UNDERGRADUATE AND GRADUATE COURSES

Session A: May 27-June 21

Session B: June 23-July 19*

Session C: July 21-August 9

Buffalo State
State University of New York

*Some graduate courses for education majors will begin June 30; check individual course listings for details.

WELCOME TO Summer Session 2003 at Buffalo State!

SUMMER SESSION

- More than 500 sections that allow you to earn valuable college credit
- More than 170 courses that fulfill SUNY general education requirements
- Accelerated progress toward your degree
- Affordable, conveniently scheduled classes that fit well with your summer plans

Each summer, more than 3,500 Buffalo State undergraduate and graduate students, as well as visiting students from other colleges and universities, choose to spend part of their summer taking advantage of the extensive course offerings at Buffalo State.

Visit www.buffalostate.edu/summer for the most up-to-date course availability.

HOW TO REGISTER

Current Buffalo State students

If you are an undergraduate student who registered for spring 2003 or a graduate student who registered for at least one semester between spring 2002 and spring 2003, you are automatically eligible to register for summer session 2003. Register at your assigned time.

Visiting students from other colleges and non-degree seeking students

If you want to attend Buffalo State for the summer only, you must apply for summer admission by completing a *visiting and non-degree application* – see page 3 or 5 of this schedule. You will receive a time assignment to register after you have been accepted as a visiting or non-degree student.

Degree-seeking students

If you wish to apply to an undergraduate degree program (matriculated status), contact the Admissions Office at (716) 878-4017, www.buffalostate.edu/admissions, or admissio@buffalostate.edu to request application materials. If you wish to apply to a graduate degree program (matriculated status), contact the Graduate Studies Office at (716) 878-5601, www.buffalostate.edu/graduatestudies, or via email at gradoffc@buffalostate.edu.

Session A: May 27-June 21

Session B: June 23-July 19*

Session C: July 21-August 9

*Some graduate courses for education majors will begin June 30; check individual course listings for details.

WEB REGISTRATION

At the time this publication went to press, Buffalo State was working via the SABRE Project to implement web registration. It is possible that dates and procedures may change, but this will not be known until late March. If there are any changes that would affect registration in April for Summer 2003, students will be notified by mail at both their local address and student email account at [<mail.buffalostate.edu>](mailto:mail.buffalostate.edu) no later than April 1.

This publication is funded by revenue from credit-bearing courses and fees. Ten thousand copies were printed April 2003. Editor: Lisa C. Mullen, Graduate Studies.

This bulletin is current as of February 2003. The college reserves the right to cancel any course described herein, and to change any rules governing curriculum, administration, tuition, fees, admissions, regulations affecting students, dates, and course content. Each student is expected to have knowledge of the information contained in this bulletin and in other college publications.

Buffalo State College is an affirmative action/equal opportunity institution, which subscribes to all federal, state, and SUNY legal requirements and does not discriminate against applicants, students, or employees on the basis of race, sex, ethnicity, national origin, sexual orientation, religion, age, disability, or marital or veteran status. Any violation of this policy should be reported to the Equity and Campus Diversity Office, Cleveland Hall 415, (716) 878-6210.

DO NOT COMPLETE THIS APPLICATION IF YOU ARE A CURRENT BUFFALO STATE STUDENT OR A GRADUATE STUDENT.
YOU CANNOT REGISTER FOR GRADUATE COURSES IN THIS STATUS. VISIT www.buffalostate.edu/summer or CALL 878-5601
FOR GRADUATE APPLICATION INFORMATION.

WHAT "NON-DEGREE" STATUS MEANS:

This enables individuals to take undergraduate college courses for credit without working towards a degree. Students may enroll in up to 11 hours of coursework each summer on a space available basis. No degree will be conferred in this status; the only entrance requirement is a high school diploma or its equivalent. Students who have been academically dismissed from any institution must wait one full year from the time of dismissal before enrolling under non-degree status. To register, complete this application, and return it to the Admissions Office, Moot Hall. Non-degree students are not eligible for financial aid.

Adult learners with no previous college experience who do not qualify for matriculated study may also enroll as non-degree students. After completing 15 credit hours of college-level coursework with a 2.0 grade point average or higher, they can be considered for degree study. The credits that they have earned will be applicable to their degree.

This status is appropriate for visiting undergraduates, students who are matriculated at other institutions but who seek summer registration at Buffalo State. Visiting students should consult with home institutions about the potential transferability of any coursework completed at Buffalo State. See pages 7 & 17 for transfer credit information.

HOW TO APPLY AS AN UNDERGRADUATE NON-DEGREE STUDENT:

Fill out the one-page application on the reverse side and submit it to the Admissions Office (878-4017, Moot Hall, Fax # 878-6100) or the Adult and Evening Student Programs Office (878-5907, Cleveland Hall 210). No fee is required. Once application has been received, you are automatically accepted as a non-degree student.

You may register for only undergraduate courses on a non-degree basis. Any credit you earn can contribute toward a degree at Buffalo State if you formally apply to the college as a degree student at a later date.

No financial aid is available to non-degree students.

This application must be submitted or faxed to the Admissions Office 48 hours prior to date of registration. (FAX# 878-6100)

WHAT TO EXPECT AFTER YOU APPLY:

You will receive a registration notice by mail, approximately 2 weeks prior to registration.

If you do not, call 878-4905 or see page 8 of the summer class schedule for registration dates and information.

Summer 2003

Graduate Non-degree and Visiting Student Application

Buffalo State
State University of New York

Do not complete this application if you are a current Buffalo State student or an undergraduate student.

Application Instructions:

Non-degree or Visiting Student Status is available for one semester only.

There is a \$50 nonrefundable admission application fee for non-degree or visiting student status applications. Complete the fee payment section on the reverse of this application.

Non-degree Status Applicants (7000) must submit a sealed official transcript from the institution awarding the bachelor's degree along with this application. Students denied admission to a graduate major or premajor cannot be awarded non-degree status for the semester in which degree admission was denied.

Visiting Student Status Applicants (9999) must submit a letter from the program dean at your home institution stating you are currently a graduate student in good standing along with this application.

