The Boards of Directors of the Connecticut Nurses Association, the New York State Nurses Association, and the Pennsylvania Nurses Association are cosponsoring a Special Open Forum at the 1988 Convention of The American Nurses' Association in Louisville, Kentucky.

This forum will provide an opportunity for a dialogue about the concerns of our Associations related to the membership of the future Associate Nurse. In view of limitations of space for this Forum, we request that two representatives of your delegation be designated as your representatives. Members of the ANA Board of Directors and the Commission on Organizational Assessment and Renewal have also been invited to attend and to participate in this forum.

Dear Juanita:

Once again, the members of District 19 would like to invite you to be our guest speaker at our membership meeting. The meeting is scheduled for Wednesday January 18, with dinner at 5:30 pm and the meeting from 7:00-8:30 pm.

We would leave the topic of your remarks up to you, but the members do have an interest in understanding the "bigger picture" of nursing across New York State. The feedback we have heard from other districts where you have spoken has warned us to be inspired and ready for action. We hope that you will be able to attend this meeting to give your unique perspective as NYSNA President.

Please let me know if your schedule will accommodate these plans. I can be reached at (516) 689-8859. I do hope you can come!

Dear Ms. Roberts,

This letter is confirmation of Dr. Juanita Hunter's visit to the District 16 November 1, 1988 membership meeting. The meeting will be held in Valhalla, NY, at the Mental Retardation Institute at 6:30 pm. I will be available to escort Dr. Hunter from her hotel to the meeting on that evening. There are several hotels in the White Plains area which offer good accommodations. They are enclosed for your convenience.

While our membership is interested in many issues, the issue which is arousing the most attention is the Registered Care Technologist issue. We respectfully request that Dr. Hunter address this issue on a national, state and local level. The membership is also requesting information on what is, and can be done to alleviate the nursing shortage in their respective hospitals, as well as those around the country.

We look forward to welcoming Dr. Hunter. If there is anything I can do to make this trip comfortable, please do not hesitate to contact me at 914-793-6870.

Dear Dr. Hunter,  

Enclosed, please find the press release, and the announcement of your address to District 16 on November 1. We have been working diligently to publicize your visit and look forward to a good turnout.  

A recent development in Westchester is of concern to us, and we believe that you should be aware of it. On Sunday, October 2, the New York Times Westchester Weekly included an article concerning the development of the Nurses' Resource Center, sponsored by matching funds from the Northern Metropolitan Hospital Association of Westchester Hospitals, and the private sector. The Nurses Resource Center is proposed to assist in the recruiting of nurses into the profession. They have already raised 115,000 dollars toward their cause. We in Westchester applaud these efforts, however, the Center was formed without any input from the Association, and in fact without the knowledge that a Nurses Association of any kind even existed! The article was clipped, and sent to Martha Orr sometime during the week of October 2. We would appreciate your thoughts on this matter, and are available to discuss any questions you may have. We look forward to your arrival.

Dear Ms. Wiesmann:

This will confirm that representatives of The New York State Nurses Association will attend a meeting with you and other representatives of AFT on January 24, 1988, at 1:00 p.m. The Association will be represented by: President Juanita Hunter; President-elect Madeline Naegle; Director of our Legislative Program, Joyce Gould; Associate Director of the Legislative Program, Bernard McCann; Deputy Director Elizabeth Carter; and me.

As suggested by Ms. Owley's letter of invitation, the purpose of this meeting is to discuss legislative and health care issues of interest to both organizations. I expect to speak with Ms. Owley shortly to plan a more specific agenda.

In view of this Association's status as a labor organization, and given the nature of our structure and function, I do feel it is necessary to be absolutely clear that the agenda cannot include any items pertaining to the representation of nurses for purposes of collective bargaining. I am confident that we can explore areas of common interest to professional nurses while respecting our differences as labor organizations.

