620

Course Name \*  
Advanced Teaching of Individuals with Severe/Multiple  
Disabilities and Autism Spectrum Disorders

Abbreviated Course Name \*  
EXE 620

*19 characters or less*

*e.g. Electronic Music Composition II*

Catalog Description \*

Advanced and rigorous coursework designed to deepen educators' skills and knowledge base when working with students who have severe/multiple disabilities and autism spectrum disorders (ASD) and their families. This course focuses on the disciplined inquiry, informed practice, and comprehensive methods required to teach and support individuals and families within this population of students. This course will be offered every spring.

Suggested Revisions \*

- Reasons for Revision: spell out the acronym ASD.
- SLOs: Cut "ASD" as redundant or explain how ASD is distinct from "disabilities". Spell out all acronyms.
- Assessments:
  - o Explain what "tests" are.
  - o Change "class discussion" to "participation in class discussion".
  - o Explain the nature of "article reviews" as assessment, not as activities.
  - o Explain all "projects" and the "lesson plan modification" as assessments.
  - o Correct the punctuation.
- Content: Include it inside the table cell structure.
- Resources:
  - o No scholarship earlier than 2005.
  - o The list of Electronic/AV resources needs to be correctly formatted.