Send complete application packet to:
Graduate Studies Office
Cleveland Hall 204
Buffalo State College
1300 Elmwood Avenue
Buffalo, New York 14222-1095

Enrollment and Registration Information for Non-degree and Visiting Students

- No financial aid is available. Consult the financial aid office with questions, 716-878-4902.
- Submit this application to the Graduate Office a minimum of two days prior to registration. You cannot register the same day that you apply.
- Registration status is good for one semester only. Students intending to take courses in future semesters must apply to a graduate degree or certification program by stated application deadlines.
- Registration is on a space-available basis at final registration after all matriculated (degree seeking) graduate students have registered.
- Non-degree students (7000) are limited to 500-level courses with open quotas (not reserved for majors or premajors) subject to seat availability.
- Students denied admission to a major or premajor cannot be awarded non-degree status (7000) in the same semester.
- Visiting students (9999) are eligible to register for courses with open quotas (not reserved for majors or premajors) subject to seat availability.
- Coursework completed in either status, regardless of grade received, will not necessarily be accepted by the academic department to meet degree requirements should the student be admitted to a degree or certificate program for a future semester.
- Students are responsible for complying with all procedures related to registration and financial liability if withdrawing from coursework after drop/add. See the current class schedule for policies and deadlines.

I have read the Enrollment and Registration Information above and understand the implications of attendance at Buffalo State as a Non-degree (7000) or Visiting Student (9999).

Signature _____ Date _____

Admission Application Fee Payment Form

The State University of New York policy mandates that a nonrefundable \$50.00 fee be collected from all first-time applicants for graduate study at Buffalo State. Applications or course registration requests will not be processed until this fee is paid. Payment of the fee is not contingent upon any action or decision the college may render on an application or subsequent decision by an applicant to withdraw an application.

Payment Instructions

You may use the following forms of payment (please do not mail cash). Payment must be in U.S. dollars.

- Check made payable to Buffalo State College for \$50.00
- Money Order for \$50.00
- Credit Card (Visa or MasterCard only) authorization for \$50.00

If paying by credit card, please complete the following:

- VISA MASTERCARD

Please print card holder name as it appears on the card:

Card Number: _____ Expiration Date: _____ / _____

Card holder's signature: _____

Admission and Enrollment Information

Undergraduate Study

New transfer students, freshmen, or readmit students (degree-seeking)

This status is appropriate if you are seeking a college degree. First-time transfer students and freshmen must file a general State University of New York application for admission and mail it to Albany. An application fee of \$40 applies. Some exemptions are possible. Previously enrolled Buffalo State students not registered since Fall 2002 and not on leave of absence must file for readmission with the Admissions Office. Call (716) 878-5713 for information and deadlines.

New non-degree undergraduates

If you seek only certain courses, not necessarily a formal degree, if you decide to attend college too late to file the application for matriculation, or if your previous academic record would preclude matriculated admission, use this status. This program is limited to part time enrollment (11 credits or less) and no financial aid is available. **An application is on page 3 of this schedule** or one can be obtained from the Admissions Office, Moot Hall, 878-5713 or the Adult and Evening Student Programs Office, Cleveland Hall 210, 878-5907. Applications must be filed well in advance of registration and cannot be filed on the same day you plan to register.

Students not enrolled in any college or university

High school graduates not enrolled in any college or university may apply as new students by following the procedure for new degree or non-degree students.

Students enrolled in a college or university other than Buffalo State

Follow procedure above for new non-degree undergraduates.

Graduate Study

New degree-seeking, premajor or postmaster students

To apply to a degree program, premajor or postmaster status, complete the Application for Graduate Admission and return it along with all necessary credentials (transcript(s), letters of recommendation, etc.) to the Graduate Office by the deadlines below. A \$50 application fee applies. Applications are available online at www.buffalostate.edu/graduatestudies or from the Graduate Office, (716) 878-5601.

The academic department to which the applicant applies makes all admission decisions concerning degree or premajor applications. Degree students (matriculated) have priority registration. Premajor and postmaster students (non-matriculated) should expect registration only on a space available basis.

Application deadlines (may vary by department):

Semester	Degree Program (Matriculated)	Premajor/Undeclared (Non-matriculated)
Fall	5/1	7/1
Spring	10/1	11/1
Summer	3/1	4/1

New non-degree or visiting graduate students

If you seek only certain courses, not necessarily a formal degree, if you decide to attend graduate school too late to file the application for matriculation, or if you are a current graduate student at another college or university, use this status. Visiting students should consult with home institutions about the potential transferability of any coursework completed at Buffalo State.

Complete the non-degree and visiting student application on page 5 of this schedule and return it along with necessary credentials (sealed transcript(s) or dean's letter and \$50 non-refundable application fee) to the Graduate Office at least two days prior to desired registration date. Applications cannot be filed on the same day you plan to register. Degree students (matriculated) have priority registration. Non-degree and visiting students (non-matriculated) should expect registration only on a space available basis.

Registration

Registration for Continuing Undergraduate and Graduate Students: April 14

New Student Registration: April 15

Drop/Add: May 27, 28, June 24 & July 22

WEB REGISTRATION

At the time this publication went to press, Buffalo State was working via the SABRE Project to implement web registration. It is possible that dates and procedures may change, but this will not be known until late March. If there are any changes that would affect registration in April for Summer 2003, students will be notified by mail at both their local address and student email account at <mail.buffalostate.edu> no later than April 1.

Your Registration Appointment

A registration notice, listing the date you may register, will be mailed to you prior to registration. Information on the notice is current as of the date it was printed. You can update information on your record before you register by following the instructions on the form. If your record is on hold (which will prevent you from registering), a message will print on the bottom of the notice. Bring your registration notice with you when you register. It is required for admission to the registration hall for April registration but is not required for May, June or July registration dates. If you have not received a notice by mail, contact the Registrar's Office in Moot Hall.

