
Just think of me as resting  
From the sorrows and the tears  
In a place of warmth and comfort  
Where there are no days and years  
Think of how I must be wishing  
That you could know today  
How nothing but your sadness  
Can really go away  
And think of me as living  
In the hearts of those I touched  
For nothing loved is ever lost  
And I know I was loved so much***

*Keivon, words cant say how I feel but I know you are in a better place and god has the final say. I just want you to keep looking after all the kids our little guardian angel may you rest peacefully I'll be seeing you someday, just to here you say yeeeeaaaaa one last time will melt my heart away!!*

***Love you always auntie Mila, Nie and Justin.***