Sincerely,

Dear Ms. Orr:

This past summer one of our staff, Sandy Naegle, met your president-elect Dr. Madeline Naegle, while traveling in Santa Fe, New Mexico. They discussed the possibility of some of our organizations’ leaders meeting informally with leaders of your organization to discuss various issues of mutual concern. Ms. Naegle told me about this conversation, as I am the National AFT Vice President with responsibility for our health care division. I will be in New York City on January 25th and I believe that Ms. Naegle and Dr. Naegle have discussed setting up a meeting on that afternoon.

We would propose that legislative and general health care issues of interest to both organizations be discussed and that we explore areas in which our two organizations might work cooperatively. We would be very pleased if you, Dr. Naegle and other NYDNA leaders or staff you feel appropriate, could attend this meeting. We would plan on having Sandra Feldman, UFT President and AFT Vice President, and Herb Magidson, NYNUR and AFT Vice President present, as well as Ms. Naegle and myself. The meeting could take place at UFT headquarters at 260 Park Avenue, South at 1:00 p.m.

We believe that we share many common concerns and certainly hope we can begin a dialogue on some of them. Please contact Sandy Wiesmann in our National office (202-287-8188) regarding the meeting, as she will be coordinating the arrangements. Also, feel free to contact me (414-259-1832) if you’d like to further discuss agenda items for the meeting. We look forward to your reply.

Sincerely,

Candice Owley

The Trustees' meeting will be held at the Center for Nursing and will be a more conducive vehicle for full discussion of possible Association-Foundation collaborative efforts.

In addition to exploring President Hunter's ideas about collaborative efforts with respect to recruitment and retention in the profession, the Foundation looks forward to discussion of continuing collaboration in such areas as development of the Association's archives, and initiation of the dimension of the oral history program focusing on "NYLSA Presidential Perspectives." Naturally, Trustees will welcome any additional discussion topics the Association wishes to pursue.

In discussing the Foundation's recent participation at the NYLSA Advisory Council meeting, President Hunter and I had an opportunity to review the April date and at that time the calendar looked good. Let's hope nothing unforeseen intervenes!

The Trustees' meeting is scheduled from 11:00 a.m. to 3:00 p.m. We will establish a time certain for Association participation as President Hunter and you desire. We do hope it will be possible for you to join us for lunch at approximately 12:30 p.m.

We look forward to meeting with you.

Ms. Juanita Hunter R.N., Ed.D.
President, New York State Nurses Association
2113 Western Avenue
Guilderland, N.Y. 12084

Dear Juanita:

Thank you for accepting our invitation to speak to our district members. The program is set up for March 22, 7 - 9, at University of Rochester School of Nursing, Helen Wood Hall.

Enclosed you will find a list of questions that will be asked of you that evening. We will have our board members at the table with you and after you say a few introductory remarks, we will proceed with each board member asking one question (I believe about 9 of the 12 board members will be present). Then, we will open up the questions to the audience. I have also enclosed directions and information about overnight reservations.

We are looking forward to allowing our members this contact with our state President. I think this visibility is important. Please send your credentials as you want to be introduced.

Thank you again for taking the time to join us. I will see you at the Advisory Meeting March 11, otherwise at Helen Wood Hall, March 22 at around 6:30-6:45 PM.

Sincerely,

Mel Callan

Questions:

1) What update do you have regarding the Department of Health's regulations on LPNs performing IV therapy? (some members may need a brief explanation)

2) What are NYSNA's plans to attract practicing nurses to membership in G.V.N.A.-N.Y.S.N.A.-A.N.A.? What direct benefits are there for practicing nurses in N.Y.S.N.A.?

3) How is N.Y.S.N.A. moving to implement the recommendations of the Arnold House Conference on recruitment and retention? Where are they in the process?

4) What do you think N.Y.S.N.A. will suggest to the voting body at the next convention since A.N.A. will only have an interim report for the delegates in June?

5) If N.Y.S.N.A. and A.N.A. move to the "professional" model, how will we deal with an entire body of associate-technical-practical nurses who will also speak for nursing, although not "professional nursing"? Won't disorder continue even though we may get entry? Wouldn't an associate membership for the second level answer this concern while maintaining a professional model?