Holds

A hold prevents you from registering and will be placed on your record if you have an unmet financial or other obligation to the college (traffic ticket, MMR requirement, etc.). You must remove a hold with the office that placed it. It is recommended that you remove any holds at least two business days prior to your registration appointment. Offices which remove holds may not be open during all registration hours. When you remove your hold you will be given a hold release form. Take that form to the information station inside Moore Complex when you register.

Academic Advisement

If you are a matriculated Buffalo State undergraduate student, you must meet with your advisor before you can register. It is your responsibility to schedule an advisement appointment. IF YOU ARE NOT ADVISED YOU CANNOT REGISTER. Majors should contact their major department or faculty advisor. Students not in a major should contact the Advisement Center at 878-5223. EOP/SEEK students not in a major should contact your counselor. You must prepare for advisement by reviewing the section on academic programs in your college catalog. You are expected to bring to advisement a sample schedule of courses that fulfill the General Education Requirement and your major requirement. The responsibility for scheduling the advisement appointment rests with the student. Non-degree and graduate students do not require advisement to register.

What to Bring

To be admitted to April registration you must show your registration notice. If you are a matriculated undergraduate you must also show your advisement card. YOU MUST HAVE A #2 PENCIL TO REGISTER, A CLASS SCHEDULE AND A COLLEGE CATALOG.

Missed Registration?

You can attend another day, any time AFTER your assigned day during registration. If you missed the entire registration period you can submit an opscan registration form to the Registrar's Office for processing during the next registration period. Or you may choose to register in person at the next registration.

Graduate Student Registration Eligibility

To be eligible for admission to graduate registration, you must have been accepted as a graduate student, either matriculated or non-matriculated (undeclared/premajor/non-degree), at least one week prior to registration. Prospective students in the following categories must submit an application for graduate admission in accordance with established deadlines (see page 7). This group includes those who:

1. Have never attended Buffalo State College as a graduate student;
2. Are a previously enrolled graduate student not registered for courses since spring 2002.

All graduate students are expected to be familiar with the procedures and regulations outlined in the Graduate Catalog.

How to Read the Class Schedule

Courses are listed alphabetically by subject within session. Reading left to right, the line lists the call number, catalog number, course title and advisement code, note or prerequisite, credit hours, meeting time and days, building and room, instructor, quota and option. Special attention should be given to the prerequisite column and the option column, since these areas indicate any enrollment restrictions or special dates for the course. Codes can be interpreted by using the listing on page 22.

The call number of the course identifies the session in which it is offered.

Session	Call#
A	3xxx
B	4xxx
C	5xxx

Class Load

The maximum class load for matriculated students is 19 credits over the entire summer, May 27 - August 9. Non-degree students' maximum is 11 credits. If you desire an overload, you must obtain a signed special permission form. Students in majors must obtain a special permission form from their adviser and undeclared and nondegree students from the Academic Standards Office in Twin Rise 100, 878-5222. Bring the form to registration and attach the white copy to your registration form.

Course Reservation Options

Course options restrict enrollment in a course. You must meet the option in order to register (i.e., majors only). In certain circumstances, an override of the course option can be made by the department chairperson. If you wish to seek an override of a

course option, you must obtain the permission of the department chairperson in writing on a special permission form available in the department office. Notes, memos, and telephone calls are not acceptable. See Special Permission Form section for complete instructions.

Instructor Permission Option

Instructor Permission option courses ALWAYS requires a Special Permission Form signed by the instructor for registration. Each course requiring instructor permission is coded with an alphabetic code that explains WHY the permission is required. See the legend page for explanation of codes. Instructor permission does NOT allow registration in a closed course.

Contacting Faculty

As faculty schedules vary widely, when seeking advisement or answers to course seat availability questions, call first to determine the professor's office hours. You may need to make an appointment. Department secretaries usually have a list of office hours for faculty. They often have information on special permission availability and those authorized to issue forms in the absence of the instructor.

SCHEDULE OF REGISTRATIONS

When to Register	Hours	Who is Eligible	What to Bring
April 14 Registration for all sessions, continuing students	9 a.m.-6 p.m. Students admitted according to time assignment on your registration notice	Matriculated undergraduate students registered for Spring 03 or on leave of absence. Graduate students registered Spring 02-Spring 03 or accepted by April 7.	Registration Notice, advisement card (all undergraduate students), #2 pencil, class schedule, audit sheet, college catalog
April 15 Registration for all sessions, new students	1-6 p.m.	Any new student (graduate, undergraduate, or non-degree) accepted for Summer 03 by April 17.	#2 pencil, class schedule, college catalog
May 27 & 28 Drop/Add and Registration for all sessions	1-4 p.m. (May 27) 4-6 p.m. (May 28)	Any student registered for Summer 03. Graduate students enrolled Spring 02-Summer 03. New students accepted for Summer 03 by May 22.	#2 pencil, class schedule
June 24 Drop/Add and Registration for sessions B & C	2-5 p.m.	Any student registered for Summer 03. Graduate students enrolled Spring 02-Summer 03. New students accepted for Summer 03 by June 19.	#2 pencil, class schedule
July 23 Drop/Add and Registration for session C	2-5 p.m.	Any student registered for Summer 03. Graduate students enrolled Spring 02-Summer 03. New students accepted for Summer 03 by July 17.	#2 pencil, class schedule

ALL REGISTRATIONS ARE HELD AT MOORE COMPLEX.

Dropping/Adding and Withdrawing from Courses

Adding Summer Courses

Students who wish to add a course to their summer schedules are advised to read the chart below for dates. Each course has a specific last day to add. If you have not added a course before the deadline, you will not be able to add it or receive credit for it.

Dropping Summer Courses

Students who wish to drop a course (i.e., have the course deleted from their schedule without academic or financial penalty) are advised to read the chart below for "last day to drop" dates. Each course has a specific last day to drop. If you have not dropped a course before the deadline, you will be financially responsible for the course. These penalties apply even if you do not attend a single class session.

