The teacher then collects students’ comments, translating them into L2 if offered by students in L1.

II. Text Interpretation: Combine bottom-up and top-down leading questions to process text

### Top-down strategies (in L2):
- What is the purpose of ____? Is it to ____? Etc.
- What is the emotional state of person A/B?
- What are the interactants trying to accomplish?
- Do they accomplish the task?
- What are the phases of this discourse/speech event? (beginning, middle, end?)

Students will watch videos of native speakers introducing themselves. (From the University of Austin at Texas)  
[http://www.laits.utexas.edu/spe/beg08.html](http://www.laits.utexas.edu/spe/beg08.html)

### Bottom-up strategies (in L2):
- What do you think _____ means? Is ______ a cognate or false cognate?
- What do you think of when you picture __?
- What does person A ask? How does person B respond?
- What form of the verb does person A/B use in addressing the interlocutor?

- Cómo se hablan?
- Qué características tenían que discutir?
- Qué notas sobre las introducciones de España?
- Qué verbos tu oyes mucho?

### III. Sociocultural interpretation:
Lead learners through an examination of the points raised in the activation stage. Sample leading questions include:
- What similarities do you see between the way native speakers approach ‘X’ and our approach to ‘X’ (for examining L1 and C1 assumptions).
- Which of our assumptions about this text were correct? …incorrect?
- What are the rules for carrying out this speech event in the L2? (address relevant grammatical, lexical, discourse & socio-pragmatic elements)

En que manera hacen la gente en los Estados Unidos se saludan unos a otros que es diferente en España?

Son los saludos ambos formal y informal en los dos países?

### IV. Sociocultural presentation:
Students develop an adaptation/recreation/response related to the presented text(s). Directions (in L2)

Con sus compañeros, escribe una obra corta sobre como introducirse a uno al otro. En su obra, necesitas elegir un parte que tú quieres tocar. Si quieres ser un abuelo, esta bien. Es importante para la clase entender quien usted está actuando como. Después, vamos a presentarlos a la clase.

### V. Sociocultural debriefing:
Teacher and students examine appropriateness of students’ simulations against the linguistic and cultural elements identified at Stage III and the assumptions generated at Stage I. There may be some lingering transference of L1 and C1 to the L2 and C2 features imbued in the text. Write your leading questions below:

Comprende las diferencias entre formal y informal?
Comprende las diferencias de saludos en España y los Estados Unidos?
Fue más fácil comprender los saludos con la practica de la obra con sus compañeros?
Te gusta la actividad sobre los saludos?
¿Qué son las saludos que usted piensa que usaría en España?