6) What goals do you have for your term of office?

7) Do you have an update on prescriptive privileges for nurses in advanced practice?

Directions:

Thruway to Exit 47 - keep on 490 East through downtown Rochester (about 18 miles)

Get off at Goodman St., Exit 15 - TURN RIGHT onto Goodman St. and go to the end (through Highland Park; it will be about 2-3 miles). You will come to Elmwood Ave. TURN RIGHT. Go thru first big intersection (South Ave.) Then to 2nd major intersection (Mt. Hope) and TURN LEFT. Go to first light and turn right [CRITIE/NYK BLVD]. Go down about 1/2 mile and you will see Helen Wood Hall on the left. (Note, old brick building that looks like a dormitory - that's because it is!) There's a parking lot right next to it.

(Continental Breakfast)

The New Jersey State Nurses Association invites you to the Eastern Seaboard Regional Executive Council meeting on April 28th and 29th. It will be held at the Princeton Marriott at Forrestal Village.

We are requesting your assistance in setting the agenda. Please send items on or before April 15, 1988.

We have chosen to meet in the center of the State because

1) it is cost effective;
2) accessible by air, train (Amtrak) or automobile;
3) an attractive, cooperative facility.

Restaurants in the area are scarce. We believe that the Marriott dining room has some of the highest quality food in the area. Therefore, we will make a reservation for a Dutch-treat (a la carte) dinner for those who want to be together Thursday evening. It will arrange for small group tables.

To assist us in planning please let us know if you are joining us for dinner.

We are enclosing information on the Marriott, so that you may make your reservations directly (Note: map of the area is included).

We are enthusiastically looking forward to your visit to New Jersey in the Spring.

Dear Juanita:

Thank you for accepting our invitation to participate in the "Nursing Forums Regarding the RCQ" on August 28, 1988 at 7 PM in the Auditorium at Erie Community College, City Campus (121 Electric Street, Buffalo, NY 14210).

The forum was planned by the WNY Specialty Nursing Groups and District 1 and is designed to inform and educate why she about the ANA's RCQ proposal and its implications for the nursing profession, the health care delivery system and health care consumers. The panel is comprised of four panelists and a moderator. The other panelists are: Joanne Fadale, President of the State Emergency Nurses Association; Barbara Malinowski, Chair of the WNY AccuCare Task Force of the WNY Hospital Association; Michael Ackerman, President of the WNY Critical Care Nurses Association; and Mary Finnick, President of District 1 as the moderator. We would like each panelist to participate in the educational presentation as well as to bring forth the special concerns of their organization about the RCQ proposal. Time will be set aside for questions and audience participation.

Letters have been sent to all the hospitals and nursing homes in WNY to notify them of this forum and to ask them to circulate the information to their nursing staffs. All state legislators from WNY as well as area county legislators will also be notified about the forum. Hopefully, we will have a good turnout and will be able to educate many nurses and legislators about the Registered Nurse's role.

Again, thank you for agreeing to be a panelist. We look forward to your participation.

Sincerely,

Connie Goodwin

Dear Dr. Hunter:

I am writing to ask you to attend and participate in a panel at the November Ethnic/Racial Minority Fellowship Programs Advisory Committee meeting. The theme of this meeting is "Minority Involvement in the American Nurses' Association." We wish to discuss ways to help and encourage more minority participation in ANA and means and methods to increase minority recruitment in their State Nurses' Associations.

The panel is scheduled on November 21, 1988 from 1 to 3 p.m. in Las Vegas, Nevada at the Caesars Palace Hotel. You will be reimbursed for your travel, one nights hotel lodging, and per diem.

My goal is to find ways to increase and support minority membership and participation in ANA and State Nurses Associations. Your contribution will be an integral part of the panel. If you can attend the meeting, please let me know within the next ten days so that I can confirm hotel reservations.

I hope to see you in Las Vegas.

Sincerely,

Hattie Bessent