Schedule of Drop/Add/Withdrawal Dates for Summer Sessions

Date Session Begins	Call # Range (courses with these call #'s)	Drop/Add Dates (dates to add or drop courses in this session)	Liability (last day to drop without financial liability. Tuition assessed after this date.)	Withdrawal Date (withdraw from courses with a "W" grade. "E" (failing) grade assigned after this date)	Date Session Ends
Session A Tuesday, May 27	3000-3999	May 27, 28	May 28	June 13	June 21
Session B Monday, June 23	4000-4999	May 27, 28, June 24	June 24	July 10	July 19
Session C Monday, July 21	5000-5999	May 27, 28, June 24 July 22	July 22	August 1	August 9

HOW TO REGISTER

WEB REGISTRATION

At the time this publication went to press, Buffalo State was working via the SABRE Project to implement web registration. It is possible that dates and procedures may change, but this will not be known until late March. If there are any changes that would affect registration in April for Summer 2003, students will be notified by mail at both their local address and student email account at <mail.buffalostate.edu> no later than April 1.

Withdrawing from Courses

Course Withdrawal Forms are available in the Registrar's Office, Moot Hall and the Adult and Evening Student Programs Office, Cleveland Hall 210. Withdrawal requires the signature of the instructor or the instructor's department office. The last day to withdraw is listed below.

Students who wish to withdraw from a course will be fully or partially liable for tuition and fees, depending on when the withdrawal form is received by the Registrar's Office (see refunds/liability section). The date the completed and signed withdrawal form is received by the Registrar's Office determines the withdrawal date. A "W" grade will be recorded.

Arrival and Required Documents

Report to registration at your scheduled day and time, or any time thereafter. Do not report early. All registrations will be held at Moore Complex. Upon arrival at registration you will be asked to present your Registration Notice (only in April). If you do not have your notice, you will be able to obtain a duplicate copy at Moore Complex.

You will also be required to submit your Advisement Record (matriculated undergraduates only). If you do not have one, you will not be admitted and will be directed to your adviser to obtain one. Make an appointment for advisement early to avoid a delay in registration. (See advisement section.)

You should bring your audit sheet, college catalog and a #2 pencil.

How to Check Course Availability

Personal computers are available in Moore Complex during registration.

You can access your student account on the audit system to obtain a copy of your audit sheet, or check course availability on OSCAR or FELIX. Instructions are posted next to the PC's.

Completing/Depositing the Registration Form

Registration forms are available to you as you enter the room. Instructions for completing the form are printed at the top.

You must use a #2 pencil.

If you have a special permission form clip the white copy to the registration form and deposit both in the multiple sheet slot. Keep the green copy of the permission form.

If you have a hold release form, take it to the Information Center in Moore Complex before attempting to register. Do not deposit it in the slot.

Once a form is deposited in the slot it cannot be returned.

Registration Confirmation

Your name will be called over the public address system when the results of your registration are ready for you to pick up. This usually takes about five minutes.

Read your registration result carefully, and keep it as your confirmation and schedule copy. You will not be mailed a schedule copy after registration.

An explanation of the codes/messages on your result are printed on page 13 of this schedule.

If the course you requested is closed or canceled, the call numbers of all available sections of the same course will be listed with the number of seats remaining.

If Your Course is Closed

The only way you can register for a closed course is by using a Special Permission Form. The form, signed by both the instructor and department chair, may be issued through the department offering the course. You cannot assume you'll get permission, since each request is considered individually by the person authorized to grant approval. Instructor permission is not sufficient to register for a closed course. Blank forms are not issued to students.

Special Permission Form

The Special Permission Form allows you to register in special circumstances. Listed below are the instances when special permission may be granted. There is no guarantee of special permission, since each request is individually considered by the person authorized to grant approval.

Reason for Permission	Signature Required
Instructor permission required	Instructor
Override of course options	Instructor
Course closed	Instructor and Chairperson
Matriculated undergraduate and registering for more than 19 credit hours.	Faculty Adviser
Undergraduate registering for graduate course (matriculated students only).	Instructor, Chairperson, and Dean of Graduate Studies
Graduate non-degree (7XXX major) registering for 600/700 level course.	Instructor, Chairperson, and Dean of Graduate Studies
Undergraduate non-degree (8100 major) registering for more than 11 credit hours	Director, Academic Standards

Permission for an override in any of these circumstances requires approval on the Special Permission Form only. Telephone calls, notes, memos, etc., are not acceptable. Students with a signed Special Permission Form must bring the form to registration. Complete a Registration Request, requesting the course for which permission was granted and deposit only the white copy of the Special Permission Form and the Registration Request in the slot marked "Multiple Sheets." Do not deposit the Special Permission Form by itself. Do not send it by mail. Forms are available at department offices.

College Services and Programs

Special Registration Services

The Forms Slot

The Registrar's Office offers a wall slot where you can drop off forms when the office is closed or anytime you are too busy to wait. Instructions and forms are available at the office in Moot Hall. The slot is open anytime the building is open. You can deposit any Registrar's Office form in the slot, including registration forms. Registration forms are processed twice a day on registration days. A note of caution: Dropping a registration form in the slot does not guarantee registration in the course. The student is responsible for checking the form for accuracy. If special permission is required, it must be clipped to the registration form. During April registration the advisement card and registration notice must also be attached (for matriculated undergraduates).

Adult and Evening Student Programs

The Adult and Evening Student Programs Office, housed in the Continuing Professional Studies Evening and Weekend College Programs Office in Cleveland Hall, room 210, provides information and services to the college's adult and evening student population. The office is open until 8:00 p.m. Monday through Thursday when classes are in session. In addition to nighttime services, the office publishes the college's undergraduate evening course schedules and a newsletter with pertinent information for adult and evening students. It also provides academic advisement for undeclared evening students. Visit www.buffalostate.edu/academics/cenc or call 878-5907 for more information.

Special Services for Students with Disabilities

The Office of Special Services, housed in the Academic Skills Center, provides individual assistance for any student who requires it. If you do, please call this office at 878-4500 at least a week before registration begins.

