POEM

Bless us heavenly father, forgive our erring ways, Grant us strength to serve thee put purpose in our days Give us understanding enough to make us kind. So we may judge all people with our hearts and not our minds And teach us to be patient in everything we do. Content to trust your wisdom and to follow after you. And help us when we falter and hear us when we pray And receive us in your kingdom to dwell with thee someday.

Amen - The Family

The family wishes to thank you for all kindness shown. God bless you all.