Special Assistance

Call the Registrar's Hotline at 878-4905 for answers to your questions, 24 hours a day. Detailed information is on page 15 of this schedule. Or visit the Registrar's Office during office hours, 8:30 a.m.-5 p.m. Monday-Wednesday, 8:30 a.m.-6 p.m. Thursday, 8:30 a.m.-4:30 p.m. Friday, during the spring and fall semesters.

Most Frequently Asked Questions About Registration (With Answers)

What is the difference between Registration and Drop/Add?

Registration is the first registration period for the summer. The best selection of courses is available during this period.

Drop/Add is held at the start of each session. It is for students who were not eligible to attend the earlier registration or those who registered earlier and wish to change their schedules. The last day of Drop/Add is the last day to drop classes with no financial liability.

Would a hold on my record stop my registration? How do I remove a hold?

Yes, it will. To remove the hold, contact the office listed on your registration notice under "special messages." If you are advised of a hold while you are registering, see the Information Center for office/location. It takes time to remove a hold, so take care of this in advance of your registration date/time assignment. Offices that remove holds may not be open during all registration evening hours.

Can I request more than one section of the same course?

No. The computer will tell you it is a duplicate and deny your request. If you want to change a section, drop the section of the course you have and then request the one you want to add. A note of caution: Once you drop a course, there is no guarantee you will be able to add it back again.

The course(s) I need is not available. What should I do?

See an advisor to select another course. During registration there is a faculty assistance area. Or, use the campus telephones to call your adviser at his/her office.

What is a Special Permission Form and why would I need one?

The Special Permission Form is used to allow registration in special circumstances. There is no guarantee of special permission since each request is individually judged by the person(s) authorized to grant approval. To determine whether you need a special permission form, see the class schedule reserve option column (far right column). If the course has an option, it will say so in this column (majors, instruction permission, etc.). If you meet the option (course is SOC 100 MAJORS ONLY and you are a sociology major), you don't need special permission. If you don't meet the option (course is BIO 100 MAJORS ONLY and you are a math major), you need special permission. Courses listed as "instructor permission" always need a special permission form. Special permission is also used to grant approval for a course overload, to undergraduates registering for graduate courses, for non-degree graduate students registering for 600 or 700-level courses, and for permission to register for a course that is closed. Obtain the form from the academic department office.

I can't attend registration at my scheduled time/day. What should I do?

You can attend any time AFTER your date/time assignment but not before. For any registration or drop/add, you may leave a Registration Request Form with the Registrar's Office, Moot Hall, or Adult and Evening Student Programs, Cleveland Hall 210, if you cannot attend. The Registrar's Office also has a form slot outside its office that can be used any time the building is open.

I have a question at registration. Whom should I see for answers?

The Information Center is located in Moore Complex during registration to answer your questions and a faculty advisor is usually available to assist you. Campus phones are located in the registration hall for your use.

Where can I get more information about registration?

The class schedule, the college catalog, and your adviser are all excellent sources of information. Or, call the Registrar's Office at 878-4905, or Adult and Evening Student Programs at 878-5907.

Will my registration be canceled if I don't pay?

No, it will not be canceled for non-payment. In fact, you will continue to receive bills and incur late charges. If you decide not to take the course(s), you must drop it or you will be financially liable.

If my class meets on dates different from the regular session, do the published deadlines for refund/withdraw registration apply to me?

Yes. The deadlines for the session in which your course is listed are in effect. For example, if your course is listed under Session A but starts June 5, you must drop the course by the second day of the session (May 28) to receive 100% refund.

Can I register or drop/add for more than one session at a time?

Yes, as long as your requests are not retroactive.

I just completed my course. Will I get my official grade report now?

No. Your official grade report will be mailed to you after all summer sessions have ended, approximately August 14. However, your instructor may tell you the grade you have earned.

How To Interpret Your Registration Result

Status codes:

A-ADDED this transaction. You are registered for the course.
D-DROPPED this transaction. You are not registered for the course.
NA-NOT ADDED. You were not registered for the course.
ND-NOT DROPPED. You were not dropped from the course.
NR-NOT REGISTERED. You were not registered for the course.
NP-NOT PROCESSED. Your request was not processed.
R-REGISTERED prior to this transaction. You are registered for the course.

Registration Result Messages:

Numbers in () after definitions refer to the explanations under NUMBER CODES at the bottom of this page.

All available seats reserved: You do not meet the option. (2) or (4)
All College Honors
Freshmen
Orientation Registration
Educational Opportunity Program (first-time freshmen)
Lowerclassmen
Upperclassmen
Majors

All remaining seats reserved: Instructor Permission. This course requires the permission of the instructor. (2) or (4)

Course canceled: This course is not being offered. (2)

Course closed: This course is filled. (2) or (3)

Course in past session: You tried to add or drop a course in a session for which adds and drops are no longer being accepted. (1)

Dropping a course that is not registered: Recheck the call number to determine if you entered the wrong number; if so, complete a new registration request. Or check to see if the course was canceled; if so, you do not need to drop. Or check the call number to determine if this was an add. If so, complete a new registration request, using action circle "ADD".

Duplicate call number, same as: You already registered for this course. (5)

Duplicate course, same as: You already registered for the same catalog number. You must drop the duplicate already on your schedule. Drop the registered course duplicate, and add this course. (Contact the Information Center if this is a topics course.)

Eleven credit-hour limit for undergraduate (8100/8150 non-degree) exceeded: You are not eligible to take more than 11 credits. In some instances, special permission may be granted. (6)

Graduate (7XXX) may not register for 600/700-level course: You are not eligible to take 600/700-level courses. Under certain circumstances, special permission may be granted. (3)

Hold - Contact: Your records are on hold. Contact the area indicated to clear hold and return to registration with a hold release. See the Information Center.

Invalid call number: This number does not exist or you did not complete all circles. Recheck the call number. (7)

Invalid semester indicated: You failed to color in the circle for the correct term. (7)

Nineteen-credit-hour limit for undergraduate exceeded: Your request exceeds the 19-hour limit. Drop a course, then submit your add request or (6).

No action indicated in block: You failed to fill in the action circle. Do you want to drop or add? (7)

No number indicated in block #: You failed to color in any or all call number circles. (7)

Request submitted prior to time assignment: You submitted a registration request before your assigned registration date/time. Leave the registration area and return at your correct time. If you have a time assignment form and failed to submit it with your registration request, this message will appear. Complete a new registration request and submit it with the time assignment form in the slot marked "Multiple Sheets."

Scanner form rejected. No actions were indicated: You failed to fill in any action circles. Do you want to drop or add? (7)

Student ID not on file: You colored in the ID number circles incorrectly. (7)

Undergraduate may not register for a graduate course: You need special permission to enroll for graduate courses. (3)

Void indicated in block #: If you checked action code VOID, a message will print indicating the block you voided. (5)

Warning time conflict: You have scheduled a time conflict. Call numbers of conflicting courses for which you ARE registered will print. It is your responsibility to resolve this conflict by dropping one of the courses or making arrangements with the course instructors.

Number codes:

- (1) Contact the Information Center
- (2) Complete a new Registration Request for a different course
- (3) Seek approval for an override from the department on a Special Permission Form
- (4) Seek permission to enroll from the instructor on a Special Permission Form
- (5) No further action is required
- (6) Non-degree and undeclared students seek approval for an academic override from Academic Standards, Twin Rise 100, on a special permission form; degree students seek approval from your adviser on a special permission form.
- (7) Complete a new registration request.

Academic Information and Deadlines

All Students

Variations in Times and Dates of Courses

A few courses do not follow the dates of the sessions. Any variation in dates or in times is noted in the note or prerequisite column following the course title. Regardless of any such variations, established deadlines for the appropriate session will prevail.

Academic Advisement

All academic advisement, both undergraduate and graduate, is handled by assigned faculty advisors in your department. All inquiries concerning specific department degree requirements should be directed to your assigned advisor. If you do not have an advisor, contact your department chairperson so that one can be assigned.

Address/Name Change

If you have changed your mailing address or name, you should give notice to the Registrar's Office. Graduate students should contact the Graduate Studies Office.

Cancellation of courses

Buffalo State College makes every effort to offer courses that will meet your needs. However, the college reserves the right to cancel any section of a course. Students registered for a canceled course will be notified by mail, or at the first class meeting. If you are registered for canceled courses, you will be dropped automatically and do not need to attend Drop/Add or file a withdrawal form. Full tuition refunds will be issued by mail.

Grades

Grades for all sessions are generated only once during the summer. Therefore, all grade reports will be mailed approximately August 14, 2003. Credit will also be posted to your official record at that time.

Graduate Students

Candidacy

You are responsible for completing your application for Admission to Candidacy and submitting it to your adviser for approval. Candidacy is a written agreement stating the courses you must complete to receive your degree. This must be done upon completion of 6 to 12 credit hours of graduate course work. Failure to submit approved candidacy to the Graduate Studies Office will result in a hold being placed on your record. Approval of candidacy results in priority registration privileges.

Changes in Approved Degree Programs

If you change your approved program (candidacy), you must submit the change in writing to the Graduate Office. Changes in your program must be approved, in writing, by your adviser, department chair, and faculty dean. It must be submitted the semester the change takes place. Forms for this purpose are available in the Graduate Office or online at www.buffalostate.edu/graduatestudies.

Graduate Students Wishing to Take Undergraduate Courses

You may register for undergraduate courses to remove deficiency or prerequisite requirements. However, undergraduate coursework is never accepted to fulfill requirements for a graduate degree. Matriculated graduate students who take undergraduate courses will pay graduate tuition and fees rates.

Prerequisites

You are expected to meet the course prerequisites listed in the master schedule and current graduate catalog. If you do not meet course prerequisites, you will be asked to drop the class.

Premajor/Undeclared Students

Students accepted into this status will be eligible to register for 500-level graduate coursework. Undeclared students must obtain approval of the instructor, department chairperson, and the dean of graduate studies on a Special Permission Form (available in departments) to register for 600- and/or 700-level courses. Because classroom space is limited, preference is given to students in degree programs. Therefore, registration is on a space-available basis only. Because undeclared/premajor status is primarily for those students who are preparing to enter a degree program, appropriate credits may be acceptable as part of the degree requirements upon approval of the major department.

Guidelines for Non-Regular Registrations (On-Site Classes, Workshops, Special Programs)

All registration for on-site classes, workshops, and other special programs not listed in a regular graduate class schedule takes place on the first day of class under the supervision of the instructor conducting the class. In order to be eligible to receive graduate credit, you must possess a baccalaureate degree and fall into one of the admissions categories stated below:

- 1) Graduate student in good standing at Buffalo State College.
- 2) Undeclared/Premajor Student/Non-degree—Code 7XXX.

To obtain status, a graduate application, \$50 non-refundable application fee and an official baccalaureate transcript are required.

3) Postmaster's Status—Code 9000. To obtain status, a graduate application, a \$50 non-refundable application fee and official master's degree transcript are required.

4) Visiting Student Status—Code 9999. To obtain status, a graduate application, \$50 non-refundable application fee and a letter from the dean stating you are a student in good standing are required.

Promptness in meeting the above requirements will facilitate the registration process. Applications can be obtained from the instructor or on the first day of class.

Tuition And Fees

Billing

Bills for registrations made on April 14 & 15, 2003, will be processed on April 21, 2003 with a due date of May 8, 2003.* Non-payment will NOT cancel registration. Failure to pay in that time frame will result in a late payment fee of \$30 being assessed to your account.

If you decide not to attend, you MUST drop courses on one of the following Drop/Add dates:

- May 27 & 28 - all sessions
- June 24 - sessions B & C
- July 22 - session C

*Billing dates may change pending SABRE implementation.

Billing During Drop/Add

Drop/Add is held at the beginning of each session. You will be billed after registration with payment due 10 days from date of billing. Failure to pay in that time frame will result in assessment of a late payment fee of \$30. Non-payment will NOT cancel registration.

Payment

Full payment is expected for all courses in which you are registered. Do not send partial payments. If you wish to adjust your schedule after billing, you must make your full payment of the bill and adjust your schedule during drop/add. MasterCard and Visa credit cards will be accepted to accommodate full tuition payment.

Late Fees

A late registration fee of \$30 will be charged for first time summer registration after July 22, 2003. A late payment fee will be assessed to any payment covering any registration from April registration or drop/add received after the due date. These fees will not be waived or deferred.

Returned Check Fees

A \$20 fee will be assessed for any check that is returned because of insufficient funds or for any rejected credit card transaction. The \$30 late payment fee will be charged when appropriate.

Undergraduate Tuition and Fees

Rates subject to change without notice as directed by SUNY Board of Trustees.

New York State Resident:

- \$137 per credit hour
- Activity Fee: \$5.00 flat fee
- College Fee: \$.85 per credit hour
- Health Fee: \$6.25 per credit hour
- Athletic Fee: \$6.45 per credit hour
- Technology Fee: \$10.00 per credit hour

Out of State Resident:

- \$346 per credit hour
- Activity Fee: \$5.00 flat fee
- College Fee: \$.85 per credit hour
- Health Fee: \$6.25 per credit hour
- Athletic Fee: \$6.45 per credit hour
- Technology Fee: \$10.00 per credit hour

Graduate Tuition and Fees

Rates subject to change without notice as directed by SUNY Board of Trustees.

New York State Resident:

- \$213 per credit hour
- College Fee: \$.85 per credit hour
- Health Fee: \$6.25 per credit hour
- Technology Fee: \$10.00 per credit hour

Out-of-State Resident:

- \$351 per credit hour
- College Fee: \$.85 per credit hour
- Health Fee: \$6.25 per credit hour
- Technology Fee: \$10.00 per credit hour

If you are a non-degree student, you will pay for each course at level indicated. Visiting students will be charged according to the class level at their own campus.

Teacher Waivers

Present supervision teacher waiver certificates along with payment of fees by the payment deadline. If the certificate is transferred, be sure all information on the back of the certificate is completed and signed by the district administrator. Transferred waivers will not be accepted after the second week of classes. Altered waivers are not acceptable. Waivers cover tuition only and are honored at the New York resident rate. Students are responsible for paying college fees. Waivers will be honored only at the maximum rate of \$250 for a three-credit hour waiver. The college is not responsible for waivers lost in the mail.

Parking Permits

The charge for summer session parking is ten dollars (\$10). Individuals registering at drop/add must go to the Student Account Office to register, pay and receive the parking permit tag. There is NO REFUND after the first drop/add period.

Refunds/Liability

If you officially drop courses during drop/add, or process a course withdrawal, leave of absence or withdrawal from the college through the Registrar's Office, you may be entitled to a refund or tuition liability decrease. Refunds and liability are determined according to the following table. Official date of withdrawal is determined by the date the withdrawal form is received and stamped by the Registrar's Office, or the date you process a drop. If you want a tuition refund, you must sign the registration or withdrawal form.

First two days of Session A	100%
Second day of Session B	100%
Third day through end of first week of Sessions A & B	50%
Second week of Sessions A & B	0%

Second day of Session C	100%
Third day through end of first week of Session C	35%
Second week of Session C	0%

Course Cancellation

Due to the unique funding arrangements mandated by the State of New York, the availability of summer session courses is dependent upon a minimum number of paid registrations. If a course must be canceled due to insufficient enrollment, affected students will be notified by mail. They will be given an opportunity to register for another section of the course or a similar course.

Financial Aid Information

A student must have on file a processed 2003-2004 Free Application for Federal Student Aid (FAFSA) to receive federal financial aid for the summer. Students must also submit a separate Buffalo State Summer Aid Application which will be available in the Financial Aid Office in March.

Federal Stafford Loans

Federal Stafford Loans are available for summer study under the following terms and conditions:

1. Students must be matriculated and attending at least half-time (6 credits).
2. Borrowing Stafford Loans for the summer session may reduce the amount you can borrow during the academic year. Consult the Financial Aid Office about how you may be affected.
3. Most loan funds are disbursed in two installments; one at the start of the summer and one half way through the summer.
4. Failure to complete the courses you register for may result in the return of a portion or all of the loan proceeds.

TAP (Tuition Assistance Program)

TAP awards cannot be used as a deferment for summer sessions. TAP awards for summer are reimbursed at a later date for all qualified applicants.

Federal Pell Grant

Pell grants are available in the summer for those undergraduate students who qualify. There is a limit to how much Pell funds one may receive each year. Students who do not graduate in August or December may not be eligible to receive a Pell grant for the spring 2004 semester. Pell recipients must be matriculated and can receive

grants even for less than half-time study. Pell funds can be used as a deferment against tuition and fees but disbursement of funds begins in the latter part of August.

Federal Workstudy Programs

Students enrolled at least half-time can be awarded part-time workstudy, working up to twenty hours per week. Students not attending classes in the summer may be eligible for full-time workstudy, working up to 35 hours per week, if they have a 2003-2004 FAFSA form on file prior to the start of the summer semester. To be eligible for full-time workstudy a student must be matriculated in the fall semester. Funds earned for full-time workstudy may reduce the amount of aid a student will be eligible to receive in the following fall or spring semesters.

TRANSCRIPT OF ACADEMIC RECORD

For students attending Buffalo State College from other institutions, an official transcript will need to be forwarded to your home institution for transfer credit evaluation. As a convenience, a transcript form has been printed below (may be duplicated for multiple copies). Complete all information and forward with a \$5 check or money order (for each transcript requested) to Buffalo State College, Transcript Office, 1300 Elmwood Avenue, Moot Hall, Buffalo, NY 14222. Your transcript will be sent at the conclusion of the summer session, approximately August 14.

Official transcripts are not issued directly to students but will be forwarded upon request to authorities whom the student may designate. A student copy may be ordered for personal use. Transcripts cannot be furnished for students who have an unmet financial obligation to the college.

Registration Legends and Codes

General Education, Global Issues, and Diversity Codes

All codes for courses which carry general education credit, global issues or diversity requirements, are shown in the course title column of the class schedule.

The first space indicates global issues or diversity status:

D = Diversity
G = Global Issues

The middle space designates general education core:

C = Core

The third space indicates the core area, if applicable:

T = Applied Science /Technology
A = Arts
H = Humanities
M = Math/Science
S = Social Science

The fourth and fifth spaces indicate any additional General Education 2000 area, if applicable:

Z = Math requirement
V1 = Civilizations: American History
V2 = Civilizations: Western
V3 = Civilizations: Other World

F = Foreign Language
B = Basic Communication

Instructor Permission Codes

Courses listing instructor permission in the course option column will show a corresponding code in the note or prerequisite column indicating why permission is needed.

A Erie County Employee Education Program Preference
B Nonmajors only
C Internship - requires prior placement
D Minimum GPA required
E ESL students only
F Audition required
G Seniors only
H Juniors only
I Sophomores only
J First-time freshmen only
K Placement test required
L Limited to students with previous coursework in this area
M Instructor permission seats available only after first class day
N Freshman seminar course
O Block schedule course
P Apace block
Q Student teaching placement
R Evening students only
S Instructor permission seats available only during first class session

T Practicum placement (other than student teaching)

U Verification of prerequisites required
V Leadership experience required
W ECC joint teacher prep-program
X Reserved for off campus group
Y Must have MS DOS computer and access to adequate computer facilities

Special Notes to Students

Courses listing numbers 1-28 in the note or prerequisite column have special notes to students.

1 Lab fee required
2 Studio fee
3 Do not register for a course meeting immediately before or after this class
4 Lesson with additional fee
5 Cross-listed
6 Additional hours required
7 Only those students who have taken the English composition placement exam or who have transfer credit in English composition may enroll
8 Must attend special orientation session. Contact department
9 Must file form with department for individual physical education program, upon recommendation of the health center
10 Special meeting dates. Contact department
11 All non-transfer students must pass the competency exam before registering. Transfer students who do not transfer a math course must also pass the competency exam
12 Special equipment required - see instructor
13 Must see instructor
15 As of the first class day any available seats require instructor permission

16 Inter-campus transfer agreement
17 Must have completed application for course at least one semester prior
18 Prerequisite required
19 Call department for off-campus location
20 Lab fee \$15
21 Lab fee \$25
22 A 1-hour lab meets Friday afternoons or optionally, Thursdays at 12:15
23 Nonmajors only
24 Possible materials fees
25 Web enhanced class requires access to web-based materials. Use

of a computer and the internet is necessary
26 Web-based class will not meet on campus. Regular access to a computer and the internet is required
27 Interactive video; the note/prerequisite field includes the location, if not on campus. Contact the distance education office at 878-6910
28. Requires satisfactory completion of ENG 102 or equivalent.

General College Information

SUNYCARD

SUNYCard is Buffalo State's multipurpose identification card issued to students, faculty, and staff. This photo ID card enables the cardholder to utilize services in E. H. Butler Library and in libraries on other participating SUNY campuses. The card may also be used as a debit card at food service locations and for printing in selected computer labs on campus.

SUNYCards are obtained in Butler Library during regular hours. Proper identification (e.g., valid photo driver's license, state-issued nondriver ID, passport) is required. The initial SUNYCard is free; however, replacement cards carry a \$10 charge.

Butler Library

The library is an ideal place for both the serious researcher and the casual reader. It currently houses a collection of nearly one-half million books, subscriptions to more than 10,000 periodicals, and an extensive collection of audiovisual items and microforms. Connect to the library at www.buffalostate.edu/library/ for access to our online catalog, SHERLOCK, electronic databases (many full-text) and information about library policies, services, hours, and special collections. Computers are available for student use in several areas of the library, with networked black-and-white and color laser printers. The Reference Desk is staffed by knowledgeable librarians ready to assist patrons in the use of print and online resources. Computer student assistants help with e-mail and software applications such as word processing and spreadsheets. Signature Café serves gourmet coffees, teas, pastries, and sandwiches in the library lobby, where students may study or view campus exhibits.

Hours of operation May 27 - August 9, 2002

Monday-Thursday, 8 a.m. - 9 p.m.

Friday, 8 a.m. - 5 p.m.

Saturday, 9 a.m. - 5 p.m.

Closed Sundays and Friday, July 4th

Weigel Health Center

Weigel Health Center is staffed by physicians, nurse practitioners and nurses who provide both therapeutic and preventative care, including diagnosis and treatment of illness and injuries, immunizations, and educational counseling. Medical visits, immunizations, physicals, women and men's health exams, pregnancy tests, and emergency contraception are free to registered students.

Costs for laboratory tests, x-rays, and prescriptions are the student's responsibility, either through their insurance or self-payment. The college offers a 12-month student health insurance plan at a relatively low cost, which may pay for the lab tests, x-rays, and hospital and surgical care if necessary.

Appointments can be made by calling 878-6711 or by stopping in at the health center. Students are seen as quickly as possible. Hospitals are nearby for emergency care if needed. University police (ext. 6333) are available to assist in emergency situations.

The Health Education Office develops and implements educational programs throughout the year raising awareness and providing information to the Buffalo State College community on health and wellness issues.

Immunization Requirements

New York State Public Health Law 2165 requires college students to show proof of immunity to measles, mumps, and rubella. This documentation must be on file at Weigel Health Center prior to registration. Failure to comply will interfere with registration. The law applies to all undergraduate and graduate matriculated students. Students born before January 1, 1957 are exempt from this law, but must submit documentation of their birthdate to Weigel Health Center. For further information, visit www.buffalostate.edu/depts/weigel or call 878-6711.

Barnes & Noble Buffalo State Bookstore

The Buffalo State Bookstore is located in the Student Union. The store carries books and educational materials for course-related use and other merchandise to meet the casual needs of the college community. For more information and store hours, call (716) 878-5509 or visit www.bkstore.com/buffalostate/.

Computer Availability

E-mail accounts are assigned to all registered students and Buffalo State makes every effort to assure students access to computer lab facilities. General access computers are available in Butler Library. All students may use computer facilities to perform academic work during library hours.
